## HOW TO USE THIS SUPPLEMENT

The Second Supplement to the Seventh Edition of *Jackson & Powell on Professional Liability* is ordered according to the structure of the main volume.

At the beginning of the supplementary coverage for each chapter, the mini table of contents from the main volume has been included. Where a heading on this table of contents has been marked with the symbol ■, then there is relevant information in the supplement to which you should refer. Where a heading is marked with the symbol □, the material under that heading was added to or amended in the previous supplement but has not been updated further in this supplement.

Within each chapter, updated information is referenced to the relevant paragraph in the main volume. The instructions in the square brackets explain how the added material relates to the main volume.
