About the Authors

Elaine Marmel has authored and co-authored over seventy books about Microsoft Excel, Microsoft Word for Windows, Microsoft Project, QuickBooks, Peachtree, Quicken for Windows, Quicken for DOS, Microsoft Word for the Mac, Microsoft Windows, 1-2-3 for Windows, and Lotus Notes. From 1994 to 2006, she also was the contributing editor to monthly publications *Inside Peachtree* and *Inside QuickBooks*.

Elaine left her native Chicago for the warmer climes of Arizona where she basks in the sun with her PC and her dog Jack.

Jennifer Smith created the video tutorials that accompany this book. She is a Microsoft MVP with an emphasis on application design for Windows 8 using the design tools within Blend for Visual Studio. She is the author of more than 20 books in the Digital Classroom series, and hundreds of training videos available at *DigitalClassroom.com*.

Acknowledgments

Elaine Marmel: Thank you to Rashell Smith, Graphics Supervisor, for your help with images of gestures. And thank you, Bill, who works for Dell Computers in Tennessee, not only for helping with my tablet but for searching for a providing background information regarding Windows 8. Finally, thanks very much, Gary, for letting us use your music as sample files in this book.
