

VOLUME II
ENDOCRINOLOGY
ADULT AND PEDIATRIC

6th Edition

J. Larry Jameson
Leslie J. De Groot

David de Kretser
Ashley Grossman
John C. Marshall
Shlomo Melmed
John T. Potts, Jr.
Gordon C. Weir

VOLUME II

ENDOCRINOLOGY

ADULT AND PEDIATRIC

6th Edition

Senior Editors

J. Larry Jameson, MD, PhD

Professor of Medicine, Dean
Northwestern University Feinberg School of Medicine
Northwestern University, Chicago, Illinois

Leslie J. De Groot, MD

Research Professor
Cellular and Life Sciences
University of Rhode Island, Providence Campus
Providence, Rhode Island

Section Editors

David de Kretser, AO, FAA, FTSE, MD, FRACP

Emeritus Professor
Monash Institute of Medical Research
Monash University
Clayton, Melbourne, Victoria, Australia

Ashley Grossman, BA, BSc, MD, FRCP, FMedSci

Professor of Neuroendocrinology
Endocrinology
St. Bartholomew's Hospital
London, United Kingdom

John C. Marshall, MD, PhD

Andrew D. Hart Professor of Internal Medicine
Director Center for Research in Reproduction
Department of Medicine
University of Virginia School of Medicine
Charlottesville, Virginia

Shlomo Melmed, MD

Senior Vice President, Academic Affairs and Dean of
the Faculty
Cedars Sinai Medical Center
Los Angeles, California

John T. Potts, Jr, MD

Jackson Distinguished Professor of Clinical Medicine
Harvard Medical School;
Director of Research and Physician-in-Chief Emeritus
Department of Medicine
Massachusetts General Hospital
Boston, Massachusetts

Gordon C. Weir, MD

Head, Section on Islet Transplantation and Cell Biology
Diabetes Research and Wellness Foundation Chair
Joslin Diabetes Center
Professor of Medicine
Harvard Medical School
Boston, Massachusetts

Associate Editor

Harald Jüppner, MD

Professor of Pediatrics
Endocrine Unit and Pediatric Nephrology Unit
Massachusetts General Hospital and Harvard Medical
School
Boston, Massachusetts

Notice

Knowledge and best practice in this field are constantly changing. As new research and experience broaden our knowledge, changes in practice, treatment, and drug therapy may become necessary or appropriate. Readers are advised to check the most current information provided (i) on procedures featured or (ii) by the manufacturer of each product to be administered, to verify the recommended dose or formula, the method and duration of administration, and contraindications. It is the responsibility of the practitioner, relying on their own experience and knowledge of the patient, to make diagnoses, to determine dosages and the best treatment for each individual patient, and to take all appropriate safety precautions. To the fullest extent of the law, neither the Publisher nor the Authors assumes any liability for any injury and/or damage to persons or property arising out of or related to any use of the material contained in this book.

ENDOCRINOLOGY

Contributors

Lloyd Paul Aiello, MD, PhD

Director, Beetham Eye Institute, Joslin Diabetes Center
Associate Professor of Ophthalmology, Harvard Medical School
Department of Ophthalmology, Harvard Medical School
Joslin Diabetes Center
Boston, Massachusetts

Erik K. Alexander, MD

Assistant Professor of Medicine
Department of Medicine
Brigham & Women's Hospital/Harvard Medical School
Boston, Massachusetts

Carolyn A. Allan, MBBS(Hons), PhD, DRCOG(UK), FRACP

Postdoctoral Research Fellow
Prince Henry's Institute;
Honorary Senior Lecturer
Department of Obstetrics and Gynaecology
Monash University;
Endocrinologist
Monash Medical Centre
Clayton, Victoria, Australia

Bruno Allolio, MD

Professor of Medicine
Department of Endocrinology and Diabetes
Med. Univ. Hospital
University of Wuerzburg
Wuerzburg, Germany

Peter Angelos, MD, PhD, FACS

Professor and Chief of Endocrine Surgery
The University of Chicago
Chicago, Illinois

Sree Appu

Department of Surgery, Monash University
Consultant Urologist
Monash Medical Centre
Melbourne, Australia

Richard J. Auchus, MD, PhD

The Charles A. and Elizabeth Ann Sanders Chair in Translational Research and Professor
Internal Medicine, Division of Endocrinology and Metabolism
The University of Texas Southwestern Medical Center at Dallas
Dallas, Texas

Joseph Avruch, MD

Professor of Medicine
Harvard Medical School;
Physician and Chief
Diabetes Unit
Member
Department of Molecular Biology
Massachusetts General Hospital
Boston, Massachusetts

Lloyd Axelrod, MD

Associate Professor of Medicine
Department of Medicine
Harvard Medical School;
Physician and Chief of the James Howard Means Firm Medical Services
Massachusetts General Hospital
Boston, Massachusetts

Rebecca S. Bahn, MD

Professor of Medicine
Endocrinology, Diabetes, Metabolism and Nutrition
Mayo Clinic
Rochester, Minnesota

H.W.G. Baker, MD, PhD, FRACP

Professor
University of Melbourne Department of Obstetrics and Gynaecology
The Royal Women's Hospital
Victoria, Australia

Randall B. Barnes, MD

Associate Professor
Obstetrics and Gynecology
Northwestern University, Feinberg School of Medicine
Chicago, Illinois

Murat Bastepe, MD, PhD

Assistant Professor of Medicine
Endocrine Unit, Department of Medicine
Massachusetts General Hospital and Harvard Medical School
Boston, Massachusetts

John D. Baxter, MD

Senior Member, Co-Director
Diabetes Center
The Methodist Hospital Research Institute;
Chief of Endocrinology
The Methodist Hospital
Houston, Texas

Paolo Beck-Peccoz, MD

Professor of Endocrinology
Department of Medical Sciences, University of Milan
Fondazione Policlinico IRCCS
Milan, Italy

Graeme I. Bell, PhD

Louis Block Distinguished Service Professor
Departments of Medicine and Human Genetics
The University of Chicago
Chicago, Illinois

John P. Bilezikian, MD

Professor of Medicine
Division of Endocrinology
Columbia University
New York, New York

Stephen R. Bloom, DSc, FRCP

Professor
Department of Metabolic Medicine and Investigative Sciences
The Hammersmith Hospital and Imperial College University of London
London, United Kingdom

Manfred Blum, MD, FACP

Professor of Medicine and Radiology
Director, Thyroid Unit
Director, Nuclear Endocrine Laboratory
New York University School of Medicine
NYU Langone Medical Center
New York, New York

Steen J. Bonnema, MD, PhD

Associate Professor
Department of Endocrinology
Odense University Hospital
Odense, Denmark

Diego Botero, MD

Attending Physician
Endocrinology Program
Miami Children's Hospital
Miami, Florida

Roger Bouillon, MD, PhD, FRCP

Professor of Medicine and Chair of Endocrinology
Experimental Medicine and Endocrinology
Katholieke Universiteit Leuven
Leuven, Belgium

Andrew J.M. Boulton, MD, FRCP

Professor of Medicine
Universities of Manchester, United Kingdom and Miami, Florida
Diabetes and Endocrinology
University of Manchester
Manchester, United Kingdom

Glenn D. Braunstein, MD

Professor and Chairman, Department of Medicine
The James R. Klineberg MD Chair in Medicine
Cedars-Sinai Medical Center
Los Angeles, California

F. Richard Bringham, MD

Associate Professor of Medicine, Harvard Medical School
Physician, Massachusetts General Hospital
Senior Vice President for Medicine and Research Management
Massachusetts General Hospital
Boston, Massachusetts

Frank J. Broekmans, MD, PhD

Gynecologist
Reproductive Medicine and Gynecology
University Medical Center Utrecht
Utrecht, The Netherlands

Marcello D. Bronstein, MD

Professor of Endocrinology
Chief, Neuroendocrine Unit
Division of Endocrinology and Metabolism
Department of Internal Medicine
Hospital das Clinicas
University of Sao Paulo Medical School
Sao Paulo, Brazil

Edward M. Brown, MD

Professor of Medicine Division of Endocrinology,
Diabetes and Hypertension
Department of Medicine
Brigham & Women's Hospital
Boston, Massachusetts

Chuong Bui, MBBS, FRACP, DDU

Staff Specialist
Nuclear Medicine Department
Nepean Hospital
Kingswood, New South Wales, Australia

Col. Henry B. Burch, MD

Chief, Endocrinology
Walter Reed Army Medical Center;
Professor of Medicine and Chair
Endocrinology Division Uniformed Services
University of the Health Sciences
Washington, D.C.

Henry G. Burger, AO, FAA, MD, FRCP, FRACP, FCP(SA), FRCOG, FRANZCOG

Professor
Prince Henry's Institute of Medical Research
Monash Medical Centre
Clayton, Victoria, Australia

Richard O. Burney, MD, MSc

Chief, Division of Reproductive Endocrinology and
Infertility Director
Translational Research Program
Department of Obstetrics and Gynecology Madigan
Army Medical Center
Tacoma, Washington

John B. Buse, MD, PhD

Chief, Division of Endocrinology
Department of Medicine
University of North Carolina School of Medicine
Chapel Hill, North Carolina

Peter C. Butler, MD

Doctor
Larry Hillblom Islet Research
University of California Los Angeles
Los Angeles, California

Paolo Cappabianca, MD

Professor and Chairman of Neurological Surgery
Department of Neurosurgery
Università degli Studi di Napoli Federico II
Naples, Italy

Maria Luiza Avancini Caramori, MD, PhD

Assistant Professor
Division of Endocrinology and Diabetes
Department of Medicine and Pediatrics
University of Minnesota
Minneapolis, Minnesota

Robert M. Carey, MD, MACP

David A. Harrison III Distinguished Professor of
Medicine;
Dean, Emeritus and University Professor
Division of Endocrinology and Metabolism
University of Virginia Health System
Charlottesville, Virginia

Esther Carlton, CLS

Project Manager
Clinical Correlations
Quest Diagnostics Nichols Institute
San Juan Capistrano, California

David Carmody, MB, BCh, BAO, LRCP, SI, MRCP(UK)

Doctor
Department of Endocrinology and Diabetes
Beaumont Hospital
Dublin, Ireland

Jose F. Caro, MD

Distinguished Professor of Medicine and Vice Chair
for Research, Associate Dean of Clinical
Investigation, Director of the Metabolic Institute
Department of Medicine
Brody School of Medicine, East Carolina University
Greenville, North Carolina

Francesco Cavagnini, MD

Professor of Endocrinology
Chair of Endocrinology
University of Milan;
Chief, Divisione di Medicina Generale ad Indirizzo
Endocrino-Metabolico, Ospedale
San Luca, Istituto Auxologico Italiano
Milan, Italy

Jerry Cavallerano, OD, PhD

Associate Professor
Department of Ophthalmology
Harvard Medical School;
Staff Optometrist
Beetham Eye Institute
Joslin Diabetes Center
Boston, Massachusetts

Luigi M. Cavallo, MD, PhD

Department of Neurological Sciences
Division of Neurosurgery
Università degli Studi di Napoli Federico II
Naples, Italy

Shu Jin Chan, PhD

Research Professional Associate
Department of Medicine
The University of Chicago
Chicago, Illinois

R. Jeffrey Chang, MD

Professor
Department of Reproductive Medicine
University of California San Diego, School of
Medicine
La Jolla, California

Roland D. Chapurlat, MD, PhD

Professor of Rheumatology;
Head, Division of Rheumatology;
Director, INSERM Research Unit 831;
Director, National Reference Center for Fibrous
Dysplasia of Bone
Lyon, France

V. Krishna Chatterjee, MD, FRCP

Professor of Endocrinology
Department of Medicine
Institute of Metabolic Science
University of Cambridge
Cambridge, United Kingdom

Luca Chiovato, MD, PhD

Professor of Endocrinology
University of Pavia
Head, Unit of Internal Medicine and Endocrinology
Fondazione Salvatore Maugeri IRCCS
Pavia, Italy

Kyung J. Cho, MD

Professor
Department of Radiology
University of Michigan Medical School
Ann Arbor, Michigan

Daniel Christophe, PhD

Research Director FNRS and Professor of Molecular
Biology at the ULB
Institut de Recherche Interdisciplinaire en Biologie
Humaine et Moléculaire (IRIBHM)
Université Libre de Bruxelles (ULB)
Institut de Biologie et de Médecine Moléculaires
(IBMM), Charleroi (Gosselies)
Brussels, Belgium

Teng-Teng Chung, MBBS, MRCP

MRC Clinical Research Fellow
Centre for Endocrinology
Barts & the London School of Medicine &
Dentistry
London, United Kingdom

John A. Cidlowski, PhD

Chief Laboratory of Signal Transduction
National Institute of Environmental Health
Sciences, NIH
Research Triangle Park, North Carolina

Adrian J.L. Clark, DSc, FRCP

Professor of Medicine
Endocrinology
Barts & the London School of Medicine &
Dentistry
London, United Kingdom

Peter E. Clark

Assistant Professor of Urologic Surgery
Department of Urologic Surgery
The Vanderbilt-Ingram Cancer Center
Nashville, Tennessee

David R. Clemmons, MD

Director Diabetes Center for Excellence Kenan
Professor of Medicine
Department of Medicine
University of North Carolina School of Medicine
Chapel Hill, North Carolina

Robert V. Considine, PhD

Associate Professor
Department of Medicine/Division of Endocrinology
Indiana University School of Medicine
Indianapolis, Indiana

Georges Copinschi, MD, PhD

Professor Emeritus of Endocrinology
Laboratory of Physiology
Faculty of Medicine, Université Libre de Bruxelles;
Formerly Chief
Division of Endocrinology, Hôpital Universitaire
Saint-Pierre;
Formerly Chairman
Department of Medicine, Hôpital Universitaire
Saint-Pierre
Brussels, Belgium

Kyle D. Copps, PhD

Department of Endocrinology
Children's Hospital
Boston, Massachusetts

C. Hamish Courtney, MD, FRCP

Consultant Endocrinologist
Regional Center for Endocrinology and Diabetes
Royal Victoria Hospital
Belfast, United Kingdom

Leona Cuttler, MD

William T. Dahms Professor of Pediatric
Endocrinology Chief
Division of Pediatric Endocrinology, Diabetes, and
Metabolism
Director, The Center for Child Health and Policy at
Rainbow
Rainbow Babies and Children's Hospital Case
Western Reserve University
Cleveland, Ohio

Melita L. Daley, MD

Assistant Professor
Department of Psychiatry
UCLA Semel Institute
Los Angeles, California

Mehul Dattani, FRCP, FRCPC, MD

Professor of Paediatric Endocrinology
Developmental Endocrinology Research Group,
Clinical and Molecular Genetics Unit
UCL Institute of Child Health London
London, United Kingdom

Stephen N. Davis, MBBS, FRCP, FACP, FACE

Theodore Woodward Professor and Chairman
Department of Medicine
University of Maryland Medical School and
Medical Center
Baltimore, Maryland

Oreste de Divitiis, MD

Associate Professor
Department of Neurological Science, Institute of
Neurosurgery
Università degli Studi di Napoli Federico II
Naples, Italy

Mario De Felice, MD

Professor of Pathology
Department of Cellular and Molecular Biology and
Pathology
University of Naples "Federico II";
Scientific Coordinator
Biogem
Ariano Irpino, Italy

Ralph A. DeFronzo, MD

Professor of Medicine/Chief, Diabetes Division
Department of Medicine
University of Texas Health Science Center
San Antonio, Texas

Leslie J. De Groot, MD

Research Professor
Cellular and Life Sciences
University of Rhode Island, Providence Campus
Providence, Rhode Island

David de Kretser, AO, FAA, FTSE, MD, FRACP

Emeritus Professor
Monash Institute of Medical Research
Monash University
Clayton, Melbourne, Victoria, Australia

Ahmed J. Delli, MD, MPH

Medical Doctor
Department of Clinical Sciences/Diabetes and
Celiac Disease Unit
Clinical Research Center/Lund University
Malmö, Skåne, Sweden

Pierre D. Delmas, MD, PhD[†]

Professor of Medicine
Claude Bernard University of Lyon;
Chief of Department, Rheumatology
Hôpital E. Herriot;
Director, Research Unit (Pathophysiology of
Osteoporosis) INSERM
Lyon, France;
President, International Osteoporosis Foundation
Nyon, Switzerland

Marie B. Demay, MD

Professor of Medicine
Massachusetts General Hospital
Harvard Medical School
Boston, Massachusetts

Paul Devroey, MD, PhD

Professor
Centre for Reproductive Medicine
UZ Brussel
Brussels, Belgium

Roberto Di Lauro, MD

Full Professor of Medical Genetics
Department of Cellular and Molecular Biology and
Pathology
University of Naples "Federico II"
Naples, Italy

Sean F. Dinneen, MD, FRCPI, FACP

Senior Lecturer in Medicine and Consultant
Endocrinologist
Department of Medicine
NUI Galway and Galway University Hospitals
Galway, Ireland

Jacques E. Dumont, MD, PhD

Honorary Professor
Iribhm
University of Brussels
Brussels, Belgium

Kathleen M. Dungan, MD

Assistant Professor of Medicine
Division of Endocrinology, Diabetes, and
Metabolism
Ohio State University
Columbus, Ohio

Daniel J. Drucker, MD

Professor
Department of Medicine
Samuel Lunenfeld Research Institute, Mt. Sinai
Hospital, University of Toronto
Toronto, Ontario, Canada

Michael J. Econs, MD

Glenn W. Irwin, Jr. Professor of Endocrinology and
Metabolism
Director, Division of Endocrinology and
Metabolism
Professor of Medicine and Medical and Molecular
Genetics
Indiana University School of Medicine
Indianapolis, Indiana

David A. Ehrmann, MD

Professor
Department of Medicine/Section of Endocrinology,
Diabetes, and Metabolism
The University of Chicago
Chicago, Illinois

Graeme Eisenhofer, PhD

Professor and Chief
Division of Clinical Neurochemistry
Institute of Clinical Chemistry and Laboratory
Medicine and Department of Medicine
Universitätsklinikum Carl Gustav Carus Dresden
Dresden, Germany

Gregory F. Erickson, PhD

Professor Emeritus
Department of Reproductive Medicine
University of California, San Diego
La Jolla, California

Barbro Eriksson, MD, PhD

Professor
Department of Endocrine Oncology
Uppsala University Hospital
Uppsala, Sweden

Eric Espiner, MBChB, MD, FRACP, FRS (NZ)

Professor
Department of Medicine
Christchurch School of Medicine and Health
Sciences
Christchurch, New Zealand

Felice Esposito, MD, PhD, FACS

Department of Neurological Sciences
Division of Neurosurgery
Università degli Studi di Napoli Federico II
Naples, Italy

Victoria Esser, PhD

Associate Professor, Internal Medicine
University of Texas Southwestern Medical Center
at Dallas
Dallas, Texas

Erica A. Eugster, MD

Professor of Pediatrics
Section of Pediatric Endocrinology, Department of
Pediatrics
Riley Hospital for Children, Indiana University
School of Medicine
Indianapolis, Indiana

[†]Deceased.

Sadaf Farooqi, PhD, FRCP

Wellcome Trust Senior Clinical Fellow
University of Cambridge Metabolic Research
Laboratories
Institute of Metabolic Science
Cambridge, United Kingdom

Martin Fassnacht, MD

Max Eder Senior Research Fellow
Consultant Endocrinologist
Professor for Medicine
Department of Internal Medicine I, Endocrine and
Diabetes Unit
University Hospital of Würzburg
Würzburg, Germany

Bart C.J.M. Fauser, MD, PhD

Professor of Reproductive Medicine
Reproductive Medicine and Gynecology
University Medical Center Utrecht
Utrecht, The Netherlands

Gianfranco Fenzi, MD, PhD

Professor of Endocrinology
Dipartimento di Endocrinologia e Oncologia
Clinica
Università di Napoli “Federico II”
Napoli, Italy

Ele Ferrannini, MD

Professor of Medicine
Department of Internal Medicine
University of Pisa School of Medicine
Pisa, Italy

David M. Findlay, PhD

Professor of Orthopaedic Research
Department of Orthopaedics and Trauma
University of Adelaide
Adelaide, South Australia, Australia

Courtney Finlayson, MD

Instructor, Pediatrics
Division of Pediatrics
Harvard Medical School
Children's Hospital Boston
Boston, Massachusetts

Delbert A. Fisher, MD

Professor of Pediatrics and Medicine
David Geffen School of Medicine at University of
California Los Angeles
Los Angeles, California

Maguelone G. Forest, MD, PhD

Professor Emeritus at INSERM
Pediatric Endocrinology
Hôpital Femme-Mère-Enfant
Lyon/Bron, France

Daniel W. Foster, MD, MACP

John Denis McGarry, Ph.D. Distinguished Chair in
Diabetes and Metabolic Research
Department of Internal Medicine
The University of Texas Southwestern Medical
School
Dallas, Texas

Mason Wright Freeman, MD

Professor of Medicine
Chief of the Lipid Metabolism Unit
Department of Medicine and Center for
Computational and Integrative Biology
Massachusetts General Hospital, Harvard Medical
School
Boston, Massachusetts

Mark Frydenberg, MBBS, FRACS

Clinical Director
Centre for Urological Research
Monash University
Clayton, Victoria, Australia;
Chairman
Department of Urology
Monash Medical Centre
Melbourne, Australia;
Australian Urology Associates
Malvern, Victoria, Australia

Peter Fuller, BMedSCI, MBBS, PhD, FRACP

NHRMC Senior Principal Research Fellow,
Associate Director
NHMRC Senior Principal Research Fellow
Associate Director, Prince Henry's Institute of
Medical Research
Director, Endocrinology Unit, Southern Health
Adjunct Professor in Medicine and Biochemistry
and Molecular Biology
Monash University
Clayton, Victoria, Australia

Robert F. Gagel, MD

Head, Division of Internal Medicine;
University of Texas
MD Anderson Cancer Center
Houston, Texas

Jason L. Gaglia, MD

Instructor in Pathology
Harvard Medical School;
Physician
Department of Endocrinology
Harvard Vanguard Medical Associates;
Physician, Adult Diabetes
Joslin Diabetes Center
Boston, Massachusetts

Gianluigi Galizia, MD

Clinical Research Fellow
Neurovascular and Autonomic Medicine
Department
Faculty of Medicine, Imperial College London at
St Mary's Hospital
London, United Kingdom

Chuanyun Gao, MD

Fellow, Endocrinology
Division of Endocrinology, Diabetes and
Metabolism
Beth Israel Deaconess Medical Center, Harvard
Medical School
Boston, Massachusetts

Thomas J. Gardella, PhD

Associate Professor in Medicine
Department of Medicine, Endocrinology Unit
Massachusetts General Hospital and Harvard
Medical School
Boston, Massachusetts

Bruce D. Gaylinn, PhD

Research Assistant Professor
Department of Medicine, Division of Endocrinology
University of Virginia
Charlottesville, Virginia

Harry K. Genant, MD

Professor, Emeritus
Radiology, Medicine and Orthopaedic Surgery;
Executive Director, Osteoporosis and Arthritis
Research Group
Department of Radiology
University of California, San Francisco;
Chairman, Emeritus and Member, Board of
Directors
Synarc, Inc.
San Francisco, California

Michael S. German, MD

Professor, Clinical Director UCSF Diabetes Center
Department of Medicine
University of California San Francisco
San Francisco, California

Mohammad A. Ghattei, PhD

Professor
Department of Metabolic Medicine and
Investigative Sciences
The Hammersmith Hospital and Imperial College
University of London
London, United Kingdom

Linda C. Giudice, MD, PhD, MSc

Professor and Chair, The Robert B. Jaffe, MD
Endowed Professor in the Reproductive Sciences
Obstetrics, Gynecology and Reproductive Sciences
University of California, San Francisco
San Francisco, California

Anna Glasier, BSc, MD, DSc

(Professor) Lead Clinician for Sexual Health NHS
Lothian and Honorary Professor Universities of
Edinburgh and London
Family Planning Service
NHS Lothian
Edinburgh, Scotland

Francis H. Glorieux, MD, PhD

Professor
Departments of Surgery, Pediatrics, and Human
Genetics
McGill University, and Shriners Hospital for
Children
Montreal, Québec, Canada

Javier González-Maeso, PhD

Assistant Professor
Departments of Psychiatry and Neurology
Mount Sinai School of Medicine
New York, New York

Louis J. Gooren, MD, PhD

Emeritus Professor of Endocrinology
Department of Endocrinology
VU Medical Center
Amsterdam, The Netherlands

David F. Gordon, PhD

Associate Professor
Department of Medicine/Endocrinology
University of Colorado Medical School
Aurora, Colorado

Karen A. Gregerson, PhD

Associate Professor of Physiology
Division of Pharmaceutical Sciences
James L. Winkle College of Pharmacy
University of Cincinnati
Cincinnati, Ohio

Milton D. Gross, MD

Professor, Division of Nuclear Medicine
Department of Radiology
University of Michigan
Ann Arbor, Michigan

Ashley Grossman, BA, BSc, MD, FRCP, FMedSci

Professor of Neuroendocrinology
Endocrinology
St. Bartholomew's Hospital
London, United Kingdom

Valéria C. Guimarães, MD, PhD

Clinical Endocrinologist
Endocrinology
ENNE
Brasília-DF, Brazil

Mark Gurnell, PhD, FRCP

University Lecturer in Endocrinology
Institute of Metabolic Science and Department of
Medicine
University of Cambridge
Cambridge, United Kingdom

Nadine Haddad, MD

Associate Professor of Pediatrics
Pediatrics, Section of Pediatric Endocrinology and
Diabetology
Indiana University School of Medicine, Riley
Hospital for Children
Indianapolis, Indiana

Daniel J. Haisenleder, PhD

Associate Professor
Department of Medicine
University of Virginia
Charlottesville, Virginia

David J. Handelsman, MB, BS, FRACP, PhD

Professor of Reproductive Endocrinology and
Andrology
Director, ANZAC Research Institute,
University of Sydney
Head, Department of Andrology,
Concord Hospital
Sydney, Australia

John B. Hanks, MD

C Bruce Morton Professor Chief, Division of
General Surgery
Department of Surgery
University of Virginia Health System
Charlottesville, Virginia

Mark John Hannon, MD, MRCPI

Doctor
Academic Department of Endocrinology
Beaumont Hospital/RCSI Medical School
Dublin, Ireland

Simon W. Hayward, PhD

Associate Professor of Urologic Surgery and Cancer
Biology
Department of Urologic Surgery and Department of
Cancer Biology
Vanderbilt University Medical Center
Nashville, Tennessee

Matthias Hebrok, PhD

Professor
Hurlbut-Johnson Distinguished Professor in
Diabetes Research Associate Director Research,
UCSF Diabetes Center Department of Medicine
San Francisco, California

Laszlo Hegedüs, MD, PhD, DMSc

Professor, University of Southern Denmark in
Odense
Department of Endocrinology and Metabolism
Odense University Hospital, and University of
Southern Denmark
Odense, Denmark

Georg Hennemann, MD, PhD, FRCP, FRCPE

Professor of Medicine and Endocrinology
Department of Internal Medicine
Medical Center Spijkennisse
The Hague, The Netherlands

Maria K. Herndon, PhD

Postdoctoral Research Associate
School of Molecular Biosciences
Washington State University
Pullman, Washington

Peter Hindmarsh, BSc, MD, FRCP, FRCPC

Professor of Paediatric Endocrinology
Developmental Endocrinology Research Group
University College London, Institute of Child
Health
London, United Kingdom

Ken K.Y. Ho, MD

Professor of Medicine
Head, Department of Endocrinology, St. Vincent's
Hospital
Head, Pituitary Research Unit, Garvan Institute of
Medical Research
Sydney, New South Wales, Australia

Nelson D. Horseman, PhD

Professor
Department of Molecular and Cellular Physiology
University of Cincinnati
Cincinnati, Ohio

Mara J. Horwitz, MD

Assistant Professor of Medicine
Department of Medicine, Division of Endocrinology
University of Pittsburgh
Pittsburgh, Pennsylvania

Mimi Hu, MD

Assistant Professor of Medicine
Department of Endocrine Neoplasia and Hormonal
Disorders
University of Texas M.D. Anderson Cancer Center
Houston, Texas

Ieuan A. Hughes, MA, MD, FRCP, FRCP(C), FRCPC, F Med Sci

Professor of Paediatrics, University of Cambridge;
Honorary Consultant Paediatrician, Cambridge
University Hospitals NHS Foundation Trust
Cambridge, United Kingdom

Christopher J. Hupfeld, MD

Private Physician
Endocrinology and Metabolism
Oceanside, California

Hero K. Hussain, MBChB, FRCR

Associate Professor
MRI/Abdominal Division
Department of Radiology
University of Michigan
Ann Arbor, Michigan

Peter Illingworth, MB, MD(Hon), FRANZCOG

Associate Professor, Obstetrics and Gynaecology
University of Sydney;
Director of Reproductive Medicine
Westmead Hospital
Sydney, New South Wales, Australia

J. Larry Jameson, MD, PhD

Professor of Medicine, Dean
Northwestern University Feinberg School of
Medicine
Northwestern University
Chicago, Illinois

Nathalie Josso, MD, PhD

Research Director
Unité de Recherches sur l'Endocrinologie et
la Génétique de la Reproduction et du
Développement
INSERM
Clamart, France

Harald Jüppner, MD

Professor of Pediatrics
Endocrine Unit and Pediatric Nephrology Unit
Massachusetts General Hospital and Harvard
Medical School
Boston, Massachusetts

Jeffrey Kalish, MD

Assistant Professor of Surgery
Section of Vascular and Endovascular Surgery
Boston Medical Center
Boston, Massachusetts

Edwin L. Kaplan, MD

Professor of Surgery, Section of General Surgery
Department of Surgery
The University of Chicago
Chicago, Illinois

Jeffrey B. Kerr, PhD

Associate Professor
Anatomy and Developmental Biology
Faculty of Medicine, Monash University
Melbourne, Victoria, Australia

Ronald Klein, MD, MPH

Professor
Department of Ophthalmology and Visual Sciences
University of Wisconsin School of Medicine and
Public Health
Madison, Wisconsin

Meyer Knobel, MD

Associate Professor of Endocrinology, Thyroid Unit
Division of Endocrinology, Department of Internal
Medicine
University of São Paulo Medical School
São Paulo, SP, Brazil

Efstathios Kolibianakis, MD, MSc, PhD

Professor
Unit for Human Reproduction, 1st Department of
Obstetrics and Gynaecology
Aristotle University of Thessaloniki
Thessaloniki, Greece

John J. Kopchick, PhD

Goll-Ohio Professor of Molecular Biology
Edison Biotechnology Institute and Department of
Biomedical Sciences
Ohio University
Athens, Ohio

Peter Kopp, MD

Associate Professor
Director ad interim Center for Genetic Medicine
Division of Endocrinology, Metabolism and
Molecular Medicine
Feinberg School of Medicine
Northwestern University
Chicago, Illinois

Márta Korbonits, MD, PhD

Professor of Endocrinology and Metabolism
William Harvey Research Institute
Barts and London School of Medicine and
Dentistry
London, United Kingdom

Melvyn Korobkin, MD

Professor of Radiology
University of Michigan
Ann Arbor, Michigan

Stephen M. Krane, MD

Persis, Cyrus and Marlow B. Harrison
Distinguished Professor of Clinical Medicine
Harvard Medical School;
Center for Immunology and Inflammatory Diseases
Massachusetts General Hospital
Boston, Massachusetts

Knut Krohn, PhD

Head of DNA Technologies
IZKF Leipzig
University of Leipzig, Medical Faculty
Leipzig, Germany

Henry M. Kronenberg, MD

Chief, Endocrine Unit and Professor of Medicine
Department of Medicine
Massachusetts General Hospital and Harvard
Medical School
Boston, Massachusetts

John M. Kyriakis, PhD

Investigator
Molecular Cardiology Research Institute
Professor of Medicine
Tufts University School of Medicine
Boston, Massachusetts

Sue Lynn Lau, MBBS(Hons), FRACP

Research Fellow
Diabetes and Transcription Factors Laboratory
Group
Garvan Institute of Medical Research
Sydney, New South Wales, Australia

John H. Lazarus, MD, FRCP, FACE, FRCOG

Professor of Clinical Endocrinology
Centre for Endocrine and Diabetes Sciences
Cardiff School of Medicine
Cardiff, Wales, United Kingdom

Diana L. Learoyd, MBBS, PhD, FRACP

Associate Professor
Department of Endocrinology
Royal North Shore Hospital and Sydney Medical
School
University of Sydney
St. Leonards, New South Wales, Australia

Harold E. Lebovitz, MD, FACE

Professor of Medicine
State University of New York Health Science
Center at Brooklyn
Brooklyn, New York

Paul Lee, MBBS, FRACP

Endocrine Fellow
Department of Endocrinology
St. Vincent's Hospital and Garvan Institute of
Medical Research
Sydney, Australia

Åke Lernmark, PhD

Professor
Clinical Sciences
Lund University/CRC, University Hospital MAS
Malmö, Sweden

Laura J. Lewis-Tuffin, PhD

Intramural Research Associate
Department of Laboratory of Signal Transduction
National Institute of Environmental Health
Sciences, NIH, HHS

Preface

Endocrinology is now in its fortieth year and Sixth Edition, and it continues to evolve. After all, evolution to fit a changing environment is a law of nature that applies equally well to medical publishing as it does to the biological systems we seek to understand. Indeed, the rapid changes in information dissemination are necessary to keep pace with progress in science and medicine. In this Sixth Edition, we have retained the founding goals of this text while responding to the innovative means by which students, practicing clinicians, and researchers now acquire information.

As in the five prior editions, we provide a comprehensive, contemporary textbook that spans basic and clinical aspects of endocrinology. In addition to the traditional gland-based structure, readers will recognize a focus on the clinical presentations of disease, and an emphasis on multi-hormonal integration of endocrine function, perhaps a prime example of “systems biology.” Another change in this edition is more complete coverage of pediatric endocrinology because the division of pediatric and adult endocrinology is largely arbitrary and many physicians care for patients from all age groups.

A striking feature of our field is the explosion of knowledge ranging from the discovery of new hormones and drugs to the impact of genomics, proteomics, and metabolomics on how we classify diseases and conceptualize signaling pathways. These advances are all the more reason to seek information sources that

synthesize and prioritize subject matter. We are proud to work with the most accomplished international authorities in the preparation of this text. Armed with electronic means to write, revise, edit, and update topics, this group of authors has succeeded in keeping pace with the latest advances in their specialty areas.

We also aspire to make the text interesting to read, relevant, and accessible in clinical practice settings. We have streamlined the book noticeably, so that it now fits within two sets of covers of reasonable weight. There is a hard-cover version for those who feel most comfortable with the book in hand, perhaps idyllically relaxing in a comfortable chair, and an online version for more “contemporary” readers who prefer the immediacy of online access to www.expertconsult.com between patient visits. The online version also provides direct links to original reference sources and monthly sectional updates so that important new ideas can be presented during the lifetime of this edition to keep it current.

In closing, the editors express their gratitude to the several hundred authors who have balanced their many other obligations to prepare truly masterful presentations for this Sixth Edition.

J. Larry Jameson, MD, PhD

Leslie J. De Groot, MD

Color insert follows p. xxiv

VOLUME I

PART I

Principles of Endocrinology and Hormone Signaling I

- 1 ENDOCRINOLOGY: Impact on Science and Medicine 2
J. LARRY JAMESON
- 2 CONTROL OF HORMONE GENE EXPRESSION 13
MARIA K. HERNDON, CHRISTINE CAMPION QUIRK,
and JOHN H. NILSON
- 3 CONTROL OF HORMONE SECRETION 26
THOMAS FJ. MARTIN
- 4 INSULIN AND GROWTH FACTOR SIGNALING
PATHWAYS 38
JOHN M. KYRIAKIS and JOSEPH AVRUCH
- 5 HORMONE SIGNALING VIA G PROTEIN-COUPLED
RECEPTORS 83
JAVIER GONZÁLEZ-MAESO and STUART C. SEALFON
- 6 NUCLEAR RECEPTORS: Structure, Function, and
Coregulators 106
NEIL J. MCKENNA and DAVID D. MOORE
- 7 APPLICATIONS OF GENETICS IN ENDOCRINOLOGY 118
J. LARRY JAMESON and PETER KOPP

PART II

Neuroendocrinology and Pituitary Disease 145

- 8 DEVELOPMENT OF THE PITUITARY 146
DOROTA SKOWRONSKA-KRAWCZYK
and MICHAEL G. ROSENFELD
- 9 PROLACTIN 165
NELSON D. HORSEMAN and KAREN A. GREGERSON
- 10 ADRENOCORTICOTROPIC HORMONE 179
ADAM STEVENS and ANNE WHITE
- 11 ENDOCRINE RHYTHMS, THE SLEEP-WAKE CYCLE,
AND BIOLOGICAL CLOCKS 199
GEORGES COPINSCHI, FRED W. TUREK, and EVE VAN CAUTER
- 12 HYPOTHALAMIC SYNDROMES 230
GLENN D. BRAUNSTEIN
- 13 HYPOPITUITARISM AND GROWTH HORMONE
DEFICIENCY 243
PAUL LEE and KEN K.Y. HO

- 14 ACROMEGALY 262
SHLOMO MELMED
- 15 CUSHING'S SYNDROME 282
DAMIAN G. MORRIS, ASHLEY GROSSMAN,
and LYNNETTE K. NIEMAN
- 16 CLINICALLY NONFUNCTIONING SELLAR MASSES 312
PETER J. SNYDER and SHLOMO MELMED
- 17 TSH-PRODUCING ADENOMAS 324
PAOLO BECK-PECCOZ and LUCA PERSANI
- 18 DISORDERS OF PROLACTIN SECRETION AND
PROLACTINOMAS 333
MARCELLO D. BRONSTEIN
- 19 PITUITARY SURGERY 358
PAOLO CAPPABIANCA, LUIGI M. CAVALLO,
ORESTE DE DIVITIIS, and FELICE ESPOSITO
- 20 EVALUATION AND MANAGEMENT OF CHILDHOOD
HYPOTHALAMIC AND PITUITARY TUMORS 377
CRISTINA TRAGGIAI and RICHARD STANHOPE
- 21 VASOPRESSIN, DIABETES INSIPIDUS, AND THE
SYNDROME OF INAPPROPRIATE ANTIDIURETIC
HORMONE SECRETION 386
DAVID CARMODY, MARK JOHN HANNON,
and CHRIS THOMPSON
- 22 THE PINEAL GLAND AND MELATONIN 400
GARY WAND

PART III

Growth and Maturation 411

- 23 REGULATION OF GROWTH HORMONE AND ACTION
(SECRETAGOGUES) 412
JOHN J. KOPCHICK, GABRIEL Á. MARTOS-MORENO,
MÁRTA KORBONITS, BRUCE D. GAYLINN, RALF NASS,
and MICHAEL O. THORNER
- 24 INSULIN-LIKE GROWTH FACTOR-I AND ITS BINDING
PROTEINS 454
DAVID R. CLEMMONS
- 25 SOMATIC GROWTH AND MATURATION 479
LEONA CUTTLER and MADHUSMITA MISRA
- 26 GROWTH HORMONE DEFICIENCY IN CHILDREN 517
MEHUL DATTANI and PETER HINDMARSH

PART IV

Obesity, Anorexia, and Nutrition 541

- 27 APPETITE REGULATION AND THERMOGENESIS 542
ELEFTHERIA MARATOS-FLIER
- 28 OBESITY: The Problem and Its Management 555
ROBERT V. CONSIDINE and JOSE F. CARO
