Contributors

James M. Adams, M.D.

Associate Professor of Clinical Pediatrics, Baylor College of Medicine; Director, Neonatal Intensive Care Unit and Transport System, Texas Children's Hospital and The Woman's Hospital of Texas, Houston, Texas

Tetanus Neonatorum

Raymond D. Adelman, M.D.

Professor and Chairman, Department of Pediatrics, Eastern Virginia Medical School; Vice President for Medical Affairs and Consultant in Pediatric Nephrology, Children's Hospital of the King's Daughters, Norfolk, Virginia

Perinephric and Intranephric Abscess

Laurie S. Ahlgren, M.D.

Assistant Professor of Surgery, Tufts University School of Medicine; Lecturer in Surgery, Boston University School of Medicine; Attending Pediatric Surgeon, Boston Floating Hospital for Infants and Children/New England Medical Center; Chief of Pediatric Surgery, Boston City Hospital, Boston, Massachusetts

Burns

D. A. Allen, Ed.D.

Associate Professor in Child Psychiatry, Albert Einstein College of Medicine; Director of Infant and Preschool Therapeutic Nurseries, Albert Einstein and Bronx Municipal Hospital Center, Bronx, New York

Autism

A. Loren Amacher, M.D., F.R.C.S.(C)

Department of Neurosurgery, Geisinger Medical Center, Danville, Pennsylvania

Brain Tumors

Mary G. Ampola, M.D.

Associate Professor of Pediatrics, Tufts University School of Medicine; Acting Chief, Clinical Genetics Division, and Director, Pediatric Amino Acid Laboratory and PKU-IEM Clinic, New England Medical Center, Boston, Massachusetts

Disorders of Amino Acid Metabolism

John A. Anderson, M.D.

Clinical Professor of Pediatrics, University of Michigan Medical School, Ann Arbor; Head, Division of Allergy and Clinical Immunology, Department of Medicine, Henry Ford Hospital, Detroit, Michigan

Physical Allergy

Bascom F. Anthony, M.D.

Professor of Pediatrics, University of California, Los Angeles School of Medicine, Los Angeles; Chief, Division of Infectious Diseases and Associate Chair, Department of Pediatrics, Harbor-UCLA Medical Center, Torrance, California

Group A Streptococcal Infections

Leonard Apt, M.D.

Professor of Ophthalmology, Director Emeritus of the Division of Pediatric Ophthalmology, Jules Stein Eye Institute, University of California, Los Angeles; Special Consultant in Pediatric Ophthalmology for the Los Angeles City Health Department and the Bureau of Maternal and Child Health, Department of Public Health, State of California, Los Angeles, California

The Eye

Kenneth A. Arndt, M.D.

Professor of Dermatology, Harvard Medical School; Dermatologist-in-Chief, Beth Israel Hospital, Boston, Massachusetts

Topical Therapy: A Dermatologic Formulary for Pediatric Practice

Stephen C. Aronoff, M.D.

Associate Professor of Pediatrics, Case Western Reserve University School of Medicine; Acting Chief, Division of Pediatric Infectious Diseases, Rainbow Babies and Children's Hospital, Cleveland, Ohio

Management of Septic Shock

Felicia B. Axelrod, M.D.

Professor of Pediatrics, New York University School of Medicine; Attending in Pediatrics, New York University Medical Center, New York, New York

Familial Dysautonomia

George E. Bacon, M.D.

Professor and Chairman, Department of Pediatrics, Texas Tech University School of Medicine; Chief, Pediatric Service, Lubbock General Hospital, Lubbock, Texas

Disorders of the Adrenal Gland

Robert L. Baehner, M.D.

Professor and Executive Chairman of Pediatrics, University of Southern California School of Medicine; Chairman of Academic Affairs and Physician-in-Chief, Children's Hospital of Los Angeles, Los Angeles, California

Aplastic Anemia

Carol J. Baker, M.D.

Professor of Pediatrics, Microbiology and Immunology, Baylor College of Medicine; Active Staff, Texas Children's Hospital, Harris County Hospital District and Woman's Hospital of Texas, Houston, Texas

*Group B Streptococcal Infections***Anthony H. Balcom, M.D.**

Clinical Fellow, Hospital For Sick Children, Toronto, Ontario

*Penis, Spermatic Cord, and Testes***William F. Balistreri, M.D.**

Fellow, Pediatric Gastroenterology and Nutrition, Children's Hospital Medical Center, Cincinnati, Ohio
Cirrhosis

Giulio J. Barbero, M.D.

Professor of Child Health, University of Missouri School of Medicine; University of Missouri Hospital, Columbia, Missouri

*Pylorospasm, Pyloric Stenosis***Gabor Barabas, M.D.**

Associate Clinical Professor of Pediatrics, University of Medicine and Dentistry of New Jersey—Robert Wood Johnson Medical School, New Brunswick; Consulting Pediatric Neurologist, Monmouth Medical Center, Red Bank; and Robert Wood Johnson—University Hospital, New Brunswick, New Jersey

*Childhood Sleep Disturbances and Disorders of Arousal***Dorsey M. Bass, M.D.**

Research Fellow in Medicine, Stanford University; Assistant Clinical Professor of Pediatric Gastroenterology, Stanford University Hospital, Stanford, California

*Acute and Chronic Nonspecific Diarrhea Syndromes***James W. Bass, M.D., M.P.H.**

Professor of Pediatrics, Uniformed Services University of the Health Sciences, Bethesda, Maryland; Clinical Professor of Pediatrics, University of Hawaii School of Medicine, and Chairman, Department of Pediatrics, Tripler Army Medical Center, Honolulu, Hawaii

*Toxoplasmosis***Maha K. Bassila, M.D.**

Assistant Professor of Otorhinolaryngology, Albert Einstein College of Medicine; Full-time Attending Physician in Otorhinolaryngology, Montefiore Medical Center, Albert Einstein Weiler Hospital, Bronx Municipal Hospital, and North Central Bronx Hospital, Bronx, New York

*Malformations of the Nose; Tumors and Polyps of the Nose; Nasal Injuries***Mark L. Batshaw, M.D.**

Professor of Pediatrics and Neurology, University of Pennsylvania School of Medicine; Physician-in-Chief, Children's Seashore House, Atlantic City, New Jersey; Chief, Division of Child Development and Rehabilitation, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

*Mental Retardation***David Baum, M.D.**

Professor of Pediatrics and Chief, Division of Pediatric Cardiology, Stanford University School of Medicine; Pediatric Cardiologist, Stanford Medical Center and Children's Hospital at Stanford; Consultant in Pediatric Cardiology for the U.S. Army, Silas B. Hayes Hospital, Fort Ord, California

*Acute Rheumatic Fever***Arthur L. Beaudet, M.D.**

Investigator, Howard Hughes Medical Institute and Professor, Institute for Molecular Genetics, Baylor College of Medicine; Chief, Genetic Service, Texas Children's Hospital, Houston, Texas

*Lysosomal Storage Disease***Robert C. Beckerman, M.D.**

Professor of Pediatrics and Physiology and Section Chief, Pediatric Pulmonary Medicine; Tulane University School of Medicine, Tulane University Medical Center and Charity Hospital of New Orleans, New Orleans, Louisiana

*Primary Pulmonary Hemosiderosis***Douglas W. Bell, M.D.**

Clinical Instructor of Otolaryngology, Harvard Medical School; Associate in Otolaryngology, Children's Hospital, Boston, Massachusetts

*Salivary Gland Tumors; Thyroglossal Duct Cysts; Branchial Arch Cysts and Sinuses***Bruce O. Berg, M.D.**

University of California, San Francisco; Professor of Neurology and Pediatrics, Director of Child Neurology, University of California Medical Center, San Francisco, California

*Congenital Muscular Defects***Abraham B. Bergman, M.D.**

Professor of Pediatrics, University of Washington School of Medicine; Director, Department of Pediatrics, Harborview Medical Center, Seattle, Washington

*Sudden Infant Death Syndrome and Recurrent Apnea***Stanley Berlow, M.D.**

Madison, Wisconsin

*Hyperphenylalaninemia***Bernard A. Berman, M.D.**

Associate Clinical Professor of Pediatrics, Tufts University School of Medicine; Director, Pediatric Allergy, St. Elizabeth Hospital, Boston, Massachusetts

*Treatment of Allergic Rhinitis***Shelly C. Bernstein, M.D., Ph.D.**

Associate in Pediatrics, University of Massachusetts Medical School; Associate in Pediatrics, University of Massachusetts Hospital, Worcester, Massachusetts

*Polycythemia***Leonard Bielory, M.D., F.A.C.P., F.A.A.A.I.**

Director, Division of Allergy and Immunology and Assistant Professor of Medicine, University of Medicine and Dentistry of New Jersey-Rutgers Medical School, Newark; Director, Division of Allergy and Immunology and Attending Staff, University of Medicine and Dentistry of New Jersey-University Hospi-

tal, Newark; Attending Staff, Saint Barnabas Medical Center, Livingston, New Jersey

Serum Sickness

Jeffrey A. Biller, M.D.

Assistant Clinical Professor of Pediatrics, Tufts University School of Medicine; Assistant in Pediatrics, New England Medical Center, Boston, Massachusetts

Recurrent Abdominal Pain

Cynthia Black-Payne, M.D.

Assistant Professor of Pediatrics, Section of Pediatric Infectious Diseases, Louisiana State University School of Medicine; Attending Physician and Consultant, Louisiana State University Hospital, Shreveport, Louisiana

Histoplasmosis

Joseph A. Bocchini, Jr., M.D.

Associate Professor of Pediatrics and Chief, Section of Pediatric Infectious Diseases, Louisiana State University School of Medicine; Attending Physician and Consultant, Louisiana State University Medical Center, Shreveport, Louisiana

Histoplasmosis

E. Thomas Boles, Jr., M.D.

Professor of Surgery, Ohio State University College of Medicine; Chief, Department of Pediatric Surgery, Children's Hospital; Director, Division of Pediatric Surgery, University Hospital; Attending Staff, Children's and University Hospitals, Columbus, Ohio

Foreign Bodies in the Alimentary Tract

Bruce R. Boynton, M.D., M.P.H.

Associate Professor of Pediatrics, University of Kentucky College of Medicine; Chief, Division of Neonatology, A. B. Chandler Medical Center, Lexington, Kentucky

Meconium Aspiration Syndrome

Murray Braun, M.D.

Clinical Assistant Professor of Pediatric Neurology, Boston University School of Medicine, Boston, Massachusetts

Injuries to the Brachial Plexus

Itzhak Brook, M.D.

Professor of Pediatrics and Surgery, Uniformed Services University for the Health Sciences, Attending Physician and Consultant in Infectious Diseases, National Naval Medical Center, Bethesda, Maryland, and Walter Reed Army Medical Center, Washington, D.C.

Infections Due to Anaerobic Cocci and Gram-Negative Bacilli

John G. Brooks, M.D.

Professor of Pediatrics, University of Rochester School of Medicine; Director, Pediatric Pulmonology, Strong Memorial Hospital, Rochester, New York

Pleural Effusion

John F. Brown, Jr., M.D. (deceased)

Assistant Professor Emeritus of Medicine, University of Southern California School of Medicine; Attending Staff, Pulmonary Disease Service, Los Angeles County-University of Southern California Medical

Center; Consultant, Barlow Hospital, Los Angeles, California

Mucormycosis

Philip A. Brunell, M.D.

Professor of Pediatrics, University of California, Los Angeles, School of Medicine; Associate Director, Ahmanson Pediatric Center; Director, Pediatric Infectious Diseases, Cedars-Sinai Medical Center, Los Angeles, California

Varicella and Herpes Zoster; Immunization

Philip J. Brunquell, M.D.

Assistant Professor of Pediatrics and Neurology, University of Connecticut School of Medicine, Farmington; Director, Clinical Neurophysiology Laboratories, Newington Children's Hospital, Newington, Connecticut

Degenerative Diseases of the Central Nervous System

Ruth D. Bruun, M.D.

Clinical Associate Professor of Psychiatry, Cornell University Medical College; Attending Psychiatrist, New York Hospital-Cornell Medical Center, New York, New York

Tourette Syndrome

Kevin A. Burbige, M.D., F.A.A.P., F.A.C.S.

Assistant Professor of Urology, College of Physicians and Surgeons of Columbia University; Attending Urologist, St. Luke-Roosevelt Medical Center, New York, New York

Neurogenic Bladder

Victor E. Calcaterra, M.D.

Assistant Professor of Otolaryngology, Tufts University School of Medicine; Senior Surgeon, Department of Otolaryngology, New England Medical Center, Boston, Massachusetts

Foreign Bodies in the Ear; Injuries of the Middle Ear

Thomas R. Caraccio, Pharm. D., D.A.B.A.T.

Adjunct Assistant Clinical Professor of Pharmacy, St. John's University College of Pharmacy, Jamaica; Visiting Assistant Clinical Professor of Pharmacology and Toxicology, New York College of Osteopathic Medicine, Old Westbury; Clinical Coordinator, Nassau County Medical Center, Long Island Regional Poison Control Center, East Meadow, New York

Salicylate Poisoning; Acetaminophen Poisoning

Hugh A. Carithers, M.D.

Clinical Professor of Pediatrics, University of Florida School of Medicine; Consulting Pediatrician, St. Vincent's and University Hospitals, Jacksonville, Florida

Cat Scratch Disease

Kathleen S. Carlson, M.D.

Clinical Assistant Professor of Pediatrics, Medical College of Ohio; Neonatologist, The Toledo Hospital, Toledo, Ohio

Management of the Newborn at Delivery

Gail H. Cassell, M.S., Ph.D.

Professor and Chairman, Department of Microbiology, School of Medicine and Dentistry, University of Alabama at Birmingham, Birmingham, Alabama

Mycoplasma Infections

Edmund Cataldo, D.D.S., M.S.

Professor and Chairman, Department of Oral Pathology, Oral Diagnosis and Oral Radiology, Tufts University School of Dental Medicine; Chief, Oral Pathology, New England Medical Center Hospital, Boston, Massachusetts

*Congenital Epulis of the Neonate***J. Julian Chisolm, Jr., M.D.**

Associate Professor of Pediatrics, Johns Hopkins University School of Medicine; Director, Lead Poisoning Program, Kennedy Institute; Staff Pediatrician, Johns Hopkins Hospital; Staff Pediatrician, Francis Scott Key Medical Center, Baltimore, Maryland

*Increased Lead Absorption and Acute Lead Poisoning***Sterling K. Clarren, M.D.**

Aldrich Professor of Pediatrics and Head, Division of Embryology, Teratology, and Congenital Defects, Department of Pediatrics, University of Washington School of Medicine; Head, Department of Congenital Defects, Children's Hospital and Medical Center, Seattle, Washington

*Maternal Alcohol Ingestion: Effects on the Developing Fetus***Luis A. Clavell, M.D.**

Associate Professor of Pediatrics, University of Puerto Rico; Director, Pediatric Oncology, University Pediatric Hospital, San Juan, Puerto Rico

*Lymphangioma***T. G. Cleary, M.D.**

Associate Professor of Pediatrics, University of Texas Medical School at Houston; M. D. Anderson Tumor Institute, and Hermann Hospital, Houston, Texas

*Endocarditis***William W. Cleveland, M.D.**

Professor of Pediatrics, University of Miami School of Medicine; Pediatric Staff, Jackson Memorial Hospital, Miami Children's Hospital, and Baptist Hospital, Miami, Florida

*Gynecomastia***John P. Cloherty, M.D.**

Assistant Clinical Professor of Pediatrics, Harvard Medical School; Associate in Neonatology, Joint Programs in Neonatology, Brigham and Women's Hospital, Children's Hospital, and Beth Israel Hospital, Boston, Massachusetts

*Infants Born to Diabetic Mothers***William D. Cochran, M.D.**

Associate Clinical Professor of Pediatrics, Harvard Medical School; Pediatrician in Charge, Beth Israel Hospital; Senior Associate in Medicine, The Children's Hospital; Senior Member, Newborn Medicine, Brigham and Women's Hospital; Senior Member, Joint Program in Neonatology, Beth Israel Hospital, The Children's Hospital, and Brigham and Women's Hospital, Boston, Massachusetts

*Birth Injuries***Bernard A. Cohen, M.D.**

Assistant Professor of Pediatrics and Dermatology, University of Pittsburgh School of Medicine; Director

of Pediatric Dermatology, Children's Hospital of Pittsburgh, Pittsburgh, Pennsylvania

*Arthropod Bites and Stings***Dale Coln, M.D.**

Associate Professor of Surgery, University of Texas Southwestern Medical Center; Director of Pediatric Surgery, Baylor University Medical Center, Dallas, Texas

*Chylothorax***Paul M. Colombani, M.D.**

Associate Professor of Surgery, Pediatrics and Oncology, Johns Hopkins University School of Medicine; Attending Surgeon, Johns Hopkins Hospital, Baltimore, Maryland

*Neonatal Pneumothorax and Pneumomediastinum***Kenneth L. Cox, M.D.**

Director of Pediatric Gastroenterology, Pacific Presbyterian Medical Center, San Francisco, California

*Pancreatic Diseases***Donald B. Darling, M.D.**

Professor of Pediatrics and Radiology, Tufts University School of Medicine; Senior Radiologist, New England Medical Center Hospitals, Boston, Massachusetts

*Infantile Cortical Hyperostosis***J. Michael Dean, M.D.**

Chief, Division of Pediatric Critical Care, Associate Professor of Pediatrics, University of Utah School of Medicine; Director, Pediatric Intensive Care Unit, Primary Children's Medical Center, Salt Lake City, Utah

*Near-Drowning***Steven Demeter, M.D.**

Clinical Assistant Professor of Neurology and Psychiatry, University of Rochester School of Medicine; Attending Neurologist and Associate Attending Psychiatrist, Strong Memorial Hospital; Neurology Consultant, Rochester Psychiatric Center, Rochester, New York

*Tourette Syndrome***Darryl C. De Vivo, M.D.**

Sydney Carter Professor of Neurology, Professor of Pediatrics, and Director of Pediatric Neurology, College of Physicians and Surgeons of Columbia University; Attending Neurologist and Attending Pediatrician, Presbyterian Hospital, New York, New York

*Cerebral Edema***William H. Dietz, M.D., Ph.D.**

Associate Professor of Pediatrics, Tufts University School of Medicine; Director of Clinical Nutrition, The Floating Hospital for Infants and Children/New England Medical Center, Boston, Massachusetts

*Nutrition***Donna DiMichele, M.D.**

Instructor, New England Medical Center, Tufts University; Instructor, The Floating Hospital for Infants and Children/New England Medical Center, Boston, Massachusetts

Pediatric Hemostasis and Thrombosis

Joan DiPalma, M.D.

Assistant Professor of Pediatrics, Georgetown University's Children's Medical Center; Georgetown University Hospital, Washington, D.C.

Pylorospasm; Pyloric Stenosis

Andrea M. Dominey, M.D.

Fellow, Pediatric Dermatology, Baylor College of Medicine, Houston, Texas

Nevi and Nevroid Tumors

George N. Donnell, M.D.

Professor of Pediatrics, University of Southern California, Los Angeles, School of Medicine; Professor of Pediatrics, Department of Pediatrics, Children's Hospital of Los Angeles, Los Angeles, California

Galactosemias

Henry L. Dorkin, M.D.

Associate Professor of Pediatrics, Tufts University School of Medicine; Chief, Pediatric Pulmonology and Allergy Division, New England Medical Center, Boston, Massachusetts

Lobar Emphysema

James M. Drake, M.D.

Lecturer, University of Toronto; Staff Neurosurgeon, Hospital for Sick Children, Toronto, Ontario

Extradural and Subdural Hematoma

John W. Duckett, M.D.

Professor of Urology in Surgery, University of Pennsylvania School of Medicine; Director, Division of Urology, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

Disorders of the Bladder and Urethra

Joseph Y. Dwoskin, M.D.

Clinical Assistant Professor of Urology, State University of New York at Buffalo Medical School; Attending Physician, Buffalo Children's Hospital; Chairman, Department of Urology, Mercy Hospital of Buffalo, Buffalo, New York

Vesicoureteral Reflux

Heinz F. Eichenwald, M.D.

William Buchanan Professor, Department of Pediatrics, University of Texas Southwestern Medical Center at Dallas; Attending Physician, Children's Medical Center of Dallas and Parkland Memorial Hospital, Dallas, Texas

Plague

Arnold H. Einhorn, M.D.

Professor and Associate Chairman of Pediatrics, Director of Pediatric Residency Training Program, George Washington University School of Medicine; Chairman, Department of Pediatric Medicine, Children's National Medical Center, Washington, D.C.

Iron Poisoning

Arthur R. Euler, M.D.

Associate Clinical Professor of Pediatrics, University of Michigan, Ann Arbor, Michigan

Disorders of the Esophagus

Hugh E. Evans, M.D.

Chairman, Department of Pediatrics, University of

Medicine and Dentistry of New Jersey, Newark; Director, Department of Pediatrics, University Hospital, Newark, New Jersey

Syphilis

Ralph D. Feigin, M.D.

J. S. Abercrombie Professor of Pediatrics and Chairman, Department of Pediatrics, Baylor College of Medicine; Physician-in-Chief, Texas Children's Hospital; Physician-in-Chief, Pediatric Services, Harris County Hospital District (Ben Taub General Hospital); Chief, Pediatric Service, The Methodist Hospital, Houston, Texas

Leptospirosis

Sandor Feldman, M.D.

Professor of Pediatrics, University of Mississippi Medical Center; Infection Control Officer, Children's Hospital; Chief, Division of Pediatric Infectious Diseases, Department of Pediatrics, University of Mississippi Medical Center, Jackson, Mississippi

Typhoid Fever, Salmonellosis

Robert H. Feldt, M.D.

Professor of Pediatrics, Mayo Medical School; Consultant in Pediatric Cardiology, Mayo Clinic and Hospitals, Rochester, Minnesota

Cardiomyopathies and Related Diseases

James Feusner, M.D.

Associate Clinical Professor of Pediatrics, University of California School of Medicine, San Francisco; Director of Oncology, Children's Hospital of Oakland; Assistant Clinical Professor, Department of Pediatrics, UCSF Medical Center, San Francisco, California

Neuroblastoma

Robert M. Filler, M.D., F.R.C.S.(C)

Professor of Surgery, University of Toronto Faculty of Medicine; Surgeon-in-Chief, The Hospital for Sick Children, Toronto, Ontario

Intrathoracic Cysts; Tumors of the Chest; Neonatal Intestinal Obstruction

Laurence Finberg, M.D.

Professor of Pediatrics, State University of New York, Brooklyn; Department Chairman, University Hospital of Brooklyn; Attending Pediatrician, Kings County Hospital, Brooklyn, New York

Parenteral Fluid and Electrolyte Therapy

Jo-David Fine, M.D.

Associate Professor of Dermatology and Director of Dermatologic Research, University of Alabama School of Medicine; Attending in Dermatology, University of Alabama Hospitals; Chief, Dermatology Section, Medical Service, Birmingham Veterans Administration Medical Center, Birmingham, Alabama

Topical Therapy: A Dermatologic Formulary for Pediatric Practice

Richard N. Fine, M.D.

Professor of Pediatrics, University of California, Los Angeles Center for the Health Sciences; Head, Division of Pediatric Nephrology, UCLA Medical Center, Los Angeles, California

Peritoneal Dialysis

Adam Finn, B.M., B.Ch., M.R.C.P.

Lecturer in Immunology, Institute of Child Health; Honorary Senior Registrar, Hospital For Sick Children, London, England

Rabies; Infectious Mononucleosis and Epstein-Barr Virus-Related Syndromes

Nathan Fischel-Ghodsian, M.D.

Assistant Professor of Pediatrics, University of California, Los Angeles, School of Medicine; Director, Molecular Hematology, and Pediatric Hematology/Oncology, Ahmanson Pediatric Center, Cedars-Sinai Medical Center, Los Angeles, California

Anemia of Iron Deficiency and Chronic Disease

Alfred J. Fish, M.D.

Professor of Pediatrics, University of Minnesota Medical School; University of Minnesota Hospitals, Minneapolis Children's Medical Center, Minneapolis; St. Paul Ramsay Hospital, St. Paul, Minnesota

Glomerulonephritis

Joseph F. Fitzgerald, M.D.

Professor of Pediatrics, Indiana University School of Medicine; Director, Division of Gastroenterology and Nutrition, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana

Chronic Active Hepatitis

David R. Fleisher, M.D.

Clinical Professor of Pediatrics, University of California, Los Angeles, School of Medicine; Attending Pediatrician and Associate Director, Division of Pediatric Gastroenterology, Cedars-Sinai Medical Center, Los Angeles, California

Nausea and Vomiting

Laurie S. Fouser, M.D.

Acting Assistant Professor of Pediatrics, University of Washington School of Medicine; Staff Neurologist, Children's Hospital and Medical Center, Seattle, Washington

Glomerulonephritis

Ivan D. Frantz, III, M.D.

Professor of Pediatrics, Tufts University School of Medicine; Chief, Division of Newborn Medicine, Floating Hospital for Infants and Children/New England Medical Center; Director, Boston Perinatal Center, Boston, Massachusetts

Necrotizing Enterocolitis; Respiratory Distress Syndrome

Robert M. Freedom, M.D., F.R.C.P.(C), F.A.C.C.

Professor of Pediatrics (Cardiology and Pathology), University of Toronto Faculty of Medicine; Director, Division of Cardiology, The Hospital for Sick Children, Toronto, Ontario

Primary Cardiac Neoplasms

Louis Friedlander, M.D.

Clinical Professor of Pediatrics, University of Southern California School of Medicine and Los Angeles County University of Southern California Medical Center, Los Angeles, California

Vulva and Vagina

Emily D. Friedman, M.D.

Assistant Professor of Neurosurgery, University of Pennsylvania School of Medicine; Hospital of The University of Pennsylvania, Philadelphia, Pennsylvania

Cerebral Edema

David R. Fulton, M.D.

Associate Professor of Pediatrics, Tufts University School of Medicine; Cardiologist, The Floating Hospital for Infants and Children, Boston, Massachusetts

Congestive Heart Failure

Bruce Furie, M.D.

Professor of Medicine, Tufts University School of Medicine; New England Medical Center, Boston, Massachusetts

Pediatric Hemostasis and Thrombosis

Toni M. Ganzel, M.D.

Associate Professor of Surgery, Division of Otolaryngology, Department of Surgery, University of Louisville, Chief of Otolaryngology, Kosair Children's Hospital, Louisville, Kentucky

Recurrent Acute Parotitis

Margaret P. Gean, M.D.

Assistant Professor of Psychiatry, Tufts University School of Medicine; Psychiatrist and Deputy Chief, Division of Child and Adolescent Psychiatry; Director, Outpatient Child and Adolescent Psychiatry, and Director, Infant and Toddler Program, New England Medical Center, Boston, Massachusetts

Psychiatric Disorders of Infants and Toddlers

Mitchell E. Geffner, M.D.

Associate Professor of Pediatrics, University of California School of Medicine, Los Angeles, Los Angeles, California

Short Stature; Tall Stature

Robert H. Gelber, M.D.

Associate Clinical Professor, Department of Epidemiology and Biostatistics and Dermatology, University of California, San Francisco; Associate Clinical Professor, Department of Dermatology, Stanford University, Palo Alto; Medical Director, Northern California Regional Hansen's Disease Program, Kuzell Institute, San Francisco, California

Leprosy

Stephen E. Gellis, M.D.

Assistant Professor of Dermatology (Pediatrics), Harvard Medical School; Associate Physician, Chief of Dermatology Program, Children's Hospital, Boston, Massachusetts

Miscellaneous Dermatoses

Welton M. Gersony, M.D.

Professor of Pediatrics and Director, Division of Pediatric Cardiology, College of Physicians and Surgeons of Columbia University; Attending Pediatrician, Babies Hospital, Columbia-Presbyterian Medical Center, New York, New York

Cardiac Arrhythmias

Hubert L. Gerstman, D.Ed.

Clinical Assistant Professor of Otolaryngology, Department of Surgery, State University of New York at Stonybrook; Chief, Speech, Language and Hearing Program, University Hospital, Stonybrook, New York
Hearing Loss

Frances M. Gill, M.D.

Associate Professor of Pediatrics, University of Pennsylvania School of Medicine; Senior Physician, The Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

*Hemolytic Anemia***Herbert E. Gilmore, M.D.**

Assistant Professor of Pediatrics (Neurology), Tufts University School of Medicine; Pediatric Neurologist, Boston Floating Hospital for Infants and Children/New England Medical Center, Boston, Massachusetts

*Congenital Hypotonia***Janet R. Gilsdorf, M.D.**

Associate Professor, University of Michigan Medical School; Director, Pediatric Infectious Diseases, C.S. Mott Children's Hospital, University of Michigan Medical Center, Ann Arbor, Michigan

*Haemophilus Influenzae Infections***Eli Gold, M.D.**

Clinical Professor of Pediatrics, University of Washington School of Medicine; Attending Pediatrician, Children's Hospital and Medical Center, Harborview Medical Center, Seattle, Washington

*Meningococcal Disease***Richard B. Goldbloom, M.D., F.R.C.P.(C)**

Professor of Pediatrics, Dalhousie University; Attending Physician, The Izaak Walton Killam Children's Hospital, Halifax, Nova Scotia

*Pica; The Tonsil and Adenoid Problem***Dennis Goldfinger, M.D.**

Director, Division of Transfusion Medicine, Department of Pathology and Laboratory Medicine, Cedars-Sinai Medical Center, Los Angeles, California

*Adverse Reactions to Blood Transfusion***David Goldring, M.D.**

Professor Emeritus and Lecturer in Pediatrics, Director Emeritus of Pediatric Cardiology, Washington University Medical School, St. Louis, Missouri

*Systemic Hypertension***Manuel R. Gomez, M.D.**

Professor of Pediatric Neurology, Mayo Medical School; St. Mary's Hospital, Methodist Hospital, Rochester, Minnesota

*Neurocutaneous Syndromes***Gary M. Gorlick, M.D., M.P.H., F.A.A.P.**

Assistant Clinical Professor of Pediatrics, University of California, Los Angeles, School of Medicine; Attending Pediatrician, Cedars-Sinai Medical Center, Los Angeles, California

*Eruptions in the Diaper Region***Jeffrey B. Gould, M.D., M.P.H.**

Professor and Chairman, Maternal and Child Health

Program, University of California School of Public Health, Berkeley; Neonatologist, Highland Hospital, Oakland, California

*Preparation of the Neonate for Transfer***David F. Graft, M.D.**

Clinical Assistant Professor of Pediatrics, University of Minnesota School of Medicine; Active Staff, Methodist Hospital; Courtesy Staff, Minneapolis Children's Hospital, Minneapolis, Minnesota

*Insect Stings***H. Gordon Green, M.D.**

Clinical Associate Professor of Pediatrics, University of Texas Southwestern Medical Center; Medical Staff, Children's Medical Center, Dallas, Texas

*Chylothorax***Morris Green, M.D.**

Perry W. Lesh Professor of Pediatrics, Indiana University School of Medicine; Attending Pediatrician, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana

*The Child and the Death of a Loved One***Neil E. Green, M.D.**

Professor and Vice Chairman, Department of Orthopaedics and Rehabilitation, Vanderbilt University School of Medicine; Chief of Pediatric Orthopaedics, Vanderbilt University Medical Center, Nashville, Tennessee

*Bone and Joint Infections***Melvin Greer, M.D.**

Professor and Chairman, Department of Neurology, University of Florida College of Medicine; Chief Neurologist, Shands Hospital, Gainesville, Florida

*Benign Intracranial Hypertension***Robert C. Griggs, M.D.**

Chairman of Neurology and Professor of Neurology and Pediatrics, University of Rochester School of Medicine and Dentistry; Neurologist-in-Chief, Strong Memorial Hospital, Rochester, New York

*Periodic Paralysis***Moses Grossman, M.D.**

Professor and Vice Chairman of Pediatrics, University of California, San Francisco, School of Medicine; Chief of Pediatrics, San Francisco General Hospital, San Francisco, California

*Brucellosis; Rat Bite Fever***Kenneth M. Grundfast, M.D.**

Associate Professor, Division of Otolaryngology, Department of Surgery, George Washington University School of Medicine; Chairman, Department of Otolaryngology, Children's Hospital National Medical Center, Washington, D.C.

*Disorders of the Larynx***Joyce D. Gryboski, M.D.**

Professor of Pediatrics, Yale University School of Medicine, New Haven, Connecticut

*Irritable Bowel Syndrome***Warren G. Guntheroth, M.D.**

Professor of Pediatrics and Head, Division of Pediatric Cardiology; University of Washington School of

Medicine; University of Washington Medical Center, Seattle, Washington

Peripheral Vascular Disease

Kevin E. Halbert, M.D.

Fellow in Neonatology, University of Cincinnati College of Medicine, University of Cincinnati Medical Center and Children's Hospital Medical Center, Cincinnati, Ohio

Parathyroid Disease

J. Alex Haller, Jr., M.D.

Professor of Pediatrics, Professor of Emergency Medicine, and Robert Garrett Professor of Pediatric Surgery, Johns Hopkins University School of Medicine; Professor of Surgery and Pediatric Surgery, University of Maryland Hospital; Children's Surgeon-in-Charge, Johns Hopkins Hospital, Baltimore, Maryland

Intussusception, Neonatal Pneumothorax and Pseudomediastinum

Jerome S. Haller, M.D.

Professor of Neurology and Pediatrics, Albany Medical College; Full-time Staff, Albany Medical Center, Albany, New York

Reye Syndrome

K. Michael Hambidge, M.D., F.R.C.P., Sc.D.

Professor of Pediatrics, University of Colorado Health Sciences Center; University Hospital, Denver, Colorado

Zinc Deficiency; Breast Feeding

Brian L. Hamilton, M.D., Ph.D.

Associate Professor of Clinical Pediatrics, Department of Pediatrics, Associate Professor, Department of Microbiology and Immunology, University of Miami School of Medicine; Attending Pediatrician, Jackson Memorial Hospital, Miami, Florida

The Immunodeficiencies, Including HIV-1 Infection

Steven D. Handler, M.D.

Associate Professor, Otolaryngology and Human Communication, University of Pennsylvania School of Medicine; Associate Director, Otolaryngology, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

Epistaxis, Foreign Bodies in the Nose and Pharynx; Labyrinthitis

Ronald C. Hansen, M.D.

Associate Professor of Internal Medicine (Dermatology) and Pediatrics, University of Arizona College of Medicine, Tucson; Staff Dermatologist, University Medical Center, Tucson; Consultant, Dermatology, Tucson Medical Center, Tucson, Phoenix Children's Hospital, St. Joseph's Medical Center, Maricopa Medical Center, Phoenix, Arizona

Discoid Lupus Erythematosus

James Barry Hanshaw, M.D.

Professor of Pediatrics, Dean Emeritus, University of Massachusetts Medical School; Active Staff, University of Massachusetts Hospital; Consultant, St. Vincent Hospital, Worcester, Massachusetts

Cytomegalovirus Infections

Herbert S. Harned, Jr., M.D.

Professor Emeritus of Pediatrics, University of North Carolina School of Medicine; Attending Physician, University of North Carolina Hospitals, Chapel Hill, North Carolina

Hypotension

H. Robert Harrison, D. Phil., M.D., M.P.H.

Associate Chief, Pediatric Infectious Diseases, Scottish Rite Children's Medical Center, Atlanta, Georgia

Coccidioidomycosis

Gregory F. Hayden, M.D.

Associate Professor of Pediatrics, University of Virginia School of Medicine; Attending Pediatrician, Children's Medical Center of The University of Virginia, Charlottesville, Virginia

Mumps

Felix P. Heald, M.D.

Professor of Pediatrics, University of Maryland School of Medicine; Director, Division of Adolescent Medicine, University of Maryland Medical System, Baltimore, Maryland

Obesity

Douglas C. Heiner, M.D., Ph.D.

Professor of Pediatrics, University of California, Los Angeles; Chief, Division of Immunology and Allergy, Harbor-UCLA Medical Center; Staff Physician, Harbor-UCLA Medical Center, Los Angeles, California

Toxocara Canis Infections, Including Visceral Larva Migrans; Anaphylaxis

Terry W. Hensle, M.D.

Professor of Clinical Urology, Columbia University College of Physicians and Surgeons; Director, Pediatric Urology, Babies Hospital and Columbia Presbyterian Medical Center, New York, New York

Neurogenic Bladder

John J. Herbst, M.D.

Professor and Chairman, Department of Pediatrics, Louisiana State University School of Medicine at Shreveport; Attending Physician, University Hospital, Louisiana State University Medical Center, Shreveport, Louisiana

Gastroesophageal Reflux

John T. Herrin, M.B.B.S., F.R.A.C.P.

Associate Clinical Professor of Pediatrics, Harvard Medical School; Chief of Pediatric Nephrology, Massachusetts General Hospital; Chief of Pediatrics, Shriners Burns Institute, Boston, Massachusetts

Chronic Renal Failure

Layne Hersh, M.D.

Consultant, Woodland Memorial Hospital, Carmichael, California

Warts and Molluscum Contagiosum

Fred S. Herzon, M.D.

Professor of Otolaryngology-Head and Neck Surgery, University of New Mexico School of Medicine; Attending in Otolaryngology, University Hospital, Albuquerque, New Mexico

Retropharyngeal and Peritonsillar Abscesses

Joan E. Hodgman, M.D.

Professor of Pediatrics, University of Southern California School of Medicine; Director, Newborn Division, Los Angeles County/University of Southern California Medical Center, Los Angeles, California

Bronchopulmonary Dysplasia**Norman B. Hodgson, M.D.**

Clinical Professor of Urology, Medical College of Wisconsin, Madison; Staff, Children's Hospital of Wisconsin, Columbia Hospital, Good Samaritan Medical Center, Veterans Administration Medical Center, St. Joseph's Hospital, West Allis Memorial Hospital, and Froedtert Memorial Lutheran Hospital, Milwaukee, Wisconsin

Penis, Spermatid Cord, and Testes**Gregory L. Holmes, M.D.**

Associate Professor of Neurology, Harvard Medical School; Director, Clinical Neurophysiology Laboratory, and Director, Epilepsy Unit, The Children's Hospital, Boston, Massachusetts

Seizure Disorders**Paul J. Honig, M.D.**

Professor of Pediatrics and Dermatology, University of Pennsylvania School of Medicine; Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

Rickettsial Diseases**Debra A. Horney, M.D.**

Clinical Assistant Professor, University of California, Davis, Medical School, Davis, California

Papulosquamous Disorders**Walter T. Hughes, M.D.**

Professor of Pediatrics, University of Tennessee College of Medicine; Chairman, Department of Infectious Diseases, St. Jude Children's Research Hospital, Memphis, Tennessee

Tularemia; Pneumocystis Carinii Pneumonitis**Sidney Hurwitz, M.D.**

Clinical Professor of Pediatrics and Dermatology, Yale University School of Medicine; Attending Physician in Pediatrics and Dermatology, Yale-New Haven Medical Center and Hospital of St. Raphael, New Haven, Connecticut

Scabies and Pediculosis; The Genodermatoses**Carol B. Hyman, M.D.**

Associate Professor of Clinical Pediatrics, University of Southern California School of Medicine; Attending in Pediatric Hematology/Oncology, Department of Pediatrics, Cedars-Sinai Medical Center, Los Angeles, California

Thalassemia**Susan T. Iannaccone, M.D.**

Associate Professor of Neurology, University of Cincinnati Medical Center; Associate Professor of Neurology, Children's Hospital Medical Center and University Hospital, Cincinnati, Ohio

Myasthenia Gravis**Laura S. Inselman, M.D.**

Assistant Professor of Pediatrics, University of Connecticut Health Center, Farmington, and Assistant

Clinical Professor of Pediatrics, Yale University School of Medicine, New Haven; Clinical Director, Pediatric Pulmonology, Newington Children's Hospital, Newington, Connecticut

Tuberculosis**Silvia Iosub, M.D.**

Professor of Pediatrics, New York Medical College, Valhalla; Attending Physician, Metropolitan Hospital Center, New York, and Lincoln Medical and Mental Health Center, Bronx, New York

Gianotti Disease**Shunzaburo Iwatsuki, M.D.**

Professor of Surgery, University of Pittsburgh School of Medicine; Presbyterian-University Hospital, Children's Hospital of Pittsburgh, and Veterans Administration Hospital, Oakland, Pittsburgh, Pennsylvania

Tumors of the Liver**Ian T. Jackson, M.D., F.R.C.S., F.A.C.S., F.R.A.C.S.(Hon)**

Director, Institute of Craniofacial, Plastic, and Reconstructive Surgery, Providence Hospital, Southfield, Michigan

Craniofacial Malformations**Alvin H. Jacobs, M.D.**

Professor Emeritus of Dermatology and Pediatrics, Stanford University Medical Center, Stanford, California

Atopic Dermatitis**Norman Jaffe, M.D., D.Sc.**

Professor of Pediatrics, University of Texas Medical School at Houston; Chief, Section of Solid Tumors, Division of Pediatrics, M.D. Anderson Cancer Center, Houston, Texas

Langerhans Cell Histiocytosis (The Histiocytosis Syndromes)**Joseph J. Jankowski, M.D.**

Associate Clinical Professor of Psychiatry, Tufts University School of Medicine; Director, Consultation/Liaison and Emergency Services, Division of Child Psychiatry, New England Medical Center Hospital, Boston, Massachusetts

Psychiatric Disorders**Michael Jellinek, M.D.**

Associate Professor of Psychiatry (Pediatrics), Harvard Medical School; Chief, Child Psychiatry Service; Director, Outpatient Psychiatry, Massachusetts General Hospital, Boston, Massachusetts

Children of Divorcing Parents**Venusto H. San Joaquin, M.D.**

Associate Professor of Pediatrics, University of Oklahoma Health Sciences Center; Staff, Pediatric Infectious Disease Service, Children's Hospital of Oklahoma, Oklahoma City, Oklahoma

Cholera**Carey L. Johnson, M.D.**

Clinical Instructor, University of California, Los Angeles, School of Medicine; Medical Genetics Fellow, Cedars-Sinai Medical Center, Los Angeles, California

Genetic Diseases

Hassan Hesham A-Kader, M.D., M.Sc.

Fellow, Pediatric Gastroenterology and Nutrition, Children's Hospital Medical Center, Cincinnati, Ohio
Cirrhosis

George W. Kaplan, M.D.

Clinical Professor of Surgery/Urology and Pediatrics; Chief of Pediatric Urology, University of California, San Diego School of Medicine; Chief of Urology, Children's Hospital; Attending Staff, University Hospital, San Diego, California

Urolithiasis

Sheldon L. Kaplan, M.D.

Professor, Department of Pediatrics, Baylor College of Medicine; Chief, Infectious Disease Service, Texas Children's Hospital, Houston, Texas

Pneumonia; Aseptic Meningitis

Evan J. Kass, M.D., F.A.C.S., F.A.A.P.

Chief, Division of Pediatric Urology, William Beaumont Hospital, Royal Oak, Michigan

Hydronephrosis and Disorders of the Ureter

Arnold E. Katz, M.D., M.S.

Professor of Surgery and Chief, Divisions of Otolaryngology and Head and Neck Surgery, State University of New York, Stonybrook, New York

Hearing Loss

Panayotis P. Kelalis, M.D.

Dr. Anson L. Clark Professor of Pediatric Urology, Mayo Medical School; Chairman, Department of Urology, Mayo Clinic and Mayo Foundation, Rochester, Minnesota

Extrophy of the Bladder

Edwin L. Kendig, Jr., M.D.

Professor of Pediatrics, Medical College of Virginia, Health Sciences Division, Virginia Commonwealth University; Director, Child Chest Clinic, Medical College of Virginia Hospitals; Coordinator, Hospital Affiliations, St. Mary's Hospital, Richmond, Virginia

Sarcoidosis

Joseph L. Kennedy, Jr., M.D.

Associate Professor of Pediatrics, Tufts University School of Medicine; Director of Neonatology, St. Margaret's Hospital, Boston, Massachusetts

Disturbances of Intrauterine Growth; Disorders of the Umbilicus

Thomas L. Kennedy, III, M.D.

Associate Clinical Professor of Pediatrics, Yale School of Medicine, New Haven; Chairman, Department of Pediatrics, Bridgeport Hospital, Bridgeport, Connecticut

Renal Venous Thrombosis

Keith J. Kimble, M.D.

Assistant Clinical Professor of Anesthesiology and Pediatrics, University of California, Los Angeles, School of Medicine; Coordinator, Section of Pediatric Anesthesia, Department of Anesthesia; Attending Intensivist, Pediatric Intensive Care Unit, Department of Pediatrics, Cedars-Sinai Medical Center, Los Angeles, California

Malignant Hyperthermia

George T. Klauber, M.D.

Professor of Urology and Pediatrics and Chief of Pediatric Urology, Tufts University School of Medicine; Chief of Pediatric Urology, Floating Hospital for Infants and Children/New England Medical Center, Boston, Massachusetts

Malignant Tumors of the Kidney

Jerome O. Klein, M.D.

Professor of Pediatrics, Boston University School of Medicine; Director, Division of Pediatric Infectious Diseases, Boston City Hospital, Boston, Massachusetts
Otitis Media

Stanley J. Kogan, M.D.

Professor of Urology, New York Medical College, Visiting Associate Professor of Pediatrics, Albert Einstein College of Medicine, Bronx; Co-Director, Section of Pediatric Urology, Westchester County Medical Center, Valhalla; Attending Pediatric Urologist, Weiler Hospital of Albert Einstein College of Medicine, Montefiore Medical Center, Bronx, New York

Ambiguous Genitalia

Anne Kolbe, M.B., B.S.

Department of Pediatric Surgery, Grafton Medical Center, Auckland, New Zealand

Peritonitis

Peter K. Kottmeier, M.D.

Professor and Chief, Pediatric Surgery, Health Science Center at Brooklyn, State University of New York, Brooklyn, New York

Peptic Ulcers; Gastritis

Martin A. Koyle, M.D., F.A.A.P., F.A.C.S.

Associate Professor of Surgery/Pediatric Urology, University of Colorado School of Medicine and the Children's Hospital; Consulting Pediatric Urologist, Rose Medical Center, Denver, Colorado

Undescended Testes

Adriane S. Kozlovsky, M.S., R.D., L.D.

Instructor in Nutrition, University of Maryland School of Medicine, Baltimore, Maryland

Obesity

Bernice R. Krafchik, M.D.

Associate Professor, Department of Dermatology, University of Toronto; Active Staff, Hospital for Sick Children, Toronto, Ontario

Urticaria

Stephen A. Kramer, M.D.

Associate Professor of Urology, Mayo Medical School; Consultant, Department of Urology, Mayo Clinic and Mayo Foundation, Rochester, Minnesota

Extrophy of the Bladder

Richard E. Kravath, M.D.

Professor of Clinical Pediatrics, State University of New York Health Science Center at Brooklyn College of Medicine; Director of Pediatric In-Patient Service, Kings County Medical Center; University Hospital of Brooklyn, Brooklyn, New York

Parenteral Fluid and Electrolyte Therapy

Saul Krugman, M.D.

Professor of Pediatrics, New York University School of Medicine; Attending Physician, Bellevue and University Hospitals, New York, New York

Viral Hepatitis**John W. Kulig, M.D.**

Assistant Professor of Pediatrics, Tufts University School of Medicine; Director, Adolescent Medicine, Floating Hospital for Infants and Children/New England Medical Center, Boston, Massachusetts

Sex Education; Adolescent Sexuality, Contraception, Pregnancy, and Abortion**Nancy L. Kuntz, M.D.**

Clinical Assistant Professor, John Burns School of Medicine, University of Hawaii, Consultant Neurologist, Kapiolani Medical Center for Women and Children, Honolulu, Hawaii

Chronic Inflammatory Demyelinating Polyradiculoneuropathy**Cheryl C. Kürer, M.D.**

Assistant Professor of Pediatrics, University of Pennsylvania School of Medicine and Children's Hospital of Philadelphia, Philadelphia, Pennsylvania; Assistant Professor of Pediatrics, Albert Einstein College of Medicine, Schneider Children's Hospital, and Long Island Jewish Medical Center, New Hyde Park, New York

Mitral Valve Prolapse**Paul S. Kurtin, M.D.**

Assistant Professor of Pediatrics and Medicine, Tufts University School of Medicine; Chief, Division of Pediatric Nephrology, New England Medical Center, Boston, Massachusetts

The Nephrotic Syndrome; Hemolytic-Uremic Syndrome**Peter O. Kwiterovich, Jr., M.D.**

Chief, Lipid Research Atherosclerosis Unit, Professor of Pediatrics, and Professor of Medicine, Johns Hopkins University School of Medicine; Active Staff, Pediatrics, and Director, Lipid Clinic, Johns Hopkins Hospital, Baltimore; Chairman, National Cholesterol Education Program, National Heart, Lungs, and Blood Institute, Bethesda, Maryland

Hyperlipoproteinemia**Daniel J. Lacey, M.D., Ph.D.**

Associate Professor of Neurology and Pediatrics, Wright State University; Director of Child Neurology, Children's Medical Center, Dayton, Ohio

Infantile Spasms**Philip Lankowsky, M.D., F.R.C.P., D.C.H., F.A.A.P.**

Professor of Pediatrics, Albert Einstein College of Medicine; Chief of Pediatric Hematology and Oncology, Chairman of Pediatrics, Chief of Staff, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, New York

Megaloblastic Anemia**Eric Larsen, M.D.**

Instructor, Department of Pediatrics, Harvard Medical School; Instructor in Pediatrics, Dana Farber Cancer Institute; Associate in Hematology, The Chil-

dren's Hospital, Boston, Massachusetts

Pediatric Hemostasis and Thrombosis**Laurie A. Latchaw, M.D.**

Assistant Professor of Surgery, Tufts University School of Medicine; Staff Surgeon, New England Medical Center, Boston, Massachusetts

Preoperative and Postoperative Care of Patients Undergoing Gastrointestinal Surgery**Mark C. Leeson, M.D., F.A.C.S.**

Assistant Professor of Orthopaedic Surgery, Northeast Ohio Universities College of Medicine; Director, Orthopaedic Resident Education and Research, Akron General Medical Center, Akron, Ohio

Malignant Bone Tumors**Thomas J. A. Lehman, M.D.**

Chief, Division of Pediatric Rheumatology, Hospital for Special Surgery; Associate Professor of Pediatrics, Cornell University Medical Center; Chief, Division of Pediatric Rheumatology, Hospital for Special Surgery, New York, New York

Familial Mediterranean Fever**Carl Lenarsky, M.D.**

Assistant Professor of Pediatrics, University of Southern California School of Medicine; Clinical Director, Division of Research Immunology and Bone Marrow Transplantation, Children's Hospital of Los Angeles, Los Angeles, California

Aplastic Anemia**Lucille A. Lester, M.D.**

Associate Professor, Department of Pediatrics, University of Chicago Pritzker School of Medicine; Associate Professor of Allergy, Immunology and Pulmonary, and Director of Cystic Fibrosis Center, Wyler Children's Hospital, University of Chicago, Chicago, Illinois

Cystic Fibrosis**Melvin D. Levine, M.D.**

Professor of Pediatrics, University of North Carolina School of Medicine; Director, Center for Development and Learning, University of North Carolina, Chapel Hill, North Carolina

Constipation and Encopresis**Selwyn B. Levitt, M.D.**

Clinical Professor of Urology, New York Medical College; Visiting Clinical Professor of Pediatrics, Albert Einstein College of Medicine, Bronx; Co-Director, Division of Pediatric Urology, Westchester Medical Center, Valhalla; Attending Pediatric Urologist, Albert Einstein College Hospital and Montefiore Hospital and Medical Center, Bronx, New York

Ambiguous Genitalia**Moise L. Levy, M.D.**

Assistant Professor of Dermatology and Pediatrics and Chief of Pediatric Dermatology, Baylor College of Medicine; Chief, Dermatology Service, and Active Staff, Texas Children's Hospital; Active Staff, The Methodist Hospital, Harris County Hospital District, Houston, Texas

Photodermatoses; Nevi and Nevoid Tumors

Nancy C. Lewis, M.D.

Pediatric Pulmonologist; Director, Cystic Fibrosis Center, Children's Hospital, Oakland, Oakland, California

Right Middle Lobe Syndrome; Viral Pneumonia

Gerald M. Loughlin, M.D.

Director, Eudowood Division of Pediatric Respiratory Sciences; Associate Professor of Pediatrics; Johns Hopkins Medical Institutions; Johns Hopkins Hospital, Baltimore, Maryland

Pulmonary Edema

Anne W. Lucky, M.D.

Adjunct Associate Professor of Dermatology and Pediatrics, University of Cincinnati College of Medicine; Director, Dermatology Clinic, The Children's Hospital Medical Center, Cincinnati, Ohio

Disorders of the Hair and Scalp; Disorders of Sebaceous Glands and Sweat Glands

E. Dennis Lyne, M.D.

Head, Division of Pediatric Orthopedic Surgery, and Division of Rehabilitation in The Bone and Joint Institute, Henry Ford Hospital, Detroit; Staff, St. Joseph's Hospital, Pontiac, Michigan

Orthopedic Disorders of the Upper Extremity

Max Maizels, M.D.

Associate Professor of Urology, Northwestern University Medical School; Active Attending, Children's Memorial Hospital; Associate Attending, McGaw Medical Center, Chicago, Illinois

Renal Hypoplasia and Dysplasia

Eric S. Maller, M.D.

Instructor of Pediatrics, Harvard Medical School; Assistant in Medicine (Gastroenterology and Nutrition), The Children's Hospital, Boston, Massachusetts

Disorders of the Hepatobiliary Tree

Eberhard M. Mann, M.D.

Associate Professor, University of Hawaii, John A. Burns School of Medicine; Medical Consultant, Sex Abuse Treatment Center, Kapiolani Medical Center for Women and Children, Honolulu, Hawaii

Sexual Abuse and Rape

Catherine S. Manno, M.D.

Assistant Professor of Pediatrics, University of Pennsylvania School of Medicine; Assistant Physician, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

Hemolytic Anemia

Andrew M. Margileth, M.D.

Professor, Department of Pediatrics, F. Edward Hébert School of Medicine, Uniformed Services University of the Health Sciences; Consultant in Pediatrics and Pediatric Dermatology, Bethesda Naval Hospital, Bethesda, Maryland; Consultant in Pediatrics and Pediatric Dermatology, Walter Reed Army Medical Center, Washington, D.C.

Nontuberculous (Atypical) Mycobacterial Diseases

Melvin I. Marks, M.D.

Professor and Vice-Chairman, Department of Pediatrics, University of California, Irvine College of

Medicine; Medical Director, Memorial Miller Children's Hospital, Long Beach, California

Pertussis; Campylobacter Infections; Yersinia Enterocolitica Infections

Richard J. Martin, M.D.

Professor of Pediatrics, Case Western Reserve University School of Medicine; Co-director of Neonatology, Rainbow Babies and Children's Hospital, Cleveland, Ohio

Neonatal Atelectasis

John T. McBride, M.D.

Associate Professor of Pediatrics, University of Rochester School of Medicine and Dentistry; Attending Pediatrician, Strong Memorial Hospital, Rochester, New York

Aspiration Pneumonia

John C. McQuitty, M.D.

Associate Clinical Professor, University of California, San Francisco; Director of Pulmonary Medicine, Children's Hospital Oakland, Oakland, California

Congenital Deformities of the Anterior Chest Wall

Marian E. Melish, M.D.

Professor of Pediatrics, Tropical Medicine and Microbiology, John A. Burns School of Medicine, University of Hawaii; Consultant, Infectious Diseases, Kapiolani Medical Center for Women and Children, Honolulu, Hawaii

Kawasaki Syndrome

Lee Todd Miller, M.D.

Assistant Professor of Clinical Pediatrics, University of California, Los Angeles, School of Medicine; Director, Pediatric Residency Training Program, Cedars-Sinai Medical Center, Los Angeles, California

Lyme Disease

Howard C. Mofenson, M.D., F.A.A.P., F.A.C.I.

Professor of Clinical Pediatrics, State University of New York at Stony Brook; Professor of Pharmacology and Toxicology, New York College of Osteopathy, Old Westbury; Professor of Clinical Pharmacy, St. John's University College of Pharmacy, Jamaica; Director, Long Island Regional Poison Control Center; Director, Pediatric Pharmacology, Nassau County Medical Center, East Meadow; Attending Staff, Winthrop University Hospital, Mineola, New York

Acute Poisoning; Salicylate Poisoning; Acetaminophen Poisoning

Edward A. Mortimer, Jr., M.D.

Professor and Vice-Chairman, Department of Epidemiology and Biostatistics, and Professor of Pediatrics, Case Western Reserve University School of Medicine, Cleveland, Ohio

Measles

Michael J. Muszynski, M.D.

Assistant Director of Medical Education; Director, Pediatric Infectious Disease Program, Arnold Palmer Hospital for Children and Women, Orlando Regional Medical Center, Orlando, Florida

Infections due to Escherichia Coli, Proteus, Klebsiella, Enterobacter-Serratia, Pseudomonas, and other Gram-Negative Bacilli

Gary J. Myers, M.D.

Professor, Department of Pediatrics and Neurology, University of Alabama School of Medicine, The University of Alabama at Birmingham, Birmingham, Alabama

Myelodysplasia**Alexander S. Nadas, M.D.**

Professor of Pediatrics, Emeritus, Harvard Medical School; Chief, Emeritus, Department of Cardiology, and Senior Associate in Cardiology, Children's Hospital, Boston, Massachusetts

Congenital Heart Disease**Lawrence S. Neinstein, M.D.**

Associate Professor of Medicine and Pediatrics, University of Southern California School of Medicine; Associate Director, Division of Adolescent Medicine, Children's Hospital of Los Angeles, Los Angeles, California

Homosexual Behavior**Marianne R. Neifert, M.D.**

Associate Clinical Professor of Pediatrics, University of Colorado School of Medicine, University of Colorado Health Sciences Center; Medical Director, Lactation Program, AMI Saint Luke's Hospital, Denver, Colorado

Breast Feeding**David B. Nelson, M.D., M.Sc.**

Associate Professor of Pediatrics and Director, Medical Education, Medical College of Wisconsin; Attending Physician, Children's Hospital of Wisconsin, Milwaukee, Wisconsin

Bronchitis and Bronchiolitis**Heber C. Nielsen, M.D.**

Associate Professor of Pediatrics, Tufts University School of Medicine; Associate Professor of Pediatrics, Division of Newborn Medicine, Floating Hospital for Infants and Children/New England Medical Center, Boston, Massachusetts

Hemolytic Disease of the Newborn**Michael J. Noetzel, M.D.**

Assistant Professor, Edward Mallinckrodt Department of Pediatrics and Department of Neurology and Neurological Surgery, Washington University School of Medicine; Director, Down's Syndrome Medical Clinic, St. Louis Children's Hospital; Assistant Pediatrician and Neurologist, Barnes and Allied Hospitals; Consultant in Child Neurology, Irene Walter Johnson Institute of Rehabilitation, St. Louis, Missouri

Intracranial Hemorrhage; Hydrocephalus**James J. Nora, M.D., M.P.H.**

Professor of Pediatrics, Genetics, and Preventive Medicine, University of Colorado School of Medicine; Director of Preventive Cardiology, University Hospital; Director of Genetics, Rose Medical Center, Denver, Colorado

The Child at Risk of Coronary Disease as an Adult**Antonia C. Novello, M.D., M.P.H.**

Deputy Director for the National Institute of Child Health and Human Development, Washington, D.C.

Hemodialysis, Renal Transplantation**Sharon E. Oberfield, M.D.**

Assistant Professor of Pediatrics, College of Physicians and Surgeons of Columbia University; Associate Attending Physician, St. Luke's-Roosevelt Hospital Center, New York, New York

Diabetes Insipidus**William Oh, M.D.**

Professor and Chairman, Department of Pediatrics, Brown University Program in Medicine; Pediatrician-in-Chief, Woman and Infant Hospital and Rhode Island Hospital, Providence, Rhode Island

Neonatal Polycythemia and Hyperviscosity**Gary D. Overturf, M.D.**

Professor of Pediatrics, University of California, Los Angeles, School of Medicine; Associate Chief of Pediatrics, Olive View Medical Center, Los Angeles, California

Systemic Mycoses**Charles N. Paidas, M.D.**

Instructor, ATLS (Advanced Trauma Life Support) 1988; Instructor, APLS (Advanced Pediatric Life Support), The Johns Hopkins Hospital, Baltimore, Maryland

Intussusception**Dachling Pang, M.D., F.R.C.S.(C)**

Associate Professor of Neurosurgery, University of Pittsburgh School of Medicine; Chief of Pediatric Neurosurgery, Children's Hospital, Pittsburgh, Pennsylvania

Rhinitis and Sinusitis**Frederick M. Parkins, D.D.S., M.S.D., Ph.D.**

Professor of Pediatric Dentistry, Department of Growth and Special Care, School of Dentistry, University of Louisville; Medical Staff, Kosair Children's Hospital, Louisville, Kentucky

Recurrent Acute Parotitis**Umesh B. Patil, M.D.**

Professor of Urology and Paediatrics, Health Science Center, State University of New York; Attending Staff, University Hospital, Crouse-Ingvar Memorial Hospital, St. Joseph's Hospital, Syracuse, New York

Patent Urachus and Urachal Cysts**Nicholas A. Patrone, M.D., F.A.C.P.**

Associate Professor of Medicine and Pediatrics and Section Head, Pediatric Rheumatology, East Carolina University School of Medicine; Consulting Assistant Professor of Pediatrics, Duke University School of Medicine, Durham; Attending Staff, Pitt County Memorial Hospital, Greenville, North Carolina

Eosinophilic Fasciitis**Jerome A. Paulson, M.D.**

Associate Clinical Professor of Pediatrics, Georgetown University School of Medicine, Washington, D.C.

Animal and Human Bites and Bite-Related Infections**Samuel H. Pepkowitz, M.D.**

Associate Director, Division of Transfusion Medicine, Department of Pathology and Laboratory Medicine, Cedars-Sinai Medical Center, Los Angeles, California

Adverse Reactions to Blood Transfusion

Michael J. Pettei, M.D., Ph.D.

Assistant Professor of Pediatrics, Albert Einstein College of Medicine; Co-Chief, Division of Gastroenterology and Nutrition, Schneider Children's Hospital of the Long Island Jewish Medical Center, New Hyde Park, New York

Early Childhood Obesity

Carol F. Phillips, M.D.

Professor and Chairman, Department of Pediatrics, University of Vermont College of Medicine; Chief of Pediatric Service, Medical Center Hospital of Vermont, Burlington, Vermont

Psittacosis; Chlamydia Infections

Larry K. Pickering, M.D.

Professor of Pediatrics, Director of Pediatric Infectious Diseases, University of Texas Medical School at Houston, Houston, Texas

Shigellosis

Rosita S. Pildes, M.D.

Professor of Pediatrics, University of Illinois College of Medicine; Chairman, Division of Neonatology, Cook County Children's Hospital, Chicago, Illinois

Infants of Drug-Dependent Mothers

Donald Pinkel, M.D.

Professor of Pediatrics, University of Texas M.D. Anderson Cancer Center; Pediatrician and Director, Pediatric Leukemia Research Program; Mansfield and Levine Chair in Cancer Research, University of Texas M.D. Anderson Cancer Center, Houston, Texas

Acute Leukemia

Philip A. Pizzo, M.D.

Professor of Pediatrics, Uniformed Services University for the Health Sciences; Chief of Pediatrics, Head of Infectious Diseases, National Cancer Institute, National Institutes of Health, Bethesda, Maryland

Leukopenia, Neutropenia, and Agranulocytosis

Stanley A. Plotkin, M.D.

Professor of Pediatrics and Microbiology, University of Pennsylvania; Professor, The Wistar Institute; Senior Physician, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

Rabies; Infectious Mononucleosis and Epstein-Barr Virus-Related Syndromes

Richard A. Polin, M.D.

Professor of Pediatrics, University of Pennsylvania School of Medicine; Associate Chairman, Department of Pediatrics, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania

Neonatal Septicemia, Meningitis, and Pneumonia

Paul G. Quie, M.D.

Professor of Pediatrics, University of Minnesota Medical School; Chief, Pediatric Infectious Diseases, University of Minnesota Hospital, Minneapolis, Minnesota

Staphylococcal Infections

Sharon S. Raimer, M.D.

Professor of Dermatology and Pediatrics, University of Texas Medical Branch, Galveston, Texas

Skin Diseases of the Neonate

Max L. Ramenofsky, M.D.

Professor of Surgery and Pediatrics, University of Pittsburgh School of Medicine; Children's Hospital of Pittsburgh, Pittsburgh, Pennsylvania

Lymphangitis; Lymph Node Infections (Lymphadenitis)

I. Rapin, M.D.

Professor of Neurology and Pediatrics (Neurology), Albert Einstein College of Medicine; Attending Neurologist and Child Neurologist, Einstein Affiliated Hospitals, Bronx, New York

Autism

James E. Rasmussen, M.D.

Professor of Dermatology and Pediatrics, University of Michigan Medical School; Chief of Clinic in Dermatology and Chief of Pediatric Inpatient and Dermatology Outpatient Services, University of Michigan Hospitals, Ann Arbor, Michigan

Erythema Multiforme

C. George Ray, M.D.

Professor, Pathology and Pediatrics, University of Arizona College of Medicine; Active Medical Staff, University Medical Center, Tucson, Arizona

Diphtheria

Edward F. Reda, M.D.

Assistant Professor of Urology, New York Medical College, Valhalla; Chief of Pediatric Urology, Lincoln Hospital; Voluntary Attending in Pediatric Urology, Montefiore Medical Center, Bronx, Flushing Hospital, Flushing, and Nyack Hospital, Nyack, New York

Ambiguous Genitalia

Owen M. Rennert, M.D.

Professor and Chairman, Department of Pediatrics, Georgetown University School of Medicine; Pediatrician in Chief, Georgetown University Hospital, Washington, D.C.

Hepatolenticular Degeneration (Wilson's Disease)

Thomas S. Renshaw, M.D.

Professor of Orthopaedic Surgery, University of Connecticut School of Medicine, Farmington; Director of Orthopaedic Surgery, Newington Children's Hospital, Newington, Connecticut

Torticollis

Warren Richards, M.D.

Professor of Pediatrics, University of Southern California School of Medicine; Head, Division of Allergy and Clinical Immunology, Children's Hospital of Los Angeles, Los Angeles, California

Allergic Gastrointestinal Disorders

Sylvia Onesti Richardson, M.D.

Distinguished Professor, Communication Sciences and Disorders, and Clinical Professor of Pediatrics, University of South Florida, Tampa, Florida

Voice, Speech, and Language Disorders

Harris D. Riley, Jr., M.D.

Distinguished Professor of Pediatrics, University of Oklahoma College of Medicine; Attending Physician, Children's Hospital of Oklahoma, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma
