# Difficult Medical Management

### **Drug Dosage Notice**

The authors and editor of this book have checked carefully to ensure that drug dosage recommendations are precise and in agreement with accepted standards at the time of publication. Nevertheless, dosage schedules are changed periodically as research and clinical experience reveal new data. Therefore, you should check the manufacturer's recommendations for dosages of all drugs, especially in instances when the drug is one you use infrequently or with which you otherwise lack familiarity.

**RICHARD F. AFABLE, M.D.**

Assistant Professor of Clinical Medicine,  
Northwestern University Medical School;  
St. Joseph's Hospital, Chicago, Illinois.  
*Hypertension, Refractory*

**BRUCE D. AGINS, M.D.**

Assistant Professor of Medicine, Cornell  
University College of Medicine; Director of  
AIDS Program, Division of Infectious Dis-  
eases and Immunology, North Shore Uni-  
versity Hospital, Manhasset, New York.  
*Infections in the Acquired Immunodefi-  
ciency Syndrome Patient*

**MICHAEL W. ANDERSON, M.D.**

Staff, Orlando Regional Medical Center and  
Arnold Palmer Children's and Women's  
Hospitals, Orlando, Florida.  
*Anaphylaxis and Anaphylactoid Reactions*

**PENG-TIAM ANG, M.D., M.R.C.P.  
(U.K.)**

Fellow in Medical Oncology, University of  
Texas Medical School at Houston; M. D. An-  
derson Cancer Center, Houston, Texas.  
*Breast Cancer*

**DAVID M. ARBESFELD, M.D.**

Clinical Instructor of Dermatology, New Jer-  
sey Medical School, Newark, New Jersey.  
*Herpes Simplex Virus Infections*

**MICHAEL E. ASSEY, M.D.**

Associate Professor of Medicine and Direc-  
tor, Adult Cardiac Catheterization Labora-  
tories, Medical University of South Caro-  
lina, Charleston, South Carolina.  
*Endocarditis, Infective*

**LUIS A. BALART, M.D.**

Clinical Assistant Professor of Medicine,  
Tulane University School of Medicine; Di-  
rector, Gastroenterology Training, Depart-  
ment of Internal Medicine, Ochsner Clinic,  
New Orleans, Louisiana.  
*Transplantation Patient, Medical Care of the*

**LES L. BARRICKMAN, D.O.**

Associate in Child Psychiatry, University of  
Iowa College of Medicine, Iowa City, Iowa.  
*Attention-Deficit Hyperactivity Disorder*

**RALPH E. BENNETT, M.D.**

Arthritis Center, Ltd., Phoenix, Arizona.  
*Rheumatoid Arthritis*

### **PETER J. BOOSALIS, B.A.**

American Heart Association Medical Student Research Fellow, University of Minnesota School of Medicine, Minneapolis, Minnesota.

*Congestive Heart Failure*

### **V. ALIN BOTOMAN, M.D.**

Assistant Clinical Professor of Medicine, University of Washington School of Medicine; Attending Gastroenterologist, Virginia Mason Clinic and Hospital, Seattle, Washington.

*Inflammatory Bowel Disease*

### **ALEX H. BRUCKSTEIN, M.D.**

Clinical Associate Professor of Medicine, New York Medical College, Valhalla; Assistant Attending, Department of Medicine, Division of Gastroenterology, St. Vincent's Medical Center of Richmond, Staten Island, New York.

*Ascites*

*Peptic Ulcer Disease in Elderly Patients*

### **RUTH DOWLING BRUUN, M.D.**

Clinical Associate Professor of Psychiatry, Cornell University Medical College; Attending Psychiatrist, New York Hospital-Cornell Medical Center, New York, New York.

*Tourette's Syndrome*

### **ROBERT BURAKOFF, M.D.**

Associate Professor of Medicine, State University of New York at Stony Brook, School of Medicine, Stony Brook; Chief, Division of Gastroenterology, Winthrop-University Hospital, Mineola, New York.

*Cirrhosis of the Liver in the Alcoholic Patient*

### **SIDNEY N. BUSIS, M.D.**

Clinical Professor of Otolaryngology, University of Pittsburgh School of Medicine; Senior Staffs, Eye and Ear Hospital, Children's Hospital, and Montefiore Hospital, Pittsburgh, Pennsylvania.

*Meniere's Disease*

### **AMAN U. BUZDAR, M.D.**

Professor of Medicine, Department of Medical Oncology, University of Texas Medical School at Houston; M. D. Anderson Cancer Center, Houston, Texas.

*Breast Cancer*

### **PAUL H. CALDRON, D.O.**

Arthritis Center, Ltd.; Staff Physician, Humana-Phoenix Center, Phoenix, Arizona.

*Rheumatoid Arthritis*

### **STEPHEN M. CAMPBELL, M.D.**

Associate Professor of Medicine, Division of Arthritis and Rheumatic Disease, Oregon Health Sciences University School of Medicine; Chief, Rheumatology Section, Veterans Administration Medical Center; Portland, Oregon.

*Reflex Sympathetic Dystrophy Syndrome*

### **LOUIS A. CANNON, M.D.**

Instructor, Emergency Medicine, University of Cincinnati College of Medicine; Research Fellow, Ohio Affiliate A.H.A., University of Cincinnati Medical Center, Cincinnati, Ohio.

*Angina Pectoris, Unstable*

### **JOHN B. CHAWLUK, M.D.**

Clinical Associate Professor of Neurology, Medical College of Pennsylvania; Clinical Assistant Professor of Neurology, University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania; Staff Neurologist, Episcopal Hospital, Philadelphia, and Good Samaritan Hospital, Pottsville, Pennsylvania.

*Transient Ischemic Attacks*

### **ANTHONY W. CHOW, M.D., F.A.C.P., F.R.C.P.C.**

Professor of Medicine, University of British Columbia; Head, Division of Infectious Diseases, Vancouver General Hospital, Vancouver, British Columbia.

*Antimicrobial Use During Pregnancy and Lactation*

### **IRA SETH COHEN, M.D.**

Director, Noninvasive Laboratory, Sinai Hospital of Detroit, Detroit, Michigan.

*Atrial Fibrillation*

### **JOHN D. CONGER, M.D.**

Professor of Medicine, Division of Renal Diseases, University of Colorado School of Medicine; Director, Hemodialysis Unit, Veterans Administration Medical Center, Denver, Colorado.

*Renal Failure, Acute*

### **DONALD R. COUSTAN, M.D.**

Professor of Obstetrics and Gynecology, Brown University Program in Medicine; Director of Obstetrics and Maternal-Fetal Medicine, Women and Infants Hospital of Rhode Island, Providence, Rhode Island.

*Diabetes Mellitus in Pregnancy*

**GARY WALTER CROOKS, M.D.**

Assistant Professor of Medicine, University of Pennsylvania School of Medicine; Staff Physician, Section of General Internal Medicine, Hospital of the University of Pennsylvania, Philadelphia, Pennsylvania.  
*Hypercholesterolemia*

**GERALD M. CROSS, M.D.**

Lieutenant Colonel, United States Army Medical Corps; Director, Residential Treatment Facility, William Beaumont Army Medical Center, El Paso, Texas.  
*Alcohol Withdrawal Syndromes*

**KENT CROSSLEY, M.D.**

Professor of Medicine, University of Minnesota School of Medicine, Minneapolis; Chief, Infectious Disease Section, St. Paul-Ramsey Medical Center, St. Paul, Minnesota.  
*Meningitis and Encephalitis*

**DAVID C. CUMMING, M.B., Ch.B., F.R.C.O.G., F.R.C.S.C.**

Associate Professor, Department of Obstetrics and Gynaecology and Division of Endocrinology, Department of Medicine, University of Alberta; Active Staff, Obstetrics and Gynaecology and Consultant Staff, Endocrinology, University of Alberta Hospital, Edmonton, Alberta, Canada.  
*Polycystic Ovarian Disease*

**JEFFREY L. CUMMINGS, M.D.**

Associate Professor of Neurology and Psychiatry and Biobehavioral Sciences, University of California, Los Angeles School of Medicine; Director, Neurobehavior Unit, West Los Angeles Veterans Administration Medical Center, Los Angeles, California.  
*Alzheimer's Disease*

**RICHARD D. deSHAZO, M.D.**

Professor of Medicine and Pediatrics; Chairman, Department of Internal Medicine, University of South Alabama College of Medicine; University of South Alabama Medical Center, Mobile, Alabama.  
*Anaphylaxis and Anaphylactoid Reactions*

**ADRIAN S. DOBS, M.D.**

Assistant Professor of Medicine, Department of Internal Medicine, Division of Endocrinology and Metabolism, Johns Hopkins University School of Medicine; Staff, Johns Hopkins Hospital, Baltimore, Maryland.  
*Obesity in the Diabetic Patient*

**MICHAEL DONAHOE, M.D.**

Assistant Professor of Medicine, Division of Pulmonary/Critical Care Medicine, University of Pittsburgh School of Medicine; Director, Medical Intensive Care Unit, Presbyterian University Hospital, Pittsburgh, Pennsylvania.  
*Sleep Apnea*

**PAUL M. DORINSKY, M.D.**

Associate Professor of Medicine, Division of Pulmonary and Critical Care Medicine, The Ohio State University College of Medicine; Director, Medical Intensive Care Unit, Ohio State University Hospital, Columbus, Ohio.  
*Adult Respiratory Distress Syndrome*

**BRUNO ESCALER, M.D.**

Fellow in Cardiovascular Diseases, Wayne State University School of Medicine; Sinai Hospital of Detroit, Detroit, Michigan.  
*Atrial Fibrillation*

**STANLEY FAHN, M.D.**

H. Houston Merritt Professor of Neurology, Columbia University College of Physicians and Surgeons; Attending Neurologist, Columbia-Presbyterian Medical Center, New York, New York.  
*Parkinson's Disease*

**SEBASTIAN FARO, M.D., Ph.D.**

Professor of Obstetrics and Gynecology, Section of Infectious Diseases, Baylor College of Medicine; Attending, St. Luke's Episcopal Hospital, Methodist Hospital, Ben Taub Hospital, Lyndon B. Johnson County Hospital, Houston, Texas.  
*Vaginitis, Recurrent*

**JAMES V. FELICETTA, M.D.**

Associate Clinical Professor of Internal Medicine, University of Arizona College of Medicine, Tucson; Chief of Medical Service, Carl T. Hayden Veterans Administration Medical Center, Phoenix, Arizona.  
*Thyroid Disease in the Elderly Patient*

**ROBERT B. FICK, Jr., M.D.**

Associate Professor of Medicine and Chair, Senior Curriculum in Medicine, University of Iowa College of Medicine; Division of Pulmonary and Critical Care Medicine, University of Iowa Hospitals and Clinics, Iowa City, Iowa.  
*Cystic Fibrosis*
