# THE POLICE POWER, PUBLIC POLICY AND CONSTITUTIONAL RIGHTS • ERNST FREUND

## Publisher's Note

The book descriptions we ask booksellers to display prominently warn that this is an historic book with numerous typos, missing text or index and is not illustrated.

We scanned this book using character recognition software that includes an automated spell check. Our software is 99 percent accurate if the book is in good condition. However, we do understand that even one percent can be a very annoying number of typos! And sometimes all or part of a page is missing from our copy of a book. Or the paper may be so discolored from age that you can no longer read the type. Please accept our sincere apologies.

After we re-typeset and design a book, the page numbers change so the old index and table of contents no longer work. Therefore, we usually remove them.

Our books sell so few copies that you would have to pay hundreds of dollars to cover the cost of proof reading and fixing the typos, missing text and index. Therefore, whenever possible, we let our customers download a free copy of the original typo-free scanned book. Simply enter the barcode number from the back cover of the paperback in the Free Book form at [www.general-books.net](http://www.general-books.net). You may also qualify for a free trial membership in our book club to download up to four books for free. Simply enter the barcode number from the back cover onto the membership form on the same page. The book club entitles you to select from more than a million books at no additional charge. Simply enter the title or subject onto the search form to find the books.

If you have any questions, could you please be so kind as to consult our Frequently Asked Questions page at [www.general-books.net/faqs.cfm](http://www.general-books.net/faqs.cfm)?
