AMERICAN SHOWCASE

11

American Photography Showcase Volume 11 once again puts the power of America's most exciting photography at your fingertips – with dramatic location shots, rich color portraits, exciting special effects, and lavish fashion and still life shots – to stimulate your senses and spark your natural creativity.

Inside this issue you'll find:

- More than 1,700 Photographs ... Representing the best and latest work from the country's top talent for hire. Magnificently reproduced on more than 340 giant, full-color art pages.
- Articles by Ad Agency Leaders ... Clever and provocative essays written by creative leaders in the advertising industry, offering new, often unconventional viewpoints on the complex world of communication.
- The Comprehensive "Grey Pages" Telephone Directory... Thousands of updated phone listings and addresses of photographers, graphic designers, representatives, stock photo companies, and other critical support services in the advertising photographic industry.
- A comprehensive list of valuable information – with dozens of names and addresses of associations, clubs, and guilds within the advertising/graphics community.

Enjoy the best of this season's photography:
American Photography Showcase Volume 11:
As a source for talent and inspiration – or as a collection of solutions to your visual problems – this photographic resource is unparalleled.

Complete your advertising library and resource/idea file. Back issues of some American Showcase annuals are still available in limited quantities. For more information, call or write:
