The information contained in this Directory is tabulated as follows:

Department:

1. Name and address of school, including zip code.
2. Area code, and both university and department telephone numbers.
3. Name of department.
4. Accreditation status. (U.S. departments accredited by AIChE are also accredited by ABET.)
5. A.I.Ch.E. Student Chapter, if existing, and advisor.
6. Name of Department Graduate Admissions Officer/Advisor.
7. Tabulation of degrees granted, 1986-87, by level.

Departmental Faculty:

- | | |
|--------------------------|----------------|
| (1) Professor | (4) Instructor |
| (2) Associated Professor | (5) Other |
| (3) Assistant Professor | |

Academic rank varies from country to country; therefore, use the category to indicate what is considered the U.S. equivalent title. (Include Emeritus faculty.)

2. Individual faculty phone numbers & BITNET codes given when possible.
3. Other academic and university titles are noted.
4. Unfilled positions designated by a series of dashes (----).
5. The index of the department faculty appears at the end of Directory.

Department Reports to:

1. Name and title of administration officer to whom the department reports.

Placement Service:

1. Name of placement (or career assistance) service supervisor.
2. Include department BITNET code, if applicable.

OMEGA CHI EPSILON

Omega Chi Epsilon promotes high scholarship, encourages original investigation in all areas of chemical engineering, and recognizes the valuable traits of character, integrity and leadership. The society renders service to the chemical engineering department and its students and fosters meaningful faculty-student dialogue within forty seven chapters.
