PUBLISHERS' ANNOUNCEMENT

Continuation Volume D, the fourth permanent continuation volume to the *English and Empire Digest*, contains digests of cases from 1971 to 1975 subsequent to the publication of the main Blue-Band Volumes and Green-Band Volumes published to date.

This continuation volume can be used as a separate entity by the use of the Table of Cases (see pages xi *et seq.*). It is however best used in conjunction with the latest Cumulative Supplement, which contains a noter-up, additional annotations, cross-references to this and other continuation volumes, and, from 1977, digests of cases subsequent to the latest continuation volume.

The method of using the supplement and continuation volumes together is fully explained in the publishers' announcement at the beginning of the supplement.
