Assistant Professor of Obstetrics and Gynecology, University of California, Irvine, Associate Medical Director for Perinatology, Women's Hospital, Memorial Medical Center, Long Beach, California

Premature Rupture of Membranes

ALBERT B. GERBIE, M.D.

Professor of Obstetrics and Gynecology, Northwestern University Medical School, Attending Obstetrician and Gynecologist, Prentice Women's Hospital of Northwestern Memorial Hospital, Chief of Obstetrics and Gynecology, Children's Memorial Hospital, Chicago, Illinois

Amniocentesis; Congenital Abnormalities

RONALD S. GIBBS, M.D.

Professor, Obstetrics and Gynecology, University of Texas Health Science Center at San Antonio, San Antonio, Texas

Pelvic Inflammatory Disease

EDWARD A. GRABER, M.D.

Professor, Clinical Obstetrics and Gynecology, Cornell University Medical College, Attending Physician, Obstetrics and Gynecology, New York Hospital-Cornell Medical Center, New York, New York

Mastalgia

A. GERSON GREENBURG, M.D., Ph.D.

Associate Professor of Surgery, University of California, San Diego, School of Medicine, Chief, Surgical Intensive Care

Unit, University of California Medical Center, Staff Physician, Veterans Administration Medical Center, San Diego, California

Ileus

MICHAEL T. GYVES, M.D.

Assistant Professor, Department of Reproductive Biology, Case Western Reserve University, Cleveland, Ohio

Premature Labor

CHARLES B. HAMMOND, M.D.

Professor and Chairman, Department of Obstetrics and Gynecology, Duke University Medical Center, Durham, North Carolina

Anorexia Nervosa

ROBERT H. HAYASHI, M.D.

Associate Professor, Department of Obstetrics and Gynecology, University of Texas Health Science Center at San Antonio, Attending Staff, Medical Center Hospital, Teaching Hospital for the University of Texas, Health Science Center at San Antonio, San Antonio, Texas

Third Trimester Bleeding

DAVID L. HEMSELL, M.D.

Assistant Professor of Obstetrics and Gynecology, University of Texas Medical School, Director, Division of Gynecology, Parkland Memorial Hospital, Obstetrician/Gynecologist, Presbyterian Hospital, St. Paul's Hospital, Dallas, Texas

Female Genital Tuberculosis

WILLIAM N. P. HERBERT, M.D.

Assistant Professor, Department of Obstetrics and Gynecology, School of Medicine, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina

Postpartum Pelvic Hematomas

JOSEPH P. HOLT, JR., M.D., Ph.D.

Assistant Professor of Reproductive Biology, Case Western Reserve University School of Medicine, Attending Obstetrician/Gynecologist, University Hospitals of Cleveland, Cleveland, Ohio

Polycystic Ovary Syndrome

JOHN F. HUDDLESTON, M.D.

Professor of Obstetrics and Gynecology, Director, Division of Maternal and Fetal Medicine, School of Medicine, University of Alabama in Birmingham, Attending Obstetrician/Gynecologist, University Hospital, Children's Hospital, Cooper Green Hospital, Birmingham, Alabama

Intrapartum Fetal Distress; Postterm Pregnancy

ROBERT W. HUFF, M.D.

Professor of Obstetrics and Gynecology and Chief, Division of Obstetrics, University of Texas Medical School at San Antonio, Chief of Obstetrics, Medical Center Hospital, San Antonio, Texas

Dysfunctional Labor; Hypothyroidism; Hyperthyroidism

GORDON K. JIMERSON, M.D.

Clinical Associate Professor, Department of Gynecology and Obstetrics, Oklahoma University Health Science Center, Chairman, Department of Obstetrics and Gynecology, Norman Municipal Hospital, Norman, Oklahoma

Fibrocystic Disease; Breast Mass and Nipple Discharge

GEORGEANNA SEEGAR JONES, M.D.

Professor of Obstetrics and Gynecology, Eastern Virginia Medical School, Medical Staff, Norfolk General Hospital, Norfolk, Virginia

Luteal Phase Defects

HOWARD W. JONES, III, M.D.

Associate Professor and Director of Gynecologic Oncology, Vanderbilt University School of Medicine, Attending Gynecologist, Vanderbilt Hospital, Metropolitan Nashville General Hospital, Nashville, Tennessee

Hydatidiform Mole

NANCY E. JUDGE, M.D.

Assistant Professor, Department of Obstetrics and Gynecology, Case Western Reserve University Medical School, Fellow in Maternal-Fetal Medicine, Cayahoga County Metropolitan General Hospital, Cleveland, Ohio

Drug Abuse; Alcohol Abuse

RAYMOND H. KAUFMAN, M.D.

Ernst Bertner Chairman and Professor, Department of Obstetrics and Gynecology, Professor of Pathology, Baylor College of Medicine, Houston, Texas

Herpes Genitalis; Condyloma Acuminatum

KIRK A. KEEGAN, M.D.

Assistant Professor, University of California, Irvine, California College of Medicine, Irvine, Attending Obstetrician-Gynecologist, University of California, Irvine Medical Center and Saint Joseph's Hospital, Orange, California

Fetal Heart Rate Monitoring

MOON H. KIM, M.D.

Professor and Director, Division of Reproductive Endocrinology and Infertility, Ohio State University College of Medicine, Vice-Chairman, Department of Obstetrics and Gynecology, and Director, Division of Reproductive Endocrinology, University Hospitals, Columbus, Ohio

Asherman's Syndrome

ROBERT W. KISTNER, M.D.

Assistant Professor, Department of Obstetrics and Gynecology, Harvard Medical School, Senior Gynecologist, Brigham and Women's Hospital, Boston, Massachusetts

Endometriosis

OSCAR A. KLETSKY, M.D.

Associate Professor of Obstetrics and Gynecology, University of Southern California School of Medicine, Associate Professor, Women's Hospital, Los Angeles County—University of Southern California Medical Center, Los Angeles, California

Galactorrhea and Hyperprolactinemia

SHELDON B. KORONES, M.D.

Professor of Pediatrics and Obstetrics and Gynecology, University of Tennessee Center for the Health Sciences, Director of Newborn Center, E. H. Crump Women's Hospital and Perinatal Center, President-Elect of Medical Staff, City of Memphis Hospital, Memphis, Tennessee

Hypoglycemia, Hypocalcemia, and Hypomagnesemia

RUSSELL K. LAROS, JR., M.D.

Professor and Vice Chairman, Department of Obstetrics, Gynecology and Reproductive Sciences, University of California, San Francisco, San Francisco, California

Venous Thrombosis

JOHN W. LARSEN, JR., M.D.

Asthma and Rhinitis During Pregnancy

FREDERICK P. ZUSPAN, M.D.

Professor and Chairman, Department of Obstetrics and Gynecology, Ohio State University, Columbus, Ohio

Chronic Hypertension in Pregnancy; Amniotic Fluid Embolism

Preface

This is the second edition of *Current Therapy in Obstetrics and Gynecology*. It remains true to the original precepts set forth by Dr. Conn in *Current Therapy*, short articles with an emphasis on the therapy of specific entities with which the practitioner may have to cope.

In the vast majority of chapters you will find a different author discussing a given disease than appeared in the first edition. This rotation of authors has purpose: to give the readers a spectrum of opinions about any given topic. In some chapters the second edition will stress a different therapy for a given disease than the first edition. This may be due to advances in therapy over the past two years in some situations, while in others it is simply a difference of opinion when two very competent physicians approach the same topic. The readers of the book should be able to differentiate between these two reasons from the opening remarks of the author of each chapter.

Again I am indebted to the many busy people, obstetricians and gynecologists, pediatricians and surgeons and internists, who took their valuable time to write the chapters for this edition. I also want to thank my secretary, Mona Wapner, who spent hours on the telephone getting the chapters in to our office.

EDWARD J. QUILLIGAN

Contents

SECTION 1. OBSTETRICS

Acute Hypertension in Pregnancy	3	Spontaneous and Recurrent Abortion	27
Kenneth J. Leveno and Peggy J. Whalley		Paul G. McDonough	
Chronic Hypertension in Pregnancy	4	Therapeutic Abortion	29
Frederick P. Zuspan		William Benbow Thompson	
Diabetes in Pregnancy	5	Urinary Tract Infection	30
E. Michael Linzey		R. David Miller	
Third Trimester Bleeding	9	Treatment of Herpes Genitalis	32
Robert H. Hayashi		Raymond H. Kaufman	
Breech Presentation	11	Ectopic Pregnancy	34
Joseph V. Collela		E. J. Quilligan	
Intrapartum Fetal Distress	13	Dysfunctional Labor	35
John F. Huddleston		Joseph Seitchik and Robert W. Huff	
Antepartum Fetal Heart Rate Monitoring ...	16	Postterm Pregnancy	39
Kirk A. Keegan		John F. Huddleston	
Premature Rupture of the Membranes	19	Erythroblastosis Fetalis	41
Thomas J. Garite		Frederic D. Frigoletto, Jr.	
Premature Labor	21	Hypothyroidism	43
Irwin R. Merkatz and Michael T. Gyves		Robert W. Huff and Patrick Duff	
Fetal Death Syndrome	24	Hyperthyroidism	45
Roy M. Pitkin		Patrick Duff and Robert W. Huff	

Amniotic Fluid Embolism 49 Frederick P. Zuspan	Immune Thrombocytopenic Purpura 89 Robert Resnik
Venous Thrombosis 50 Russell K. Laros, Jr.	Condyloma Acuminatum 90 Raymond H. Kaufman
Intrauterine Growth Retardation 55 Patricia L. Schmidt	Twin Gestation 90 Joseph V. Collela
The Safe Conduct of Pregnancy in Patients with Rheumatic Heart Disease 57 Thomas J. Benedetti	Fetal Hydrocephaly 92 Frank C. Miller and Marc R. Lebed

Anesthesia for Labor and Delivery 83 Gerard M. Bassell	
Postpartum Hemorrhage 87 Pamela J. Tropper and Roy H. Petrie	

SECTION 2. THE NEWBORN

Immediate Resuscitation of the Newborn Infant	Hyperbilirubinemia of the Neonate
117	125
Walter L. Millar	Leo Stern
Respiratory Distress Syndrome	Seizures in the Neonatal Period
119	130
Michael F. Epstein	Feizal Waffarn
Hypoglycemia, Hypocalcemia, and Hypomagnesemia in the Newborn	Evaluation of the Neonate for Congenital Abnormalities
123	134
Sheldon B. Korones	Sherman Elias and Albert B. Gerbie

SECTION 3. GENERAL GYNECOLOGY

Infectious Vaginitis	Sexually Transmitted Diseases
141	157
Kenneth L. Noller	David Charles
Dystrophy	Bartholin Cysts and Abscesses
143	167
Donald Woodruff	Edward W. Savage
Vaginal Adenosis	Uterine Myomas
144	168
Hugh R. K. Barber	James A. Merrill
Disorders of Pelvic Support	Endometriosis
146	170
Raymond A. Lee	Robert W. Kistner
Urinary Incontinence	Shock—A General Plan of Management
148	171
Alfred E. Bent and Donald R. Ostergard	Denis Cavanagh and Donald E. Marsden
Dysmenorrhea	Dyspareunia and Vaginismus
150	174
Robert E. Cleary	James P. Semmens
Vesicovaginal Fistula	The Adnexal Mass
152	177
Thomas B. Lebherz	Joseph C. Scott, Jr.
Pelvic Tuberculosis and Female Genital Tuberculosis	Cervicitis
153	177
George Schaefer	David Pent
Pelvic Inflammatory Disease	Pruritus Vulvae
155	179
Ronald S. Gibbs	Thomas A. McCarthy
	Uterine and Vaginal Anomalies
	181
	George W. Morley

SECTION 4. GYNECOLOGIC ONCOLOGY

Carcinoma of the Vulva189	Hydatidiform Mole200
Peter E. Schwartz	Howard W. Jones III and Beth Colvin
Neoplasia of the Cervix191	Management of Gestational Trophoblastic Disease201
Philip J. DiSaia	C. Paul Morrow and John B. Schlaerth
Carcinoma of the Endometrium195	Evaluation of the Patient with an Abnormal Pa- panicolaou Smear203
John L. Lewis, Jr.	Christopher P. Crum and Ralph M. Richart
Ovarian Carcinoma198	
William T. Creasman and Daniel L. Clarke-Pearson	

SECTION 5. GYNECOLOGIC ENDOCRINOLOGY AND INFERTILITY

Primary Amenorrhea209	Androgen Excess of Adrenal Origin236
James C. Warren	Sergio C. Stone
Secondary Amenorrhea213	Asherman's Syndrome238
Jose P. Balmaceda	Richard C. Bump and Moon H. Kim
Induction of Ovulation218	Female Sterilization239
Daniel R. Mishell, Jr.	Keith P. Russell
Polycystic Ovary Syndrome220	Anorexia Nervosa241
Joseph P. Holt, Jr., and Brian Little	Steve N. London and Charles B. Hammond
Galactorrhea and Hyperprolactinemia223	XY Gonadal Dysgenesis243
Val Davajan and Oscar A. Kletzky	Joe Leigh Simpson
Contraception226	Testicular Feminization244
Paul F. Brenner	Joe Leigh Simpson
Treatment of Dysfunctional Uterine Bleeding233	Hypopituitarism245
Antonio Scommegna	Paul F. Brenner
Menopause235	Luteal Phase Defects247
David R. Meldrum	Georgeanna Seegar Jones
	Precocious Puberty249
	Paul D. Manganiello
