Do YOU believe in fairies?  
Well, go to the garden today.

And if you wish with ALL your heart.  
Garden Fairy may come and play!

She'll lead you then to pools and streams  
too play at peekaboo.

**Before you know it, Water Sprite  
will take a peek at you!**

此为试读, 需要完整PDF请访问: [www.ertongbook.com](http://www.ertongbook.com)

You'll follow the fairies through the trees,  
flitting to-and-fro.

Their pretty voices sing and call,  
and Forest Fairy will say hello!

In summer meadows full of corn,  
the fairies love to prance.

With mice and birds you'll laugh and play  
as Meadow Fairy joins the dance.

**At last you'll meet the Fairy Queen,  
the loveliest of all!**

**And you'll be guest of honor  
at her magic Fairy Ball!**

Have you ever looked for fairies  
in your garden?  
If you make a wish with all your heart,  
you might just be lucky and spot  
one . . . or two . . . or more! Count the  
twinkling fairies as you enjoy this  
sweet bedtime story.

**Instructions for Battery Replacement.** A child should never use this product unless the battery compartment cover has been properly secured. Only an adult should replace batteries. Use a Phillips screwdriver to remove the screw. Slide the battery compartment cover open. Remove the old batteries and dispose immediately. Install new batteries with the plus (+) sign facing up. Close the cover and secure it with a screw. Batteries must be inserted with the correct polarity. Do not mix old and new batteries. Do not mix alkaline, standard [carbon-zinc], or rechargeable [nickel-cadmium] batteries. Do not use rechargeable batteries. Do not recharge non-rechargeable batteries. This product uses four AG-13 button cell batteries [4 x 1.5V = 6V]. Use batteries of the same or equivalent type as recommended. The supply terminals are not to be short-circuited. Remove exhausted batteries from the book. **Batteries included.**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. **WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. **NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception. If this equipment does cause harmful interference, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna • Increase the separation between the equipment and the receiver • Connect the equipment into an outlet on a circuit different from that to which the receiver is connected • Consult the dealer or an experienced radio/TV technician for help. This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
