About Wolters Kluwer Law & Business

Wolters Kluwer Law & Business is a leading provider of research information and workflow solutions in key specialty areas. The strengths of the individual brands of Aspen Publishers, CCH, Kluwer Law International and Loislaw are aligned within Wolters Kluwer Law & Business to provide comprehensive, in-depth solutions and expert-authored content for the legal, professional and education markets.

CCH was founded in 1913 and has served more than four generations of business professionals and their clients. The CCH products in the Wolters Kluwer Law & Business group are highly regarded electronic and print resources for legal, securities, antitrust and trade regulation, government contracting, banking, pension, payroll, employment and labor, and healthcare reimbursement and compliance professionals.

Aspen Publishers is a leading information provider for attorneys, business professionals and law students. Written by preeminent authorities, Aspen products offer analytical and practical information in a range of specialty practice areas from securities law and intellectual property to mergers and acquisitions and pension/benefits. Aspen's trusted legal education resources provide professors and students with high-quality, up-to-date and effective resources for successful instruction and study in all areas of the law.

Kluwer Law International supplies the global business community with comprehensive English-language international legal information. Legal practitioners, corporate counsel and business executives around the world rely on the Kluwer Law International journals, loose-leafs, books and electronic products for authoritative information in many areas of international legal practice.

Loislaw is a premier provider of digitized legal content to small law firm practitioners of various specializations. Loislaw provides attorneys with the ability to quickly and efficiently find the necessary legal information they need, when and where they need it, by facilitating access to primary law as well as state-specific law, records, forms and treatises.

Wolters Kluwer Law & Business, a unit of Wolters Kluwer, is headquartered in New York and Riverwoods, Illinois. Wolters Kluwer is a leading multinational publisher and information services company.

ASPEN PUBLISHERS SUBSCRIPTION NOTICE

This Aspen Publishers product is updated on a periodic basis with supplements to reflect important changes in the subject matter. If you purchased this product directly from Aspen Publishers, we have already recorded your subscription for the update service.

If, however, you purchased this product from a bookstore and wish to receive future updates and revised or related volumes billed separately with a 30-day examination review, please contact our Customer Service Department at 1-800-234-1660 or send your name, company name (if applicable), address, and the title of the product to:

**ASPEN PUBLISHERS
7201 McKinney Circle
Frederick, MD 21704**

Important Aspen Publishers Contact Information

- To order any Aspen Publishers title, go to www.aspenpublishers.com or call 1-800-638-8437.
- To reinstate your manual update service, call 1-800-638-8437.
- To contact Customer Care, e-mail customer.care@aspenpublishers.com, call 1-800-234-1660, fax 1-800-901-9075, or mail correspondence to Order Department, Aspen Publishers, PO Box 990, Frederick, MD 21705.

Law & Business

To my parents

More than sixty years have passed since the publication in 1926 of the third (and last) edition of Pomeroy's *A Treatise on the Specific Performance of Contracts*.¹ In the interim, no book has been published on the American law of specific performance.² Perhaps Pomeroy's exhaustive and excellent work left little to be said or explored by other writers.³ More likely, the field remained barren of competition because publication of Pomeroy's last edition took place at a time when legal realism was beginning to gain a secure place in American legal thought.⁴ A treatise writer typically sets out to discover general legal principles and to show how those principles govern a multitude, if not all, of the reported cases.⁵ The realist is

¹J. Pomeroy, *A Treatise on the Specific Performance of Contracts* (3rd ed. 1926).

²References to American cases and statutes appear in an excellent book on equitable remedies published fairly recently in Canada. See generally R. Sharpe, *Injunctions and Specific Performance* (1983).

³See Simpson, *The Rise and Fall of the Legal Treatise: Legal Principles and the Forms of Legal Literature*, 48 U. Chi. L. Rev. 632, 675 (1981) (intellectual excitement of treatise writing disappears after the first competent treatise). Cf. Posner, *The Decline of Law as an Autonomous Discipline: 1962-87*, 100 Harv. L. Rev. 761, 771-772 (1987) (most imaginative practitioners want to be innovators once a technique has been perfected).

⁴See W. Twining, *Karl Llewellyn and the Realist Movement* 26-83 (1973) (survey of the history of the rise of realism during the period from 1914 to 1931).

⁵T. F. T. Plucknett, *Early English Legal Literature* 19 (1958).

skeptical about the significance of legal doctrine in the determination of cases and about attempts to distill the law into a set of principles or general rules.⁶ As realism began to affect the attitudes of academic lawyers, the result was to undermine the enterprise of treatise writing.⁷ Contributing to this trend more recently has been the work of the Critical Legal Studies movement, which may be even more cynical than realism about the importance of legal doctrine in the resolution of cases.⁸

There is a certain irony in the simultaneous and not coincidental rise of legal realism and demise of treatises on equitable remedies for breach of contract. Realism distrusts traditional doctrine or rules as descriptions of what courts are actually doing or as the heavily operative factor in legal decisions.⁹ Realism argues that appellate cases are more understandable by grouping the facts in new—and usually narrower—categories.¹⁰ Realism views appellate opinions not as mirroring the process of deciding cases, but rather as lawyers' arguments made by judges after the decision has already been reached.¹¹ Strong support for these claims can be found in the opinions of judges granting (or denying) equitable relief for breach of contract. The outcome of a case often depends on a narrow—and

⁶See Simpson, *supra* note 3, at 677. These statements about legal realism must be understood with the caveat that generalizations about the views of *all* realists are risky. See Llewellyn, Some Realism about Realism—Responding to Dean Pound, 44 Harv. L. Rev. 1222, 1233-1234, 1254-1256 (1931) (realism is not a single school of thought or creed).

⁷See Simpson, *supra* note 3, at 677 (realist movement “appears . . . to have had the greatest negative effect on the treatise-writing tradition in America”).

By contrast, treatise writing remains in vogue in England, perhaps because realism had a lesser effect on English legal thought. See *id.* at 633, 663.

⁸For a broad survey of this movement, see Critical Legal Studies Symposium, 36 Stan. L. Rev. 1 (1984). For applications of critical legal studies to contract issues, see Dalton, An Essay in the Deconstruction of Contract Doctrine, 94 Yale L.J. 997 (1985); Feinman, Promissory Estoppel and Judicial Method, 97 Harv. L. Rev. 678 (1984); Feinman, Critical Approaches to Contract Law, 30 U.C.L.A.L. Rev. 829 (1983); Kennedy, Form and Substance in Private Law Adjudication, 89 Harv. L. Rev. 1685 (1976); Kennedy, Legal Formality, 2 J. Legal Stud. 351 (1973).

⁹Llewellyn, *supra* note 6, at 1237.

Preface

unlikely to be duplicated—set of facts.¹² Judges unabashedly admit that their decisions are based not on rules, but on the exercise of their own discretion in the facts of the particular case.¹³

In light of the long-term decline in treatise writing by American lawyers, the appearance of a book on one part of contract law almost demands an explanation. In 1980, I began work on a theoretical article designed to rebut criticism of our current mix of legal and equitable remedies for breach of contract.¹⁴ Much of that article appears in slightly revised and updated form as Chapter 23 of this book. Although the article set out in considerable detail the policies that underlie our system of contract remedies, the specific, practical consequences of those policies on litigants in contract cases were barely touched upon. This book is designed in part to fill that gap.

Much has changed since the publication of Pomeroy's last edition. The appearance in the last three decades of a rich literature on the relationship between law and economics enables us to view the subject of contract remedies from a perspective entirely different from that of a lawyer or scholar in the 1920s.¹⁵ Rules governing specific performance have become more liberal in certain areas (output and requirements contracts, for example¹⁶) and more stringent

¹²See, e.g., §10.2, text at notes 16-23, *infra* (denial of specific performance limited to particular facts of case).

¹³For an extended discussion of the concept of equitable discretion, see §1.3 *infra*.

¹⁴Yorio, In Defense of Money Damages for Breach of Contract, 82 Colum. L. Rev. 1365 (1982).

¹⁵For a broad overview of law and economics, see A.M. Polinsky, An Introduction to Law and Economics (2d ed. 1989); R. Posner, Economic Analysis of Law (3rd ed. 1986). For applications of economic analysis to issues in contract remedies, see Barton, The Economic Basis of Damages for Breach of Contract, 1 J. Legal Stud. 277 (1972); Goetz & Scott, Liquidated Damages, Penalties and the Just Compensation Principle: Some Notes on an Enforcement Model and a Theory of Efficient Breach, 77 Colum. L. Rev. 554 (1977); Kronman, Specific Performance, 45 U. Chi. L. Rev. 351 (1978); Perloff, Breach of Contract and the Foreseeability Doctrine of Hadley v. Baxendale, 10 J. Legal Stud. 39 (1981); Polinsky, Risk Sharing Through Breach of Contract Remedies, 12 J. Legal Stud. 427 (1983); Rea, Efficiency Implications of Penalties and Liquidated Damages, 13 J. Legal Stud. 147 (1984); Schwartz, The Case for Specific Performance, 89 Yale L.J. 271 (1979); Yorio, *supra* note 14.

¹⁶See §11.2, text at notes 54-59, *infra*.

in others (real estate contracts¹⁷). Changes in procedure—including the merger of law and equity in many jurisdictions, the *Erie* doctrine,¹⁸ and expansion (or restriction, depending on the jurisdiction) of the right to a jury trial¹⁹—have also affected the availability of specific relief.

I had expected originally to limit my analysis to specific performance and injunctions. I determined soon after beginning extensive research that it is impossible to understand the rules governing specific performance without exploring the effect that legal limitations on contract damages have on the availability of equitable relief. And so Chapter 8 was conceived. My research also showed that claims to additional or alternative monetary relief appear in most recent cases in which specific performance or an injunction is sought for breach of contract. The frequency and practical importance of these monetary claims gave rise to Chapter 9. The subject of monetary remedies for breach of contract, including damages and restitution, will be covered in much greater detail in a companion volume.

There are many individuals who deserve thanks for their contributions to this book. Dean John Feerick of Fordham Law School was generous in granting financial support. My colleague Carl Felsenfeld reviewed one chapter of the manuscript and provided useful insights. I also had the benefit of able and dedicated student research assistants, of whom Louis Cammarosano, Joan Campbell, Mardi Merjian, and Peter Vairo merit special mention. Despite increasing proficiency on a word processor, I occasionally needed the help of the dedicated staff of secretaries at Fordham Law School, including Mary Dowdell, Carol DeVito, Marilyn Alexander, Lourdes Ramirez, and Mary Whelan. Of course, none of these individuals had any part in the book's faults, for which I bear sole responsibility.

PART I GENERAL PRINCIPLES OF EQUITABLE RELIEF 1

CHAPTER 1 OVERVIEW OF CONTRACT REMEDIES 3

§1.1	Introduction	3
§1.2	Remedies for Breach of Contract	5
§1.2.1	Monetary Remedies	5
§1.2.2	Equitable Remedies	7
§1.2.3	Examples of Contract Remedies	9
§1.3	Equitable Discretion	11
§1.4	Explanations for the Exceptional Nature of Specific Relief	16
§1.4.1	The Historical Separation of Law and Equity	16
§1.4.2	Risk Allocation	18
§1.4.3	Moral Obligation of Promise	19
§1.4.4	Law and Economics	20
§1.5	Summary	23

<i>CHAPTER 2</i>	<i>THE ADEQUACY TEST</i>	25
§2.1	Introduction	25
§2.2	Historical Origins	27
§2.3	Modern Defense	30
§2.4	Factors Affecting Adequacy of Damages	35
§2.4.1	Difficulty of Proving Damages	36
§2.4.2	Difficulty of Obtaining Substitute	37
§2.4.3	Difficulty of Collecting Damages	38
§2.4.4	Avoidance of Multiplicity of Lawsuits	38
§2.5	Comparative Approach to the Adequacy Test	40
 <i>CHAPTER 3</i>	 <i>PRACTICAL LIMITATIONS</i>	 45
§3.1	Introduction	46
§3.2	The Reasons for Practical Limitations	50
§3.2.1	Safeguarding the Reputation of Courts	50
§3.2.2	Judicial Self-Doubt	51
§3.2.3	Judicial Costs	52
§3.2.4	Fairness to the Defendant	55
§3.3	Difficulty of Enforcement or Supervision	57
§3.3.1	Self-Enforcing Promises	57
§3.3.2	Problems Generated by Non-Self-Enforcing Promises	57
§3.3.3	Balance of Burdens and Benefits	60
§3.3.3.1	Benefit to the Promisee	61
§3.3.3.2	Public Interest	64
§3.3.3.3	Arbitration	65
§3.3.4	Methods of Minimizing Problems of Supervision	66
§3.4	Uncertainty	67
§3.4.1	Early Requirement of Absolute Certainty	67

Table of Contents

§3.4.2	Modern Views of the Certainty Requirement	67
§3.4.3	Compelling Interest in Specific Performance	69
§3.4.4	Methods of Minimizing Problems of Uncertainty	71
 <i>CHAPTER 4</i> <i>EQUITABLE DEFENSES — AN OVERVIEW</i>		 73
§4.1	Introduction	73
§4.2	A Case Study	76
§4.3	Sequels to an Equitable Defense	79
§4.3.1	Remedial Alternatives to Expectation Damages	80
§4.3.2	Underassessment of Damages	82
§4.3.3	Settlement Terms	83
§4.4	Criticism of Equitable Defenses	86
§4.4.1	Historical and Moral Objections	87
§4.4.2	Economic Objections	88
§4.4.3	Equitable Defenses as a Myth	89
§4.4.4	Summary	90
§4.5	The Case for Equitable Defenses	91
§4.5.1	Flaws in the Criticisms	91
§4.5.2	The Arguments for Equitable Defenses	96
§4.6	Summary	98
 <i>CHAPTER 5</i> <i>EQUITABLE DEFENSES — IN PARTICULAR</i>		 101
§5.1	Introduction	102
§5.2	Mistake	102
§5.3	Misrepresentation	104
