ABC's of the HUMAN MIND

A FAMILY ANSWER BOOK

ABC's of the HUMAN MIND

EDITOR: Alma E. Guinness

ART EDITORS: Penny L. Howard, Henrietta Stern

CHIEF RESEARCH EDITOR: Eileen Einfrank

ASSOCIATE EDITORS: Don Earnest, Barbara C. Loos

ART ASSOCIATE: Nancy Mace

RESEARCH EDITOR: Christine Morgan

RESEARCH ASSOCIATE: Barbara Guarino

ASSISTANT EDITOR: David Diefendorf

LIBRARY RESEARCH: Nettie Seaberry

EDITORIAL ASSISTANT: Jean Ryan

CONTRIBUTORS

ASSOCIATE PROJECT EDITOR: Edmund H. Harvey, Jr.

CONTRIBUTING EDITOR/WRITER: Jozefa Stuart

WRITERS: Harriet Brown, Peter Burchard,
David Caras, Rita Christopher, Thomas Christopher,
Kate Ernst, Marjorie Flory, Charles Flowers, Sandy Fritz,
James I. Killgore, Myron H. Marks, Margaret Moore,
Wendy Murphy, Donald Pfarrer, Thomas L. Robinson,
Nancy Wartik, Joseph F. Wilkinson

PRODUCTION COORDINATOR: Tracey Grant-Starker

PICTURE RESEARCHER: Mary Leverty

RESEARCHERS: Josephine Reidy, Joan Tedeschi,
Kate J. Weiner

PROOFREADER: Karen Homan

INDEXER: Sydney Wolfe Cohen

EDITORIAL INTERN: Melanie Williams

CONSULTANTS

CHIEF CONSULTANT: Herbert H. Krauss, Ph.D.,
Professor of Psychology, Hunter College, CUNY

SPECIALIST CONSULTANTS: Martin Wilner, M.D., Instructor in
Psychiatry, Cornell University Medical College

Murk-Hein Heinemann, M.D., Associate Professor of
Ophthalmology, Cornell University Medical College

Helen E. Fisher, Ph.D., Department of Anthropology,
American Museum of Natural History

Donald Mender, M.D., Founder of
Neuropsychiatric Service, Payne Whitney Clinic

Patrick R. Bradley-Moore, M.D., M.R.C.P., D.M.R.D.,
Researcher in Nuclear Medicine,
Medical Director, Bronx Medical Clinic

READER'S DIGEST GENERAL BOOKS

EDITOR IN CHIEF: John A. Pope, Jr.

MANAGING EDITOR: Jane Polley

ART DIRECTOR: David Trooper

GROUP EDITORS: Will Bradbury, Norman B. Mack,
Susan J. Wernert, Evelyn Bauer (Art), Joel Musler (Art)

CHIEF OF RESEARCH: Monica Borrowman

COPY CHIEF: Edward W. Atkinson

PICTURE EDITOR: Robert J. Woodward

RIGHTS AND PERMISSIONS: Pat Colombar

HEAD LIBRARIAN: Jo Manning

Contents

PART I

The Mysterious Human Mind

The Art and Science of Psychology

How did psychology begin?	18
Is psychology really a science?	18
What lies ahead for psychology?	19

Deciding What Is Normal

How do we know what's normal and what isn't?	20
Is religion fundamental to human nature?	20
Is psychotherapy ever in conflict with religion?	21

Stories from the Unconscious

What is myth?	22
How can myths shape our minds?	22
Why did psychologists draw on ancient myths to explain the development of mental illness?	23
How are myths and legends related to the societies that created them?	23

Of Heroes and Quests

Do myths become obsolete?	24
Do fairy tales have the same psychological value as myths?	24
What about women's myths?	24
Are myths ever destructive?	24

CLASSIC CASE: The King Who

Lived in a World of Dreams	25
----------------------------------	----

Modern Views of Men and Women

How much have ideas of proper roles for men and women really changed from times past?	26
Are friends of the same sex important to male and female psychological development?	26
Aren't men and women similar in many ways?	27

The Ways We Have Changed

How has television changed the way we look at the world?	28
Can the new ways of listening to music affect the brain?	28
Does television have a special effect on children?	29

The Human Face of War

Have people always fought each other?	30
Has war changed?	30
Can war cause mental illness?	30

Alone in the Crowd

Is alienation a common problem?	32
Are alienated people always loners?	32
Do certain economic or social conditions tend to produce alienated people?	32
Do people feel more alienated today than in the past?	32
Can alienation be cured?	33
What's the difference between alienation and solitude?	33

From Horror to Compassion

What were the early treatments for mental illness?	34
When did being crazy stop being a crime?	34
Who brought order to mental disorder?	35

Probing for Understanding

How does psychotherapy affect a person's sense of self?	36
Can a hypnotist make you do something immoral?	36
Are some people more easily hypnotized than others?	36

CLASSIC CASE: "Anna O" and the

Birth of Psychoanalysis	37
-------------------------------	----

Questions of Degree

How do psychologists, psychiatrists, and psychoanalysts differ?	38
What are the signs of mental illness?	38
What's the difference between neurosis and psychosis?	39
Should people try to rid themselves of guilt?	39

Can people be their own psychotherapists?	39
---	----

Classifying Mental Disorders

The Ins and Outs of Therapy

What is Freudian therapy?	42
What happens in psychoanalysis?	42
Can you be trained to be mentally healthy?	43
How can you tell when therapy is working?	43

The Fearful World of Schizophrenia

What is schizophrenia?	44
Who gets schizophrenia?	44
What causes schizophrenia?	44
What are the early signs of this severe illness?	44
How is schizophrenia treated?	45

Doing the Right Thing

Is it ethical to use untested drugs or techniques on human beings?	46
Is it ethical to mislead people about an experiment in which they are asked to take part?	46
Does fraud often go undetected in psychological research?	47

The Puzzle of Criminal Behavior

Are all criminals psychologically disturbed?	48
What is a psychopath?	48
Are criminals born or made?	48
What motivates a mob to act violently?	48
Why do people sometimes fail to help when they should?	49

Freud's famous couch, page 41.

The Manipulators

- What's the difference between propaganda and brainwashing? 50
- Can populations be controlled by mind-altering drugs? 50
- What is the Stockholm syndrome? 50
- CLASSIC CASE:** The Cult Leader Who Became a Messenger of Death..... 51

Mind Over Matter

- Can we use modern knowledge about the brain to improve our own well-being? 52
- What is meditation? 52
- Is meditation therapeutic? 52
- Does the New Age movement relate to psychology? 53
- Can magic rituals cure mental or physical ailments? 53
- Can witch doctors really kill people by black magic? 53

Roots of Superstition

- What is superstition? 54
- What makes people superstitious? 54
- Why is 13 thought to be unlucky? 55
- Are superstitions ever based on fact?.. 55
- Do superstitions ever help? 55

Belief in Controlling Forces

- Do the stars and planets influence human life? 56
- How well do astrological signs predict personality? 56
- Why is astrology so popular? 56
- Are there benefits to astrology? 56
- Is there a psychological risk to predictions? 57

From ESP to UFO

- Can extrasensory phenomena really be used to detect or influence distant events? 58
- Why are so many people convinced that extrasensory perception is genuine? 58
- Is there any validity to psychics' claims that they can predict the future? 58
- How can we explain eyewitness accounts of UFO's and extraterrestrial beings? 59

PART II

The Geography of the Brain

Our Great Advantage: The Cerebral Cortex

- What is unique about the human brain? 62
- Why are some parts of the brain called reptilian and mammalian? 62
- What is consciousness? 63

Crucial Events in Development

- How does development of the brain begin? 64
- When does the fetal brain begin to look like a brain? 64
- When do we have the most brain cells? . 64
- Why are babies commonly born headfirst? 65

Constantly Changing Networks

- What kinds of brain cells are there and what do they do? 66
- Why do we need "nerve glue"? 66
- What is gray matter? 67
- How do nerve cells communicate? 67
- Can neurotransmitters fail? 67

New Ways of Seeing the Brain

- How do scientists see the brain at work? 68
- What effect does aging have on the brain? 68
- Are the brains of men and women really different? 69

Balance of Left and Right

- Why is the brain divided in two? 70
- Is each hemisphere really an independent brain? 70
- What makes you right-handed or left-handed? 70
- What is it like being a leftie in a right-handed world? 71

- Can some people do things equally well with either hand? 71

The Interacting Hemispheres

- What are the specialized abilities of the brain's two hemispheres? 72
- Is one hemisphere dominant? 72
- Does each lobe have a special function? 72
- How do the lobes work together? 73

Tracking Specific Functions

- Where are the speech centers? 74
- What happens when the frontal lobes are injured? 74
- What is meant by the neglect syndrome? 74
- Why isn't the face familiar? 74
- What is the source of *déjà vu*? 74
- CLASSIC CASE:** The Man With a Shattered World 75

The "Brain of the Brain"

- How does the brain manage the inner body? 76
- How does the endocrine system work? . 76
- Can you feel hormones being released? 76
- What does the brain have to do with growth? 76
- What causes gigantism and dwarfism? 77

Biological Cycles and Clocks

- What are biological rhythms? 78
- What does it matter if people have different cycles? 78
- What do round-the-clock sleeping and compulsive eating have in common? 78
- Can being hit on the head kill interest in sex? 78
- Is the hypothalamus the boss of the body? 79

The Body's Thermostat

- What does the brain have to do with temperature? 80
- How does a fever affect the brain's control of temperature? 80
- Does the brain help the body adjust to long-term exposure to a very cold climate? 80

CLASSIC CASE: The Baffling	
Symptoms of King George III.....	81

Food for Thought

What does the brain use for food?.....	82
Does the brain need a balanced diet?.....	82
What is the blood-brain barrier?.....	82
Is there an appetite control center in the brain?.....	83
Does the brain control thirst?.....	83
Would young children seek a proper diet without adult supervision?.....	83
Can a lack of vitamins drive you crazy?.....	83

Our Emotional Switchboard

Is the heart the seat of emotions?.....	84
Does the limbic system control our behavior?.....	84
What if something goes wrong in the limbic system?.....	84

Nerves: Extensions of the Brain

What does the nervous system do?.....	86
Do we have more than one nervous system?.....	86
Does our nervous system need us?.....	87
How do you pick up a pencil?.....	87
Can the conscious brain override the commands of the autonomic nervous system?.....	87

Action, Reaction, Equilibrium

Can nerves calm us?.....	88
Does the spinal cord think?.....	88
What happens when the spinal cord is injured?.....	88
What is the most sensitive part of the body?.....	88

CLASSIC CASE: Stephen Hawking's	
Triumph of the Mind.....	89

The Subjective Nature of Pain

What is pain?.....	90
How do we react to pain?.....	90
Are there different kinds of pain?.....	90
How do we feel pain?.....	90
Is there a pain center in the brain?.....	90
Is psychosomatic pain real or imagined?.....	91
What is the gate-control theory of pain?.....	91

The Scourge of Chronic Pain

What causes chronic pain?.....	92
How do people cope with chronic pain?.....	92
How is pain suppressed?.....	93
What do analgesics do?.....	93
How do anesthetics work?.....	93

From Tension Headache to Migraine

How does tension cause headaches?.....	94
What is intracranial pain?.....	94
What is a migraine headache?.....	94
What causes migraine attacks?.....	94
Who gets migraine headaches?.....	95
What starts a migraine headache?.....	95
Are migraine headaches curable?.....	95

Tracing the Patterns of Sleep

Does the brain sleep?.....	96
Why is some sleep paradoxical?.....	96
Are NREM and REM sleep really so different?.....	96
Why do we need sleep?.....	97
How does the body go to sleep?.....	97

When the Need for Sleep Changes

How much sleep do we need?.....	98
Is sleep our natural state?.....	98
Does the need for sleep change with age?.....	99
What happens when sleep and work are at odds?.....	99

Of Sleepwalking and Insomnia

Why do people sleepwalk?.....	100
Should you wake a sleepwalker?.....	100
Is it true that some sleepers must wake up to breathe?.....	100
Do some people fall asleep without warning?.....	100
Why do some people have trouble sleeping?.....	101
Do sleeping pills help insomnia?.....	101

Fascinating Dream Worlds

What are dreams?.....	102
Why do I have trouble remembering my dreams?.....	102
Can you control your dreams?.....	102
Why keep a dream diary?.....	103
Can dreams really produce great ideas and inspired solutions?.....	103

Riddles from the Unconscious

When are we most likely to have nightmares?.....	104
Can dreams foretell the future?.....	105
Do blind people see images in their dreams?.....	105

The Brain-Computer Comparison

Is the comparison between the brain and computer valid?.....	106
Is a computer better organized than a brain is?.....	106
How does computerized artificial intelligence compare with our brains?.....	107
Can a computer learn from experience as we do?.....	107

The Intrinsic Superiority of the Brain

Can computers help us to understand our brains?.....	108
Why don't computers always win when playing chess?.....	108
Will knowledge about how the brain works help scientists develop better computers?.....	108
Why is the brain better able to fix itself than a computer?.....	109
How do emotions fit into thinking?.....	109

PART III

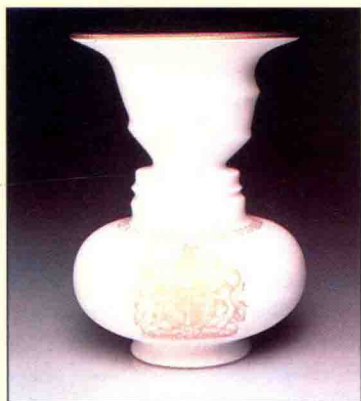

Our Amazing Senses

The Eye of the Beholder

Do people ever see things that aren't there?.....	112
What is the most unusual kind of hallucination?.....	113
Does the average person ever "see things"?.....	113

The Circuitry of Seeing

What makes seeing possible?.....	114
----------------------------------	-----

Vase-profile illusion, page 122.

Patterns, Puzzles, and Deceptions

Is seeing always believing?	122
What is an optical illusion?	122
Are some shapes more likely than others to be confusing?	122
When my train stops, why does the scenery outside seem to move in the opposite direction?	123
How does nature use optical illusions?	123

Exploring Media Magic

How are newspaper photos optical illusions?	124
Does TV affect our vision?	124
Is television an optical illusion?	124
How can movies make the impossible seem so real to us?	125
What are some other favorite illusions of film makers?	125

The World of the Blind

Can people have undamaged eyes yet still be blind?	126
Can stress hurt your vision?	127
Does being blind affect one's personality?	127
Are a blind person's other senses more acute than a sighted person's?	127
What is it like for a person born blind to gain vision later in life?	127
Are there ever drawbacks to having one's sight restored?	127

Making Sense of Sounds

How does the brain tell one sound from another?	128
When do we begin to hear?	128
Why is it pleasurable to listen to music?	129
What's the difference between people who have absolute pitch and those who are tone-deaf?	129
What is the cocktail-party effect?	129

Breaking Through the Silence

Does hearing get worse with age?	130
Is deafness often hereditary?	130
What is the difference between being hard of hearing and being profoundly deaf?	130
How do deaf people cope in a hearing world?	130

Will it ever be possible for the profoundly deaf to hear?	131
---	-----

Our Delicate Balance

How do the ears help us to keep our balance?	132
What causes persistent dizziness?	132
Is the dizziness of astronauts the same as seasickness?	132
Do muscles have a kind of memory?	133
Are some people naturally better coordinated than others?	133

An Unknown Sense of Self

Do people really have a sixth sense?	134
Where is proprioception located in the body?	134
Does this sense of position change with age or illness?	134
CLASSIC CASE: Agnes de Mille's Personal Triumph	135

Getting in Touch

Do people really need to be touched?	136
Why is touch called "the mother of our senses"?	136
Is there a sense of pressure?	137
What sensations other than pressure does touch convey?	137
Why do people react so differently to being tickled?	137
Can touch heal?	137

Signals Real and Imagined

Are some parts of the body more sensitive to touch than others?	138
Why do amputees feel sensation in missing limbs?	138
Can you improve your sense of touch?	139
Why do some people like to be touched more than others?	139
Are there rules for touching?	139

What the Nose Knows

How does the brain perceive odors?	140
Do we actually need a sense of smell?	140
How keen is the nose?	140
Can our sense of smell be heightened or dulled?	141
How many odors can we identify?	141
Do women have a better sense of smell than men?	141

How do we recognize what we are seeing?	114
Do you see the world as it really is?	114
How can you find a white cow in a snowstorm?	114

The Eye's Amazing Receptors

How much light do we need in order to see?	116
How do my eyes adjust to the darkness indoors?	116
Why do you see an object at night more clearly if you don't look directly at it?	116
Can carrots really improve your eyesight?	116
How do we see in color?	117

The Many Dimensions of Color

Why can you sometimes see colors that aren't there?	118
Do we all see the same colors?	118
Can color affect your moods?	118
How do advertisers use color to sell their products?	118
What is color blindness?	119
Is color blindness influenced by your gender?	119

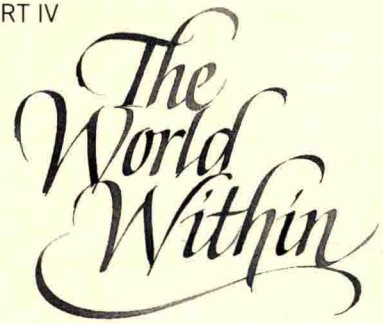

Binocular Vision: Seeing in Depth

Why are two eyes better than one?	120
What's the secret of 3-D pictures?	120
Does everyone see in three dimensions?	120
Are we born with depth perception?	120
Can people with only one eye have depth perception?	121

A Whiff of Experience

Can we become adapted to a smell? . 142
Is it true that odors influence
our behavior?..... 142
Does sickness have a smell?..... 142
Why do smells create some of
our strongest memories?..... 143
What are acquired tastes?..... 143
How keen is the sense of taste? 143

PART IV

In Search of the Human Personality

Is charisma something you
can develop?..... 146
Where in the brain is your personality? 146
Do people with different
personalities have different
brains? 147

The Nature-Nurture Question

Is your personality inherited?..... 148
How early in life does a sense
of self develop? 148
Do personality tests accurately
predict future behavior? 148
Can parents deliberately shape a
child's personality?..... 149

Of Types and Stereotypes

Does your body build influence
your personality?..... 150
Are personality traits really consistent? 150
When are stereotypes harmful?..... 151
Are risk-taking daredevils a
special breed? 151
Does a certain type of personality
guarantee success in life? 151

Your Handwriting: Variable But Unique

Is handwriting analysis a valid tool
for understanding people?..... 152

Does graphology reveal more
than personality tests do? 152
Exactly what is handwriting
supposed to tell about you? 153

In Quest of the Ideal Image

How much does physical
appearance have to do with
your self-esteem? 154
Why do some people overeat? 154
Why do some people starve
themselves? 154
How does our opinion of
ourselves relate to how others
judge our looks?..... 155
Can plastic surgery boost your
self-respect?..... 155

Understanding the Nature of Deficits

Why are some mental defects
called hereditary and others
congenital? 156
Do mentally retarded children
have a special personality?..... 156
Can mentally retarded people be
brilliant?..... 156

CLASSIC CASE: A Boy Called Noah 157

When You Take Evasive Action

What is a defense mechanism?..... 158
Would we be better off without
ego defenses?..... 158
Is a defense mechanism conscious
or unconscious?..... 159
Are some people stress-free? 159

Personality and Health

Can your personality give you a
heart attack? 160
Why are some people more
susceptible to disease
than others? 160
Have other illnesses been linked
to disposition?..... 160
Is narcissism a product of today's
"me-first" society?..... 160
Why do some people check
repeatedly that a door is locked
or the oven turned off? 160

Setting the Stage for Change

Is it better to be an optimist
or a pessimist? 162

If you want to change your
personality, can you do so?..... 162

CLASSIC CASE: Ivan the Terrible:
16th-Century Sociopath 163

Unreasoning Fear

What is a phobia?..... 164
How common are these irrational,
consuming fears? 164
Are some people really afraid
to go outside their doors?..... 164
Is there a link between phobias
and addiction?..... 165
Why do people have
panic reactions?..... 165
Can phobias be conquered?..... 165

Wellsprings of Emotion

What is an emotion?..... 166
How are our emotions aroused?..... 167
Can our minds alone arouse
our emotions?..... 167

What Makes Us Truly Human

How necessary are emotions?..... 168
How many emotions are there? 168
Is it possible to study feelings
scientifically?..... 168
When do emotions begin?..... 169
Is too much or too little emotion a
sign of mental illness?..... 169
How does culture
influence us? 169
Is it harmful to suppress anger?..... 169
Are women more comfortable with
emotions than men are? 169

Spontaneous Reactions

Why do we laugh?..... 170
Are fear and anxiety the same
emotion?..... 171
Why is anxiety hard to control?..... 171
What is free-floating anxiety?..... 171

The Interplay of Mental Faculties

Does thinking physically alter the
human brain? 172
Can thinking be observed?..... 172
What is meant by knowing?..... 172
Where do memories go? 173
Can we think without words?..... 173

Steps in Development

- Why don't we remember before the age of three? 174
- Are children born with the ability to use language? 174
- Do thinking and language develop together? 175
- What memories last the longest? 175

Exercising Your Mind

- Are some people born with a good memory? 176
- How can you improve your memory? 176
- With practice, how much can someone remember? 177

Remembering and Forgetting

- How does your mind choose what to remember? 178
- How durable is long-term memory? ... 178
- Does amnesia erase memories? 178
- What is a photographic memory? 178
- CLASSIC CASE:** The Man With the Indelible Memory 179

Magic Carpets—Yours for the Asking

- How do we learn to read? 180
- Why is reading important? 180
- What can you do if your child can't read? 180
- How does television influence reading? 181

Seeing Things in a New Way

- What is creativity? 182
- Do original ideas begin in daydreams? 182
- Are people with the highest IQ's the most inventive? 182
- Is creativity inheritable? 182

Creativity, page 182.

- What kind of person is creative? 182
- Can you raise a child to be an innovative thinker? 182
- Why is an inventor like a hen? 183

Courting Creativity

- What part of the brain influences a person's creativity? 184
- Are there barriers to creative thinking? 184
- Why is failure good for creativity? 184
- How does one get over writer's block and procrastination? 184

- CLASSIC CASE:** The Courage and Genius of Vincent van Gogh 185

When You're Caught in a Bind

- What is stress? 186
- How does your body respond to stress? 186
- Is stress bad for you? 186
- What are the most stressful of all situations? 186
- Does everyone react to stress in the same way? 186
- How can you cope with taxing situations? 187

Dealing With Depression

- Doesn't everybody get depressed sometimes? 188
- Can depression make you physically ill? 188
- Why do we get depressed? 188
- What's the difference between acute and chronic depression? 188
- What are the early symptoms of a deep clinical depression? 188
- Is there a link between brain chemistry and depression? 189
- What is S.A.D.? 189

The Black Dog of Despair

- Are manic-depressives different from other depressed people? 190
- Is it possible to cure depression? 190
- Does depression strike men, women, and children equally? 190
- Is there a link between creativity and manic depression? 190

- CLASSIC CASE:** The Up-and-Down Life of Josh Logan 191

Suicide: The Agonizing Mystery

- Why do people commit suicide? 192
- Can a severe depression lead to suicide? 192
- Is taking one's own life approved in some societies? 192
- Are certain types of people more inclined to attempt to kill themselves? 192
- What accounts for the rise in suicide among young people? 193
- Are feelings of guilt and anger normal after someone commits suicide? 193

Gamblers, Misers, Spendthrifts

- What's the emotional value of money? 194
- Why are some people cheap? 194
- What do misers have in common with big spenders? 194
- Can shopping be addictive? 194
- When does gambling become a disease? 194
- How can you spot a compulsive gambler? 195

New Light on Bad Habits

- Are cigarettes addictive? 196
- How can you stop smoking? 196
- Does cutting down help? 197
- How does alcohol affect the mind? 197
- Is there a cure for alcoholism? 197
- What if there's a relapse? 197

Alcoholism and the Family

- What makes someone an alcoholic? 198
- Why do some experts say an alcoholic's family needs as much help as the alcoholic? 198
- Is there such a thing as an addictive personality? 198

- CLASSIC CASE:** "Most Alcoholics Are Bankrupt Idealists" 199

The Scourge of Drugs

- Is marijuana addicting? 200
- How does cocaine unbalance the mind? 200
- Can a cocaine addict be cured? 201
- What is crack? 201

False Promises, Deadly Risks	
Why do athletes take steroids?	202
Do steroids affect the emotions?	202
Can prescription drugs be addicting?	202
Does the brain have its own painkillers?	203
Do some illicit drugs act like the body's own painkillers?	203

PART V

The All-Important Family

Our Personal Beginnings	
To what extent does the family shape a child's mind?	206
What exactly is a family?	207
What is more important in shaping our lives, our family environment or our genes?	207

Family Roots and Awareness	
Who's responsible for making family traditions?	208
Is the family crucial to the development of our minds?	208
CLASSIC CASE: The Wild Boy of Aveyron	209

Siblings: Homegrown Rivals	
Does birth order affect a child's development?	210
Does birth order create lifelong stereotypes?	210
What does sibling rivalry mean?	210
Is sibling rivalry inevitable?	210
Should parents treat all children alike?	211
Does sibling rivalry last into adulthood?	211

Early Influences, Lasting Roles	
Is there a best family size?	212
Are there advantages to being a later-born child?	212
What is the role of the baby of the family?	212

Does a one-child family face special challenges?	212
Is it rare for siblings to be close friends all their lives?	212
Can the birth order of a wife and husband affect their marriage?	213

The Private World of Twins	
Why are twins so fascinating?	214
Is there more than one type of twins?	214
If they look the same, are they identical twins?	214
Should parents encourage twins to be different?	215

Science Looks at Identical Pairs	
Do twins share ESP or other special bonds?	216
Do twins make better friends?	216
What have twin studies revealed about human behavior?	216
CLASSIC CASE: Twins Who Found Each Other	217

Forging New Family Ties	
Why are stepparents so often portrayed as cruel and heartless?	218
What myths do stepparents have about their stepchildren?	218
What are children's main fears about their new stepfamily?	218

Is fighting in a marriage always a bad sign?	228
Do couples argue about the same things as their grandparents?	229
How does a marriage counselor approach a failing marriage?	229

The Role of Sex in Marriage	
Do husbands and wives perceive sex differently?	230
Are sexual difficulties signs of deeper marital problems?	230
What causes impotence and similar conditions?	230
Does lack of sexual desire indicate a physical problem?	231
What happens in a marriage encounter group?	231

When Things Are Asked	
Is jealousy dangerous to a marriage?	232
What effect is having an affair likely to have on a marriage?	232
CLASSIC CASE: Men Who Don't Marry	233

Welsh betrothal spoon, page 222.

A New Life Begins

How are a woman's emotions affected during pregnancy?	234
Do men go through their own form of pregnancy?	234
How can parents prepare for childbirth?	234
Is morning sickness real or imagined?	234
Can mothers communicate with their unborn child?	234
Why does a baby cry at birth?	235
Does the stress of birth affect a baby's initial view of the world?	235
What is parent-infant bonding?	235
Why is parent-infant bonding so important?	235
What causes the postpartum "baby blues"?	235

What We Know, When We Know It

What reflex actions is a baby born with?	236
What can newborns see?	236
What can a baby hear?	237
How developed are taste, smell, and touch in a newborn?	237

Little People on the Move

How do motor skills relate to a child's development?	238
When do babies start to develop feelings?	238
When does learning begin?	238
How do children learn speech?	239

Wonderful Discoveries Every Day

Are children naturally curious?	240
How can young children develop such different personalities?	240
Are children born with fears or do they learn them?	241
Can children scare themselves?	241

Playing Is a Child's Job

What is the function of play?	242
Should parents help select their children's friends?	242

How early can a child's IQ be reliably assessed?	243
--	-----

The Basics of Child Development

At what age does socialization begin?	244
When and how is a child's sexual identity formed?	244
How important is discipline?	245
How effective is punishment?	245

When It's Parent Versus Child

When does punishment become abusive?	246
What are the signs of child abuse?	246
Is there treatment for children abused by their family members?	246
CLASSIC CASE: A Mother's Plea	247

The Searching Years of Middle Childhood

Who is the middle-aged child?	248
How does the mind develop in the middle years of childhood?	248
How can I raise my youngster to share my values?	248
Is there a right time for discussing sexuality?	249

The Changed Mind of an Adolescent

When does adolescence begin and how long does it last?	250
Does maturing early or late have a lifelong effect?	250
How does the way children think change around puberty?	250
Does a person's thinking change during the teenage years?	250
How do teenagers' mental changes affect their attitudes about rules and authority?	251
Is there a biological basis for the changes in the way an adolescent's mind works?	251

Teenage Tug-of-War

Is adolescence always emotionally stormy?	252
---	-----

What is a teenage identity crisis?	252
Why are teenagers so susceptible to peer pressure?	252
How important is friendship during the teenage years?	252
How do parents influence their teenager's self-esteem and motivation to succeed?	253
Is girls' motivation to succeed different from boys'?	253

Trials and Individual Choices

Why do teenagers take risks?	254
How much do teenagers need to know about sex?	254
Why is teenage pregnancy on the rise?	254
What can be done to prevent these pregnancies?	255

Edging Into Adulthood

When do we become emotionally mature?	256
Is early adulthood one stage of life or several?	256
How strong is the evidence for stages in adult life?	256
Why is it so hard to pin down stages in adult life?	256
CLASSIC CASE: The Dark Passage of Herman Melville	257

The Family Under Pressure

How common is domestic violence? ..	258
What factors contribute to violence in the home?	258
Why has the number of divorces risen so much in recent decades? ..	258
Does a child's age affect how he or she responds to the parents' divorce?	258
Is joint custody best for young children after divorce?	259

Reappraisal at Mid-life

Do men undergo a predictable mid-life crisis?	260
Does menopause cause psychological problems?	260
Is it difficult for parents to face an "empty nest"?	261
Does having a grown child at home put a strain on parents?	261

Facts and Fallacies About Old Age

How fast is the over-65 population growing?	262
What are some of the myths and realities of old age?	262
Do older people feel isolated and unneeded?	262
How can adult children best help their elderly parents?	263

Time Travelers Among Us

Who are the "old old"?	264
Do men and women react differently to old age?	264
Are the "golden years" really golden?	264

CLASSIC CASE: Being Old Old..... 265

Why Some Are Senile, Some Are Brilliant

How does the brain change with age?	266
What is senility?	266
Is senility ever reversible?	267
Can intelligence improve with age?	267

Talking With Your Doctor

How can you get the best possible care from your doctor?	268
How involved should you be in your medical care?	268
Why is it sometimes so difficult to communicate with doctors?	269
How can patients be better communicators?	269
What about the search for new cures?	269

The Role of Emotions

What makes a person a hypochondriac?	270
Does being ill change your personality?	270
How do doctors react to being patients?	270

CLASSIC CASE: The Road From

Sickness to Health	271
--------------------------	-----

A Patient's View of Hospitals

How can you keep control of your life in a hospital?	272
What small things can make a hospital stay more comfortable?	272
Is a positive, happy attitude really good medicine?	272

What's the best way to help a child who must be hospitalized?	273
Who should decide when it is time to leave the hospital?	273
Do people who push themselves get better faster?	273

Decisions at the End

How has modern medical technology affected our understanding of death?	274
Why is it important to have a definition of death?	274
How can you be sure that your wishes about terminal care will be followed?	275
Do hospitals have unlimited authority in treating mentally incompetent people?	275

New Information About Death

Should people be told when they have a terminal illness?	276
How do most people react emotionally to terminal illness?	276
Can you predict how a person will handle approaching death?	276
How do you talk to a terminally ill person?	277
Can you prepare for your death before it becomes imminent?	277

The Shock of Loss

Is there a normal way of reacting to the death of a loved one?	278
How do you finally recover from grief?	278
Are anger, guilt, and depression normal in bereavement?	278
Can grief make you physically ill?	279
Is it possible to "die of a broken heart"?	279

A Long, Lonely Time

Is it healthier to express grief or hold it in?	280
How can you best console a bereaved person?	280
Are bereaved families helped by seeing the body after death?	280
How long does it usually take to recover from the death of a loved one?	281
How should you tell a child about a death in the family?	281

PART VI

The Outside World

School: A Room Full of Strangers

Why is the first day of school so hard? ..	284
When should a child be taught to read?	284
What is the most important influence upon a child's education?	285
How important is a teacher's expectation of a student?	285

New Parental Concerns

What effect are computers having in the classroom?	286
Should parents intervene when a child is having trouble?	286
What are learning disorders?	286
Is hyperactivity a learning disorder? ..	287
Is there a profile of the dropout?	287

Of Boredom and Bullies

What if a child is bored in school?	288
Why are some children bullies?	288
What's the best way to deal with a bully?	288
Do social pressures to conform affect learning?	288

CLASSIC CASE: An Expert Describes

the Teacher's Task	289
--------------------------	-----

What Intelligence Tests Are All About

Who created the first useful intelligence test?	290
How are intelligence tests scored?	290
How are adult intelligence test scores measured?	290
Why is it hard to design a fair test?	291
Can test anxiety be cured?	291
What different types of tests are available today?	291

Choosing Work That's Right for You

Are teenagers who work better prepared for adult jobs?	292
--	-----

What factors influence a person's choice of a first job?	293
How do you choose the right job?	293
When do most people usually settle down in a job?	293

Pluses and Minuses on the Job

Can your job affect your personality?	294
Does job satisfaction result in better performance?	294
What factors besides money motivate people to work?	294
What makes somebody a good boss?	295

Facing Up to Success or Failure

What are the characteristics of successful people?	296
Do most people like their jobs?	296
Why do some people have a fear of success?	296
What are the psychological effects of being fired?	297

The Special World of Working Women

Are women conditioned not to succeed?	298
What psychological barriers do women face in the workplace?	298
How is a woman's success viewed compared with a man's?	298
How are children affected by working mothers?	299
What are the psychological effects of combining a job with motherhood?	299

Recharging Your Batteries

How important is leisure?	300
What is the healthiest way to approach a vacation?	300
Why do some people find it so difficult to relax?	301
What is the best way to spend leisure time?	301
Does your mind always return from vacation when you do?	301
What if you just can't get away?	301

Charting a New Course

Should older people keep working as long as possible?	302
Do some personality types adjust better to retirement than others? ...	302

What do people fear most about retirement?	302
When should you begin to plan activities or hobbies for your retirement?	303
What are the greatest rewards of retirement?	303

Honing Athletic Skills

Is the mind as important as the body in athletics?	304
What are an athlete's most important senses?	304
Why are the right body moves more mental than physical?	304
How are athletic skills learned?	305
Is a tough sports competitor basically aggressive?	305
Is there such a thing as a born athlete?	305
How important is an athlete's will to win?	305

Mind Over Muscle

Can anybody be a great athlete?	306
How do athletes practice in their minds?	306
What makes visualizing work?	306
CLASSIC CASE: "Sir, You Are the Greatest Athlete in the World"	307

Hitting Your Stride

What causes an athlete to have a hot streak?	308
What causes an athlete to "choke"? ..	308
What is runner's high?	309
What happens if you become addicted to exercise?	309
Can your mind tell you when you've exercised enough?	309

When Emotions Run High

Does anger help athletic performance?	310
Are competitive sports good for children?	310
What happens when a boxer gets punch drunk?	311
Is exercise good for your mind?	311

How We Choose Our Friends

What is friendship?	312
Are first impressions right or wrong? ..	312
Do we actually need friends?	312

Do some people need more friends than others?	313
What qualities are most valued in friendship?	313
Are friendships between women different from those between men?	313

The Importance of Keeping in Touch

How do you maintain a lifelong friendship?	314
Can friendships be unequal?	315
Are there degrees of friendship?	315

Reaching Out to Strangers

What is the "altruistic paradox"?	316
Is selfishness really at the root of altruism?	316
What is empathy?	316
Is caring about others inborn?	316
What makes an altruist?	317

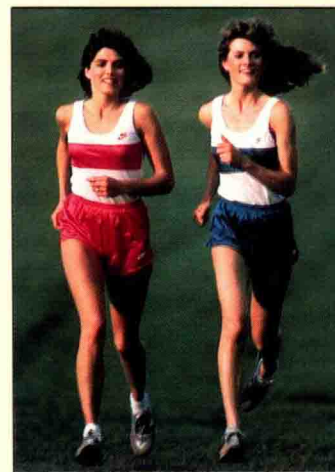

Making a Difference in the Lives of Others

Can altruism go too far?	318
Why do people resent their benefactors?	318
Is helping others good for you?	318
CLASSIC CASE: The Indomitable Spirit of Mother Hale	319
