Soul Power Series

THE PURPOSE OF life is to serve. I have committed my life to this purpose. Service is my life mission.

My total life mission is to transform the consciousness of humanity and all souls in all universes, and enlighten them, in order to create love, peace, and harmony for humanity, Mother Earth, and all universes. This mission includes three empowerments.

My first empowerment is to teach *universal service* to empower people to be unconditional universal servants. The message of universal service is:

*I serve humanity and all universes unconditionally.
You serve humanity and all universes unconditionally.
Together we serve humanity and all souls in all universes unconditionally.*

My second empowerment is to teach *healing* to empower people to heal themselves and heal others. The message of healing is:

*I have the power to heal myself.
You have the power to heal yourself.
Together we have the power to heal the world.*

My third empowerment is to teach *the power of soul*, which includes soul secrets, wisdom, knowledge, and practices, and to transmit Divine Soul Power to empower people to transform every aspect of their lives and enlighten their souls, hearts, minds, and bodies.

The message of Soul Power is:

*I have the Soul Power to transform my consciousness
and every aspect of my life and enlighten my soul,
heart, mind, and body.
You have the Soul Power to transform your conscious-
ness and every aspect of your life and enlighten your
soul, heart, mind, and body.
Together we have the Soul Power to transform con-
sciousness and every aspect of all life and enlighten
humanity and all souls.*

To teach the power of soul is my most important empowerment. It is the key for my total life mission. The power of soul is the key for transforming physical life and spiritual life. It is the key for transforming and enlightening humanity and every soul in all universes.

The beginning of the twenty-first century is the transition period into a new era for humanity, Mother Earth, and all universes. This era is named the Soul Light Era. The Soul Light Era began on August 8, 2003. It will last fifteen thousand years. Natural disasters—including tsunamis, hurricanes, cyclones, earthquakes,

floods, tornados, hail, blizzards, fires, drought, extreme temperatures, famine, and disease—political, religious, and ethnic wars, terrorism, proliferation of nuclear weapons, economic challenges, pollution, vanishing plant and animal species, and other such upheavals are part of this transition. In addition, millions of people are suffering from depression, anxiety, fear, anger, and worry. They suffer from pain, chronic conditions, and life-threatening illnesses. Humanity needs help. The consciousness of humanity needs to be transformed. The suffering of humanity needs to be removed.

The books of the Soul Power Series are brought to you by Heaven's Library and Atria Books. They reveal soul secrets and teach soul wisdom, soul knowledge, and soul practices for your daily life. The power of soul can heal, prevent illness, rejuvenate, prolong life, and transform consciousness and every aspect of life, including relationships and finances. The power of soul is vital to serving humanity and Mother Earth during this transition period. The power of soul will awaken and transform the consciousness of humanity and all souls.

In the twentieth century and for centuries before, *mind over matter* played a vital role in healing, rejuvenation, and life transformation. In the Soul Light Era, *soul over matter*—Soul Power—will play *the* vital role to heal, rejuvenate, and transform all life.

There are countless souls on Mother Earth—souls of human beings, souls of animals, souls of other living things, and souls of inanimate things. *Everyone and everything has a soul.*

Every soul has its own frequency and power. Jesus had miraculous healing power. We have heard many heart-touching stories of lives saved by Guan Yin's¹ compassion. Mother Mary's love has

1 Guan Yin is known as the Bodhisattva of Compassion and, in the West, as the Goddess of Mercy.

created many heart-moving stories. All of these great souls were given Divine Soul Power to serve humanity. In all of the world's great religions and spiritual traditions, including Buddhism, Taoism, Christianity, Judaism, Hinduism, Islam, and more, there are similar accounts of great spiritual healing and blessing power.

I honor every religion and every spiritual tradition. However, I am not teaching religion. I am teaching Soul Power, which includes soul secrets, soul wisdom, soul knowledge, and soul practices. Your soul has the power to heal, rejuvenate, and transform life. An animal's soul has the power to heal, rejuvenate, and transform life. The souls of the sun, the moon, an ocean, a tree, and a mountain have the power to heal, rejuvenate, and transform life. The souls of healing angels, ascended masters, holy saints, Taoist saints, Hindu saints, buddhas, and other high-level spiritual beings have great Soul Power to heal, rejuvenate, and transform life.

Every soul has its own standing. Spiritual standing, or soul standing, has countless layers. Soul Power also has layers. Not every soul can perform miracles like Jesus, Guan Yin, and Mother Mary. Soul Power depends on the soul's spiritual standing in Heaven. The higher a soul stands in Heaven, the more Soul Power that soul is given by the Divine. Jesus, Guan Yin, and Mother Mary all have a very high spiritual standing.

Who determines a soul's spiritual standing? Who gives the appropriate Soul Power to a soul? Who decides the direction for humanity, Mother Earth, and all universes? The top leader of the spiritual world is the decision maker. This top leader is the Divine. The Divine is the creator and manifester of all universes.

In the Soul Light Era, all souls will join as one and align their consciousness with divine consciousness. At this historic time, the Divine has decided to transmit divine soul treasures to hu-

manity and all souls to help humanity and all souls go through Mother Earth's transition.

Let me share two personal stories with you to explain how I reached this understanding.

First, in April 2003, I held a Power Healing workshop for about one hundred people at Land of Medicine Buddha, a retreat center in Soquel, California. As I was teaching, the Divine appeared. I told the students, "The Divine is here. Could you give me a moment?" I knelt and bowed down to the floor to honor the Divine. (At age six, I was taught to bow down to my tai chi masters. At age ten, I bowed down to my qi gong masters. At age twelve, I bowed down to my kung fu masters. Being Chinese, I learned this courtesy throughout my childhood.) I explained to the students, "Please understand that this is the way I honor the Divine, my spiritual fathers, and my spiritual mothers. Now I will have a conversation with the Divine."

I began by saying silently, "Dear Divine, I am very honored you are here."

The Divine, who was in front of me above my head, replied, "Zhi Gang, I come today to pass a spiritual law to you."

I said, "I am honored to receive this spiritual law."

The Divine continued, "This spiritual law is named the Universal Law of Universal Service. It is one of the highest spiritual laws in the universe. It applies to the spiritual world and the physical world."

The Divine pointed to the Divine. "I am a universal servant." The Divine pointed to me. "You are a universal servant." The Divine swept a hand in front of the Divine. "Everyone and everything is a universal servant. A universal servant offers universal service unconditionally. Universal service includes universal love, forgiveness, peace, healing, blessing, harmony, and enlightenment. *If one*

offers a little service, one receives a little blessing from the universe and from me. If one offers more service, one receives more blessing. If one offers unconditional service, one receives unlimited blessing.”

The Divine paused for a moment before continuing. “There is another kind of service, which is unpleasant service. Unpleasant service includes killing, harming, taking advantage of others, cheating, stealing, complaining, and more. If one offers a little unpleasant service, one learns little lessons from the universe and from me. If one offers more unpleasant service, one learns more lessons. If one offers huge unpleasant service, one learns huge lessons.”

I asked, “What kinds of lessons could one learn?”

The Divine replied, “The lessons include sickness, accidents, injuries, financial challenges, broken relationships, emotional imbalances, mental confusion, and any kind of disorder in one’s life.” The Divine emphasized, “This is how the universe operates. This is one of my most important spiritual laws for all souls in the universe to follow.”

After the Divine delivered this universal law, I immediately made a silent vow to the Divine:

Dear Divine,

I am extremely honored to receive your Law of Universal Service. I make a vow to you, to all humanity, and to all souls in all universes that I will be an unconditional universal servant. I will give my total GOLD [gratitude, obedience, loyalty, devotion] to you and to serving you. I am honored to be your servant and a servant of all humanity and all souls.

Hearing this, the Divine smiled and left.

My second story happened three months later, in July 2003, while I was holding a Soul Study workshop near Toronto. The Divine came again. I again explained to my students that the Divine had appeared, and asked them to wait a moment while I bowed down 108 times and listened to the Divine's message. On this occasion, the Divine told me, "Zhi Gang, I come today to choose you as my direct servant, vehicle, and channel."

I was deeply moved and said to the Divine, "I am honored. What does it mean to be your direct servant, vehicle, and channel?"

The Divine replied, "When you offer healing and blessing to others, call me. I will come instantly to offer my healing and blessing to them."

I was deeply touched and replied, "Thank you so much for choosing me as your direct servant."

The Divine continued, "I can offer my healing and blessing by transmitting my permanent healing and blessing treasures."

I asked, "How do you do this?"

The Divine answered, "Select a person and I will give you a demonstration."

I asked for a volunteer with serious health challenges. A man named Walter raised his hand. He stood up and explained that he had liver cancer, with a two-by-three-centimeter malignant tumor that had just been diagnosed from a biopsy.

Then I asked the Divine, "Please bless Walter. Please show me how you transmit your permanent treasures." Immediately, I saw the Divine send a beam of light from the Divine's heart to Walter's liver. The beam shot into his liver, where it turned into a golden light ball that instantly started spinning. Walter's entire liver shone with beautiful golden light.

The Divine asked me, “Do you understand what software is?”

I was surprised by this question but replied, “I do not understand much about computers. I just know that software is a computer program. I have heard about accounting software, office software, and graphic design software.”

“Yes,” the Divine said. “Software is a program. Because you asked me to, I transmitted, or downloaded, my Soul Software for Liver to Walter. It is one of my permanent healing and blessing treasures. You asked me. I did the job. This is what it means for you to be my chosen direct servant and channel.”

I was astonished. Excited, inspired, and humbled, I said to the Divine, “I am so honored to be your direct servant. How blessed I am to be chosen.” Almost speechless, I asked the Divine, “Why did you choose me?”

“I chose you,” said the Divine, “because you have served humanity for more than one thousand lifetimes. You have been very committed to serving my mission through all of your lifetimes. I am choosing you in this life to be my direct servant. You will transmit countless permanent healing and blessing treasures from me to humanity and all souls. This is the honor I give to you now.”

I was moved to tears. I immediately bowed down 108 times again and made a silent vow:

Dear Divine,

I cannot bow down to you enough for the honor you have given to me. No words can express my greatest gratitude. How blessed I am to be your direct servant to download your permanent healing and blessing treasures to humanity and all souls! Humanity and all souls will receive your huge blessings through my service as your direct

servant. I give my total life to you and to humanity. I will accomplish your tasks. I will be a pure servant to humanity and all souls.

I bowed again. Then I asked the Divine, “How should Walter use his Soul Software?”

“Walter must spend time to practice with my Soul Software,” said the Divine. “Tell him that simply to receive my Soul Software does not mean he will recover. He must practice with this treasure every day to restore his health, step by step.”

I asked, “How should he practice?”

The Divine gave me this guidance: “Tell Walter to : *Divine Liver Soul Software heals me. Divine Liver Soul Software heals me. Divine Liver Soul Software heals me. Divine Liver Soul Software heals me.*”

I asked, “For how long should Walter chant?”

The Divine answered, “At least two hours a day. The longer he practices, the better. If Walter does this, he could recover in three to six months.”

I shared this information with Walter, who was excited and deeply moved. Walter said, “I will practice two hours or more each day.”

Finally I asked the Divine, “How does the Soul Software work?”

The Divine replied, “My Soul Software is a golden healing ball that rotates and clears energy and spiritual blockages in Walter’s liver.”

I again bowed to the Divine 108 times. Then I stood up and

offered three Soul Softwares to every participant in the workshop as divine gifts. Upon seeing this, the Divine smiled and left.

Walter immediately began to practice as directed for at least two hours every day. Two and a half months later, a CT scan and MRI showed that his liver cancer had completely disappeared. At the end of 2006 I met Walter again at a signing in Toronto for my book *Soul Mind Body Medicine*. In May 2008 Walter attended one of my events at the Unity Church of Truth in Toronto. On both occasions Walter told me that there was still no sign of cancer in his liver. For nearly five years his Divine Soul Download healed his liver cancer. He was very grateful to the Divine.

This major event of being chosen as a direct divine servant happened in July 2003. As I mentioned, a new era for Mother Earth and all universes, the Soul Light Era, began on August 8, 2003. The timing may look like a coincidence but I believe there could be an underlying spiritual reason. Since July 2003 I have offered divine transmissions to humanity almost every day. I have offered more than ten divine transmissions to all souls in all universes.

I share this story with you to introduce the power of divine transmissions or Divine Soul Downloads. Now let me share the commitment that I made in *Soul Wisdom*, the first book of my Soul Power Series, and that I have renewed in every one of my books since:

**From now on, I will offer Divine Soul
Downloads in every book I write.**

Divine Soul Downloads are permanent divine healing and blessing treasures for transforming your life. There is an ancient saying: *If you want to know if a pear is sweet, taste it.* If you want to know the power of Divine Soul Downloads, experience it.

Divine Soul Downloads carry divine frequency with divine

love, forgiveness, compassion, and light. Divine frequency transforms the frequency of all life. Divine love melts all blockages, including soul, mind, and body blockages, and transforms all life. Divine forgiveness brings inner peace and inner joy. Divine compassion boosts energy, stamina, vitality, and immunity. Divine light heals, prevents sickness, rejuvenates, and prolongs life.

A Divine Soul Download is a new soul created from the heart of the Divine. The Divine Soul Download transmitted to Walter was a Soul Software. Since then, I have transmitted several other types of Divine Soul Downloads, including Divine Soul Herbs, Divine Soul Acupuncture, Divine Soul Operation, and Divine Soul Mind Body Transplants.

A Divine Soul Transplant is a new divine soul of an organ, a part of the body, a bodily system, cells, DNA, RNA, the smallest matter in cells, or the spaces between cells. When it is transmitted, it replaces the recipient's original soul of the organ, part of the body, system, cells, cell units, DNA, RNA, smallest matter in cells, or spaces between cells. A new divine soul can also replace the soul of a home or a business. A new divine soul can be transmitted to a pet, a mountain, a city, or a country to replace their original souls. A new divine soul can even replace the soul of Mother Earth.

A Divine Mind Transplant is also a light being created by the Divine. It carries divine consciousness to replace original consciousness of the recipient's system, organ, part of the body, cells, cell units, DNA, RNA, smallest matter, or spaces.

A Divine Body Transplant is another light being created by the Divine. This light being carries divine energy and divine tiny matter to replace original energy and tiny matter of the recipient's system, organ, part of the body, cells, cell units, DNA, RNA, smallest matter, or spaces.

Everyone and everything has a soul. The Divine can download any soul you can conceive of. These Divine Soul Downloads are permanent divine healing, blessing, and life-transformation treasures. They can transform the lives of anyone and anything. Because the Divine created these divine-soul treasures, they carry Divine Soul Power, which is the greatest Soul Power among all souls. All souls in the highest layers of Heaven will support and assist Divine Soul Downloads. Divine Soul Downloads are the crown jewel of Soul Power.

Divine Soul Downloads are divine presence. The more Divine Soul Downloads you receive, the faster your soul, heart, mind, and body will be transformed. The more Divine Soul Downloads your home or business receives and the more Divine Soul Downloads a city or country receives, the faster their souls, hearts, minds, and bodies will be transformed.

In the Soul Light Era, the evolution of humanity will be created by Divine Soul Power. Soul Power will transform humanity. Soul Power will transform animals. Soul Power will transform nature and the environment. Soul Power will assume the leading role in every field of human endeavor. Humanity will deeply understand that *the soul is the boss*.

Soul Power, including soul secrets, soul wisdom, soul knowledge, and soul practices, will transform every aspect of human life. Soul Power will transform every aspect of organizations and societies. Soul Power will transform cities, countries, Mother Earth, all planets, stars, galaxies, and all universes. Divine Soul Power, including Divine Soul Downloads, will lead this transformation.

I am honored to have been chosen as a divine servant to offer Divine Soul Downloads to humanity, to relationships, to homes, to businesses, to pets, to cities, to countries, and more. In the last

few years I have already transmitted countless divine souls to humanity and to all universes. I repeat to you now: *I will offer Divine Soul Downloads within each and every book of the Soul Power Series.* Clear instructions on how to receive these Divine Soul Downloads will be provided in the next section, “How to Receive the Divine Soul Downloads Offered in the Books of the Soul Power Series,” as well as on the appropriate pages of each book.

I am a servant of humanity. I am a servant of the universe. I am a servant of the Divine. I am extremely honored to be a servant of all souls. I commit my total life and being as an unconditional universal servant.

I will continue to offer Divine Soul Downloads for my entire life. I will offer more and more Divine Soul Downloads to every soul. I will offer Divine Soul Downloads for every aspect of life for every soul.

I am honored to be a servant of Divine Soul Downloads.

Human beings, organizations, cities, and countries will receive more and more Divine Soul Downloads, which can transform every aspect of their lives and enlighten their souls, hearts, minds, and bodies. The Soul Light Era will shine Soul Power. The books in the Soul Power Series will spread Divine Soul Downloads, together with Soul Power—soul secrets, soul wisdom, soul knowledge, and soul practices—to serve humanity, Mother Earth, and all universes. The Soul Power Series is a pure servant for humanity and all souls. The Soul Power Series is honored to be a Total GOLD² servant of the Divine, humanity, and all souls.

The final goal of the Soul Light Era is to join every soul as one in love, peace, and harmony. This means that the consciousness

of every soul will be totally aligned with divine consciousness. There will be difficulties and challenges on the path to this final goal. Together we will overcome them. We call all souls of humanity and all souls in all universes to offer unconditional universal service, including universal love, forgiveness, peace, healing, blessing, harmony, and enlightenment. The more we offer unconditional universal service, the faster we will achieve this goal.

The Divine gives his heart to us. The Divine gives his love to us. The Divine gives Divine Soul Downloads to us. Our hearts meld with the Divine's heart. Our souls meld with the Divine's soul. Our consciousnesses align with the Divine's consciousness. We will join hearts and souls together to create love, peace, and harmony for humanity, Mother Earth, and all universes.

I love my heart and soul
I love all humanity
Join hearts and souls together
Love, peace and harmony
Love, peace and harmony

Love all humanity. Love all souls. Thank all humanity. Thank all souls.

Thank you. Thank you. Thank you.
