More Praise for Doyle's Guide

"This is a book that every transnational business lawyer, whether in private practice or in-house, will want. Its lucid exposition also makes it a valuable tool for non-lawyer international investors and traders."

Charles E. McCallum, Former Chair
American Bar Association, Business Law Section

"A useful resource for entrepreneurs and managers planning business start-ups or expansion in Asia."

Dr. Philip Hallinger, Professor of Management
Hong Kong Institute of Education

"Michael Doyle's book provides a much-needed guide to navigating through the sometimes bewildering maze of government rules and bureaucracies for doing business in Asian countries."

Bill Hannay, Former Chair
American Bar Association, Section of International Law

"This book is the ultimate reference for doing successful business in Asia!"

William E. Heinecke, Chairman & Chief Executive Officer
Minor Group

"Michael Doyle provides crucial reading for doing business in emerging Asia, including India and China. In this book, the authors share insight and practical advice into the different legal and business systems in some of the world's most critical markets."

Ashish Sudhakar, Senior Asia Pacific Manager
DISYS Singapore Pte Ltd

"Michael Doyle manages to communicate—in plain English—the key legal issues facing foreign investors in developing Asia today."

Michael S. Murray, Regional Chief Executive Officer
East Asia Coats Plc
