One step in and you'll be amazed. It's not just the glamorous style of the ebony stained oak floor, Bagatelle nickel door handles and Megaron DRESSOIR Console in white. Cascading from the very top of the building is a stunning crystal chandelier. The circular shape and intricate beading is exquisite.

Dining room

The dining room centre piece is the Sea Break in the Clouds dining table from Paul Glover. The unusual silver finish to the accompanying Asiatides chairs, the grand

white chandeliers and large Sea Mirror from India Mahdavi creates a lavish and luxurious scene. Handmade timber design folding doors open into the living room.

Living room

This treasure trove of design delights is practical as it is beautiful. There's a custom designed fireplace from B&D Design and above, within a striking black mirror screen, is the HD-ready 46 inch TV. The Monpas side tables, impressive Paul Glover circular-tiered coffee table with chrome inlaid bowl contrast perfectly with the soft fabrics of the two large sofas, Assago custom-coloured carpet.

Master bedroom

The calming neutral colour scheme of the house continues into the master bedroom. Overlooking the garden, each furniture piece in this light-filled room is divine. From the king-size platform bed and matching bedside tables to the Credenza Console and Christopher Guy stools with silver wooden legs, there's no compromise in style. Underfoot is the luxurious and beautiful handmade carpet in Banana silk by Rimo. The lighting is particularly striking and includes Vaughan rock table lamps with Carlisle ivory linen shades and on the walls, Kelly Hoppen IPE Cavalli Amanda lights finished in crystal.
