Preface

The objectives which were my goals in revising Volume 3 of Wigmore's treatise are likewise my guidelines in the revision of the present Volume. The preface to Volume 3* may therefore suffice (or, as pleaders say, be "incorporated by reference") at this point.

I acknowledge, with gratitude, the skillful assistance I have received from Miss Ellen Kemp, Secretarial Staff, Harvard Law School, and from Mr. Thomas Hay, Senior Supervisor, Harvard Law School Library.
