# ARTVILLE

## STOCKIMAGES

Make Artville your one-stop resource for world-class royalty-free illustration and photography. We offer the design community commission-quality images from today's top artists. These images are available online at www.artville.com and on CDs organized by subject and artist.

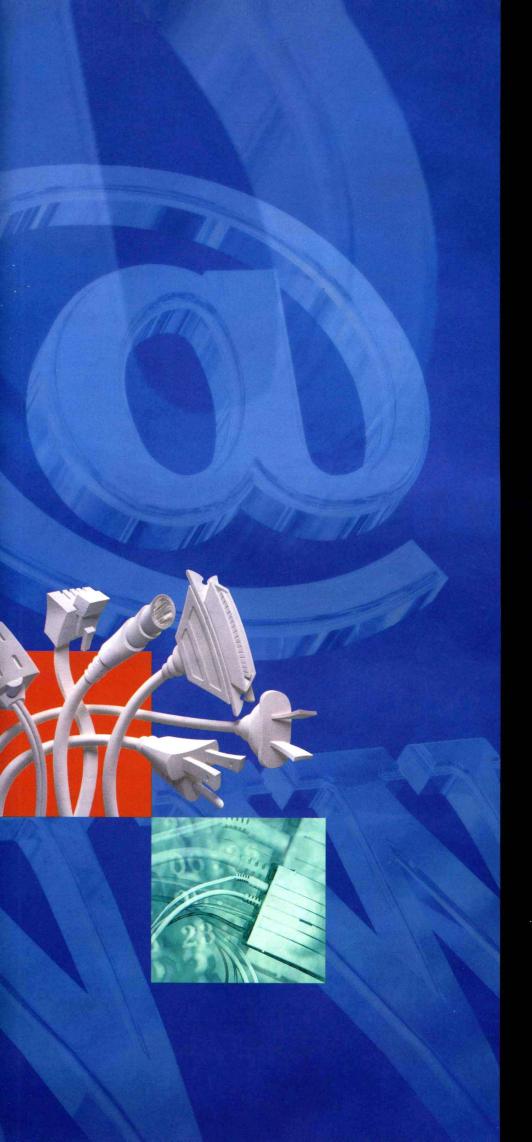

Resource Book 2 brings you more than 4000 Artville images—at customer request, we've increased the size of each image. Do a quick keyword search on the accompanying Resource CD and use the images for comping. A more powerful and sophisticated search engine is available on the Web.

Artville's royalty-free images are an affordable alternative to commissioned work and traditional stock. We commission and artdirect each image to create collections by single artists on single themes like business, health and medicine, food, or people and lifestyles. Whether you purchase individual images via the Web or order an image collection on CD, you'll always find enough images with consistent style, palette and content to design an entire advertising campaign, editorial piece or website.

When you're caught in the lights of a rapidly approaching deadline, quality and ease of use are critical. High-end drum scanning and rigorous color correction ensure flawless digital images that are faithful to the original work. All Artville images are available in multiple file sizes and resolutions, and all CDs are dual-platform.

Artville's product line is continually expanding. Use **www.artville.com** to keep up with our dynamic collection. Call us or visit **www.artville.com**! We can help you find the right image for your project.

# Purchase commissionquality work on the Web!

- Choose images in a variety of resolutions, file sizes and prices.
- Purchase images individually or in groups.
- Download images on the spot or receive a Custom CD the next day.
- Order Artville CD titles over the Web.

# Fast, precise searching

As always, www.artville.com makes it easy to track down images using simple keywords and phrases, but now you can also tap into the collection by selecting concepts and metaphors from thought-provoking lists. We've added many new features to allow searches that are as flexible, easy to modify, and specific as you need them to be.

# Personal workspace

Artville is more than a place to purchase! Set up a personal workspace to select and store images for up to 30 days. Use this space to compare images that interest you or to show images to a client before you buy.

# Commitment to creativity

Let the Artville website serve as a creative resource for you. Throughout the site, you'll discover unique ways to spark ideas get to know our artists, and find images.

# **Constant change**

Artville's enormous image collection is expanding rapidly.

Check **www.artville.com** regularly to keep up with our new products.
