We acknowledge with thanks the many helpful letters and e-mails from readers of THE WORLD ALMANAC. Because of the volume of mail, it is not possible to reply to each one. However, every communication is read by the editors, and all suggestions receive careful attention. THE WORLD ALMANAC's e-mail address is Walmanac@waegroup.com.

The first edition of THE WORLD ALMANAC, a 120-page volume with 12 pages of advertising, was published by the New York World in 1868. Annual publication was suspended in 1876. Joseph Pulitzer, publisher of the *New York World*, revived THE WORLD ALMANAC in 1886 with the goal of making it a "compendium of universal knowledge." It has been published annually since then. THE WORLD ALMANAC does not decide wagers.
