ANNUAL CONGRESS

HELD IN EDINBURGH

ON

13TH TO 15TH APRIL, 1966

President: SIR STEWART DUKE-ELDER,
G.C.V.O., M.D., F.R.C.P., F.R.C.S., F.R.S.

13TH APRIL, 10 A.M.

ADDRESS OF WELCOME

The PRESIDENT said:

It is with the greatest of pleasure that in the second and last year of my Presidency I welcome you all to Scotland for our annual meeting; and by all I mean not only my colleagues from these islands but those most welcome visitors from thirteen different countries beyond the seas, several of them from Europe and others from as far apart as Canada and the U.S.A. on the one hand, and Australia and New Zealand on the other. Many of them are our old friends; others are new acquaintances whom we are delighted to meet.

I am the ninth Scottish President of this Society and although some of you will dub me an *émigré* and a traitor, it is always with the greatest of delight that I come home again. Although I am the ninth, this is only the fourth Congress that has taken
