PUBLISHERS' ANNOUNCEMENT

Continuation Volume G is the Digest's seventh permanent continuation volume. It contains digests of cases from 1984 to 1985 supplementary to those in the main volumes published to date.

The continuation volume can be used as a casebook in its own right. To this end it contains a Table of Cases at the front. Alternatively it can be used in conjunction with the latest Cumulative Supplement throughout which reference is made to it where appropriate.

An entry in the Supplement noting a case contained in this continuation volume states: "See Continuation Volume G."
