The Authors

Stefano Grassi, born in Florence on 5 December 1945. Classical studies, followed by a law degree from the University of Florence, with a thesis on constitutional justice under the direction of Professor Paolo Barile. He has taught public law, constitutional law, parliamentary law and regional law at the Universities of Sassari, Cagliari, Pisa and Florence. At present, he is a professor of the Faculty of Law of the University of Florence, where he teaches constitutional law and environmental law. He is member of the scientific committee of *Rivista di diritto costituzionale* (constitutional law review) and the *Gazzetta Ambiente* (environmental law review). He is the

Director of the Observatory of Environmental Protection Legislation (O.Le.A.) of Ceradi-Luiss Guido Carli in Rome. He is also a practising attorney and is a member of the Bar of Florence.

Marcello Cecchetti, born in Rome on 2 May 1965. Classical studies, followed by a degree in law from the University of Florence, with a thesis in tax law. He has been a lecturer in public law, Faculty of Law, University of Florence and is currently a professor in public law at the University of Sassari. He has taught numerous law courses at a post-graduate level and has taught environmental law at the University Luiss Guido Carli in Rome. He is a research coordinator for the Observatory of Environmental Protection Legislation (O.Le.A.) of Ceradi-

Luiss Guido Carli, coordinated by Professor Stefano Grassi. He is also a practising attorney and is a member of the Bar of Florence.

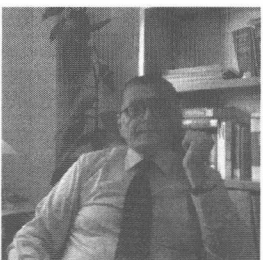

The Authors

Alessandro Andronio, born in Rome on 21 August 1969. Classical studies, followed by a law degree from the University of Florence, with a thesis in philosophy of law. He is a judge of the Court of Cassation, and has obtained a Ph.D from the University of Florence in public law. He was an assistant at the Constitutional Court. He has taught environmental law, and has taught numerous law courses at a post-graduate level.

Antonio Borzì, born in Nocera Terinese (Catanzaro) on 16 January 1976. He has a law degree from the University of Florence, with a thesis on constitutional law. He is a research associate in constitutional law and is an attorney at law. He is a member of the research group for the Observatory of Environmental Protection Legislation (O.Le.A.) of Ceradi – Luiss Guido Carli, coordinated by Professor Stefano Grassi. He received a research grant for constitutional law, and is an official of the Regional Environmental Protection Agency for the Region of Calabria. He has worked with the General Management of the Environmental Department of the Region of Calabria and currently works at the Ministry of the Environment.

Gianni Taddei, born in Rome on 8 April 1955. He pursued classical studies, followed by a law degree from the University of Florence, with a thesis on constitutional law. He is a lecturer on constitutional law and environmental law with the Faculty of Law at the University of Florence. He is also a practicing attorney and is a member of the Bar of Florence.
