I GRATEFULLY ACKNOWLEDGE PERMISSIONS RECEIVED AS FOLLOWS:

Cover illustration: Ellen Spencer, *Eyes 4*, watercolor/charcoal on paper, gratefully reproduced with permission of the artist. Copyright © 2007 by Ellen Spencer ([www.ellenspencer.com](http://www.ellenspencer.com), [www.ellenspencerprints.com](http://www.ellenspencerprints.com)). *Eyes 4*, which appears as part of Spencer's *Women's Celebration Series*, resonates with *The Female Homer* and with women's epic poetry through its use of repetition with variation, its celebration of renewed vision and multiple perspectives, and its development of the personal and the internal. Ellen Spencer's evocation of Warhol—like a female epic poet's recursion to masculine epic traditions—develops yet another vital aspect of women's epic poetry.
