The term European Pharmacopoeia, used without qualification, means the fifth edition of the European Pharmacopoeia comprising, unless otherwise stated, the main volume, published in 2004 as amended by any subsequent supplements and revisions.

Patents In this Pharmacopoeia certain drugs and preparations have been included notwithstanding the existence of actual or potential patent rights. In so far as such substances are protected by Letters Patent their inclusion in this Pharmacopoeia neither conveys, nor implies, licence to manufacture.
