CONTRIBUTORS

CLARENCE P. ALFREY, M.D., PH.D.

Professor of Medicine, Baylor College of Medicine. Attending Physician, The Methodist, Ben Taub General, and Houston Veterans Administration Hospitals, Houston, Texas.

Acquired Hemolytic Anemia

J. RICHARD ALLISON, JR, M.D.

Clinical Associate Professor of Dermatology, University of South Carolina School of Medicine and Medical University of South Carolina. Staff, Richland Memorial Hospital, Columbia; Consultant, U. S. Veterans Administration Hospital, South Carolina Department of Mental Health, Columbia, South Carolina.

Premalignant and Malignant Lesions of the Mouth

DAVID H. ALPERS, M.D.

Professor of Medicine, Washington University School of Medicine. Staff Physician, Barnes Hospital, St. Louis, Missouri.

Functional Disorders of the Gastrointestinal Tract

MURRAY N. ANDERSEN, M.D.

Professor of Surgery, State University of New York at Buffalo. Chief, Thoracic and Vascular Surgery, Erie County Medical Center, Buffalo, New York.

Lung Abscess

LARRY G. ANDERSON, M.D.

Associate Rheumatologist, Maine Medical Center, Portland, Maine.

Sjögren's Syndrome

MARION C. ANDERSON, M.D.

Professor of Surgery, Medical University of South Carolina, Columbia, South Carolina.

Acute and Chronic Pancreatitis

RONALD J. ANDERSON, M.D.

Assistant Professor of Medicine, Harvard Medical School. Staff Physician, Robert B. Brigham Hospital, Boston, Massachusetts.

Rheumatoid Arthritis

MASON C. ANDREWS, M.D.

Professor and Chairman, Department of Obstetrics and Gynecology, Eastern Virginia Medical School. Director, Obstetrics and Gynecology, Norfolk General Hospital, Norfolk, Virginia.

Endometriosis

CONSTANTINE ARVANITAKIS, M.D.

Associate Professor of Medicine, University of Kansas School of Medicine. Attending Gastroenterologist, Kansas University Medical Center, Kansas City, Kansas.

Intestinal Disaccharidase Deficiency

SANDA NOUSIA-ARVANITAKIS, M.D.

Associate Professor of Pediatrics, University of Kansas School of Medicine. Attending Pediatrician, Kansas University Medical Center, Kansas City, Kansas.

Intestinal Disaccharidase Deficiency

RUTH A. ATKINSON, M.D.

Assistant Professor of Neurology and Pediatrics, University of New Mexico School of Medicine. Attending Staff, Bernalillo County Medical Center; Consulting Staff, Presbyterian Hospital, Los Lunas Hospital and Training School, and Veterans Administration Hospital, Albuquerque, New Mexico.

The Unconscious Child

EDWARD AUSTIN, M.D.

Associate Staff, Cedars-Sinai Medical Center, Los Angeles, California.

The Acute Abdomen in Childhood

WILLIAM WARREN BABSON, M.D., F.A.C.S.

Surgeon Staff, Addison Gilbert Hospital, Gloucester, Massachusetts.

Acute Appendicitis

VICTOR G. BALBONI, M.D.

Senior Physician, Massachusetts General Hospital, Boston, Massachusetts.

Septic Arthritis

MARIO G. BALDINI, M.D.

Professor of Medical Science, Brown University. Chairman, Department of Medicine; Director, Division of Hematologic Research, Brown University at Memorial Hospital, Pawtucket, Rhode Island.

Purpura Due to Capillary and Platelet Disorders

GENE V. BALL, M.D.

Professor of Medicine, Division of Clinical Immunology and Rheumatology, Department of Medicine, University of Alabama at Birmingham, Birmingham, Alabama.

Back and Extremity Pain

WILLIAM E. BARRY, M.D.

Professor of Medicine, Temple University School of Medicine. Attending Physician, Temple University Hospital; Consultant in Hematology, Northeastern, St. Mary, and Frankford Hospitals, Philadelphia, and Phoenixville Hospital, Phoenixville, Pennsylvania.

Anemia Due to Inadequate Erythrocyte Production

JAMES W. BASS, M.D., COL, MC

Professor and Chairman, Department of Pediatrics, Uniformed Services University of the Health Sciences, Bethesda, Maryland and Walter Reed Army Medical Center, Washington, D.C.

Whooping Cough

LOFTY L. BASTA, M.D., M.R.C.P., M.R.C.P.E., F.A.C.P., F.A.C.C.

Clinical Professor of Medicine and Division Director of Cardiology, Tulsa Medical College. Clinical Director of Cardiology, St. John's Medical Center, Tulsa, Oklahoma.

Ischemic Heart Disease

CHARLES B. BEAL, M.D.

Division of Environmental Medicine, Palo Alto Medical Center; Associate Clinical Professor of International Health, University of California San Francisco; Associate Clinical Professor of Family, Community, and Occupational Medicine, Stanford University Medical School. Chief Attending Physician, Tropical Disease Outpatient Clinic, University of California San Francisco; Attending Physician, Stanford University Hospital, Stanford, California.

Parasitic Diseases of the Intestines

ARTHUR C. BEALL, JR., M.D.

Professor of Surgery, Baylor College of Medicine, Houston, Texas.

Vascular Disease of the Mesentery

VICTORIA L. BECKETT, M.D.

Assistant Professor of Internal Medicine, Mayo Medical School. Consulting Rheumatologist, Mayo Clinic, Rochester Methodist Hospital and St. Marys Hospital, Rochester, Minnesota.

Scleroderma

WILLIAM BERENBERG, M.D.

Professor of Pediatrics, Harvard Medical School. Senior Physician, Children's Hospital Medical Center, Boston, Massachusetts.

Varicella (Chickenpox)

ARTHUR BERGNER, M.D.

Clinical Associate Professor of Medicine, University of Vermont College of Medicine. Attending in Medicine, Medical Center Hospital of Vermont, Burlington, Vermont.

The Asthmas in Adults

RENEE K. BERGNER, M.D.

Clinical Professor of Pediatrics, University of Vermont College of Medicine. Attending in Pediatrics, Medical Center Hospital of Vermont, Burlington, Vermont.

The Asthmas in Adults

BRAM H. BERNSTEIN, M.D., F.R.C.P.(C)

Associate Professor of Clinical Pediatrics, University of Southern California School of Medicine. Attending Physician, Division of Rheumatology and Rehabilitation, Children's Hospital of Los Angeles, Los Angeles, California.

Juvenile Rheumatoid Arthritis

JOHN W. BEST, M.D.

Chief Emeritus, Division of Urology, Department of Surgery, York Hospital, York, Pennsylvania.

Hydronephrosis

JOHN E. BETHUNE, M.D.

Professor of Medicine, Chairman, Department of Medicine, University of Southern California Medical School. Chairman, Department of Medicine, University of Southern California—Los Angeles County Medical Center, Los Angeles, California.

Chronic Adrenal Insufficiency

PAUL J. BILKA, M.D.

Clinical Professor, University of Minnesota. Attending Rheumatologist, Metropolitan Medical Center and Veterans Hospital, Minneapolis, Minnesota.

Ankylosing Spondylitis

CHARLES E. BIRD, M.D.C.M., PH.D., F.R.C.P.(C), F.A.C.P.

Professor of Medicine, Queen's University at Kingston. Attending Staff Physician, Kingston General Hospital, Kingston, Ontario, Canada.

Acute Adrenocortical Insufficiency

WILLIAM BRADFORD BLANCHARD, M.D.

Assistant Professor, Department of Pediatrics, Division of Cardiology, University of Florida College of Medicine. Attending Cardiologist, Shands Teaching Hospital, Gainesville, Florida.

Congenital Heart Disease in Infants and Children

PHILIP M. BLATT, M.D.

Associate Professor of Medicine and Pathology, University of North Carolina School of Medicine. Associate Director, Clinical Coagulation Laboratory, North Carolina Memorial Hospital, Chapel Hill, North Carolina.

Hemophilia and Other Hereditary Defects of Coagulation

EDWIN B. BOLDREY, M.D.

Professor Emeritus of Neurological Surgery, University of California, San Francisco.

Brain Abscesses

ROBERT J. BOLT, M.D.

Professor of Medicine, University of California Davis, School of Medicine. University Medical Center, Sacramento; Consultant, Martinez Veterans Administration Hospital, Martinez, California.

Diseases of the Gallbladder and Biliary Tract

GREGORY C. BOLTON, M.D.

Assistant Professor, Department of Obstetrics and Gynecology, University of Pennsylvania School of Medicine. Associate Obstetrician and Gynecologist, Pennsylvania Hospital, Philadelphia, Pennsylvania.

Inflammation and Infection of the Female Genital Tract

HARISIOS BOUDOULAS, M.D.

Associate Professor of Medicine, Ohio State University College of Medicine. Attending Cardiologist, Ohio State University Hospitals, Columbus, Ohio.

Syncope

JERRY E. BOUQUOT, D.D.S.

Associate Professor of Pathology, West Virginia University School of Medicine; Associate Professor of Oral Pathology, West Virginia University School of Dentistry, Morgantown, West Virginia.

Non-neoplastic Lesions of the Oral Mucosa

JOHN M. BOWMAN, M.D.

Professor of Pediatrics and Director of the Rh Laboratory, University of Manitoba. Attending in Neonatology, Health Sciences Centre, Winnipeg, Manitoba, Canada.

Hemolytic Disease of the Newborn

PAUL F. BRENNER, M.D.

Associate Professor, Department of Obstetrics and Gynecology, University of Southern California School of Medicine. Staff, Womens Hospital, Los Angeles County—University of Southern Medical Center, Los Angeles, California.

Functional Menstrual Disorders

DAVID C. BREWSTER, M.D.

Assistant Professor of Surgery, Harvard Medical School. Assistant Surgeon, Massachusetts General Hospital, Boston, Massachusetts.

Aneurysms of the Aorta

PHILIP A. BROMBERG, M.D., F.A.C.P.

Professor of Internal Medicine; Chief, Division of Pulmonary Diseases, University of North Carolina School of Medicine. Attending Internist, North Carolina Memorial Hospital, Chapel Hill, North Carolina.

Atelectasis

PAUL BROWN, M.D.

Laboratory of Central Nervous System Studies, National Institute of Neurological and Communicative Disorders and Stroke, National Institutes of Health, Bethesda, Maryland.

Viral Encephalitis and Encephalopathy

LEONARD HATHAWAY BRUBAKER, M.D.

Professor of Medicine (Hematology—Oncology), Medical College of Georgia. Attending Physician, Talmadge Hospital; Consultant, Forest Hills Veterans' Hospital, Augusta, Georgia.

Neutropenia and Agranulocytosis

CAROLYN M. BRUNNER, M.D.

Associate Professor of Internal Medicine, University of Virginia School of Medicine, Charlottesville, Virginia

Systemic Lupus Erythematosus

THOMAS ROY BRYANT, M.D.

Clinical Assistant in Obstetrics and Gynecology, University of Oklahoma College of Medicine. Obstetrician and Gynecologist, Oklahoma City Clinic and Presbyterian Hospital, Oklahoma City, Oklahoma.

Benign Uterine Tumors

HERBERT J. BUCHSBAUM, M.D.

Professor of Obstetrics and Gynecology, Director, Division Gynecologic Oncology, University of Texas—Southwestern Medical School. Attending Physician, Parkland Memorial and St. Paul Hospitals, Dallas, Texas.

Ovarian Tumors

DAVID C. BUDSON, M.D.

Pulmonary Internist, Kaiser Foundation Hospital, Vallejo, California.

Atelectasis

GERARD N. BURROW, M.D.

Professor of Medicine and Obstetrics and Gynecology, University of Toronto. Director, Division of Endocrinology and Metabolism, Toronto General Hospital, Toronto, Ontario, Canada.

Hypothyroidism

HUGO CABRERA, Ph.D.

Hospital Epidemiologist and Director of Department of Microbiology, Mt. Carmel Medical Center, Columbus, Ohio.

Gas Gangrene and Similar Anaerobic Soft Tissue Infections

ERIC D. CAINE, M.D.

Assistant Professor of Psychiatry, Neurology, Pharmacology, and Toxicology, University of Rochester School of Medicine and Dentistry. Attending Psychiatrist, University of Rochester School of Medicine and Dentistry, Rochester, New York.

*The Confused Elderly Patient***CRAIG J. CANFIELD, M.D., COL, MC**

Director, Division of Experimental Therapeutics, Walter Reed Army Institute of Research, Washington, D.C.

*Malaria***ERSKINE M. CAPERTON, M.D.**

Clinical Associate Professor, University of Minnesota School of Medicine. Attending Rheumatologist, University of Minnesota Hospitals and Metropolitan Medical Center, Minneapolis, Minnesota.

*Ankylosing Spondylitis***JOHN A. CARLSTON, M.D.**

Associate Professor of Medicine (Allergy), Eastern Virginia Medical School. Active Staff, General Hospital of Virginia Beach; Consultant Staff, Medical Center Hospitals, Norfolk, Virginia.

*Hay Fever, Alias Seasonal Allergic Rhinitis, Seasonal Pollinosis***THOMAS CASEY, M.D.**

Associate Professor of Medicine, University of Rochester School of Medicine. Director of Medical Education, Rochester General Hospital, Rochester, New York.

*Chronic Abdominal Pain***DONALD O. CASTELL, M.D.**

Professor of Medicine and Chief, Digestive Disease Division, Uniformed Services University of the Health Sciences, Bethesda, Maryland.

*Dysphagia***PRAN N. CHHUTTANI, M.D., D.T.M., F.A.Sc., F.A.M.S.**

Professor Emeritus of Internal Medicine, Postgraduate Institute of Medical Education and Research, Chandigarh, and Nehru Hospital, Chandigarh, India.

*Amebiasis***ARAM V. CHOBANIAN, M.D.**

Director, Cardiovascular Institute and Professor of Medicine, Boston University School of Medicine. Head, Hypertension and Atherosclerosis Section and Visiting Physician, University Hospital, Boston, Massachusetts.

*Hypertension***JOHN F. J. CLARK, M.D.**

Professor of Obstetrics and Gynecology, Howard University College of Medicine. Obstetrician-Gynecologist and Chief of Gynecology, Howard University Hospital, Washington, D.C.

*Postpartum Complications***C. G. CLOUGH, M.B., M.R.C.P.(U.K.)**

Registrar in Neurology, Hull Royal Infirmary, Yorkshire, England.

*Migraine and its Variants***RAY E. CLOUSE, M.D.**

Instructor in Medicine, Washington University School of Medicine, St. Louis, Missouri.

*Functional Disorders of the Gastrointestinal Tract***MARTIN H. COHEN, M.D.**

Associate Professor, George Washington University School of Medicine and Health Sciences, Washington, D.C. Deputy Chief, National Cancer Institute-Veterans Administration Medical Oncology Branch, National Institutes of Health, Bethesda, Maryland.

*Lung Cancer***ISIDORE COHN, JR., B.S., M.D., D.Sc. (Med)**

Professor and Chairman, Department of Surgery, Louisiana State University School of Medicine. Senior Visiting Surgeon and Surgeon in Chief, Charity Hospital. Consultant, Veterans Administration Hospital, New Orleans, Louisiana.

*Intestinal Obstruction***DAVID E. C. COLE, M.D.**

MRC Research Fellow, McGill University, Montreal Children's Hospital, Montreal, Quebec, Canada.

*Rickets***MORTON COLEMAN, M.D.**

Associate Professor of Medicine, Cornell University Medical College. Associate Attending Physician, New York Hospital, New York, New York.

*Multiple Myeloma***DAVID L. COLLINS, M.D.**

Associate Clinical Professor of Surgery, University of California San Diego School of Medicine. Attending Surgeon, Children's Hospital Medical Center, San Diego, California.

*Common Surgical Diseases of the Newborn***ROBERT W. COLMAN, M.D.**

Professor of Medicine, Temple University School of Medicine. Head, Hematology/Oncology Section, Department of Medicine, Temple University Hospital, Philadelphia, Pennsylvania.

*Hemorrhagic Diseases Due to Disseminated Intravascular Coagulation, Accelerated Fibrinolysis, and Circulating Anticoagulants***EDWARD J. COLWELL, M.D.**

Attending Physician, Peninsula General Hospital, Salisbury, Maryland.

*Malaria***DOYT L. CONN, M.D.**

Associate Professor of Medicine, Mayo Medical School. Consulting Rheumatologist, Mayo Clinic,

Rochester Methodist and St. Marys Hospital,
Rochester, Minnesota.
Scleroderma

WILLIAM E. CONNOR, M.D.
Professor of Medicine, University of Oregon
Health Sciences Center. Director, Lipid Clinic;
Director, Family Heart Study, University of
Oregon Hospital, Portland, Oregon.
Hyperlipidemia

RICHARD A. COOPER, M.D.
Professor of Medicine, University of Pennsylvania
School of Medicine. Chief, Hematology-Oncology
Section, Hospital of the University of Pennsylv-
ania, Philadelphia, Pennsylvania.
Diseases of the Spleen

AVRAM M. COOPERMAN, M.D.
Professor and Chief of General Surgery and Surgi-
cal Oncology, Columbia University College of
Physicians and Surgeons, Columbia Presbyterian
Medical Center, New York, New York.
Pancreatic Cysts and Neoplasms

STANLEY W. COULTHARD, M.D.
Associate Professor, Surgery, Chief, Section of
Otorhinolaryngology, University of Arizona
Health Sciences Center, Tucson, Arizona.
Neck Tumors

LARRY COUSINS, M.D.
Assistant Professor, Reproductive Medicine, Uni-
versity of California San Diego School of Medi-
cine. University Hospital, University of Califor-
nia Medical Center, San Diego, California.
Vaginal Bleeding in Pregnancy

JOHN F. COYLE, M.D.
Clinical Instructor, Department of Medicine,
Tulsa Medical College. Attending Cardiologist, St.
John's Medical Center, Tulsa, Oklahoma.
Ischemic Heart Disease

JOHN J. CRANLEY, M.D.
Associate Clinical Professor of Surgery, University
of Cincinnati Medical Center. Director of Medical
Education, Director of Surgery, Director of Vas-
cular Laboratory, Good Samaritan Hospital, Cin-
cinnati, Ohio.
Peripheral Venous Disease

CLYDE E. CULP, M.D.
Assistant Professor of Proctology, Mayo Clinic and
Mayo Medical School. Consultant, Section of
Colon and Rectal Surgery, Mayo Clinic, Rochester,
Minnesota.
Anorectal and Perianal Disorders

ANGELO E. DAGRADI, M.D.
Professor of Medicine, UCLA School of Medicine.
Chief, Endoscopy Section, Harbor-UCLA Medical
Center, Torrance, California.
Gastritis

CHARLES P. DARBY, M.D.
Professor of Pediatrics, Medical University of
South Carolina, Charleston, South Carolina.
Measles

R. CLEMENT DARLING, M.D.
Associate Professor of Surgery, Harvard Medical
School. Senior Vascular Surgeon and Chief of Vas-
cular Clinic, Massachusetts General Hospital,
Boston, Massachusetts.
Aneurysms of the Aorta

HARVEY D. DAVIS, M.D.
Assistant Professor Pediatrics (Allergy), Eastern
Virginia Medical School. Active Staff, King's
Daughters Hospital, Norfolk, Virginia.
*Hay Fever, Alias Seasonal Allergic Rhinitis, Sea-
sonal Pollinosis*

JOHN S. DAVIS, IV, M.D.
Professor of Internal Medicine, University of Vir-
ginia School of Medicine, Charlottesville, Virginia.
Systemic Lupus Erythematosus

ROBERT P. DAVIS, M.D., F.A.C.S.
Associate, Department of Surgery, Northwestern
University Medical School. Attending Surgeon,
Columbus-Cuneo-Cabrini Medical Center and
Veterans Administration Lakeside Hospital,
Chicago, Illinois.
The Acute Abdomen in Adults

WALTER E. DAVIS, M.D.
Clinical Assistant Professor, Duke University
School of Medicine. Chief, Hematology-Oncol-
ogy, Durham County General Hospital, Durham,
North Carolina.
Anemias due to Erythrocyte Enzyme Deficiencies

WILLIAM B. DEAL, M.D.
Professor of Medicine, Vice President for Health
Affairs, and Dean, University of Florida College of
Medicine. Attending Physician, Shands Teaching
Hospital, University of Florida; Consultant, Vet-
erans Administration Medical Center, Gainesville,
Florida.
Relapsing Fever

FLOYD W. DENNY, M.D.
Professor and Chairman of Pediatrics, University
of North Carolina School of Medicine. Attending
Pediatrician, North Carolina Memorial Hospital,
Chapel Hill, North Carolina.
Virus and Mycoplasma Pneumonias

VINCENT T. DEVITA, JR., M.D.
Director, Division of Cancer Treatment, National
Cancer Institute, National Institutes of Health,
Bethesda, Maryland.
Malignant Lymphomas

DAVID D. DEWEESE, M.D.
Professor Emeritus and Past Chairman, Depart-
ment of Otolaryngology and Maxillofacial Surgery,
University of Oregon Medical School. University

of Oregon Hospitals and St. Vincent Hospital, Portland, Oregon.
Episodic Vertigo

RAYMOND P. DiPHILLIPS, M.D.
Associate Professor, The Chicago Medical School.
Director, Division of Pulmonary Diseases, Edgewater Hospital, Chicago, Illinois.
Chest Pain

BROWN M. DOBYNS, M.D. PH.D.
Professor of Surgery, Case Western Reserve University School of Medicine. Associate Director of Surgery, Cleveland Metropolitan General Hospital; Assistant Surgeon, University Hospital; Consultant Staff, Hillcrest Hospital, Cleveland, Ohio.
Thyroid Tumors

ADRIAN P. DOUGLAS, M.D.
Associate Professor of Medicine, University of Southern California School of Medicine. Attending Physician (Gastroenterologist), Head Physician, Division of Gastroenterology, Los Angeles County-University of Southern California Medical Center, Los Angeles, California.
Anorexia, Nausea and Vomiting

MICHAEL DULLIGAN, M.D.
Neurosurgeon, Holt Krock Clinic, Ft. Smith, Arkansas.
Acute Bacterial Meningitis

JOHN T. DUNN, M.D.
Professor of Medicine, Division of Endocrinology, University of Virginia School of Medicine, Charlottesville, Virginia.
Thyroiditis

EDWARD R. EICHNER, M.D.
Professor of Medicine, University of Oklahoma College of Medicine. Chief of Hematology-Oncology and Attending Physician, University Hospital and Veteran's Administration Hospital, Oklahoma City, Oklahoma.
The Sideroblastic Anemias

BENJAMIN HILLEL EIDELMAN, M.D.,
D. PHIL., M.R.C.P.
Assistant Professor, University of Pittsburgh School of Medicine. Attending Neurologist, Presbyterian-University Hospital, Pittsburgh, Pennsylvania.
Cerebrovascular Disease

GEORGE H. ELDER, M.D., M.R.C.PATH.
Professor of Medical Biochemistry, Welsh National School of Medicine. Cardiff, United Kingdom.
The Porphyrias

PETER A. EMERSON, M.D., F.R.C.P.
F.A.C.P.(HON)
Consultant Physician, Westminster Medical School, University of London, London, England.
Disorders of the Pleura

RICHARD W. EMMONS, M.D., PH.D.
Chief, Viral and Rickettsial Disease Laboratory, State of California Department of Health Services, Berkeley, California.
Colorado Tick Fever

ALLAN D. ERICKSON, M.D.
Assistant Professor of Medicine, Brown University School of Medicine. Associate Chief, Pulmonary Disease Section, Veteran's Administration Medical Center, Providence, Rhode Island.
Hemoptysis

NORMAN H. ERTEL, M.D.
Professor of Medicine, College of Medicine and Dentistry of New Jersey-New Jersey Medical School, Newark. Chief, Medical Service, Veterans Administration Medical Center, East Orange, New Jersey.
Pheochromocytoma

ROBERTO F. ESCAMILLA, M.D.
Clinical Professor of Medicine, University of California School of Medicine, San Francisco, California.
Hypopituitarism

LUIS R. ESPINOZA, M.D.
Associate Professor of Medicine; Director, Rheumatology/Immunology Laboratory, University of South Florida College of Medicine. Staff, Tampa General Hospital and James A. Haley Veterans Administration Medical Center, Tampa, Florida.
Gout

STEPHEN A. ESTES, M.D.
Assistant Professor of Dermatology, University of Cincinnati College of Medicine. Attending Dermatologist, University of Cincinnati Medical Center Hospitals, General Division and Holmes Division; Cincinnati Children's Hospital Medical Center; Veterans Administration Hospital, Cincinnati, Ohio.
Dermatomyositis

DAVID N. F. FAIRBANKS, M.D.
Associate Clinical Professor Otolaryngology, George Washington University School of Medicine. Chairman, Division of Otolaryngology, George Washington University Hospital, Washington, D.C.
Otitis Media; Otitis Externa

JOHN FERNANDES, M.D.
Professor of Pediatrics, University of Groningen, Department of Pediatrics. University Hospital, Groningen, The Netherlands.
Errors of Carbohydrate Metabolism in Infants and Children

BRANCH T. FIELDS, JR., M.D.
Assistant Professor of Medicine, University of Arkansas College of Medicine. Chief, Infectious Diseases Section, Little Rock Veterans Administration Medical Center, and Staff Member, Uni-

versity of Arkansas Medical Sciences Campus Hospital, Little Rock, Arkansas.
Blastomycosis

FRANK A. FINNERTY, JR., M.D.
Clinical Professor of Medicine, George Washington University School of Medicine. Director of Hypertension Center, Washington, D.C.
Hypertensive States in Pregnancy

NICHOLAS J. FIUMARA, M.D., M.P.H.
Clinical Professor of Dermatology, Boston University School of Medicine. Associate Visiting Physician for Dermatology, Boston City Hospital, Boston, Massachusetts.
Gonorrhea

CHARLES A. FLOOD, M.D.
Professor Emeritus of Clinical Medicine, Columbia University College of Physicians and Surgeons. Consultant, Presbyterian Hospital, New York, New York.
Crohn's Disease

DENYS K. FORD, M.D.
Professor, Division of Rheumatology, University of British Columbia School of Medicine. Attending Rheumatologist, Vancouver General Hospital and the Arthritis Centre, Vancouver, British Columbia, Canada.
Reiter's Syndrome

J. PETER FORNEY, III, M.D.
Assistant Professor, Obstetrics and Gynecology, Associate Director, Division of Gynecologic Oncology, University of Texas, Southwestern Medical School. Attending Physician, Parkland Memorial and St. Paul Hospitals, Dallas, Texas.
Ovarian Tumors

GIRAUD VERNAM FOSTER, M.D., Ph.D.
Associate Professor, Johns Hopkins University School of Medicine. Staff Physician, Johns Hopkins Hospital, Baltimore, Maryland.
Hyperparathyroidism

HJORDIS M. FOY, M.D., Ph.D.
Professor of Epidemiology, School of Public Health and Community Medicine, University of Washington, Seattle, Washington.
Influenza

ROBERTO FRANCO-SAENZ, M.D.
Professor of Medicine and Attending Endocrinologist, Medical College of Ohio at Toledo, Ohio.
Cushing's Syndrome

ROBERT S. FRASER, M.D., F.R.C.P.(C)
Professor of Medicine, Faculty of Medicine, University of Alberta. Active Staff, University of Alberta Hospital; Consultant in Cardiology, Royal Alexandra, Charles Camell and Misericordia Hospitals, Edmonton, Alberta, Canada.
Valvular Heart Disease

CHARLES F. FREY, M.D.
Professor and Vice Chairman, Department of Surgery, University of California Davis School of Medicine. Chief, Surgical Service, Veterans Administration Medical Center, Martinez, California.

Hepatic and Perihepatic Abscess

SIDNEY FRIEDLAENDER, M.D.
Clinical Professor of Medicine, Wayne State University School of Medicine. Chief, Allergy and Immunology Service, Sinai Hospital of Detroit, Michigan.

Drug Reactions

DANIEL ERIC FURSTE, M.D.
Assistant Professor of Medicine/Rheumatology, UCLA School of Medicine, Los Angeles, California.
Periarteritis Nodosa

WESLEY FURSTE, M.D., F.A.C.S.
Clinical Professor of Surgery, Ohio State University School of Medicine, Columbus, Ohio.
Tetanus

THOMAS G. GABUZDA, M.D.
Professor of Medicine, Jefferson Medical College, Thomas Jefferson University. Chief, Division of Hematology, Lankenau Hospital, Philadelphia, Pennsylvania.
Anemia

JOHN R. GAMBLE, M.D.
Chairman, Department of Medicine, Presbyterian Hospital of Pacific Medical Center, San Francisco, California.
Chronic Ulcerative Colitis

STEPHEN L. GANS, M.D., F.A.C.S. F.A.A.P.
Clinical Professor of Surgery, UCLA School of Medicine. Attending in Surgery and Chief, Division of Pediatric Surgery, Cedars-Sinai Medical Center, Los Angeles, California.
The Acute Abdomen in Children

PIERCE GARDNER, M.D.
Professor of Medicine and Pediatrics, University of Chicago, Pritzker School of Medicine. Director, Clinical Training Program in Infectious Diseases, Billings Hospital, University of Chicago Pritzker School of Medicine, Chicago, Illinois.
Psittacosis; Varicella (Chickenpox)

ROBERT A. GARRETT, M.D.
Professor, Indiana University School of Medicine. Staff, Indiana University Hospitals, Riley Hospital for Children, Wishard General Hospital, Indianapolis, Indiana.
Tumors of the Urinary Bladder

MICHAEL A. GERBER, M.D.
Assistant Professor of Pediatrics, University of Connecticut School of Medicine. Attending Pediatrician, Waterbury Regional Department of Pediatrics, Waterbury, Connecticut.
Infections of the Throat

BERNARD F. GERMAIN, M.D.

Assistant Professor of Medicine; Director, Division of Rheumatology, University of South Florida College of Medicine. Staff, Tampa General Hospital and James A. Haley Veterans Administration Medical Center, Tampa, Florida.

*Gout***FRANCES MCNIELL GILL, M.D.**

Associate Professor of Pediatrics, University of Pennsylvania School of Medicine. Senior Physician and Associate Hematologist, the Children's Hospital of Philadelphia, Philadelphia, Pennsylvania.

*Thalassemia***ROBERT H. GILMAN, M.D.**

Assistant Professor of Medicine, Johns Hopkins University School of Medicine. Attending Physician, Baltimore City Hospital, Baltimore, Maryland.

*Bacillary Dysentery***ALLEN L. GINSBERG, M.D.**

Associate Professor of Medicine, George Washington University School of Medicine. Staff, George Washington University Hospital, Washington, D.C.

*Hepatitis***RICHARD H. GLEW, M.D.**

Associate Professor of Medicine and Microbiology, University of Massachusetts Medical School. Chief, Infectious Disease Service, The Memorial Hospital, Worcester, Massachusetts.

*The Acute Infectious Disease Syndrome***ELLIOT GOLDSTEIN, M.D.**

Professor of Medicine, University of California Davis School of Medicine, Davis, California.

*Actinomyces***ROBERT A. GOLDSTEIN, M.D., Ph.D.**

Chief, Allergy and Clinical Immunology Branch, IAIDT, National Institute of Allergy and Infectious Disease, Bethesda, Maryland.

*Sarcoidosis***G. BROWNE GOODE, M.D.**

Associate Clinical Professor of Neurology, University of California San Francisco School of Medicine. Staff Neurologist, Kaiser-Permanente Medical Center, San Francisco, California.

*The Narcolepsy Syndrome***CLEON W. GOODWIN, M.D., Maj., MC**

Burn Study Branch, U.S. Army Institute of Surgical Research, Brooke Army Medical Center, Ft. Sam Houston, Texas.

*Peritonitis and Intra-Abdominal Infection***BURGESS L. GORDON, M.D.**

Visiting Professor of Medicine, Jefferson Medical College, Thomas Jefferson University, Philadelphia, Pennsylvania.

*Chronic Bronchitis***GERALD GORDON, M.D.**

Fellow in Infectious Diseases, University of Chicago Pritzker School of Medicine, Chicago, Illinois.

*Psittacosis***COLUM A. GORMAN, M.B., B.Ch., Ph.D.**

Associate Professor of Medicine, Mayo Clinic and Mayo Medical School. Consultant in Endocrinology and Metabolism and Internal Medicine, Mayo Clinic, Rochester, Minnesota.

*Hyperthyroidism***HARRY GRABSTALD, M.D.**

Professor of Urology and Director of Urologic Oncology, University of Florida College of Medicine. Chief, Urologic Oncology, Shands Teaching Hospital, University of Florida, Gainesville, Florida.

*Prostatic Cancer***GREGORY M. GRAVES, M.D.**

Fellow in Surgical Oncology, Department of Surgery, Memorial Sloan Kettering Cancer Institute, New York, New York.

*Hepatic and Perihepatic Abscess***J. THOMAS GRAYSTON, M.D.**

Professor of Epidemiology, School of Public Health and Community Medicine, and Vice President for Health Affairs, University of Washington, Seattle, Washington.

*Influenza***ALEXANDER NICHOLS GUNN, II, M.D.,****F.A.C.S.**

Assistant Chief of Surgery, Addison Gilbert Hospital, Gloucester. Surgical Staff, Beverly Hospital, Beverly, Massachusetts.

*Acute Appendicitis***J. CAULIE GUNNELS, JR., M.D.**

Professor of Medicine, Duke University School of Medicine. Attending Nephrologist, Duke Hospital, Durham, North Carolina.

*Pyelonephritis***RICHARD A. GUTHRIE, M.D.**

Professor and Chairman, Department of Pediatrics, University of Kansas School of Medicine. Staff, St. Francis Hospital and Wesley and St. Joseph Medical Centers, Wichita, Kansas.

*Diabetes Mellitus***MICHAEL GUTKIN, M.D.**

Clinical Associate Professor of Medicine, College of Medicine and Dentistry of New Jersey-New Jersey Medical School, Newark. Chief, Hypertension Division, Attending Physician, Renal Section, St. Barnabas Medical Center, Livingston, New Jersey.

*Pheochromocytoma***DAVID R. HABURCHAK, M.D., LTC, MC**

Assistant Clinical Professor of Medicine, Medical College of Georgia. Chief, Infectious Disease

Service, Dwight David Eisenhower Army Medical Center, Ft. Gordon, Georgia.

Rickettsial Disease

HENRY HAIMOVICI, M.D.

Clinical Professor Emeritus of Surgery, Albert Einstein College of Medicine. Chief Emeritus, Vascular Surgery, Montefiore Hospital and Medical Center, Bronx, New York.

Chronic Arterial Occlusive Disease of the Lower Extremity

MICHAEL V. HALBERSTAM, M.D.

Associate Clinical Professor of Medicine, George Washington Medical School, Washington, D.C.

Fatigue

JOHN W. HALLETT, JR., M.D.

Clinical and Research Fellow at Massachusetts General Hospital and Harvard Medical School; Vascular Fellow, Massachusetts General Hospital, Boston, Massachusetts.

Aneurysms of the Aorta

GEORGE W. HAMBRICK, JR., M.D.

Professor of Dermatology, University of Cincinnati College of Medicine. Attending Dermatologist, University of Cincinnati Medical Center Hospitals, General Division and Holmes Division; Cincinnati Children's Hospital Medical Center; Veterans Administration Hospital, Cincinnati, Ohio.

Dermatomyositis

JOHN W. G. HANNON, M.D., F.C.C.P., C.I.H.

Staff, Washington Hospital, Washington, Pennsylvania; West Penn Hospital, Pittsburgh, Pennsylvania.

Pneumoconiosis

HERBERT S. HARNED, JR., M.D.

Professor of Pediatrics, University of North Carolina School of Medicine. Attending Physician, North Carolina Memorial Hospital, Chapel Hill, North Carolina.

Innocent Heart Murmurs in Children

RICHARD N. HARNER, M.D.

Associate Professor of Neurology, University of Pennsylvania School of Medicine. Chairman, Department of Neurology and Medical Director, Community Epilepsy Center, Graduate Hospital, Philadelphia, Pennsylvania.

Convulsive Disorders in Adults

J. OCIE HARRIS, M.D.

Associate Professor of Medicine, University of Florida College of Medicine. Chief, Pulmonary Section, Veterans Administration Medical Center, Gainesville, Florida.

Hypersensitivity Pneumonitis

R. H. HARRISON, M.D.

Consulting Urologist, Texas A & M University Medical School and Medical Center. Consultant

Staff, Bryan and St. Joseph Hospitals, Bryan; and Caldwell General Hospital, Caldwell, Texas.

Benign Prostatic Hypertrophy

ROBERT C. HARTMANN, M.D.

Professor of Medicine, Division of Hematology, University of South Florida College of Medicine. Staff Hematologist, James A. Haley Veterans Administration Hospital; Staff Physician, Tampa General Hospital; Consultant Hematologist, St. Joseph's Hospital and University Community Hospital, Tampa, Florida.

Hereditary Spherocytosis; Hereditary Elliptocytosis (Ovalocytosis); Paroxysmal Nocturnal Hemoglobinuria

PAUL R. HASTINGS, M.D.

Assistant Professor, Surgery and Anesthesia, Louisiana State University Medical Center. Staff, Charity and Hotel Dieu Hospitals, New Orleans, Louisiana.

Intestinal Obstruction

ARTHUR HAUT, M.D.

Professor of Medicine, Division of Hematology and Oncology, University of Arkansas for Medical Sciences, College of Medicine. Attending Physician, University Hospital; Consultant in Hematology and Oncology, Veterans Administration Hospital, Little Rock, Arkansas.

Iron Deficiency Anemia

IAN D. HAY, M.B., Ph.D., M.R.C.P.

Instructor in Medicine, Mayo Clinic and Mayo Medical School. Senior Clinical Fellow in Endocrinology, Mayo Clinic, Rochester, Minnesota.

Hyperthyroidism

HARLEY A. HAYNES, M.D.

Associate Professor of Dermatology, Harvard Medical School. Director, Dermatology Division, Peter Bent Brigham Hospital; Chief of Dermatology, West Roxbury Veterans' Administration Hospital; Consultant, Medical Oncology Division (Dermatology), Sidney Farber Cancer Institute, Boston, Massachusetts.

Mycosis Fungoides

ROBERT GALBRAITH HEATH, M.D., D.M.Sci.

Professor and Chairman, Department of Psychiatry and Neurology, Tulane University School of Medicine. Chief, Psychiatry and Neurology Services, Tulane University Hospital; Chief of Psychiatry and Neurology Services, Charity Hospital; Senior Consultant in Psychiatry and Neurology, Veterans Administration Hospital, New Orleans, Louisiana.

Schizophrenia

ERNEST M. HEIMLICH, M.D.

G. D. Searle, Skokie, Illinois (Regional Medical Director, Europe). Visiting Investigator, Allergy Laboratory, University of Geneva; Faculty of Medicine, Cantonal Hospital, Geneva, Switzerland.

Asthma in Childhood

FREDERICK W. HENDERSON, M.D.

Assistant Professor of Pediatrics, University of North Carolina School of Medicine. Attending Pediatrician, North Carolina Memorial Hospital, Chapel Hill, North Carolina.

Virus and Mycoplasma Pneumonias

LÉO M. HENIKOFF, M.D.

Professor of Pediatrics and Medicine, Dean and Vice President for Medical Affairs, Temple University School of Medicine. Attending Physician, Temple University Hospital, Philadelphia, Pennsylvania. Visiting Physician, Rush-Presbyterian St. Luke's Medical Center, Chicago, Illinois.

Rheumatic Fever (Acute Rheumatic Fever, Acute Articular Rheumatism)

JANE E. HENNEY, M.D.

Special Assistant for Clinical Affairs, Division of Cancer Treatment, National Cancer Institute, National Institutes of Health, Bethesda, Maryland.

Malignant Lymphomas

ROBERT S. HEPLER, M.D.

Professor of Ophthalmology, Jules Stein Eye Institute, UCLA School of Medicine. Attending Neuro-ophthalmologist, UCLA Center for the Health Sciences and Wadsworth Veterans Administration Medical Center, Los Angeles, California.

Optic Neuritis

ROBERT E. HERMANN, M.D.

Head, Department of General Surgery, Cleveland Clinic, Cleveland, Ohio.

Pancreatic Cysts and Neoplasms

CHARLES E. HESS, M.D.

Associate Professor, Internal Medicine, Hematology-Oncology Division, University of Virginia School of Medicine. Attending Hematologist, University of Virginia Hospital, Charlottesville, Virginia.

Lymphadenopathy

MARGARET W. HILGARTNER, M.D.

Professor of Pediatrics, Cornell University Medical College. Attending in Pediatrics, New York Hospital, Hospital for Special Surgery, Memorial Hospital, New York, New York.

Bleeding Disorders in the Newborn

ROBERT J. HOAGLAND, M.D.

Chief, Department of Medicine, Fauquier Hospital, Warrenton, Virginia.

Infectious Mononucleosis

SHEPHER F. HODGSON, M.D.

Assistant Professor of Medicine, Mayo Clinic and Mayo Medical School. Consultant, Endocrinology and Metabolism, Mayo Clinic; Attending Physician, Rochester Methodist Hospital and St. Marys Hospital, Rochester, Minnesota.

Empty Sella Syndrome

MARGARET M. HOEHN, M.D., F.R.C.P.(C), F.A.C.P., F.A.A.N.

Associate Clinical Professor, Department of Neurology, University of Colorado School of Medicine. Staff, Colorado General Hospital, Denver Veterans Administration, Hospital, Denver, Colorado.

Parkinson's Disease and Parkinsonian Syndromes

ERNEST LOYD HOPKINS, M.D.

Professor of Obstetrics and Gynecology, Howard University College of Medicine. Attending Obstetrician-Gynecologist, Howard University and Providence Hospitals, Washington, D.C.

Postpartum Complications

SIMON HORENSTEIN, M.D.

Professor and Chairman, Department of Neurology, St. Louis University. Director, Department of Neurology, St. Louis University Hospitals; Chief, Neurology Service, St. Louis Veterans Administration Hospital, St. Louis, Missouri.

Metabolic Encephalopathy

ALLEN L. HORWITZ, M.D., Ph.D.

Assistant Professor of Pediatrics, University of Chicago Pritzker School of Medicine. Staff, The Joseph P. Kennedy, Jr. Mental Retardation Research Center; the Committee on Genetics, Wyler Children's Hospital, University of Chicago Hospitals and Clinics, Chicago, Illinois.

Mucopolysaccharidoses

TAH-HSIUNG HSU, M.D.

Associate Professor of Medicine, Johns Hopkins University School of Medicine. Staff Physician, Johns Hopkins Hospital, Baltimore, Maryland.

Hyperparathyroidism

RONALD LAWRIE HUCKSTEP, C.M.G., M.A., M.D., (C.A.M.B.), F.R.C.S. (ED.), F.R.C.S. (ENG.), F.R.A.C.S.

Professor, Faculty of Medicine, University of New South Wales, Sydney, New South Wales, Australia, and lately Professor, Faculty of Medicine, Makerere University, Kampala, Uganda, East Africa. Consultant Surgeon, The Prince of Wales/Prince Henry Hospitals Group, Royal South Sydney and Sutherland Hospitals, Sydney, Australia.

Typhoid Fever

DOUGLAS W. HUESTIS, M.D.

Professor of Pathology, University of Arizona School of Medicine. Chief, Immunohematology, University Hospital, Tucson, Arizona.

Acute Transfusion Reaction

GEORGE HUG, M.D.

Professor of Pediatrics, University of Cincinnati College of Medicine. Attending Pediatrician, Children's Hospital Medical Center, Cincinnati, Ohio.

Glycogen Storage Disease

JESSE D. IBARRA, JR., M.D., F.A.C.P.

Lecturer, Texas A & M College of Medicine. Director, Division of Endocrinology, Scott and White Clinic and Hospital, Temple, Texas.

Hypoglycemia

YASUO IKEDA, M.D.

Research Fellow, Brown University, Program in Medicine. Hematology Fellow, Division of Hematologic Research, The Memorial Hospital, Pawtucket, Rhode Island.

Purpura Due to Capillary and Platelet Disorders

HAROLD L. ISRAEL, M.D., M.P.H.

Honorary Professor of Medicine, Jefferson Medical College, Thomas Jefferson University. Attending Physician, Thomas Jefferson University Hospital, Philadelphia, Pennsylvania.

Sarcoidosis

CHARLES I. JAROWSKI, M.D.

Clinical Instructor in Medicine, Cornell University Medical College. Assistant Attending Physician, New York Hospital, New York, New York.

Multiple Myeloma

M. HUSAIN JAWADI, M.D.

Assistant Professor, Internal Medicine-Endocrinology, University of Kansas School of Medicine. Chief of Endocrinology, Veterans Administration Hospital, Wichita, Kansas.

Diabetes Mellitus

JOHN W. JENNE, M.S., M.D.

Professor of Medicine, Loyola University Stritch School of Medicine. Staff, Veterans Administration Medical Center, Hines, Illinois.

Bronchiectasis

ERNEST W. JOHNSON, M.D.

Professor and Chairman, Physical Medicine, Ohio State University College of Medicine. Attending Psychiatrist, Ohio State University Hospitals, Columbus, Ohio.

Anterior Horn Cell Disease of Infancy and Childhood and the Progressive Muscular Dystrophies

THOMAS W. JOHNSON, SR., B.S., M.S., M.D.

Professor, Division of Dermatology, Department of Internal Medicine, Meharry Medical College. Attending Staff, G. W. Hubbard Hospital; Consulting Staff, Riverside Hospital, Nashville, Tennessee.

Lymphogranuloma Venereum; Granuloma Inguinale

C. CONRAD JOHNSTON, JR., M.D.

Professor of Medicine, Indiana University School of Medicine. Director, Endocrinology and Metabolism Section, Indiana University Medical Center, Indianapolis, Indiana.

Osteoporosis

ROBERT F. JOHNSTON, M.D.

Professor of Medicine, Director of Division of Pulmonary Diseases, Department of Medicine,

Hahnemann Medical College and Hospital. Active Staff, Jeanes Hospital, Magee Memorial Rehabilitation Center, Philadelphia, Pennsylvania.

Chest Pain

CHRISTOPHER J. JOLLES, M.D.

Chief Resident, Gynecology, University of California Medical Center, San Diego. Chief Resident in Gynecology, University Hospital, University of California Medical Center, San Diego, California.

Vaginal Bleeding in Pregnancy

MELVIN C. KADESKY, M.D.

Clinical Associate Professor, The University of Texas Southwestern Medical School. Chief of Urology, Presbyterian Hospital of Dallas; Consultant, Baylor University Medical Center, Dallas, Texas.

Intrascrotal Masses and Tumors

JOHN T. KAEMMERLEN, M.D.

Associate Professor of Medicine, Brown University School of Medicine. Chief, Pulmonary Disease Section, Veteran's Administration Medical Center, Providence, Rhode Island.

Hemoptysis

RAJENDRA KAPILA, M.D.

Associate Professor of Internal Medicine, Division of Infectious Disease, College of Medicine and Dentistry of New Jersey - New Jersey Medical School. Staff, College Hospital, Newark, New Jersey.

Histoplasmosis

EDWARD L. KAPLAN, M.D.

Professor of Pediatrics, University of Minnesota School of Medicine. Attending Pediatrician, University of Minnesota Hospitals, Hennepin County Medical Center, St. Paul-Ramsey Medical Center, Minneapolis, Minnesota.

Infections of the Throat

LESTER KARAFIN, M.D., F.A.C.S., B.A.

M.Sc. (UROL)

Professor of Urology, Medical College of Pennsylvania. Chief, Section of Urology, Hospital of the Medical College of Pennsylvania; Attending, Temple University Hospital and St. Christopher's Hospital for Children, Philadelphia, Pennsylvania.

Pyuria

IRVIN A. KAUFMAN, M.D.

Assistant Adjunct Professor, Department of Pediatrics, University of California San Diego Medical School. Director, Pediatric Education, Children's Hospital and Health Center, San Diego, California.

Genetic Defects of Amino Acid Metabolism and Transport

B. H. KEAN, M.D.

Clinical Professor Emeritus of Tropical Medicine and Public Health, Cornell University Medical

College. Attending Physician, The New York Hospital, New York, New York.
Toxoplasmosis

A. PAUL KELLY, M.D.
Chief and Associate Professor of Dermatology, Assistant Dean of Graduate Medical Education, Charles R. Drew Postgraduate Medical School. Chief of Dermatology and Director of Graduate Medical Education, Martin Luther King, Jr. General Hospital, Los Angeles, California.
Syphilis

A. RICHARD KENDALL, M.D., F.A.C.S., B.A.
Professor of Urology, Temple University School of Medicine. Attending Urologist, Temple University Hospital and St. Christopher's Hospital for Children, Philadelphia, Pennsylvania.
Pyuria

SIDNEY KIBRICK, M.D., Ph.D.
Professor of Pediatrics and Microbiology and Associate Professor of Medicine, Boston University School of Medicine. Visiting Physician for Pediatrics, Boston City Hospital; Consultant in Infectious Diseases, the Children's Hospital Medical Center, Boston, Massachusetts.
Coxsackie and Echo Viral Infections

JOSEPH H. KIEFER, M.D.
Professor Emeritus of Urology, University of Illinois Abraham Lincoln School of Medicine. Emeritus Staff, University of Illinois, St. Joseph, and Augustana Hospitals, Chicago, Illinois.
Urinary Infections

JAMES KIERAN, M.D.
Clinical Professor of Medicine, University of California School of Medicine, San Francisco, California.
Pulmonary Emphysema

THOMAS W. KIERNAN, M.D.
Clinical Assistant Professor of Medicine, College of Medicine and Dentistry of New Jersey - New Jersey Medical School. Chief, Liver and Nutrition Section, Medical Service, Veterans Administration Medical Center, East Orange; Associate Attending Physician, College Hospital, Newark, New Jersey.
Cirrhosis of the Liver

ANNE C. KIMBALL, Ph.D.
Associate Professor of Microbiology (Retired), Cornell University Medical College, New York, New York.
Toxoplasmosis

MICHAEL W. KIMBALL, M.D., F.A.C.G.
Clinical Instructor, Department of Medicine, University of California San Diego School of Medicine. Senior Staff Gastroenterologist, Scripps Memorial Hospitals, La Jolla and Encinitas, California.
Diverticular Disease of the Colon

DAVID W. KINNE, M.D.
Assistant Professor of Surgery, Cornell University Medical College. Associate Attending Surgeon, Chief, Breast Service, Memorial Hospital, New York, New York.
Breast Lesions

DAVID G. KLINE, M.D.
Professor and Head of Neurosurgery, Louisiana State University School of Medicine. Staff, Charity, Ochsner Foundation, Southern Baptist, and Hotel Dieu Hospitals and Touro Infirmary, New Orleans, Louisiana.
Acute Bacterial Meningitis

DIANE M. KOMP, M.D.
Professor of Pediatrics, Yale University School of Medicine. Staff, Yale-New Haven Hospital, New Haven, Connecticut.
Histiocytosis X

RICHARD A. KOPHER, M.D.
Instructor, Obstetrics and Gynecology, University of Minnesota School of Medicine. Staff, University of Minnesota Hospitals, Minneapolis, Minnesota.
Pregnancy

OKSANA M. KORZENIOWSKI, M.D.
Associate Professor of Internal Medicine, Medical College of Pennsylvania. Attending, Infectious Diseases, Hospital of the Medical College of Pennsylvania and Veterans Administration Hospital, Philadelphia, Pennsylvania.
Infective Endocarditis

FREDERICK KOSTER, M.D.
Assistant Professor of Medicine, Johns Hopkins University School of Medicine. Staff Physician, Baltimore City Hospital, Baltimore, Maryland.
Bacillary Dysentery

D. DHODANAND KOWLESSAR, M.D.
Professor of Medicine, Director, Division of Gastroenterology, Jefferson Medical College, Thomas Jefferson University, Philadelphia, Pennsylvania.
Celiac Disease

GREGORY B. KROHEL, M.D.
Assistant Professor of Ophthalmology and Neurology, Albany Medical College of Union University. Attending Neuro-ophthalmologist, Albany Medical Center Hospital and Veterans Administration Medical Center, Albany, New York.
Optic Neuritis

KENNETH A. KROPP, M.D.
Professor of Surgery/Urology and Chairman, Division of Urology, Medical College of Ohio at Toledo, Toledo, Ohio.
Neoplasms and Cystic Disease of the Kidney

JOHN E. KURNICK, M.D., F.A.C.P.
Associate Clinical Professor of Medicine (Hematology/Oncology), University of California Irvine School of Medicine, Irvine, California.
Polycythemia Vera

JOHN F. KURTZKE, M.D.

Professor of Neurology and Community Medicine, Georgetown University School of Medicine. Chief of Neurology Service, Veterans Administration Medical Center, Washington, D.C.

Multiple Sclerosis

MONTAGUE LANE, M.D.

Professor of Pharmacology and Medicine, Baylor College of Medicine. Attending, Methodist Hospital and Ben Taub Hospital; Consultant, Veterans Administration Hospital, Houston, Texas.

Carcinoid Tumor and Carcinoid Syndrome

PAUL R. LEBERMAN, M.D.

Professor Emeritus of Urology, University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania.

Prostatitis

KENNETH K. LEE, M.D.

Assistant Clinical Professor, University of California Davis School of Medicine, Davis, California. Full-time Staff, Section of Infectious Diseases, Department of Internal Medicine, Kaiser Hospital, Sacramento, California.

Actinomycosis

JOHN M. LEEDOM, M.D.

Hastings Professor of Medicine, University of Southern California Los Angeles School of Medicine. Head, Division of Infectious Diseases and Chief, First Medical Division, Los Angeles County, Los Angeles, California.

Poliomyelitis

GLEN A. LEHMAN, M.D.

Assistant Professor of Medicine, Indiana University School of Medicine. Attending Gastroenterologist, Indiana University, Wishard Memorial, and Veterans Administration Hospitals, Indianapolis, Indiana.

Tumors of the Small Intestine

THOMAS J. A. LEHMAN, M.D.

Head, Pediatric Rheumatology Branch, Naval Regional Medical Center. Consultant, Rheumatology, Childrens Hospital and Health Center, San Diego, California.

Juvenile Rheumatoid Arthritis

A. MARTIN LERNER, M.D.

Professor of Medicine, Chief, Division of Infectious Diseases, Wayne State University School of Medicine. Chief, Hutzel Hospital Medical Unit, Detroit, Michigan.

Septicemia

ERWIN LEVIN, M.A., M.D.

Assistant Clinical Professor in Medicine, Case Western Reserve University. Associate Physician, Mt. Sinai Hospital; Associate Visiting Physician, Cleveland Metropolitan Hospital; Consultant in Gastroenterology, Deaconess and Womens Hospitals, Cleveland, Ohio.

Gastrointestinal Bleeding

RICHARD P. LEWIS, M.D.

Professor of Medicine, Director, Division of Cardiology, Ohio State University College of Medicine. Attending Cardiologist and Director, Division of Cardiology, Ohio State University Hospitals, Columbus, Ohio.

Syncope

ROBERT D. LIBKE, M.D.

Assistant Clinical Professor of Medicine, University of California San Francisco School of Medicine. Assistant Chief of Medicine, Director of Infectious Disease, Valley Medical Center, Fresno, California.

Coccidioidomycosis

JOHN LINDENBAUM, M.D.

Professor of Medicine, Columbia University College of Physicians and Surgeons, Chief, Hematology, Harlem Hospital Center; Attending Physician, Columbia-Presbyterian Medical Center, New York, New York.

Pernicious Anemia and Other Megaloblastic Anemias

STEPHEN L. LISTON, F.R.A.C.S., F.R.C.S.

Assistant Professor of Otolaryngology, University of Minnesota. Staff, United and Childrens Hospitals, Bethesda Hospital, St. Paul, Minnesota.

Disorders of the Paranasal Sinuses

LINDA C. LONEY, M.D.

Instructor in Pediatrics, Washington University School of Medicine. Staff Pediatrician, St. Louis Children's Hospital, St. Louis, Missouri.

Nephrotic Syndrome

DONALD B. LOURIA, M.D.

Professor and Chairman, Department of Preventive Medicine and Community Health, College of Medicine and Dentistry of New Jersey - New Jersey Medical School, Newark, New Jersey.

Histoplasmosis

EDWARD C. LYNCH, M.D.

Professor of Medicine, Baylor College of Medicine. Attending Physician, The Methodist, Ben Taub General, and Houston Veterans Administration Hospitals, Houston, Texas.

Acquired Hemolytic Anemia

JOSEPH M. MALIN, JR., M.D.

Attending Urologist, Kadlec, Kennewick, and Our Lady of Lourdes Hospitals, Tri-Cities, Washington.

Acute Renal Failure

THOMAS C. MALVAR, M.D.

Assistant Clinical Professor, University of Illinois Abraham Lincoln School of Medicine. Assistant Clinical Professor, University of Illinois Hospital; Attending, St. Joseph and Augustana Hospitals; Consulting, West Side Veterans Administration Hospital; Associate Attending, St. Mary of Nazareth Hospital, Chicago, Illinois.

Urinary Infections

RICHARD A. MARCUCCI, M.D.

Associate Professor of Medicine, Loyola University Stritch School of Medicine. Staff, Veterans Administration Hospital, Hines, and Foster G. McGaw Hospital of Loyola University, Maywood, Illinois.

Bronchiectasis

S. MICHAEL MARCY, M.D.

Associate Clinical Professor of Pediatrics, University of Southern California School of Medicine. Consultant, Children's Hospital, Los Angeles; Staff Pediatrician, Kaiser Foundation Hospital, Panorama City, California.

Mumps

ROBERT L. MARTUZA, M.D.

Assistant in Neurosurgery, Massachusetts General Hospital, Harvard Medical School, Boston, Massachusetts.

Intracranial Neoplasms

ELMO F. MASUCCI, M.D.

Assistant Professor of Neurology, Georgetown University School of Medicine. Assistant Chief of Neurology, Veterans Administration Center, Washington, D.C.

Idiopathic Polyneuropathy

KENNETH L. MATTOX, M.D.

Associate Professor of Surgery, Baylor College of Medicine. Deputy Chief of Surgery and Director of Emergency Surgical Services, Ben Taub General Hospital, Houston, Texas.

Vascular Disease of the Mesentery

WILLIAM L. MCGUFFIN, JR., M.D.

Assistant Professor of Medicine, University of Texas Health Science Center, Houston. Attending Nephrologist, Herman Hospital, Houston, Texas.

Pyelonephritis

DONALD M. MCLEAN, M.D., F.R.C.P.(C)

Professor of Medical Microbiology, University of British Columbia. Consultant in Microbiology, University of British Columbia Health Sciences Centre Hospital, and Children's, St. Paul's, Shaughnessy, and Vancouver General Hospitals, Vancouver, British Columbia, Canada.

Aseptic Arthritis and Viral Meningitis

WILLIAM F. McMANUS, M.D., LTC, MC

Chief, Clinical Division, U.S. Army Institute of Surgical Research, Brooke Army Medical Center, Ft. Sam Houston, Texas.

Peritonitis and Intra-Abdominal Infection

GEORGE R. McSWAIN, M.D.

Attending Surgeon, Manatee Memorial and Blake Memorial Hospitals, Bradenton, Florida.

Acute and Chronic Pancreatitis

NANCY B. McWILLIAMS, M.D.

Associate Professor of Pediatrics, Medical College of Virginia. Consultant Pediatric Hematologist, St.

Mary's, Chippenham, and Richmond Memorial Hospitals, Richmond, Virginia.

Leukocytosis and Leukemoid Reaction

JERRY R. MENDELL, M.D.

Professor of Medicine, Ohio State University College of Medicine. Attending Neurologist, Ohio State University Hospitals and Children's Hospital, Columbus, Ohio.

Anterior Horn Cell Disease of Infancy and Childhood and the Progressive Muscular Dystrophies

FRANK J. MENOLASCINO, M.D.

Professor of Psychiatry and Pediatrics, University of Nebraska College of Medicine. Staff, University of Nebraska Hospital and Clinic and Nebraska Psychiatric Institute, Omaha, Nebraska.

Down's Syndrome

AARON E. MILLER, M.D.

Assistant Professor of Neurology, Albert Einstein College of Medicine. Attending Neurologist, Hospital of the Albert Einstein College of Medicine and Bronx Municipal Hospital Center, Bronx, New York.

Diseases of the Central Myelin (Other than Multiple Sclerosis)

DANIEL R. MISHELL, JR., M.D.

Professor and Chairman, Department of Obstetrics and Gynecology, University of Southern California School of Medicine. Staff, Women's Hospital, Los Angeles County-USC Medical Center, Los Angeles, California.

Functional Menstrual Disorders

GILLES R. G. MONIF, M.D.

Associate Professor of Obstetrics and Gynecology, University of Florida College of Medicine. Director, Laboratory of Infectious Diseases, Gainesville, Florida.

Rubella

M. BRITTAIN MOORE, JR., M.D.

Dermatologist, Watson Clinic; Consultant Staff, Lakeland General Hospital, Lakeland, Florida.

Chancroid

WILLIAM L. MOORE, JR., M.D., COL, MC

Professor of Medicine, Medical College of Georgia. Assistant Chief, Department of Medicine, Dwight David Eisenhower Army Medical Center, Ft. Gordon, Georgia.

Rickettsial Disease

KENNETH M. MOSER, M.D.

Professor of Medicine, University of California, San Diego School of Medicine. Director, Pulmonary Division, University of California San Diego, San Diego, California.

Pulmonary Embolism and Infarction

ARNOLD M. MOSES, M.D.

Professor of Medicine, State University of New York Upstate Medical Center College of Medicine.
