HOW TO USE THIS SUPPLEMENT

This is the First Supplement to the Thirtieth Edition of *Chitty on Contracts*, and has been compiled according to the structure of the two main work volumes.

At the beginning of each chapter of this Supplement the mini table of contents from the main volume has been included. Where a heading in this table of contents has been marked with a square pointer, this indicates that there is relevant information in the Supplement to which the reader should refer.

Within each chapter, updating information is referenced to the relevant paragraph in the main volume.

It should be noted that for this Supplement there is no additional material for chapter 42.
