8122 7X078

The Mosby edition is Volume I (*Drug Information for the Health Care Provider*) of the two-volume 1983 USP DI.

Under the Patient Consultation heading of each drug monograph and appearing in other parts of this book, a reference to the Advice for the Patient section is made. This reference refers to Volume II of the USP DI, which is the lay language counterpart of this volume.

TWENTIETH REVISION

*The National
Formulary*

FIFTEENTH EDITION

*By authority of the United States Pharmacopeial Convention, Inc.**Prepared by the Committee of Revision and published by the Board of Trustees*William J. Kinnard, Jr., *Chairman*
USPC Board of TrusteesWilliam M. Heller, *Executive Director, and*
*Chairman, USP Committee of Revision*Lee T. Grady, *Director*
*Drug Standards Division***Official May 1, 1984, except where otherwise noted.****Released March 1, 1984.****Notice**

The texts of The United States Pharmacopeia and The National Formulary are fully copyrighted. Authors and others wishing to use portions of the text should request permission to do so from the Secretary of the USPC Board of Trustees, 12601 Twinbrook Parkway, Rockville, Maryland 20852.

This Supplement comprises revisions and new text pertaining to both USP XX and NF XV, and entries are listed in general in the order in which they occur in the respective compendia. **IMPORTANT**—Save the Third and Fourth Supplements and Addendum *a* to each of them. This Fifth Supplement is not cumulative and does not incorporate the content of previous supplements to USP XX–NF XV, except that it does incorporate the content of all Interim Revision Announcements published since the Fourth Supplement Addendum *a* was issued. Changes and additions listed in the Fifth Supplement are effective from May 1, 1984, except where otherwise noted.
