TABLE OF PARALLEL REFERENCES

This table shows where the subject matter of the various sections of articles in the first edition of American Jurisprudence is treated in American Jurisprudence 2d. It enables one to translate references in the Am Jur General Index, in the AM JUR FORMS books and in AM JUR PROOF OF FACTS as well as the many references to "Am Jur" in the reported cases in other legal publications, into references to Am Jur 2d.

When a particular subject matter is treated in another topic the title of the other topic is indicated.

The reader should always consult the volume index for detail and for matter not appearing in the first edition.

BUILDING AND CONSTRUCTION CONTRACTS

Scope of Topic: This article discusses private building and construction contracts, as well as building and construction contracts generally, including their formation, legality, modification, construction and effect, performance or breach, assignment, discharge, and rescission; the remedies and procedure for enforcing liability thereunder, and the measure and items of damages for the breach thereof; subcontracts and subcontractors; the regulation of building and construction contractors' business; and the tort liability of building and construction contractors and subcontractors, both preceding and following the completion of the work.

Treated elsewhere are matters distinctive to contracts for public building and construction work (see DRAINS AND SEWERS; HIGHWAYS, STREETS, AND BRIDGES; PUBLIC WORKS AND CONTRACTS); contractors' bonds (see CONTRACTORS' BONDS); contractors' liability insurance (see INSURANCE); mechanics' liens (see MECHANICS' LIENS); building laws and building permits (see BUILDINGS); architects (see 5 Am Jur 2d, ARCHITECTS) and independent contractors (see INDEPENDENT CONTRACTORS) generally; and the liability of building and construction contractors for injuries to their own employees (see MASTER AND SERVANT; WORKMEN'S COMPENSATION).
