# Contributors

## CARLOS ABRAIRA, M.D.

Professor of Medicine, Loyola University of Chicago Stritch School of Medicine, Maywood; Chief, Endocrinology Section, Hines Veterans Administration Hospital, Hines, Illinois  
*Diabetes Mellitus in Adults*

## JONATHAN ABRAMS, M.D.

Professor of Medicine (Cardiology), University of New Mexico School of Medicine, Albuquerque, New Mexico  
*Angina Pectoris*

## GARRETT ADAMS, M.D., M.P.H.

Associate Professor of Pediatrics, University of Louisville School of Medicine; Director, Division of Infectious Diseases, Department of Pediatrics, Kosair-Children's Hospital, Louisville, Kentucky  
*Mumps*

## ANTHONY ALBRIGHT, M.D.

Fellow in Gastroenterology, Ochsner Clinic and Ochsner Foundation Hospital, New Orleans, Louisiana  
*Diverticula of the Alimentary Tract*

## RICHARD M. ALLMAN, M.D.

Director and Associate Professor of Medicine, Division of Gerontology and Geriatric Medicine, University of Alabama at Birmingham; Chief, Geriatrics Section, Birmingham Veterans Affairs Medical Center; Staff Physician, University of Alabama Hospital, Birmingham, Alabama  
*Pressure Ulcers*

## RODNEY U. ANDERSON, M.D.

Professor of Urology, Stanford University School of Medicine, Stanford; Chief of Urology, Santa Clara Valley Medical Center, San Jose, California  
*Prostatitis*

## JOSEPH J. APUZZIO, M.D.

Professor of Obstetrics and Gynecology, New Jersey Medical School; Attending Obstetrician, University Hospital, Newark, New Jersey  
*Chlamydia trachomatis*

## J. ARIZA, M.D.

Assistant Professor, Faculty of Medicine, University of Barcelona; Staff of Infectious Disease Service, Department of Medicine, Hospital de Bellvitge, Barcelona, Spain  
*Brucellosis*

## CAROLA A. S. ARNDT, M.D.

Assistant Professor of Pediatrics, Department of Pediatrics, Mayo Medical School; St. Mary's Hospital, Consultant in Pediatric Hematology and Oncology, Mayo Clinic and Foundation; Attending Physician, St. Mary's Hospital, Rochester, Minnesota  
*Acute Leukemia in Childhood*

## KENNETH A. ARNDT, M.D.

Professor of Dermatology, Harvard Medical School; Dermatologist-in-Chief, Beth Israel Hospital, Boston, Massachusetts  
*Erythema Multiforme, Erythema Nodosum, and the Figurate Erythemas*

## MATT H. BACKER, JR., M.D.

Professor and Chairman, Obstetrics and Gynecology, St. Louis University School of Medicine; Attending Physician, University, St. Mary's, and Deaconess Hospitals, St. Louis, Missouri  
*Vaginal Bleeding in Late Pregnancy*

## ROBERT L. BAEHNER, M.D.

Professor of Pediatrics/Executive Chair, Department of Pediatrics, University of Southern California School of Medicine; Vice President, Medical Affairs, Children's Hospital of Los Angeles, Los Angeles, California  
*Neutropenia*

## H. RANDOLPH BAILEY, M.D.

Clinical Professor of Surgery, University of Texas Medical School at Houston; Chief, Division of Colon and Rectal Surgery, Hermann Hospital; Active Staff, Methodist Hospital and Park Plaza Hospital, Houston, Texas  
*Hemorrhoids, Anal Fissure, and Anorectal Abscess and Fistula*

## STEVEN J. BAILIN, M.D.

Clinical Instructor of Medicine, University of Minnesota Medical School; Staff Physician, University of Minnesota Hospital and Clinics, Minneapolis, Minnesota  
*Tachycardia*

## VICKI V. BAKER, M.D.

Associate Professor, Gynecologic Oncology, University of Cincinnati Medical Center, Cincinnati, Ohio  
*Carcinoma of the Uterine Cervix*

## ROBERT S. BALTIMORE, M.D.

Associate Professor of Pediatrics and of Epidemiology and Public Health, Yale University School of Medicine; Attending Physician in Pediatrics, Yale-New Haven Hospital, New Haven, Connecticut  
*Streptococcal Pharyngitis*

## ROBERT L. BARBIERI, M.D.

Professor and Chairman, Department of Obstetrics-Gynecology, State University of New York at Stony Brook; Chief of Obstetrics and Gynecology and Director, Division of Reproductive Endocrinology, Health Sciences Center, Stony Brook, New York  
*Endometriosis*

## JAMES W. BARD, M.D.

Lexington Clinic, Lexington, Kentucky  
*Pruritus Ani and Vulvae*

**ARIEL L. BARKAN, M.D.**

Associate Professor, University of Michigan Medical School; Attending Physician, University of Michigan Medical Center and Veterans Administration Medical Center, Ann Arbor, Michigan  
*Acromegaly*

**JOHN G. BARTLETT, M.D.**

Professor of Medicine, Johns Hopkins University School of Medicine; Chief, Infectious Diseases Division, Johns Hopkins Hospital, Baltimore, Maryland  
*Bacterial Diseases of the Skin*

**PETER H. BAYLIS, B.Sc., M.D.**

Professor of Experimental Medicine and Clinical Sub-Dean, The Medical School of University of Newcastle Upon Tyne; Consultant Physician, Royal Victoria Infirmary, Newcastle Upon Tyne, United Kingdom  
*Diabetes Insipidus*

**DAVID G. BENDITT, M.D.**

Associate Professor of Medicine, University of Minnesota Medical School; Staff Physician, University of Minnesota Hospital, Minneapolis, Minnesota  
*Tachycardia*

**RICHARD G. BENNETT, M.D.**

Clinical Professor of Medicine (Dermatology), University of Southern California School of Medicine, Los Angeles, California; Staff Physician, Los Angeles County/USC Medical Center, Los Angeles; Staff Physician, Saint John's Hospital and Santa Monica Hospital, Santa Monica, California  
*Melanoma*

**RICHARD S. BERGER, M.D.**

Clinical Professor of Dermatology, University of Medicine and Dentistry of New Jersey, Robert Wood Johnson Medical School; Chief of Dermatology, Robert Wood Johnson University Hospital, New Brunswick, New Jersey  
*Spider Bites and Scorpion Stings*

**E. M. BERKMAN, M.D.**

Professor of Medicine, Tufts University School of Medicine; Medical Director, Transfusion Medicine Services, New England Medical Center Hospitals, Boston, Massachusetts  
*Autoimmune Hemolytic Anemia*

**JONATHAN D. BERMAN, M.D.**

Associate Professor of Pediatrics, Uniformed Services University of the Health Sciences, Bethesda, Maryland; Attending Pediatrician, Walter Reed Army Medical Center, Washington, D.C.  
*Leishmaniasis*

**DAVID B. BERNARD, M.D., F.R.C.P.**

Professor of Medicine, Boston University School of Medicine; Director of Clinical Nephrology, Boston University Medical Center, Boston, Massachusetts  
*Acute Renal Failure*

**JERRY G. BLAIVAS, M.D.**

Professor and Vice-Chairman, Department of Urology, College of Physicians and Surgeons, Columbia University, New York, New York  
*Benign Prostatic Hypertrophy*

**JANICE F. BLAZINA, M.D.**

Assistant Professor, Department of Pathology and School of Allied Medical Professions, The Ohio State University College of Medicine; Director, Transfusion Services, and Director, Paternity Testing Services, Histocompatibility Services, and Therapeutic Apheresis and Phlebotomy Services, Ohio State University Hospitals, Columbus, Ohio  
*Therapeutic Use of Blood Components*

**PETER B. BLOLAND, D.V.M., M.P.V.M.**

Malaria Branch, Centers for Disease Control, Atlanta, Georgia  
*Malaria*

**DAVID A. BLOOM, M.D.**

Associate Professor, Department of Surgery, Section of Urology, University of Michigan; Chief, Pediatric Urology, Mott Children's Hospital, Ann Arbor, Michigan  
*Bacterial Infections of the Urinary Tract in Girls*

**DAVID C. BODENSTEINER, M.D.**

Associate Professor of Medicine, University of Kansas Medical Center, Kansas City, Kansas  
*Vitamin K Deficiency*

**LESLIE V. BOYER HASSEN, M.D.**

Assistant Clinical Lecturer, Pediatrics, and Fellow in Clinical Toxicology, University of Arizona Health Sciences Center, Tucson, Arizona  
*Snake Venom Poisoning*

**ROBERT W. BRADSHAW, JR., M.D.**

Professor of Medicine, University of Arkansas College of Medicine; Director, Division of Infectious Diseases, University of Arkansas for Medical Sciences, Little Rock, Arkansas  
*Blastomycosis*

**SIDNEY S. BRAMAN, M.D.**

Professor of Medicine, Brown University; Director, Pulmonary and Critical Care Medicine, Rhode Island Hospital, Providence, Rhode Island  
*Cough*

**DENISE BRATCHER, D.O.**

Fellow, Division of Infectious Diseases, Children's Hospital Medical Center and The University of Cincinnati, College of Medicine, Cincinnati, Ohio  
*Conjunctivitis*

**DAVID C. BREWSTER, M.D.**

Associate Clinical Professor of Surgery, Harvard Medical School; Visiting Surgeon, Massachusetts General Hospital, Boston, Massachusetts  
*Peripheral Arterial Disease*

**CATHERINE M. BROOME, M.D.**

Assistant Clinical Professor of Medicine, Division of Hematology/Oncology, The George Washington University School of Medicine, Washington, D.C.  
*Hemophilia and Related Conditions*

**PATRICIA BROWN, M.D.**

Fellow, Division of Infectious Disease, Wayne State University Hospitals, Detroit, Michigan  
*Bacterial Infections of the Urinary Tract in Women*

**DANIEL B. BRUBAKER, D.O.**

Associate Professor, College of Pharmacy, Washington State University; CEO and Scientific Director, Spokane and Inland Empire Blood Bank; Attending, Sacred Heart Medical Center, Deaconess Hospital, St. Luke's Hospital, Valley Hospital, and Holy Family Hospital, Spokane, Washington  
*Adverse Effects of Blood Transfusions*

**JOSEPH BRUNI, M.D.**

Department of Medicine (Neurology), University of Toronto and the Wellesley Hospital, Toronto, Ontario, Canada  
*Epilepsy in Adolescents and Adults*

**JON M. BURCH, M.D.**

Associate Professor, Department of Surgery, Baylor College of Medicine; Chief, General Surgery Service, and Attending Surgeon, Ben Taub General Hospital, Houston, Texas  
*Acute Pancreatitis*

**KIM J. BURCHIEL, M.D.**

Professor and Head, Division of Neurosurgery, Oregon Health Sciences University; Attending, Oregon Health Sciences University Hospital, Portland Veterans Administration Medical Center, Kaiser Sunnyside Hospital, Bess Kaiser Hospital, and Portland Shriners' Hospital, Portland, Oregon  
*Trigeminal Neuralgia*

**CHARLES A. BUSH, M.D.**

Professor of Medicine, Ohio State University College of Medicine; Director, Cardiac Catheterization Laboratory, Ohio State University Hospital, Columbus, Ohio  
*Pericarditis*

**WILLIAM W. BUSSE, M.D.**

Professor of Medicine, Allergy/Clinical Immunology, University of Wisconsin School of Medicine, Madison, Wisconsin  
*Asthma in the Adolescent and the Adult*

**RIAD CACHECHO, M.D.**

Assistant Professor of Surgery, Boston University School of Medicine; Staff Surgeon and Associate Director, Surgical Intensive Care Unit, Boston University Hospital and Boston City Hospital, Boston, Massachusetts  
*Thrombophlebitis in Obstetrics and Gynecology*

**CARLOS C. CAMPBELL, M.D., M.P.H.**

Malaria Branch, Centers for Disease Control, Atlanta, Georgia  
*Malaria*

**ROBERT E. CANFIELD, M.D.**

Irving Professor of Medicine and Director, Irving Center for Clinical Research, Department of Medicine, College of Physicians and Surgeons of Columbia University, New York, New York  
*Paget's Disease of Bone*

**THOMAS R. CARACCIO, PHARM.D.,  
D.A.B.A.T.**

Assistant Professor of Emergency Medicine at State University of New York at Stony Brook; Visiting Assistant Professor of Pharmacology and Toxicology at New York College of Osteopathic Medicine, Old Westbury, New York; Assistant Professor of Clinical Pharmacy, St. John's University College of Pharmacy, Jamaica, New York; Assistant Director, Long Island Regional Poison Control Center, Nassau County Medical Center, East Meadow, New York  
*Acute Poisonings*

**CEDRIC J. CARTER, M.B.(Lond.)**

Associate Professor of Pathology, Faculty of Medicine, University of British Columbia; Head, Hematology and Immunohematology, University Hospital, Vancouver, British Columbia, Canada  
*Disseminated Intravascular Coagulation; Thrombotic Thrombocytopenic Purpura and Hemolytic Uremic Syndrome*

**REBECCA J. CASERIO, M.D.**

Clinical Assistant Professor of Dermatology, University of Pittsburgh; Consulting Physician, St. Margaret Memorial Hospital, Pittsburgh, Pennsylvania  
*Hair Disorders*

**JAMES T. CASSIDY, M.D.**

Professor of Child Health, University of Missouri-Columbia School of Medicine, Columbia, Missouri  
*Juvenile Rheumatoid Arthritis*

**ALAN CHAIT, M.D.**

Professor of Medicine, University of Washington; Attending Physician, University of Washington Medical Center and Harborview Medical Center, Seattle, Washington  
*Hyperlipidemia*

**HENRY F. CHAMBERS, M.D.**

Associate Professor of Medicine, Division of Infectious Diseases, University of California, San Francisco, and San Francisco General Hospital, San Francisco, California  
*Infective Endocarditis*

**RICHARD CHAMPLIN, M.D.**

Professor of Medicine, University of Texas—M. D. Anderson Cancer Center, Houston, Texas  
*Aplastic Anemia*

**R. JEFFREY CHANG, M.D.**

Professor and Chairman, Department of Obstetrics and Gynecology, University of California Davis and University of California Davis Medical Center, Sacramento, California  
*Dysmenorrhea*

**DENNIS S. CHARNEY, M.D.**

Professor of Psychiatry, Yale University School of Medicine; Staff, Veterans Administration Medical Center, West Haven, Connecticut  
*Panic Disorder With or Without Agoraphobia*

**P. JOAN CHESNEY, M.D., C.M.**

Professor of Pediatrics, University of Tennessee, Memphis; Medical Staff, Le Bonheur Children's Medical Center; Consulting Staff, The Regional Medical Center at Memphis, Memphis, Tennessee  
*Toxic Shock Syndrome*

**TSU-YI CHUANG, M.D., M.P.H.**

Associate Professor, Wright State University, Dayton, Ohio, and Associate Professor, University of Wisconsin, Madison, Wisconsin  
*Parasitic Diseases of the Skin*

**ROBERT R. CLANCY, M.D.**

Associate Professor of Neurology and Pediatrics of the University of Pennsylvania School of Medicine; Senior Physician, Director of Clinical Neurophysiology, and Co-Director of Pediatric Regional Epilepsy Program, Children's Hospital of Philadelphia, Philadelphia, Pennsylvania  
*Seizure Disorders in Infants and Children*

**WILLIAM R. CLARK, JR., M.D.**

Professor of Surgery, State University of New York Health Science Center at Syracuse; Director, Burn Unit, University Hospital, Health Science Center at Syracuse, Syracuse, New York  
*Burns*

**RAY E. CLOUSE, M.D.**

Associate Professor of Medicine, Washington University School of Medicine; Associate Physician, Barnes Hospital; Consulting Physician, John Cochran Veterans Administration Medical Center and Jewish Hospital, St. Louis, Missouri  
*Dysphagia and Esophageal Obstruction; Irritable Bowel Syndrome*

**THOMAS D. COATES, M.D.**

Assistant Professor of Pediatrics, Division of Hematology-Oncology, University of Southern California, School of Medicine; Staff, Children's Hospital of Los Angeles, Los Angeles, California  
*Neutropenia*

**I. KELMAN COHEN, M.D.**

Professor of Surgery and Chairman, Plastic and Reconstructive Surgery, Medical College of Virginia, Virginia Commonwealth University; Attending, Medical College of Virginia Hospitals, St. Mary's Hospital, and Richmond Eye and Ear Hospital, Richmond, Virginia  
*Keloid and Hypertrophic Scar*

**JAY N. COHN, M.D.**

Professor of Medicine and Head, Cardiovascular Division, Department of Medicine, University of Minnesota Medical School, Minneapolis, Minnesota  
*Congestive Heart Failure*

**NEWTON J. COKER, M.D.**

Associate Professor, Department of Otorhinolaryngology and Communicative Sciences, Baylor College of Medicine; Attending Staff, Methodist Hospital, Veterans Administration Medical Center, and Harris County Hospital District; Courtesy Staff, Texas Children's Hospital, St. Luke's Episcopal Hospital, and Memorial Medical Center, Houston, Texas  
*Meniere's Disease*

**DANIEL COLE, M.D.**

Assistant Professor of Medicine, University of California, Los Angeles, School of Medicine; Director, Gastroenterology Laboratory, St. Joseph Medical Center, Burbank, California  
*Gaseousness and Indigestion*

**GARY W. COLE, M.D.**

Adjunct Associate Professor, Department of Dermatology, California College of Medicine, University of California, Irvine; Chief, Dermatology Service, Veterans Affairs Medical Center, Long Beach, California  
*Viral Diseases of the Skin*

**R. L. COMENZO, M.D.**

Hematology-Oncology Fellow, New England Medical Center, Boston, Massachusetts  
*Autoimmune Hemolytic Anemia*

**REX B. CONN, M.D.**

Professor and Vice Chairman, Department of Pathology and Cell Biology, Jefferson Medical College of Thomas Jefferson University; Director, Clinical Laboratories, Thomas Jefferson University Hospital, Philadelphia, Pennsylvania  
*Laboratory Values of Clinical Importance*

**BEVERLY L. CONNELLY, M.D.**

Assistant Professor of Pediatrics, University of Cincinnati College of Medicine; Staff, Division of Infectious Diseases, Children's Hospital Medical Center, Cincinnati, Ohio  
*Varicella (Chickenpox)*

**BERNARD A. COOPER, M.D.**

Louis Lowenstein Professor of Hematology and Oncology, McGill University; Director, Hematology-Medical Oncology Division, Royal Victoria Hospital, Montreal, Quebec, Canada  
*Pernicious Anemia and Other Megaloblastic Anemias*

**SERGE A. COOPMAN, M.D.**

Fellow, Department of Dermatology, Harvard Medical School; Clinical Fellow, Beth Israel Hospital, Boston, Massachusetts  
*Erythema Multiforme, Erythema Nodosum, and the Figurate Erythemas*

**JOSEPH S. COSELLI, M.D.**

Associate Professor of Surgery, Baylor College of Medicine; Attending Surgeon, The Methodist Hospital, Houston, Texas  
*Acquired Diseases of the Aorta*

**E. STANLEY CRAWFORD, M.D.**

Professor of Surgery, Baylor College of Medicine; Senior Attending Surgeon, The Methodist Hospital, Houston, Texas  
*Acquired Diseases of the Aorta*

**PONCIANO D. CRUZ, JR., M.D.**

Assistant Professor of Dermatology, University of Texas Southwestern Medical Center, Dallas, Texas  
*Sunburn, Photoaging, Skin Cancer, and Photosensitivity*

**JAMES J. CURRAN, M.D.**

Associate Professor of Clinical Medicine, Pritzker School of Medicine, University of Chicago, Chicago; Consultant Rheumatologist, Illinois Valley Community Hospital, Peru; St. Francis Hospital, Blue Island; and Oak Forest Hospital, Oak Forest, Illinois  
*Rheumatoid Arthritis*

**WILLIAM T. DAHMS, M.D.**

Associate Professor of Pediatrics, Case Western Reserve University; Chief, Pediatric Endocrinology and Metabolism, Rainbow Babies' and Children's Hospital, Cleveland, Ohio  
*Diabetes Mellitus in Children and Adolescents*

**SCOTT F. DAVIES, M.D.**

Associate Professor of Medicine, University of Minnesota Medical School; Director, Division of Pulmonary Medicine, Department of Internal Medicine, Hennepin County Medical Center, Minneapolis, Minnesota  
*Histoplasmosis*

**LARRY E. DAVIS, M.D.**

Professor of Neurology and Microbiology, University of New Mexico School of Medicine; Chief, Neurology Service, Albuquerque Veterans Administration Medical Center, Albuquerque, New Mexico  
*Viral Meningitis and Encephalitis*

**NATHAN C. DEAN, M.D.**

Clinical Assistant Professor of Medicine, University of Utah School of Medicine; Staff Department of Medicine, LDS Hospital, Salt Lake City, Utah  
*Acute Respiratory Failure*

**PETER J. DECKERS, M.D.**

Murray-Heilig Professor and Chairman, Department of Surgery, University of Connecticut School of Medicine and Health Center; Surgeon-in-Chief, John Dempsey Hospital of University of Connecticut Health Center, Farmington; Director of Surgery, Hartford Hospital, Hartford; Connecticut  
*Diseases of the Breast*

**RICHARD B. DEVEREUX, M.D.**

Associate Professor of Medicine, Cornell University Medical College; Director, Adult Echocardiography Laboratory, The New York Hospital, New York, New York  
*Mitral Valve Prolapse*

**CHARLES J. DEVINE, JR., M.D.**

Professor of Urology, Eastern Virginia Medical School; Devine Center for Genitourinary Reconstructive Surgery, Sentara Norfolk General Hospital, Children's Hospital of the King's Daughters, Norfolk, Virginia  
*Urethral Stricture*

**SEYMOUR DIAMOND, M.D.**

Adjunct Professor of Pharmacology and Molecular Biology, The Chicago Medical School; Clinical Associate, Department of Medicine, University of Chicago; Attending Staff, Louis A. Weiss Memorial Hospital, Chicago, Illinois  
*Headaches*

**JACOB W. E. DIJKSTRA, M.D.**

Cleveland Clinic Foundation, Cleveland, Ohio  
*Superficial Fungal Infections of the Skin*

**PHILIP C. DON, M.D., Ph.D.**

Assistant Professor, Department of Dermatology, New York Medical College; Chief of Service, Department of Dermatology, Metropolitan Hospital, New York, New York  
*Diseases of the Nails*

**WILLIAM DROEGEMUELLER, M.D.**

Robert A. Ross Distinguished Professor and Chairman, Department of Obstetrics/Gynecology, University of North Carolina School of Medicine, Chapel Hill, North Carolina  
*Pelvic Inflammatory Disease*

**CATHERINE E. DuBEAU, M.D.**

Research Fellow in Geriatrics, Harvard Medical School; Research Fellow in Geriatrics, Brockton/West Roxbury DVA Medical Center, Brigham and Women's Hospital, and Hebrew Rehabilitation Center for Aged, Boston, Massachusetts  
*Urinary Incontinence*

**HERBERT L. DuPONT, M.D.**

Mary W. Kelsey Professor and Director, Center for Infectious Diseases, University of Texas Medical School/School of Public Health; Attending Physician, Internal Medicine, Hermann Hospital and Lyndon B. Johnson General Hospital, Houston, Texas  
*Acute Infectious Diarrhea*

**GARY W. EDELSON, M.D.**

Clinical Assistant Professor, Department of Medicine, Wayne State University Medical School; Attending Physician, Henry Ford Hospital, Detroit, Michigan  
*Hyperparathyroidism and Hypoparathyroidism*

**RICHARD F. EDLICH, M.D., Ph.D.**

Distinguished Professor of Plastic Surgery and Biomedical Engineering, University of Virginia School of Medicine, Charlottesville, Virginia  
*Cold Injuries*

**CORWIN Q. EDWARDS, M.D.**

Professor of Medicine, University of Utah College of Medicine; Medical Director, LDS Hospital, Salt Lake City, Utah  
*Hemochromatosis and Hemosiderosis*

**JOHN D. EDWARDS, M.D.**

Assistant Professor of Surgery, Creighton University; Chief, Section of Vascular Surgery, and Director of Noninvasive Vascular Laboratory, St. Joseph Hospital, Creighton University, Omaha, Nebraska  
*Peripheral Arterial Disease*

**DAVID W. EISELE, M.D.**

Assistant Professor, Department of Otolaryngology—Head and Neck Surgery, The Johns Hopkins University School of Medicine; Attending Physician, The Johns Hopkins Hospital, Baltimore, Maryland  
*Sin usitis*

**GARABED EKNOYAN, M.D.**

Professor of Medicine, Renal Section, Department of Medicine, Baylor College of Medicine; Chief, Renal Section, Ben Taub General Hospital, Houston, Texas  
*Chronic Renal Failure*

**TOM EKSTRAND, M.D.**

Temporary Head, ENT Department, Hudiksrall Hospital, Hudiksrall, Sweden  
*Acute Peripheral Facial Paresis*

**JOHN R. EMMETT, M.D.**

Assistant Clinical Professor, University of Tennessee; Assistant Clinical Professor, University of North Carolina; Staff, Baptist Memorial Hospital, Memphis, Tennessee  
*Tinnitus*

**ALLEN ERENBERG, M.D.**

Professor, Department of Pediatrics, University of Kansas; Chairman, Department of Pediatrics, Kansas University Children's Center, University of Kansas Medical Center, Kansas City, Kansas  
*Care of At-Risk Neonates*

**CHARLES D. ERICSSON, M.D.**

Professor of Medicine, Center for Infectious Diseases, University of Texas Medical School at Houston and School of Public Health; Hospital Epidemiologist and Chairman of Infection Control Committee, Hermann Hospital and Lyndon B. Johnson Hospital, Houston, Texas  
*Granuloma Inguinale (Donovanosis); Lymphogranuloma Venereum*

**SUSAN J. EVANS, M.S.N., P.N.P.**

Pediatric Nurse Practitioner, Pediatric Regional Epilepsy Program, The Children's Hospital of Philadelphia, Philadelphia, Pennsylvania  
*Seizure Disorders in Infants and Children*

**JOHN A. FARMER, M.D.**

Associate Professor of Medicine, Divisions of Atherosclerosis and Cardiology, Baylor College of Medicine; Associate Attending Physician, The Methodist Hospital and Ben Taub General Hospital, Houston, Texas  
*Acute Myocardial Infarction*

**NEIL A. FENSKE, M.D.**

Professor of Dermatology and Pathology, University of South Florida College of Medicine; Chief, Dermatology Section,

James A. Haley Veterans Hospital and H. Lee Moffitt Cancer Center and Research Institute, Tampa, Florida  
*Pruritis (Itching)*

#### DEBRA FERTEL, M.D.

Assistant Professor of Medicine, University of Miami School of Medicine; Staff, University of Miami/Jackson Memorial Hospital/Veterans Administration Hospital, Miami, Florida  
*Primary Lung Abscess*

#### DANIEL B. FISHBEIN, M.D.

Chief, Epidemiology Section, Viral and Rickettsial Zoonoses Branch, Division of Viral and Rickettsial Diseases, Centers for Infectious Diseases, Atlanta, Georgia  
*Q Fever*

#### GERALD F. FLETCHER, M.D.

Professor and Chairman, Department of Rehabilitation Medicine, and Professor of Medicine (Cardiology), Emory University School of Medicine; Medical Director, Emory Health Enhancement Program; Medical Director, Center of Rehabilitation Medicine, Emory University, Atlanta, Georgia  
*Rehabilitation of Patients with Coronary Artery Disease*

#### KENNETH A. FOON, M.D.

Ida M. and Cecil H. Green Cancer Center and Scripps Clinic and Research Foundation, La Jolla, California  
*The Chronic Leukemias*

#### JOSEPH F. FOWLER, JR., M.D.

Assistant Professor, Division of Dermatology, University of Louisville School of Medicine; Staff, Humana Hospital, University of Louisville, Louisville, Kentucky  
*Contact Dermatitis*

#### HARRIS A. FRANKEL, M.D.

Clinical Instructor, University of Nebraska Medical Center; Staff, Nebraska Methodist Hospital, Clarkson Memorial Hospital, and Immanuel Medical Center, Omaha, Nebraska  
*Primary Intracerebral Hemorrhage*

#### ANDREW G. FRANTZ, M.D.

Professor of Medicine, Columbia University, College of Physicians and Surgeons; Attending Physician, Presbyterian Hospital, New York, New York  
*Hyperprolactinemia*

#### WARREN W. FUREY, M.D.

Assistant Professor of Clinical Medicine, Northwestern University Medical School; Attending Physician, Mercy Hospital and Medical Center and Northwestern Memorial Hospital, Chicago, Illinois  
*Hemochromatosis and Hemosiderosis*

#### RICHARD A. GALBRAITH, M.D., PH.D.

Associate Professor, The Rockefeller University; Medical Director, The Rockefeller University Hospital; Adjunct Physician and Associate Professor, The New York Hospital, New York, New York  
*Porphyria*

#### ROBERT P. GALE, M.D., PH.D.

Associate Professor of Medicine, University of California, Los Angeles, School of Medicine; Staff, UCLA Medical Center, Los Angeles, California  
*The Chronic Leukemias*

#### CUTBERTO GARZA, M.D., PH.D.

Professor and Director, Division of Nutritional Sciences, Cornell University, Ithaca, New York  
*Normal Infant Feeding*

#### WILLIAM H. GEERTS, M.D.

Assistant Professor, University of Toronto; Consultant, Respiriology and Clinical Thromboembolism, Sunnybrook Health Science Centre, Toronto, Ontario, Canada  
*Pulmonary Embolism*

#### DAN L. GEHLBACH, M.D.

Reproductive Endocrinology Fellow and Instructor at Johns Hopkins Hospital, Baltimore, Maryland  
*Leiomyomas of the Uterus*

#### ROBERT H. GELBER, M.D.

Clinical Professor, Epidemiology and Biostatistics/Dermatology, University of California, San Francisco, Associate Clinical Professor, Department of Dermatology, Stanford University, Stanford; Staff Physician, Mt. Zion Medical Center of University of California, San Francisco, California  
*Leprosy*

#### LAYNE O. GENTRY, M.D.

Clinical Professor of Internal Medicine and Infectious Diseases, Baylor College of Medicine and University of Texas Medical School, Houston; Chief, Infectious Diseases, St. Luke's Episcopal Hospital, Houston, Texas  
*Osteomyelitis*

#### MICHAEL A. GERBER, M.D.

Associate Professor of Pediatrics, University of Connecticut School of Medicine; Staff, University of Connecticut Health Center, Farmington, Connecticut  
*Rheumatic Fever*

#### KENNETH GERSHMAN, M.D., M.P.H.

EIS Officer, Clinical Research Branch, Division of STD/HIV Prevention, Centers for Disease Control, Atlanta, Georgia  
*Chancroid*

#### HOSSEIN GHARIB, M.D.

Associate Professor of Medicine, Mayo Medical School; Consultant, Division of Endocrinology, Metabolism and Internal Medicine, Mayo Clinic and Mayo Foundation, Rochester, Minnesota  
*Goiter*

#### GERALD S. GILCHRIST, M.D.

Helen C. Levitt Professor and Chairman, Department of Pediatrics, Mayo Medical School; Consultant in Pediatric Hematology and Oncology, Mayo Clinic and Foundation, Rochester, Minnesota  
*Acute Leukemia in Childhood*

#### JODY GINSBERG, M.D.

Associate Professor, Department of Medicine, University of Alberta; Active Staff, University of Alberta Hospitals and W. W. Cross Cancer Institute, Edmonton, Alberta, Canada  
*Thyroiditis*

#### W. PAUL GLEZEN, M.D.

Professor and Head, Preventive Medicine Section, Departments of Microbiology and Immunology and Pediatrics, Baylor College of Medicine; Attending Pediatrician, Harris County Hospital District and Ben Taub General Hospital;

Courtesy Staff in Infectious Diseases, Texas Children's Hospital, Houston, Texas  
*Viral and Mycoplasmal Pneumonias*

#### ELI GOLD, M.D.

Professor Emeritus, Pediatrics, University of California, Davis; Clinical Professor of Pediatrics, University of Washington; Attending Physician, Children's Hospital, and Harborview Medical Center, Seattle, Washington  
*Rubella and Congenital Rubella*

#### HARVEY E. GOLDEN, M.D.

Associate Professor of Medicine, Rush Medical College; Senior Attending, Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois  
*Osteoarthritis*

#### DAVID GOLDMINZ, M.D.

Assistant Clinical Professor of Dermatology, College of Physicians and Surgeons of Columbia University; Attending Physician, Columbia Presbyterian Medical Center, New York, New York  
*Nevi*

#### CARMELO GRAFFAGNINO, M.D.

Resident in Neurology, Department of Clinical Neurological Sciences, The University of Western Ontario, University Hospital, London, Ontario, Canada  
*Ischemic Cerebrovascular Disease*

#### SAM D. GRAHAM, JR., M.D.

Associate Professor of Surgery (Urology), Emory University School of Medicine; Chief of Urology, Emory and Veterans Hospital; Staff, Grady Memorial Hospital, Atlanta, Georgia  
*Malignant Tumors of the Urogenital Tract*

#### CLIVE S. GRANT, M.D.

Associate Professor of Surgery, Mayo Medical School; Staff, Rochester Methodist Hospital and St. Mary's Hospital; Head of Section, General and Gastroenterologic Surgery, Mayo Clinic, Rochester, Minnesota  
*Thyroid Cancer*

#### JERRY A. GREEN, M.D.

Assistant Clinical Professor of Medicine, Yale University School of Medicine; Associate Attending Physician, Danbury Hospital, Danbury; Consultant, Yale-New Haven Hospital, New Haven; Consultant, New Milford Hospital, New Milford, Connecticut  
*Lyme Disease*

#### RALPH G. GREENLEE, JR., M.D.

Associate Professor, University of Texas Southwestern Medical Center at Dallas; Chief of Staff, Zale Lipshy University Hospital; Medical Director, Parkland Memorial Hospital, Dallas, Texas  
*Primary Intracerebral Hemorrhage*

#### JOSEPH GREENSHER, M.D.

Professor of Clinical Pediatrics, State University of New York at Stony Brook; Medical Director and Associate Chairman, Department of Pediatrics, Winthrop-University Hospital, Mineola; Associate Director, Poison Control Center, Nassau County Medical Center, East Meadow, New York  
*Acute Poisonings*

#### GEORGE T. GRIFFING, M.D.

Associate Professor of Medicine, Boston University School of Medicine; Staff Member, Section of Endocrinology and Metabolism, University Hospital, Boston, Massachusetts  
*Adrenocortical Insufficiency*

#### DAVID GROB, M.D.

Professor of Medicine, State University of New York Health Science Center at Brooklyn; Director Emeritus, Department of Medicine, Maimonides Medical Center, Brooklyn, New York  
*Myasthenia Gravis*

#### GERALD C. GROGGER, M.D.

Associate Professor of Medicine, College of Medicine, University of Vermont; Attending Staff, Medical Center Hospital of Vermont, Burlington, Vermont  
*Glomerular Disorders*

#### FREDERICK L. GROVER, M.D.

Professor and Chief, Division of Cardiothoracic Surgery, University of Colorado Health Sciences Center; Chief of Surgical Service, Department of Veterans Affairs Medical Center; Attending Surgeon, University Hospital, Denver, Colorado  
*Atelectasis*

#### WILLIAM C. GRUBER, M.D.

Assistant Professor of Pediatrics and Pathology, Vanderbilt University, Nashville, Tennessee  
*Influenza*

#### WM. GRAHAM GUERRIERO, M.D.

Professor of Urology, and Director of Abdominal Transplantation, Baylor College of Medicine; Surgical Director, Kidney Transplantation Program, The Methodist Hospital, Texas Children's Hospital, Houston, Texas  
*Nongonococcal Urethritis*

#### JEFFREY P. GUMPRECHT, M.D.

Clinical Instructor, Mt. Sinai Medical School; Assistant Attending, Mt. Sinai Medical Center, New York, New York  
*Rat-bite Fever*

#### BRIAN F. HABBICK, M.B.

Professor and Head, Department of Community Health and Epidemiology, University of Saskatchewan; Member, Department of Paediatrics, Royal University Hospital, Saskatoon, Saskatchewan, Canada  
*Fever*

#### VLADIMIR HACHINSKI, M.D., D.Sc. (MED)

Professor of Neurology, Richard and Beryl Ivey Professor and Chairman, Department of Clinical Neurological Sciences, The University of Western Ontario; Chief, Department of Neurological Sciences, University Hospital, London, Ontario, Canada  
*Ischemic Cerebrovascular Disease*

#### BÉLA B. HACKMAN, M.D.

Assistant Professor of Medicine (Cardiology), University of Tennessee at Memphis; Staff Cardiologist, Regional Medical Center at Memphis; W. F. Bowld Hospital/UT Medical Center; Veterans Administration Medical Center, Memphis, Tennessee  
*Cardiac Arrest*

**FREDERICK B. HAGEMEISTER, M.D.**

Associate Internist, Associate Professor of Medicine, University of Texas, M.D. Anderson Cancer Center, Houston, Texas  
*Hodgkin's Disease: Chemotherapy*

**PAUL B. HALVERSON, M.D.**

Associate Professor of Medicine, Medical College of Wisconsin, Milwaukee, Wisconsin  
*Hyperuricemia and Gout*

**RICHARD J. HAMILL, M.D.**

Assistant Professor of Medicine and Microbiology and Immunology, Baylor College of Medicine; Associate Chief, Medical Service, and Staff Physician, Infectious Disease Section, Veterans Affairs Medical Center, Houston, Texas  
*Bacteremia*

**JAMES B. HAMMOND, M.D.**

Chief, Division of Gastroenterology, Department of Medicine, University of Health Sciences/Chicago Medical School; Chief, Gastroenterology Section, Veterans Affairs Medical Center, North Chicago, Illinois  
*Cirrhosis*

**STEPHEN B. HANAUER, M.D.**

Associate Professor of Medicine, University of Chicago Medical Center; Staff, University of Chicago Hospital, Chicago, Illinois  
*Ulcerative Colitis*

**C. R. HARMAN, M.D.**

Associate Professor, University of Manitoba; Director, Fetal Assessment Unit, Women's Hospital of the Health Sciences Centre, Winnipeg, Manitoba, Canada  
*Hemolytic Disease of the Fetus and Newborn*

**C. J. HARRISON, M.D.**

Associate Professor, Department of Pediatrics, Division of Infectious Diseases and Department of Medical Microbiology, Creighton University College of Medicine, Omaha, Nebraska  
*Conjunctivitis*

**CAROLINE HASTINGS, M.D.**

Hematology Fellow, Department of Hematology/Oncology, Children's Hospital, Oakland, California  
*Sickle Cell Disease*

**STEPHEN C. HAUSER, M.D.**

Assistant Professor of Medicine, Harvard Medical School; Associate Physician, Brigham and Women's Hospital, Boston, Massachusetts  
*The Malabsorption Syndromes*

**STEPHEN L. HAUSER, M.D.**

Associate Professor, Harvard Medical School; Assistant Neurologist, Massachusetts General Hospital, Boston, Massachusetts  
*Multiple Sclerosis*

**H. BRADFORD HAWLEY, MD.**

Professor of Medicine and Chief, Division of Infectious Diseases, Professor of Microbiology and Immunology, Wright State University School of Medicine; Academic Attending Staff, Miami Valley Hospital; Courtesy Staff, Good Samaritan Hospital and Kettering Medical Center, Dayton, Ohio  
*Rocky Mountain Spotted Fever*

**GAIL HECHT, M.D.**

Assistant Professor of Medicine, University of Illinois at Chicago, Section of Digestive and Liver Diseases; Staff Physician, Westside Veterans Administration Medical Center, Chicago, Illinois  
*Constipation*

**R. PHILLIP HEINE, M.D.**

Instructor/Fellow, Maternal Fetal Medicine, Department of Obstetrics and Gynecology, University of Colorado Health Sciences Center, Denver, Colorado  
*Pelvic Inflammatory Disease*

**J. MICHAEL HENDERSON, M.D.**

Professor of Surgery, Emory University School of Medicine; Assistant Director, Clinical Research Center, Department of Surgery, Emory University Hospital, Atlanta, Georgia  
*Bleeding Esophageal Varices*

**BARBARA L. HERWALDT, M.D., M.P.H.**

Centers for Disease Control, Atlanta, Georgia  
*Amebiasis*

**C. STRATTON HILL, JR., M.D.**

Professor of Medicine, University of Texas M.D. Anderson Cancer Center, Department of Neuro-Oncology, Houston, Texas  
*Pain*

**DAVID R. HILL, M.D.**

Assistant Professor of Medicine, University of Connecticut School of Medicine; Attending Physician, John Dempsey Hospital; Director, International Traveler's Medical Service, University of Connecticut Health Center, Farmington, Connecticut  
*Intestinal Parasites*

**HARVEY N. HIMEL, M.D.**

Assistant Professor of Plastic Surgery, University of Virginia School of Medicine; Director of DeCamp Burn Center, Charlottesville, Virginia  
*Cold Injuries*

**CHESLEY HINES, JR., M.D.**

Clinical Associate Professor, Tulane University School of Medicine and Louisiana State University Medical Center; Staff Gastroenterologist, Ochsner Clinic and Ochsner Foundation Hospital, New Orleans, Louisiana  
*Diverticula of the Alimentary Tract*

**JOHN L. HO, M.D.**

Assistant Professor of Medicine and Molecular Biology and Microbiology, Cornell University Medical College; Assistant Attending Physician at the New York Hospital, New York, New York  
*Tularemia*

**PAMELA JEAN HO, M.B.B.S.**

Fellow, Division of Endocrinology and Metabolism, University of Michigan School of Medicine, Ann Arbor, Michigan  
*Acromegaly*

**MARSHA CLINE HOLLEMAN, M.D., M.P.H.**

Assistant Professor, Department of Family Medicine, Baylor College of Medicine; Active Assistant Physician, Methodist Hospital and St. Luke's Episcopal Hospital; Courtesy Staff, Texas Children's Hospital, Houston, Texas  
*Antepartum Care*

**RICHARD T. HOPPE, M.D.**

Professor, Department of Radiation Oncology, Stanford University, Stanford, California  
*Hodgkin's Disease: Radiation Therapy*

**SANDRA J. HORNING, M.D.**

Associate Professor of Medicine, Stanford University School of Medicine, Stanford, California  
*Non-Hodgkin's Lymphomas*

**PETER M. HORVATH, M.D.**

Assistant Professor, Department of Obstetrics-Gynecology, Albany Medical College; Director, Assisted Reproductive Technologies Program, Albany Medical Center Hospital, Albany, New York  
*Ectopic Pregnancy*

**WARREN B. HOWE, M.D.**

Active Medical Staff, Whidbey General Hospital, Coupeville; Courtesy Staff, Providence Medical Center, Seattle, Washington  
*Common Sports Injuries*

**JENNIFER HOY, M.B.B.S.**

Head, Clinical Research Department, Fairfield Infectious Diseases Hospital, Melbourne, Australia  
*Acute and Chronic Hepatitis*

**PATRICK T. HUNTER II, M.D.**

Clinical Assistant Professor, Division of Urology, Department of Surgery, University of Florida; Active Staff, Shands Teaching Hospital, Humana Luccnac Hospital, Orlando Regional Medical Center, Sondlake Hospital, AMI-Brookwood Hospital, Florida Altamonte Hospital, Florida Orlando Hospital, and Orlando General Hospital, Orlando, Florida  
*Renal Calculi*

**ALLAN K. IZUMI, M.D.**

Professor of Medicine and Chief, Division of Dermatology, John A. Burns School of Medicine; Attending Physician, Queen's Medical Center, St. Francis Hospital, and Kapiolani-Children's Hospital, Honolulu, Hawaii  
*Venous (Stasis) Ulcers*

**IVOR M. D. JACKSON, M.D.**

Professor of Medicine, Director, Division of Endocrinology, Brown University; Physician-in-Charge, Division of Endocrinology, Rhode Island Hospital, Providence, Rhode Island  
*Cushing's Syndrome*

**ALLAN J. JACOBS, M.D.**

Director, Department of Obstetrics and Gynecology, Beth Israel Medical Center, New York, New York  
*Dystrophies and Neoplasms of the Vulva*

**D. GERAINT JAMES, M.D.**

Adjunct Professor of Medicine, Royal Free Hospital School of Medicine, University of London, London, United Kingdom; Adjunct Professor of Medicine, Miami University School of Medicine, Miami, Florida  
*Sarcoidosis*

**THOMAS W. JAMIESON, M.D.**

Commander, Medical Corps, U.S. Navy, Rheumatology Division, Department of Medicine, National Naval Medical Center, Bethesda, Maryland  
*Fibrositis, Bursitis, and Tendinitis*

**JOSEPH JANKOVIC, M.D.**

Professor of Neurology, Baylor College of Medicine; Senior Attending, The Methodist Hospital, Houston, Texas  
*Parkinsonism*

**JAMES W. JEFFERSON, M.D.**

Professor of Psychiatry, University of Wisconsin Medical School; Director, Center for Affective Disorders; Co-Director, Lithium and Obsessive Compulsive Information Centers, University of Wisconsin Hospital and Clinics, Madison, Wisconsin  
*Affective Disorders*

**DAVID H. JOHNSON, M.D.**

Associate Professor of Medicine, Vanderbilt University School of Medicine; Staff, Division of Medical Oncology, Vanderbilt University Hospital, Nashville, Tennessee  
*Primary Lung Cancer*

**JOSEPH L. JORIZZO, M.D.**

Professor and Chairman, Department of Dermatology, Bowman Gray School of Medicine of Wake Forest University; Attending Physician, North Carolina Baptist Hospital and Winston-Salem Veterans Administration Medical Center, Winston-Salem, North Carolina  
*Small Vessel Vasculitis (Necrotizing Venulitis)*

**JOHN M. KANE, M.D.**

Professor of Psychiatry, Albert Einstein College of Medicine, Bronx, New York; Chairman, Department of Psychiatry, Hillside Hospital Division of Long Island Jewish Medical Center, Glen Oaks, New York  
*Schizophrenic Disorders*

**SEWON KANG, M.D.**

Clinical and Research Fellow, Harvard Medical School; Clinical and Research Fellow, Department of Dermatology, Massachusetts General Hospital, Boston, Massachusetts  
*Pigmentary Disorders*

**NORMAN M. KAPLAN, M.D.**

Professor of Internal Medicine, University of Texas Southwestern Medical School; Head, Hypertension Division, Parkland Hospital, Dallas, Texas  
*Hypertension*

**ANDREW KASSIR, M.D.**

Postdoctoral Research Fellow, Department of Surgery, University of California, San Diego, San Diego, California  
*Chronic Pancreatitis*

**WILLIAM E. KEENE, Ph.D., M.P.H.**

Clinical Epidemiologist, Communicable Disease Section, Oregon Health Division, Oregon Department of Human Resources, Portland, Oregon  
*Rabies*

**ARTHUR L. KELLERMANN, M.D., M.P.H.**

Associate Professor and Chief, Division of Emergency Medicine, Department of Internal Medicine, University of Tennessee; Director, Emergency Department, Regional Medical Center at Memphis, Memphis, Tennessee  
*Cardiac Arrest*

**MELANIE S. KENNEDY, M.D.**

Associate Professor, Department of Pathology, The Ohio State University College of Medicine; Attending Staff, The Ohio State University Hospitals, Columbus, Ohio  
*Therapeutic Use of Blood Components*

**JOHN H. KERR, D.M.**

Clinical Lecturer in Anaesthetics, University of Oxford; Consultant Anaesthetist, Oxfordshire Health Authority, Radcliffe Infirmary, Oxford, United Kingdom  
*Tetanus*

**CRAIG M. KESSLER, M.D.**

Professor of Medicine, Division of Hematology/Oncology, George Washington University School of Medicine, Washington, D.C.  
*Hemophilia and Related Conditions*

**WILLIAM R. KEYE, JR., M.D.**

Chief, Division of Reproductive Endocrinology, Department of Obstetrics and Gynecology, Royal Oak, Michigan  
*Premenstrual Syndrome (PMS)*

**DAVID W. KIMMEL, M.D.**

Assistant Professor of Neurology, Mayo Medical School; Consultant, Department of Neurology, Mayo Clinic and Mayo Foundation, Rochester, Minnesota  
*Brain Tumors*

**MICHAEL KLEEREKOPER, M.D.**

Division Head, Bone and Mineral Division, Henry Ford Hospital, Detroit; Clinical Associate Professor, Department of Medicine, University of Michigan Medical School, Ann Arbor, Michigan  
*Hyperparathyroidism and Hypoparathyroidism*

**PAUL KLIGFIELD, M.D.**

Associate Professor of Medicine, Cornell University Medical College; Associate Attending Physician and Director, Cardiac Graphics Laboratory, The New York Hospital, New York, New York  
*Mitral Valve Prolapse*

**MARK W. KLINE, M.D.**

Assistant Professor of Pediatrics, Sections of Infectious Diseases and Allergy/Immunology, Baylor College of Medicine; Attending Physician, Texas Children's Hospital, Houston, Texas  
*Food-borne Illness*

**JAMES P. KNOCH, M.D.**

Professor of Clinical Medicine, University of Texas Health Science Center; Chairman, Department of Internal Medicine, Presbyterian Hospital, Dallas, Texas  
*Disturbances Due to Heat*

**MICHAEL O. KOCH, M.D.**

Assistant Professor of Urology, Vanderbilt Medical School, Chief of Urology, Department of Veterans Affairs Hospital, Nashville, Tennessee  
*Genitourinary Trauma*

**KEITH A. KONKOL, M.D.**

Infectious Disease Fellow, Brooke Army Medical Center, San Antonio, Texas  
*Acute Bacterial Meningitis*

**FREDERICK KOSTER, M.D.**

Professor of Medicine, University of New Mexico School of Medicine; Staff Physician, University of New Mexico Hospitals, Albuquerque, New Mexico  
*Plague*

**JOHN P. KOULOS, M.D.**

Assistant Professor, College of Physicians and Surgeons of Columbia University; Attending Physician, Columbia-Presbyterian Medical Center, New York, New York  
*Cancer of the Endometrium*

**ROGER KURLAN, M.D.**

Associate Professor of Neurology, University of Rochester School of Medicine and Dentistry; Attending Neurologist, Strong Memorial Hospital, Rochester, New York  
*Tourette's Syndrome*

**STEPHEN A. LANDAW, M.D., Ph.D.**

Professor of Medicine, State University of New York Health Science Center; Attending in Medicine and Hematology-Medical Oncology, Veterans Administration Medical Center, University Hospital, and Crouse-Ingvar Memorial Hospital, Syracuse, New York  
*Polycythemia Vera and Other Polycythemic Conditions*

**LEWIS LANDSBERG, M.D.**

Cutter Professor and Chairman, Northwestern University Medical School; Physician-in-Chief, Northwestern Memorial Hospital, Chicago, Illinois  
*Pheochromocytoma*

**N. LE ROY LAPP, M.D.**

Professor, Pulmonary and Critical Care Medicine, West Virginia University Health Sciences Center; Attending Physician, Ruby Memorial Hospital and West Virginia University Hospitals, Morgantown, West Virginia  
*Silicosis*

**FABIENNE LARAQUE, M.D., M.P.H.**

Research Fellow, Cornell University Medical College, New York, New York  
*Tularemia*

**ROBERT A. LARSEN, M.D.**

Assistant Professor of Medicine, University of Southern California; Chief, Communicable Disease In-patient Service, and Director, Exotic Disease Clinic, Los Angeles County Medical Center, Los Angeles, California  
*Coccidioidomycosis*

**DAVID A. LEE, M.D.**

Associate Professor of Ophthalmology, University of California, Los Angeles, School of Medicine and UCLA Medical Center; Chief, Glaucoma Division, Jules Stein Eye Institute, Los Angeles, California  
*Glaucoma*

**EDWARD J. LEE, M.D.**

Associate Professor of Medicine and Oncology, University of Maryland School of Medicine, Baltimore, Maryland  
*Acute Leukemia in Adults*

**VINCENT W. LEE, M.D.**

Visiting Assistant Professor, University of California, Los Angeles, School of Medicine and Jules Stein Eye Institute, Los Angeles, California  
*Glaucoma*

**MICHAEL H. LEHMANN, M.D.**

Associate Professor of Internal Medicine, Wayne State University School of Medicine; Director, Electrophysiology Laboratory, Co-Director, Arrhythmia Service, Harper Hospital, Detroit, Michigan  
*Heart Block*

**MARK J. LEMA, Ph.D., M.D.**

Associate Professor of Anesthesiology, State University of New York at Buffalo, School of Medicine and Biomedical Sciences; Attending Physician, Roswell Park Memorial Institute, Buffalo, New York  
*Obstetric Anesthesia*

**DONALD Y. M. LEUNG, M.D., Ph.D.**

Associate Professor of Pediatrics, University of Colorado Health Sciences Center; Head, Division of Allergy-Immunology, Department of Pediatrics, National Jewish Center for Immunology and Respiratory Medicine, Denver, Colorado  
*Atopic Dermatitis*

**J. LEWTAS, M.D.**

Clinical Associate in Rheumatology, Sunnybrook Health Science Centre, Toronto, Ontario, Canada  
*Ankylosing Spondylitis*

**WILFRED LIEBERTHAL, M.D.**

Associate Professor of Medicine, Boston University School of Medicine; Staff Nephrologist, Boston University Medical Center, Boston, Massachusetts  
*Acute Renal Failure*

**A. H. LITTLE, M.D.**

Associate Professor, University of Toronto; Attending Physician, Sunnybrook Health Science Centre, Toronto, Ontario, Canada  
*Ankylosing Spondylitis*

**RICHARD F. LOCKEY, M.D.**

Professor of Medicine, Pediatrics, and Public Health; Director, Division of Allergy and Immunology, University of South Florida College of Medicine and James A. Haley Veterans Hospital; Attending Physician, Tampa General Hospital, University Community Hospital, and James A. Haley Veterans Hospital, Tampa, Florida  
*Allergic Reactions to Insect Stings*

**LINDA J. LOKYS, M.D.**

Division of Dermatology, Department of Internal Medicine, University of South Florida College of Medicine, Tampa, Florida  
*Pruritus (Itching)*

**CYNTHIA LEE LOPEZ, M.D.**

Assistant Professor, East Carolina Medical School; Staff, Pitt County Community Hospital, Greenville, North Carolina  
*Peripheral Neuropathies*

**MARIA V. LOPEZ-BRESNAHAN, M.D.**

Instructor, Harvard Medical School; Assistant in Neurology, Massachusetts General Hospital, Boston, Massachusetts  
*Multiple Sclerosis*

**C. LAWRENCE LUTCHER, M.D.**

Professor of Medicine and Section Chief, Medical College of Georgia, Augusta, Georgia  
*Iron Deficiency*

**MARK C. MABERRY, M.D.**

Assistant Professor, Department of Obstetrics and Gynecology, University of Texas Southwestern Medical School; Attending Physician, Parkland Memorial Hospital and St. Paul Hospital, Dallas, Texas  
*Vulvovaginitis*

**H. TRENT MACKAY, M.D., M.P.H.**

Assistant Professor of Clinical Obstetrics and Gynecology, University of California Davis School of Medicine, Davis; Attending Physician, University of California Davis Medical Center, Sacramento, California  
*Dysmenorrhea*

**MICHAEL L. MACKNIN, M.D.**

Clinical Associate Professor of Pediatrics, College of Medicine, The Pennsylvania State University, Hershey, Pennsylvania; Head, Section of General Pediatrics, The Cleveland Clinic Foundation, Cleveland, Ohio  
*Otitis Media*

**M. E. MALACHOWSKI, M.D.**

Fellow, Transfusion Medicine Services, Department of Pathology, New England Medical Center Hospitals, Boston, Massachusetts  
*Autoimmune Hemolytic Anemia*

**PAUL MARCOUX, M.D.**

Chief Medical Resident, University of Massachusetts Medical Center, Worcester, Massachusetts  
*Platelet-Mediated Bleeding Disorders*

**MILTON MARKOWITZ, M.D.**

Professor of Pediatrics, University of Connecticut School of Medicine, Farmington, Connecticut  
*Rheumatic Fever*

**BARRY J. MARSHALL, M.D.**

Assistant Professor, University of Virginia School of Medicine and University of Virginia Health Sciences Center, Charlottesville, Virginia  
*Gastritis*

**BRUCE A. MAST, M.D.**

Resident, Surgery, Medical College of Virginia, Virginia Commonwealth University, Richmond, Virginia  
*Keloid and Hypertrophic Scar*

**RICHARD S. MATERSON, M.D.**

Clinical Associate Professor, Baylor College of Medicine, Houston, Texas; Vice-President for Medical Affairs and Medical Director, National Rehabilitation Hospital, Washington, D.C.  
*Rehabilitation of Persons with Stroke*

**C. KENNETH McALLISTER, M.D.**

Chief, Infectious Disease Service, Brooke Army Medical Center; Clinical Professor of Medicine, University of Texas Health Science Center, San Antonio, Texas  
*Acute Bacterial Meningitis; Gonorrhea*

**RICHARD V. MCCLOSKEY, M.D.**

Clinical Professor of Medicine, University of Pennsylvania School of Medicine; Staff, Section of Infectious Diseases, Presbyterian Medical Center, Philadelphia, Pennsylvania  
*Diphtheria*

**JOHN C. McKECHNIE, M.D.**

Clinical Professor, Baylor College of Medicine; Senior Attending, Internal Medicine Service, Director, Teaching Program, Gastroenterology Service, The Methodist Hospital, Houston, Texas  
*Peptic Ulcer Disease*

**CHARLES MCNEILL, D.D.S.**

Clinical Professor and Director, Center for Temporomandibular Disorders and Orofacial Pain, University of California, San Francisco, School of Dentistry, San Francisco, California  
*Temporomandibular Disorders*

**FREDERICK A. MEADORS, M.D.**

Assistant Professor of Surgery, Baylor College of Medicine; Active Staff, The Methodist Hospital and Ben Taub General Hospital, Houston, Texas  
*Acquired Diseases of the Aorta*

**JONATHAN L. MEAKINS, M.D., D.Sc.**

Professor and Chairman, Department of Surgery, McGill University; Surgeon-in-Chief, Royal Victoria Hospital, Montreal, Quebec, Canada  
*Anaerobic and Necrotizing Infections Including Gas Gangrene*

**MARCO K. MICHELSON, M.D.**

Medical Epidemiologist, Parasitic Diseases Branch, Division of Parasitic Diseases, Center for Infectious Diseases, Centers for Disease Control, Atlanta, Georgia  
*Trichinellosis*

**DAVID E. MILLER, M.D., Ph.D.**

Assistant Professor, Department of Obstetrics and Gynecology, University of North Carolina at Chapel Hill, Chapel Hill; Active Staff, Wake Medical Center, Raleigh, North Carolina  
*Postpartum Care*

**JOSEPH I. MILLER, JR., M.D.**

Professor of Cardiothoracic Surgery, Emory University School of Medicine; Chief, Thoracic Surgery, Crawford Long Hospital of Emory University and Piedmont Hospital; Staff Surgeon, Emory University Hospital, Atlanta, Georgia  
*Pleural Effusion and Empyema Thoracis*

**SIMÓN MILSTEIN, M.D.**

Associate Professor of Medicine, University of Minnesota Medical School and University of Minnesota Hospital, Minneapolis, Minnesota  
*Tachycardia*

**ABRAHAM MIRANDA, M.D.**

Instructor, Clinical Medicine, University of Texas Medical School at Houston; Attending Physician, Hermann Hospital and Lyndon B. Johnson Hospital, Houston, Texas  
*Acute Infectious Diarrhea*

**EDITH P. MITCHELL, M.D.**

Associate Professor of Medicine, University of Missouri-Columbia School of Medicine; Attending Physician, University Hospital and Clinics, and Ellis Fischel Cancer Center, Columbia, Missouri  
*Nausea and Vomiting*

**HIROSHI MITSUMOTO, M.D.**

Staff Neurologist and Director, Neuromuscular Disease, Cleveland Clinic, Cleveland, Ohio  
*Peripheral Neuropathies*

**HOWARD C. MOFENSON, M.D.**

Professor of Clinical Pediatrics and Emergency Medicine, State University of New York at Stony Brook; Professor of Pharmacology and Toxicology, New York College of Osteop-

athy, Old Westbury; Professor of Clinical Pharmacy, St. John's University College of Pharmacy, Jamaica; Director, Long Island Regional Poison Control Center, Nassau County Medical Center, Staff, Winthrop University Hospital, Mineola, New York; Medical Director of Long Island Regional Poison Control Center, Nassau County Medical Center, East Meadow, New York  
*Acute Poisonings*

**KENNETH J. MOISE, JR., M.D.**

Associate Professor of Obstetrics and Gynecology, Baylor College of Medicine; Active Staff in Obstetrics and Gynecology, St. Luke's Episcopal Hospital and Ben Taub General Hospital; Courtesy Staff in Obstetrics and Gynecology, The Methodist Hospital and The Women's Hospital, Houston, Texas  
*Abortion*

**EUGENE W. MONROE, M.D.**

Assistant Clinical Professor of Dermatology, Medical College of Wisconsin; Staff, Columbia Hospital, Milwaukee, Wisconsin  
*Urticaria and Angioedema*

**FRANK G. MOODY, M.D.**

Denton A. Cooley Professor and Chairman, Department of Surgery, The University of Texas Medical School at Houston; Chief of Surgery, Hermann Hospital, Houston, Texas  
*Cholecystitis and Cholelithiasis*

**A. R. MOOSSA, M.D.**

Professor and Chairman, Department of Surgery, University of California, San Diego; Surgeon-in-Chief, University of California, San Diego, Medical Center, San Diego, California  
*Chronic Pancreatitis*

**MURRAY D. MORRISON, M.D.**

Professor of Surgery, Division of Otolaryngology, University of British Columbia; Head, Division of Otolaryngology, Vancouver General Hospital, Vancouver, British Columbia, Canada  
*Hoarseness and Laryngitis*

**ONOFRE MUÑOZ, M.D.**

Head Professor of Pediatric Infectious Diseases Training Program, Universidad Nacional Autónoma de México; Children's Hospital, National Medical Center, Mexican Institute of Social Security, México D.F., México  
*Tuberculosis and Other Mycobacterial Infections*

**DAVID P. MYERS, M.D.**

Assistant Professor of Anesthesiology, State University of New York at Buffalo, School of Medicine and Biomedical Sciences; Attending Physician, Roswell Park Memorial Institute, Buffalo, New York  
*Obstetric Anesthesia*

**LINDA M. NAGY, M.D.**

Assistant Professor of Psychiatry, Yale University School of Medicine, New Haven; Staff, Psychiatry Service, Veterans Administration Medical Center, West Haven, Connecticut  
*Panic Disorders With or Without Agoraphobia*

**DAVID G. NATHAN, M.D.**

Robert A. Stranahan Professor of Pediatrics, Harvard Medical School; Physician-in-Chief, Children's Hospital, Boston, Massachusetts  
*Nonimmune Hemolytic Anemia*

**SANTHAT NIVATVONGS, M.D.**

Professor of Surgery, Mayo Medical School; Consultant in Colon and Rectal Surgery, Mayo Clinic, Rochester, Minnesota  
*Tumors of the Colon and Rectum*

**W. JERRY OAKES, M.D.**

Associate Professor of Surgery (Neurosurgery) and Assistant Professor of Pediatrics, Duke University School of Medicine; Pediatric Neurosurgeon, Duke University Medical Center, Durham, North Carolina  
*Acute Head Injuries in Children*

**NANCY F. OLIVIERI, M.D.**

Assistant Professor of Pediatrics, University of Toronto; Director, Haemoglobinopathy Program, Division of Haematology/Oncology, The Hospital for Sick Children, Toronto, Ontario, Canada  
*Thalassemia*

**ELISE A. OLSEN, M.D.**

Assistant Professor of Medicine, Division of Dermatology, Duke University Medical School; Director, Cutaneous T Cell Lymphoma Clinic, and Director, Photopheresis Unit, Duke University Medical Center, Durham, North Carolina  
*Cutaneous T Cell Lymphoma*

**MARK N. OZER, M.D.**

Clinical Professor of Neurology, Georgetown University Medical School; Director, Stroke Program, National Rehabilitation Hospital, Washington, D.C.  
*Rehabilitation of Persons with Stroke*

**RICHARD L. PAGE, M.D.**

Assistant Professor of Medicine, Duke University Medical School; Director, Clinical Electrophysiology Laboratory, Duke University Medical Center, Durham, North Carolina  
*Atrial Fibrillation*

**ROY PATTERSON, M.D.**

Ernest S. Bazley Professor of Medicine, Northwestern University Medical School, Department of Medicine; Chief, Allergy-Immunology Division; Internal Medicine Attending, Northwestern Memorial Hospital, Chicago, Illinois  
*Adverse Reactions to Drugs*

**THOMAS A. E. PLATTS-MILLS, M.D., PH.D.**

Professor of Medicine and Microbiology, University of Virginia Medical School; Head, Division of Allergy and Clinical Immunology, and Co-Director, Allergy-Clinical Immunology Training Program, University of Virginia Medical Center, Charlottesville, Virginia  
*Allergic Rhinitis Caused by Inhalant Factors*

**STUART M. POLLY, M.D.**

Professor, Department of Medicine, College of Medicine, University of Tennessee at Memphis; Medical Director, Regional Medical Center at Memphis, Memphis, Tennessee  
*Relapsing Fever*

**RENÉ G. POLS, M.B.**

Director, National Centre for Education and Training on Addictions, School of Medicine, Flinders University of South Australia; Senior Consultant, Department of Psychiatry, Flinders Medical Centre, Bedford Park, South Australia  
*Alcohol-Related Problems*

**JOHN C. POTTAGE, JR., M.D.**

Assistant Professor of Internal Medicine, Section of Infectious Disease, Rush Medical College; Associate Attending Physician, Rush-Presbyterian-St. Luke's Medical Center, Chicago, Illinois  
*Infectious Mononucleosis*

**ERIC N. PRYSTOWSKY, M.D.**

Consulting Professor of Medicine, Duke University Medical Center, Durham, North Carolina; Director, Clinical Electrophysiology Laboratory, St. Vincent Hospital, Indianapolis, Indiana  
*Atrial Fibrillation*

**CRIS G. PUCKETT, M.D.**

Assistant Professor of Pediatrics, University of Mississippi Medical School; Medical Director, Neonatal Intensive Care Unit, University of Mississippi Medical Center, Jackson, Mississippi  
*Resuscitation of the Newborn*

**GEORGE B. RANKIN, M.D.**

Staff, Cleveland Clinic Foundation, Cleveland, Ohio  
*Crohn's Disease*

**JANET P. REALINI, M.D.**

Clinical Associate Professor, Department of Family Practice, University of Texas Health Science Center at San Antonio; Attending Physician, Medical Center Hospital, San Antonio, Texas  
*Contraception*

**NEIL M. RESNICK, M.D.**

Assistant Professor, Harvard Medical School; Chief of the Gerontology Division and Director of the Continence Center, Brigham and Women's Hospital, Boston, Massachusetts  
*Urinary Incontinence*

**ANDREW RICCI, JR., M.D.**

Assistant Professor of Pathology, University of Connecticut School of Medicine; Surgical Pathologist, Hartford Hospital, Hartford, Connecticut  
*Diseases of the Breast*

**HAL B. RICHESON, M.D.**

Professor, Internal Medicine, and Director, Allergy-Immunology Division, University of Iowa College of Medicine; Staff Member, University of Iowa Hospitals and Clinics; Consultant, Veterans Administration Medical Center, Iowa City, Iowa  
*Hypersensitivity Pneumonitis*

**MICHAEL L. RITCHEY, M.D.**

Assistant Professor, Department of Surgery, Section of Urology, University of Michigan; Attending Physician; Mott Children's Hospital, Ann Arbor, Michigan  
*Bacterial Infections of the Urinary Tract in Girls*
