PRINCIPLES OF AUSTRALIAN CONTRACT LAW

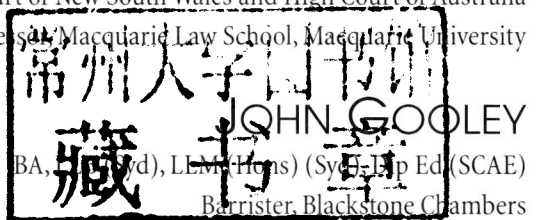

2nd Edition

PREFACE TO SECOND EDITION

Since the publication of the first edition of this book in 2006 there have been significant developments in contract law that we have incorporated into this second edition. All chapters in this edition have been updated and in some cases substantially rewritten. Furthermore, a new Chapter 39 has been added to cover some of the major features of the proposed Australian Consumer Law which the Commonwealth government anticipates will begin to be implemented at the start of 2010.

In preparing this edition, Peter took primary responsibility for preparing Chapters 1, 3–8, 10–13, 17–18, 26–33 and 37–38 and John took primary responsibility for preparing Chapters 2, 9, 14–16, 19–25, 34–36 and 39. This edition is based upon materials available to us in Sydney to the end of September 2009.

As with the previous edition of this book, we must acknowledge the support of our family, friends and colleagues. Once again, the support, love and encouragement of our wives, Sybil Radan and Sylvia Gooley, and our children, Rade, Andrija and Aleksandra Radan and Andrew, Nathan and Mitchell Gooley, were indispensable to the completion of this edition of the book.

At LexisNexis, we wish, in particular, to thank our commissioning editor, Linda Boer, for her continued support of this book. We would also like to thank Banita Dimitrioska, Philippa Findlay, Sarah Plant and Geraldine MacLurcan for their skill, care and efficiency with which they turned our manuscript into a book.

Peter Radan
