Contributors

JOHN C. BAILAR, III, M.D. Director, Research Service, U.S. Veterans Administration, Washington, D.C.

A. BARRY BELMAN, M.D. Associate in Urology, Northwestern University Medical Center; Active Attending Pediatric Urologist, Children's Memorial Hospital; Adjunct Staff, Passavant Memorial Hospital, Chicago.

WILLIAM H. BOYCE, M.D. Professor and Chairman, Section of Urology, Bowman Gray School of Medicine of Wake Forest University; Attending Urologist, North Carolina Baptist Hospital and Forsyth Memorial Hospital, Winston-Salem.

WILLIAM BRANNAN, M.D. Chairman, Department of Urology, Ochsner Clinic, and Attending Staff Urologist, Ochsner Foundation Hospital; Professor of Clinical Urology, Tulane University; Visiting Surgeon, Charity Hospital, New Orleans; Consultant in Urology, Mobile General Hospital, Alabama.

HERBERT BRENDLER, M.D. Professor and Chairman, Department of Urology, Mount Sinai School of Medicine, and Urologist-in-Chief, Mount Sinai Hospital and City Hospital, Elmhurst, and Bronx Veterans Administration, New York City.

DAVID PEERY BYAR, M.D. Biometry Branch, National Cancer Institute, and Consultant-Statistician, Veterans Administration Cooperative Urological Research Group; Formerly with Genitourinary Pathology Branch, Armed Forces Institute of Pathology.

WILLIAM L. CALDWELL, M.D. Professor of Radiology, and Director, Radiotherapy Center, University of Wisconsin Hospitals, Madison, Wisconsin.

JOHN A. CAMPBELL, Ph.D. Formerly, Assistant Professor of Biomedical Engineering, Presbyterian-St. Luke's Hospital, Chicago. Presently, at Rush Medical College.

C. EUGENE CARLTON, JR., M.D. Associate Professor, Baylor College of Medicine; Associate Chief of Urology, Texas Children's Hospital; Attending Staff, St. Luke's, Methodist, and Ben Taub Hospitals, Houston, Texas.

FRANK E. CECCARELLI, M.D., F.A.C.S., F.A.A.P. (Col., U.S. Army Medical Corps). Chief, Urology Service, Brooke General Hospital, San Antonio, Texas. Formerly, Associate Professor of Urology, University of Hawaii School of Medicine, and Chief, Urology Service, Tripler General Hospital, Honolulu, Hawaii.

ROMEO CHARROIS, M.D., F.R.C.S. (C) Urol. Urologist, Staff of Hôtel-Dieu de Québec, Canada.

CONTRIBUTORS

AVROM ESTIN COMARR, M.D., F.A.C.S., F.I.C.S. Clinical Professor of Surgery (Neurological-Urology), University of Southern California, and Clinical Professor of Urology, Loma Linda University; Chief, Spinal Cord Injury Service, Veterans Administration Hospital, Long Beach; Chief of Urology, Rancho Los Amigos Hospital, Downey; Consultant in Urology, Orthopedic Hospital and Children's Hospital, and Senior Attending in Urology, Los Angeles County-USC Medical Center, Los Angeles, California.

CLAIR EDWARD COX, M.D. Professor of Surgery (Urology), Bowman Gray School of Medicine of Wake Forest University, Winston-Salem, North Carolina. Attending, North Carolina Baptist Hospital.

C. D. CREEVY, M.D., Ph.D. Senior Consultant in Urology, Abbot and Northwestern Hospitals; Professor Emeritus of Surgery and Former Director, Division of Urology, University of Minnesota Medical School, Minneapolis.

DAVID A. CULP, M.D., F.A.C.S. Professor of Urology, University of Iowa College of Medicine; Attending Urologist, University Hospitals, Iowa City.

ROBERT F. DYKHUIZEN, M.D., F.A.C.S. Assistant Clinical Professor of Urology/Surgery, University of California at San Diego; Consultant in Urology, U.S. Naval Hospital and Attending Staff, University, Mercy, and Sharp Hospitals, San Diego, and Paradise Valley Hospital, National City, California.

GARABED EKNOYAN, M.D., F.A.C.P. Associate Professor and Associate Director of Renal Section, Baylor College of Medicine; Chief, Renal Service, Ben Taub General Hospital, Houston, Texas.

RUBIN H. FLOCKS, M.D. Professor and Head, Department of Urology, University of Iowa College of Medicine; Urologist in Chief, University Hospitals, Iowa City.

THOMAS E. GIBSON, M.D., F.A.C.S. Civilian Consultant in Urology, Letterman Army Hospital, Presidio. Formerly, Assistant Clinical Professor of Urology, University of California Medical School and Chief of Urology, Southern Pacific and Saint Joseph's Hospitals, San Francisco, and President, American Board of Urology.

JOSÉ M^a GIL-VERNET, M.D. Professor of Urology, Faculty of Medicine, University of Barcelona; Chief, Urology Service, Clinico Hospital, Barcelona; Visiting Professor of Surgery/Urology, University of California, Los Angeles.

JOHN T. GRAYHACK, M.D. Professor and Chairman, Department of Urology, Northwestern University Medical School; Attending Urologist, Passavant Memorial Hospital, Chicago.

JOHN R. HAND, M.D. Clinical Professor of Urology, University of Oregon Medical School; Attending Urologist, St. Vincent Hospital and University of Oregon Medical School Hospitals and Clinics, Portland, Oregon.

LLOYD H. HARRISON, M.D. Instructor in Surgery (Urology), Bowman Gray School of Medicine of Wake Forest University; Attending Staff, North Carolina Baptist Hospital, Winston-Salem, North Carolina.

CLARENCE B. HEWITT, M.D., F.A.C.S. Staff Urologist, Department of Urology, The Cleveland Clinic Foundation and The Cleveland Clinic Educational Foundation; Attending Staff, Cleveland Clinic Hospital. Formerly, Chief, Urology Service, Walter Reed General Hospital and Urologic Consultant to the Surgeon General, Department of the Army.

CONTRIBUTORS

FRANK HINMAN, M.D. Clinical Professor of Urology, University of California School of Medicine; Chief of Urology, San Francisco General Hospital and Children's Hospital, San Francisco.

CLARENCE V. HODGES, M.D. Professor and Head, Division of Urology, University of Oregon Medical School; Chief, Urology Service, Multnomah County Hospital, Medical School Hospital, Medical School Clinics; Attending Urologist, Veterans Administration Hospital, Portland, Oregon.

NORMAN B. HODGSON, M.D. Clinical Professor and Chairman, Department of Urology, The Medical College of Wisconsin; Attending Staff, Columbia Hospital, Lutheran Hospital, Milwaukee Children's Hospital, Milwaukee County General Hospital, Milwaukee, and Consulting Staff, Veterans Administration Hospital, Woods, Wisconsin.

ROBERT D. JEFFS, M.D., F.R.C.S. (C) Urol. Assistant Professor, University of Toronto Department of Surgery, Division of Urology; Chief, Division of Urology, Department of Surgery, Hospital for Sick Children, Toronto, Canada.

HUGH J. JEWETT, M.D. Professor Emeritus of Urology, Johns Hopkins University School of Medicine; Urologist, Johns Hopkins Hospital, Baltimore, Maryland.

ALLAN R. JURIANZ, M.D., F.R.C.S. (C) Urol. Staff, Division of Urology, Adventist Hospital, Hong Kong.

JOSEPH J. KAUFMAN, M.D., F.A.C.S. Professor of Surgery/Urology and Chief, Division of Urology, UCLA Medical School, Los Angeles; Consultant in Urology, Veterans Administration Hospital, Harbor General Hospital, St. John's Hospital in Santa Monica, and Cedars Sinai Medical Center, Los Angeles.

SALMAN O. KAZMI, M.D. Resident in Urology, Northwestern University Medical Center, Chicago.

LOWELL R. KING, M.D. Professor of Urology, Northwestern University Medical School; Chairman, Division of Urology, Children's Memorial Hospital; Attending Urologist, Passavant Memorial Hospital, Chicago.

WILLIAM S. KISER, M.D. Staff Urologist, Cleveland Clinic Foundation, Cleveland Clinic, Ohio.

JACK LAPIDES, M.D. Professor of Surgery and Head, Section of Urology, University of Michigan Medical School, Ann Arbor Veterans Administration and Wayne County General Hospitals, Ann Arbor and Eloise, Michigan.

JOHN K. LATTIMER, M.D., Sc.D. Professor and Chairman, Department of Urology, Columbia University Medical School; Director, Squier Urological Clinic and Urology Service, Presbyterian Hospital, Babies Hospital, Francis Delafield Hospital; Senior Consultant in Urology, Kingsbridge Veterans Administration Hospital and Harlem Hospital, New York City.

WYLAND F. LEADBETTER, M.D. Clinical Professor of Surgery, Harvard Medical School; Formerly, Chief of Urology, Massachusetts General Hospital.

MANUEL MARTINEZ-MALDONADO, M.D., F.A.C.P. Associate Professor of Medicine and Associate Director of Renal Section, Baylor College of Medicine; Chief, Nephrology Section, Veterans Administration Hospital, Houston, Texas.

CONTRIBUTORS

JOHN H. MCGOVERN, M.D., F.A.C.S. Associate Professor, Clinical Surgery (Urology), Cornell University Medical College; Attending Surgeon (Urology), The New York Hospital; Director, Urology, Lenox Hill Hospital, New York City; Consultant (Urology), Rockefeller Institute, St. Vincent's Hospital, Staten Island, Mercy Hospital, Long Island, White Plains Hospital, Phelps Memorial Hospital, North Tarrytown, U.S. Naval Hospital, St. Albans, New York.

ROBERT O. MORGEN, M.D., F.R.C.P. (C). Associate Professor of Internal Medicine, Baylor College of Medicine; Attending Physician, The Methodist Hospital of Houston, Texas, and Aspen Valley Hospital, Aspen, Colorado. Formerly, Chief of Renal Section, Baylor College of Medicine and Chief of Renal Unit, The Methodist Hospital of Houston.

MOSHE MANY, M.D., Ph.D. (Surg.). Associate Chief, Department of Urology, Tel-Hashomer Hospital, Ramat-Gan, Israel.

ALAN D. PERLMUTTER, M.D. Professor of Urology, Wayne State University School of Medicine; Chief, Department of Pediatric Urology, Children's Hospital of Michigan, Detroit. Formerly, Assistant Professor of Surgery, Harvard Medical School, and Director, Urology Clinic, Children's Hospital Medical Center, Boston.

LESTER PERSKY, M.D. Professor of Urology, Case-Western Reserve University School of Medicine; Chief of Urology, University Hospitals, Metropolitan General Hospital and Veterans Administration Hospital, Cleveland, Ohio.

JAMES M. PIERCE, JR., M.D. Professor and Chairman, Department of Urology, Wayne State University School of Medicine; Chief, Urology Service, Detroit General Hospital and Hutzel Hospital; Attending Urology, Children's Hospital of Michigan, Detroit, and Consultant, Urology, Veterans Administration Hospital, Allen Park, Michigan.

SIR ERIC RICHES, M.C., M.S., F.R.C.S. Emeritus Urological Surgeon, The Middlesex Hospital, and Consultant Urologist, St. Andrews Hospital, London, England.

CHARLES J. ROBSON, M.D., F.R.C.S. (C), F.A.C.S. Associate Professor of Surgery (Urology), and Chairman, Division of Urology, University of Toronto; Head of Urology, Toronto General Hospital; Consultant, Urology, Women's College Hospital, Hospital for Sick Children, and Sunnybrook Hospital, Toronto, Canada.

WILLIAM J. STAUBITZ, M.D. Professor of Surgery and Chairman of Urology, State University of New York; Chairman, Department of Urology, Buffalo General Hospital, Edward J. Meyer Memorial Hospital, and Children's Hospital, Buffalo.

RALPH A. STRAFFON, M.D. Head, Department of Urology, Cleveland Clinic Foundation, Cleveland, Ohio; Staff, Cleveland Clinic Hospital.

WADI N. SUKI, M.D., F.A.C.P. Professor of Medicine and Director, Renal Section, Baylor College of Medicine; Chief, Renal Section, The Methodist Hospital, Houston, Texas.

JOHN SWINNEY, M.D., F.R.C.S. (Eng.). Professor of Urological Surgery, University of Newcastle upon Tyne, and Senior Consultant Urologist, New Castle upon Tyne University Hospitals, England.

IAN M. THOMPSON, M.D. Professor and Chief, Section of Urology, University of Missouri School of Medicine, Columbia, Missouri.

CONTRIBUTORS

RICHARD T. TURNER-WARWICK, D.M. (Oxon), M.Ch., F.R.C.S., M.R.C.P., F.A.C.S. Surgeon in Charge, Department of Urology, The Middlesex Hospital, St. Peter's Hospital, and Royal National Orthopaedic Hospital, London, England.

KRYDER E. VAN BUSKIRK, M.D. (Col., Ret., U.S. Army Medical Corps). Formerly, Commanding Officer, Valley Forge General Hospital, Phoenixville, Pennsylvania. Previously, Chief of Urological Service, Walter Reed General Hospital and Urological Consultant Surgeon General, U.S. Army.

EARL F. WENDEL, M.D. Associate in Urology, Northwestern University Medical School; Attending Urologist, Passavant Memorial Hospital, Chicago, Illinois.

JOHN C. WHITSELL, II, M.D. Clinical Professor of Surgery, Cornell University Medical College; Attending Surgeon, The New York Hospital, New York City.

DAVID INNES WILLIAMS, M.D., M.Ch., F.R.C.S. Dean, Institute of Urology, University of London; Senior Lecturer, Institute of Child Health; Urologist, St. Peter's Hospital and The Hospital for Sick Children, London, England.

CHESTER C. WINTER, M.D. Professor and Director, Division of Urology, Ohio State University Medical Center; Staff, Ohio State University Hospitals, Columbus.

JOHN R. WOODARD, M.D. Associate Professor of Surgery (Urology), Emory University School of Medicine; Chief of Urology, Henrietta Egleston Hospital for Children; Director of Pediatric Urology, Emory University Medical Center; Staff, Emory University Hospital and Grady Memorial Hospital, Atlanta, Georgia.

Preface

Current Controversies in Urologic Management is a volume of essays by noted experts covering controversial areas in the field of urology. It is not intended to have the scope of a textbook. Rather, the editors conceived the book as a forum where authorities may differ with each other concerning the soundest approach to problems in urology that have not been solved by cumulative experience.

Each chapter begins with the Editors' Introduction, which delineates the specific area of controversy. Essays by proponents of two or more approaches follow. Each contributing author describes his plan of management and explains why he prefers it. He may also cover circumstances under which he alters his usual plan. In those chapters where it was thought helpful, editorial commentary attempts to clarify the issue.

The author of each essay was encouraged to be unrestrained in his comments, as the editors consider each to be of sufficient stature to state opinions not substantiated by references. Although an author may refer to the work of others, conclusions based on personal experience were sought.

It is the hope of the editors that this collection of distinguished essays focuses on those important problems of greatest interest to members of the urologic profession and to many non-urologists as well.

RUSSELL SCOTT, JR., M.D.
