Dedication

We dedicate *ACT For Dummies*, 5th Edition, to Alison, Andrew, Zachary, Zoe, Dan, Paige, and Ryan. Our family demonstrated patience, understanding, and assistance while we wrote this book, and we're very blessed to have them in our lives.

Authors' Acknowledgments

This book wouldn't be possible without the contributions of Henry Swider, Julia Diamant, Zachary Hatch, and Zoe Hatch, who provided practice test material and helpful input. We also acknowledge the input of the thousands of students who've completed our test-preparation courses over the last 30 years. The classroom and online contributions offered by these eager learners have provided us with lots of information about what areas require the greatest amount of preparation.

Our project organization and attempts at wit were greatly facilitated by the editing professionals at Wiley Publishing. Our thanks go out to Tim Gallan and Chad Sievers for their patience and guidance throughout the process and to Amanda Langferman and Jessica Smith for their attention to detail and helpful suggestions during the editing process.

Finally, we wish to thank our literary agent, Margo Maley Hutchinson, at Waterside Productions in Cardiff for her support and assistance and for introducing us to the innovative *For Dummies* series.

We thrive on feedback from our students and encourage our readers to e-mail their comments and critiques to info@hatchedu.com.
