## Preface

This book is dedicated to the readers in and outside of Europe, who are interested in the subject of *Cross-Border Enforcement of Claims in the EU: History, Present Time and Future*.<sup>1</sup> It has been a pleasure to write this book which hopefully will provide some useful information and guidance.

I would like to thank all persons, not least my colleagues, who have given me inspiration in my work.

In particular, I wish to express my gratitude and appreciation to professor Gunnar Karnell, at the Stockholm School of Economics, for his constructive and stimulating discussions with me. I am grateful to the Stockholm School of Economics which has given me the opportunity to make the legal research resulting in this book.

I also want to express my appreciation to professor Michael Bogdan, at the University of Lund, professor Georges de Leval, professor Patrick Wautelet, and professor Frédéric Georges, at the University of Liège, as well as to professor Konstantinos Kerameus, at the University of Athens, for inspiration of great importance. In addition, a special thanks goes to professor Amparo Grau, at the Complutense University in Madrid, for our fruitful discussions.

I am grateful to my family, my wife Ingela, my son Gustav, and my daughter Sofia, who all of them have supported me throughout my work.
