There is hereby created on the books of the Treasury of the United States a trust fund to be known as the "Federal Old-Age and Survivors Insurance Trust Fund". The Federal Old-Age and Survivors Insurance Trust Fund shall consist of the securities held by the Secretary of the Treasury for the Old-Age Reserve Account and the amount standing to the credit of the Old-Age Reserve Account on the books of the Treasury on January 1, 1940, which securities and amount the Secretary of the Treasury is authorized and directed to transfer to the Federal Old-Age and Survivors Insurance Trust Fund, and, in addition, such gifts and bequests as may be made as provided in subsection (i)(1) of this section, and such amounts as may be appropriated to, or deposited in, the Federal Old-Age and Survivors Insurance Trust Fund as hereinafter provided. There is hereby appropriated to the Federal Old-Age and Survivors Insurance Trust Fund for the fiscal year ending June 30, 1941, and for each fiscal year thereafter, out of any moneys in the Treasury not otherwise appropriated, amounts equivalent to 100 per centum of—

(1) the taxes (including interest, penalties, and additions to the taxes) received under subchapter A of chapter 9 of the Internal Revenue Code of 1939 (and covered into the Treasury) which are deposited into the Treasury by collectors of internal revenue before January 1, 1951; and

(2) the taxes certified each month by the Commissioner of Internal Revenue as taxes received under subchapter A of chapter 9 of the Internal Revenue Code of 1939 which are deposited into the Treasury by collectors of internal revenue after December 31, 1950, and before January 1, 1953, with respect to assessments of such taxes made before January 1, 1951; and

(3) the taxes imposed by subchapter A of chapter 9 of the Internal Revenue Code of 1939 with respect to wages (as defined in section 1426 of such Code), and by chapter 21 (other than sections 3101(b) and 3111(b)) of the Internal Revenue Code of 1954 with respect to wages (as defined in section 3121 of such Code) reported to the Commissioner of Internal Revenue pursuant to section 1420(c) of the Internal Revenue Code of 1939 after December 31, 1950, or to the Secretary of the Treasury or his delegates pursuant to subtitle F of the Internal Revenue Code of 1954 after December 31, 1954, as determined by the Secretary of the Treasury by applying the applicable rates of tax under such subchapter or chapter 21 (other than sections 3101(b) and 3111(b)) to such wages, which wages shall be certified by the Secretary of Health and Human Services on the basis of the records of wages established and maintained by such Secretary in accordance with such reports, less the amounts specified in clause (1) of subsection (b) of this section; and

(4) the taxes imposed by subchapter E of chapter 1 of the Internal Revenue Code of 1939, with respect to self-employment income (as defined in section 481 of such Code), and by chapter 2 (other than section 1401(b)) of the Internal Revenue Code of 1954 with respect to self-employment income (as defined in section 1402 of such Code) reported to the Commissioner of Internal Revenue on tax returns under such subchapter or to the Secretary of the Treasury or his delegate on tax returns under subtitle F of such Code, as determined by the Secretary of the Treasury by applying the applicable rate of tax under such subchapter or chapter (other than section 1401(b)) to such self-employment income, which self-employment income shall be certified by the Secretary of Health and Human Services on the basis of the records of self-employment income established and maintained by the Secretary of Health and Human Services in accordance with such re-

turns, less the amounts specified in clause (2) of subsection (b) of this section.

All amounts transferred to either Trust Fund under the preceding sentence shall be invested by the Managing Trustee in the same manner and to the same extent as the other assets of such Trust Fund; and such Trust Fund shall pay interest to the general fund on the amount so transferred on the first day of any month at a rate (calculated on a daily basis, and applied against the difference between the amount so transferred on such first day and the amount which would have been transferred to the Trust Fund up to that day under the procedures in effect on January 1, 1983) equal to the rate earned by the investments of such Fund in the same month under subsection (d) of this section.

(c) Board of Trustees; duties; reports to Congress

With respect to the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability

Insurance Trust Fund (hereinafter in this subchapter called the "Trust Funds") there is hereby created a body to be known as the Board of Trustees of the Trust Funds (hereinafter in this subchapter called the "Board of Trustees") which Board of Trustees shall be composed of the Secretary of the Treasury, the Secretary of Labor, and the Secretary of Health and Human Services, all ex officio, and of two members of the public (both of whom may not be from the same political party), who shall be nominated by the President for a term of four years and subject to confirmation by the Senate. The Secretary of the Treasury shall be the Managing Trustee of the Board of Trustees (hereinafter in this subchapter called the "Managing Trustee"). The Commissioner of Social Security shall serve as Secretary of the Board of Trustees. The Board of Trustees shall meet not less frequently than once each calendar year. It shall be the duty of the Board of Trustees to—

(1) Hold the Trust Funds;

(2) Report to the Congress not later than the first day of April of each year on the operation and status of the Trust Funds during the preceding fiscal year and on their expected operation and status during the next ensuing five fiscal years;

(3) Report immediately to the Congress whenever the Board of Trustees is of the opinion that the amount of either of the Trust Funds is unduly small;

(4) Recommend improvements in administrative procedures and policies designed to effectuate the proper coordination of the old-age and survivors insurance and Federal-State unemployment compensation program; and

(5) Review the general policies followed in managing the Trust Funds, and recommend changes in such policies, including necessary changes in the provisions of the law which govern the way in which the Trust Funds are to be managed.

The report provided for in paragraph (2) of this subsection shall include a statement of the assets of, and the disbursements made from, the Trust Funds during the preceding fiscal year, an estimate of the expected future income to, and disbursements to be made from, the Trust Funds during each of the next ensuing five fiscal years, and a statement of the actuarial status of the Trust Funds. Such report shall include an actuarial opinion by the Chief Actuary of the Social Security Administration certifying that the techniques and methodologies used are generally accepted within the actuarial profession and that the assumptions

and cost estimates used are reasonable. Such report shall also include an actuarial analysis of the benefit disbursements made from the Federal Old-Age and Survivors Insurance Trust Fund with respect to disabled beneficiaries. Such report shall be printed as a House document of the session of the Congress to which the report is made. A person serving on the Board of Trustees shall not be considered to be a fiduciary and shall not be personally liable for actions taken in such capacity with respect to the Trust Funds.

(d) Investments

It shall be the duty of the Managing Trustee to invest such portion of the Trust Funds as is not, in his judgment, required to meet current withdrawals. Such investments may be made only in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (1) on original issue at the issue price, or (2) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of Title 31 are hereby extended to authorize the issuance at par of public-debt obligations for purchase by the Trust Funds. Such obligations issued for purchase by the Trust Funds shall have maturities fixed with due regard for the needs of the Trust Funds and shall bear interest at a rate equal to the average market yield (computed by the Managing Trustee on the basis of market quotations as of the end of the calendar month next preceding the date of such issue) on all marketable interest-bearing obligations of the United States then forming a part of the public debt which are not due or callable until after the expiration of four years from the end of such calendar month; except that where such average market yield is not a multiple of one-eighth of 1 per centum, the rate of interest of such obligations shall be the multiple of one-eighth of 1 per centum nearest such market yield. The Managing Trustee may purchase other interest-bearing obligations of the United States or obligations guaranteed as to both principal and interest by the United States, on original issue or at the market price, only where he determines that the purchase of such other obligations is in the public interest.

(e) Sale of acquired obligations

Any obligations acquired by the Trust Funds (except public-debt obligations issued exclusively to the Trust Funds) may be sold by the Managing Trustee at the market price, and such public-debt obligations may be redeemed at par plus accrued interest.

(f) Proceeds from sale or redemption of obligations; interest

The interest on, and the proceeds from the sale or redemption of, any obligations held in the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund shall be credited to and form a part of the Federal Old-Age and Survivors Insurance Trust Fund and the Disability Insurance Trust Fund, respectively.

(g) Payments into Treasury

(1)(A) The Managing Trustee of the Trust Funds (which for purposes of this paragraph shall include also the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund established by subchapter XVIII of this chapter) is directed to pay from the Trust Funds into the Treasury—

(i) the amounts estimated by him and the Secretary of Health and Human Services which will be expended, out of moneys appropriated from the general fund in the Treasury, during a three-month period by the Department of Health and Human Services and the Treasury Department for the administration of subchapters II, XVI, and XVIII of this chapter and subchapter E of chapter 1 and subchapter A of chapter 9 of the Internal Revenue Code of 1939, and chapters 2 and 21 of the Internal Revenue Code of 1954, less

(ii) the amounts estimated (pursuant to the method prescribed by the Board of Trustees under paragraph (4) of this subsection) by the Secretary of Health and Human Services which will be expended, out of moneys made available for expenditures from the Trust Funds, during such three-month period to cover the cost of carrying out the functions of the Department of Health and Human Services, specified in section 432 of this title, which relate to the administration of provisions of the Internal Revenue Code of 1954 other than those referred to in clause (i).

Such payments shall be carried into the Treasury as the net amount of repayments due the general fund account for reimbursement of expenses incurred in connection with the administration of subchapters II, XVI, and XVIII of this chapter and subchapter E of chapter 1 and subchapter A of chapter 9 of the Internal Revenue Code of 1939, and chapters 2 and 21 of the Internal Revenue Code of 1954. A final accounting of such payments for any fiscal year shall be made at the earliest practicable date after the close thereof. There are hereby authorized to be made available for expenditure, out of any or all of the Trust Funds, such amounts as the Congress may deem appropriate to pay the costs of the part

of the administration of this subchapter, subchapter XVI, and subchapter XVIII of this chapter for which the Secretary of Health and Human Services is responsible and of carrying out the functions of the Department of Health and Human Services, specified in section 432 of this title, which relate to the administration of provisions of the Internal Revenue Code of 1954 other than those referred to in clause (i) of the first sentence of this subparagraph.

(B) After the close of each fiscal year the Secretary of Health and Human Services shall determine the portion of the costs, incurred during such fiscal year, of administration of this subchapter, subchapter XVI, and subchapter XVIII of this chapter and of carrying out the functions of the Department of Health and Human Services, specified in section 432 of this title, which relate to the administration of provisions of the Internal Revenue Code of 1954 (other than those referred to in clause (i) of the first sentence of subparagraph (A)), which should have been borne by the general fund in the Treasury and the portion of such costs which should have been borne by each of the Trust Funds; except that the determination of the amounts to be borne by the general fund in the Treasury with respect to expenditures incurred in carrying out such functions specified in section 432 of this title shall be made pursuant to the method prescribed by the Board of Trustees under paragraph (4) of this subsection. After such determination has been made, the Secretary of Health and Human Services shall certify to the Managing Trustee the amounts, if any, which should be transferred from one to any of the other of such Trust Funds and the amounts, if any, which should be transferred between the Trust Funds (or one of the Trust Funds) and the general fund in the Treasury, in order to insure that each of the Trust Funds and the general fund in the Treasury have borne their proper share of the costs, incurred during such fiscal year, for the part of the administration of this subchapter, subchapter XVI, and subchapter XVIII of this chapter for which the Secretary of Health and Human Services is responsible and of carrying out the functions of the Department of Health and Human Services, specified in section 432 of this title, which relate to the administration of provisions of the Internal Revenue Code of 1954 (other than those referred to in clause (i) of the first sentence of subparagraph (A)). The Managing Trustee is authorized and directed to transfer any such amounts in accordance with any certification so made.

(2) The Managing Trustee is directed to pay from time to time from the Trust Funds into the Treasury the amount estimated by him as taxes imposed under section 3101(a) which are subject to refund

under section 6413(c) of the Internal Revenue Code of 1954 with respect to wages (as defined in section 1426 of the Internal Revenue Code of 1939 and section 3121 of the Internal Revenue Code of 1954) paid after December 31, 1950. Such taxes shall be determined on the basis of the records of wages established and maintained by the Secretary of Health and Human Services in accordance with the wages reported to the Commissioner of Internal Revenue pursuant to section 1420(c) of the Internal Revenue Code of 1939 and to the Secretary of the Treasury or his delegate pursuant to subtitle F of the Internal Revenue Code of 1954, and the Secretary shall furnish the Managing Trustee such information as may be required by the Trustee for such purpose. The payments by the Managing Trustee shall be covered into the Treasury as repayments to the account for refunding internal revenue collections. Payments pursuant to the first sentence of this paragraph shall be made from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund in the ratio in which amounts were appropriated to such Trust Funds under clause (3) of subsection (a) of this section and clause (1) of subsection (b) of this section.

(3) Repayments made under paragraph (1) or (2) of this subsection shall not be available for expenditures but shall be carried to the surplus fund of the Treasury. If it subsequently appears that the estimates under either such paragraph in any particular period were too high or too low, appropriate adjustments shall be made by the Managing Trustee in future payments.

(4) The Board of Trustees shall prescribe before January 1, 1981, the method of determining the costs which should be borne by the general fund in the Treasury of carrying out the functions of the Department of Health and Human Services, specified in section 432 of this title, which relate to the administration of provisions of the Internal Revenue Code of 1954 (other than those referred to in clause (i) of the first sentence of paragraph (1)(A)). If at any time or times thereafter the Boards of Trustees of such Trust Funds deem such action advisable they may modify the method so determined.

(h) Benefit payments

Benefit payments required to be made under section 423 of this title, and benefit payments required to be made under subsection (b), (c), or (d) of section 402 of this title to individuals entitled to benefits on the basis of the wages and self-employment income of an individual entitled to disability insurance benefits, shall be made only from the Federal Disability Insurance Trust Fund. All other benefit payments

required to be made under this subchapter (other than section 426 of this title) shall be made only from the Federal Old-Age and Survivors Insurance Trust Fund.

(i) Gifts and bequests

(1) The Managing Trustee of the Federal Old-Age and Survivors Insurance Trust Fund, the Federal Disability Insurance Trust Fund, the Federal Hospital Insurance Trust Fund, and the Federal Supplementary Medical Insurance Trust Fund is authorized to accept on behalf of the United States money gifts and bequests made unconditionally to any one or more of such Trust Funds or to the Department of Health and Human Services, or any part or officer thereof, for the benefit of any of such Funds or any activity financed through such Funds.

(2) Any such gift accepted pursuant to the authority granted in paragraph (1) of this subsection shall be deposited in—

(A) the specific trust fund designated by the donor or

(B) if the donor has not so designated, the Federal Old-Age and Survivors Insurance Trust Fund.

(j) Travel expenses

There are authorized to be made available for expenditure, out of the Federal Old-Age and Survivors Insurance Trust Fund, or the Federal Disability Insurance Trust Fund (as determined appropriate by the Secretary), such amounts as are required to pay travel expenses, either on an actual cost or commuted basis, to individuals for travel incident to medical examinations requested by the Secretary in connection with disability determinations under this subchapter, and to parties, their representatives, and all reasonably necessary witnesses for travel within the United States (as defined in section 410(i) of this title) to attend reconsideration interviews and proceedings before administrative law judges with respect to any determination under this subchapter. The amount available under the preceding sentence for payment for air travel by any person shall not exceed the coach fare for air travel between the points involved unless the use of first-class accommodations is required (as determined under regulations of the Secretary) because of such person's health condition or the unavailability of alternative accommodations; and the amount available for payment for other travel by any person shall not exceed the cost of travel (between the points involved) by the most economical and expeditious means of transportation appropriate to such

person's health condition, as specified in such regulations.

(k) Experiment and demonstration project expenditures

Expenditures made for experiments and demonstration projects under section 505(a) of the Social Security Disability Amendments of 1980 shall be made from the Federal Disability Insurance Trust Fund and the Federal Old-Age and Survivors Insurance Trust Fund, as determined appropriate by the Secretary.

(l) Interfund borrowing

(1) If at any time prior to January 1988 the Managing Trustee determines that borrowing authorized under this subsection is appropriate in order to best meet the need for financing the benefit payments from the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund, the Managing Trustee may borrow such amounts as he determines to be appropriate from the other such Trust Fund, or, subject to paragraph (5), from the Federal Hospital Insurance Trust Fund established under section 1395i of this title, for transfer to and deposit in the Trust Fund whose need for financing is involved.

(2) In any case where a loan has been made to a Trust Fund under paragraph (1), there shall be transferred on the last day of each month after such loan is made, from the borrowing Trust Fund to the lending Trust Fund, the total interest accrued to such day with respect to the unrepaid balance of such loan at a rate equal to the rate which the lending Trust Fund would earn on the amount involved if the loan were an investment under subsection (d) of this section (even if such an investment would earn interest at a rate different than the rate earned by investments redeemed by the lending fund in order to make the loan).

(3)(A) If in any month after a loan has been made to a Trust Fund under paragraph (1), the Managing Trustee determines that the assets of such Trust Fund are sufficient to permit repayment of all or part of any loans made to such Fund under paragraph (1), he shall make such repayments as he determines to be appropriate.

(B)(i) If on the last day of any year after a loan has been made under paragraph (1) by the Federal Hospital Insurance Trust Fund to the Federal Old-Age and Survivors Insurance Trust Fund or the Federal Disability Insurance Trust Fund, the Managing Trustee determines that the OASDI trust fund ratio exceeds 15 percent, he shall transfer from the borrowing Trust Fund to the Federal Hospital Insurance Trust Fund an amount that—

(I) together with any amounts transferred from another borrowing Trust Fund under this paragraph for such year, will reduce the OASDI trust fund ratio to 15 percent; and

(II) does not exceed the outstanding balance of such loan.

(ii) Amounts required to be transferred under clause (i) shall be transferred on the last day of the first month of the year succeeding the year in which the determination described in clause (i) is made.

(iii) For purposes of this subparagraph, the term "OASDI trust fund ratio" means, with respect to any calendar year, the ratio of—

(I) the combined balance in the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund, as of the last day of such calendar year, to

(II) the amount estimated by the Secretary to be the total amount to be paid from the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund during the calendar year following such calendar year for all purposes authorized by this section (other than payments of interest on, and repayments of, loans from the Federal Hospital Insurance Trust Fund under paragraph (1), but excluding any transfer payments between such trust funds and reducing the amount of any transfer to the Railroad Retirement Account by the amount of any transfers into either such trust fund from that Account).

(C)(i) The full amount of all loans made under paragraph (1) (whether made before or after January 1, 1983) shall be repaid at the earliest feasible date and in any event no later than December 31, 1989.

(ii) For the period after December 31, 1987, and before January 1, 1990, the Managing Trustee shall transfer each month to the Federal Hospital Insurance Trust Fund from any Trust Fund with any amount outstanding on a loan made from the Federal Hospital Insurance Trust Fund under paragraph (1) an amount not less than an amount equal to (I) the amount owed to the Federal Hospital Insurance Trust Fund by such Trust Fund at the beginning of such month (plus the interest accrued on the outstanding balance of such loan during such month), divided by (II) the number of months elapsing after the preceding month and before January 1990. The Managing Trustee may, during this period, transfer larger amounts than prescribed by the preceding sentence.

(4) The Board of Trustees shall make a timely report to the Congress of any amounts transferred (including interest payments) under this subsection.

(5)(A) No amounts may be borrowed from the Federal Hospital Insurance Trust Fund under paragraph (1) during any month if the Hospital Insurance Trust Fund ratio for such month is less than 10 percent.

(B) For purposes of this paragraph, the term "Hospital Insurance Trust Fund ratio" means, with respect to any month, the ratio of—

(i) the balance in the Federal Hospital Insurance Trust Fund, reduced by the outstanding amount of any loan (including interest thereon) theretofore made to such Trust Fund under this subsection, as of the last day of the second month preceding such month, to

(ii) the amount obtained by multiplying by twelve the total amount which (as estimated by the Secretary) will be paid from the Federal Hospital Insurance Trust Fund during the month for which such ratio is to be determined (other than payments of interest on, or repayments of loans from another Trust Fund under this subsection), and reducing the amount of any transfers to the Railroad Retirement Account by the amount of any transfer into the Hospital Insurance Trust Fund from that Account.

(m) Delay in presentation for payment of benefit checks

(1) The Secretary of the Treasury shall implement procedures to permit the identification of each check issued for benefits under this subchapter that has not been presented for payment by the close of the sixth month following the month of its issuance.

(2) The Secretary of the Treasury shall, on a monthly basis, credit each of the Trust Funds for the amount of all benefit checks (including interest thereon) drawn on such Trust Fund more than 6 months previously but not presented for payment and not previously credited to such Trust Fund, to the extent provided in advance in appropriation Acts.

(3) If a benefit check is presented for payment to the Treasury and the amount thereof has been previously credited pursuant to paragraph (2) to one of the Trust Funds, the Secretary of the Treasury shall nevertheless pay such check, if otherwise proper, recharge such Trust Fund, and notify the Secretary of Health and Human Services.

(4) A benefit check bearing a current date may be issued to an individual who did not negotiate the original benefit check and who surrenders such check for cancellation if the Secretary of the Treas-

ury determines it is necessary to effect proper payment of benefits.

§ 401a. Omitted

§ 402. Old-age and survivors insurance benefit payments

(a) Old-age insurance benefits

Every individual who—

(1) is a fully insured individual (as defined in section 414(a) of this title),

(2) has attained age 62, and

(3) has filed application for old-age insurance benefits or was entitled to disability insurance benefits for the month preceding the month in which he attained the retirement age (as defined in section 416(l) of this title),

shall be entitled to an old-age insurance benefit for each month, beginning with—

(A) in the case of an individual who has attained retirement age (as defined in section 416(l) of this title), the first month in which such individual meets the criteria specified in paragraphs (1), (2), and (3), or

(B) in the case of an individual who has attained age 62, but has not attained retirement age (as defined in section 416(l) of this title), the first month throughout which such individual meets the criteria specified in paragraphs (1) and (2) (if in that month he meets the criterion specified in paragraph (3)),

and ending with the month preceding the month in which he dies. Except as provided in subsection (q) and subsection (w) of this section, such individual's old-age insurance benefit for any month shall be equal to his primary insurance amount (as defined in section 415(a) of this title) for such month.

(b) Wife's insurance benefits

(1) The wife (as defined in section 416(b) of this title) and every divorced wife (as defined in section 416(d) of this title) of an individual entitled to old-age or disability insurance benefits, if such wife or such divorced wife—

(A) has filed application for wife's insurance benefits,

(B) has attained age 62 or (in the case of a wife) has in her care (individually or jointly with such individual) at the time of filing such application a child entitled to a child's insurance benefit on the basis of the wages and self-employment income of such individual,

(C) in the case of a divorced wife, is not married, and

(D) is not entitled to old-age or disability insurance benefits, or is entitled to old-age or disability insurance benefits based on a primary insurance amount which is less than one-half of the primary insurance amount of such individual,

shall (subject to subsection(s) of this section) be entitled to a wife's insurance benefit for each month, beginning with—

(i) in the case of a wife or divorced wife (as so defined) of an individual entitled to old-age benefits, if such wife or divorced wife has attained retirement age (as defined in section 416(l) of this title), the first month in which she meets the criteria specified in subparagraphs (A), (B), (C), and (D), or

(ii) in the case of a wife or divorced wife (as so defined) of—

(I) an individual entitled to old-age insurance benefits, if such wife or divorced wife has not attained retirement age (as defined in section 416(l) of this title), or

(II) an individual entitled to disability insurance benefits,

the first month throughout which she is such a wife or divorced wife and meets the criteria specified in subparagraphs (B), (C), and (D) (if in such month she meets the criterion specified in subparagraph (A)),

whichever is earlier, and ending with the month preceding the month in which any of the following occurs—

(E) she dies,

(F) such individual dies,

(G) in the case of a wife, they are divorced and either (i) she has not attained age 62, or (ii) she has attained age 62 but has not been married to such individual for a period of 10 years immediately before the date the divorce became effective,

(H) in the case of a divorced wife, she marries a person other than such individual,

(I) in the case of a wife who has not attained age 62, no child of such individual is entitled to a child's insurance benefit,

(J) she becomes entitled to an old-age or disability insurance benefit based on a primary insurance amount which is equal to or exceeds one-half of the primary insurance amount of such individual, or

(K) such individual is not entitled to disability insurance benefits and is not entitled to old-age insurance benefits.

(2) Except as provided in subsection (q) of this section and paragraph (4) of this subsection, such wife's insurance benefit for each month shall be equal to one-half of the primary insurance amount of her husband (or, in the case of a divorced wife, her former husband) for such month.

(3) In the case of any divorced wife who marries—

(A) an individual entitled to benefits under subsection (c), (f), (g), or (h) of this section, or

(B) an individual who has attained the age of 18 and is entitled to benefits under subsection (d) of this section,

such divorced wife's entitlement to benefits under this subsection shall, notwithstanding the provisions of paragraph (1) (but subject to subsection (s) of this section), not be terminated by reason of such marriage.

(4)(A) The amount of a wife's insurance benefit for each month as determined after application of the provisions of subsections (q) and (k) of this section shall be reduced (but not below zero) by an amount equal to two-thirds of the amount of any monthly periodic benefit payable to such wife (or divorced wife) for such month which is based upon her earnings while in the service of the Federal Government or any State (or political subdivision thereof, as defined in section 418(b)(2) of this title) if, on the last day she was employed by such entity, such service did not constitute "employment" as defined in section 410 of this title for purposes of this subchapter. The amount of the reduction in any benefit under this subparagraph, if not a multiple of \$0.10, shall be rounded to the next higher multiple of \$0.10.

(B) For purposes of this paragraph, any periodic benefit which otherwise meets the requirements of subparagraph (A), but which is paid on other than a monthly basis, shall be allocated on a basis equivalent to a monthly benefit (as determined by the Secretary) and such equivalent monthly benefit shall constitute a monthly periodic benefit for pur-

poses of subparagraph (A). For purposes of this subparagraph, the term "periodic benefit" includes a benefit payable in a lump sum if it is a commutation of, or a substitute for, periodic payments.

(5)(A) Notwithstanding the preceding provisions of this subsection, except as provided in subparagraph (B), the divorced wife of an individual who is not entitled to old-age or disability insurance benefits, but who has attained age 62 and is a fully insured individual (as defined in section 414 of this title), if such divorced wife—

(i) meets the requirements of subparagraphs (A) through (D) of paragraph (1), and

(ii) has been divorced from such insured individual for not less than 2 years,

shall be entitled to a wife's insurance benefit under this subsection for each month, in such amount, and beginning and ending with such months, as determined (under regulations of the Secretary) in the manner otherwise provided for wife's insurance benefits under this subsection, as if such insured individual had become entitled to old-age insurance benefits on the date on which the divorced wife first meets the criteria for entitlement set forth in clauses (i) and (ii).

(B) A wife's insurance benefit provided under this paragraph which has not otherwise terminated in accordance with subparagraph (E), (F), (H), or (J) of paragraph (1) shall terminate with the month preceding the first month in which the insured individual is no longer a fully insured individual.

(c) Husband's insurance benefits

(1) The husband (as defined in section 416(f) of this title) and every divorced husband (as defined in section 416(d) of this title) of an individual entitled to old-age or disability insurance benefits, if such husband or such divorced husband—

(A) has filed application for husband's insurance benefits,

(B) has attained age 62 or (in the case of a husband) has in his care (individually or jointly with such individual) at the time of filing such application a child entitled to child's insurance benefits on the basis of the wages and self-employment income of such individual,

(C) in the case of a divorced husband, is not married, and

(D) is not entitled to old-age or disability insurance benefits, or is entitled to old-age or disability insurance benefits based on a primary insurance amount which is less than one-half of the primary insurance amount of such individual,
