MAY WE SUGGEST THE CONDENSED VERSION?

To find the best corporate photographers and illustrators in America, you could wade through a sea of zippered portfolios, holding transparencies up to the light as printed samples spill out on the floor around you.

Or you could buy Corporate Showcase 8.

Inside this one creative sourcebook, you'll find 290 professional photographers and illustrators. Artists with styles appropriate to every type of

corporate communication. And unlike those bulky books you have to call in, Corporate Showcase 8 fits neatly on your desk for quick and easy reference.

So buy the condensed version. \$35.00 (paperback) including postage and handling. The only thing you'll miss is the mess.

Corporate Showcase by American Showcase.
