ABOUT THE AUTHORS

Louise Mayo is the Chairperson of the Department of History/Political Science at County College of Morris, Randolph, NJ, where she has been a professor for the past twenty-one years. She is the author of *The Ambivalent Image* (1988) and numerous articles and papers in the fields of women and minority history. She has an M.A. from Cornell University in Modern European and Russian History and a Ph.D. from City University of New York in American History, specializing in immigration and minority history. She teaches courses in Twentieth Century America, History of American Women, History of Minorities, History of American Cities and Suburbs, and Civil War and Reconstruction.

Anne has a B.A. from Saint Mary's College (Notre Dame, IN), an M.A. and a Ph.D. from the University of Notre Dame in American History, and an M.L.S. in academic librarianship from Indiana University at Bloomington. She presently teaches American History and the History of American Women at Jefferson Community College - University of Kentucky in Louisville while pursuing a law degree at Brandeis School of Law, University of Louisville. She is listed in *Who's Who in America* and *Who's Who in the World*. She has written articles for the *Oxford Biographical Dictionary* and *Salem Press* and presented scholarly papers at the annual meetings of the Catholic Historical Association, Popular Cultural Association, and Community College Humanities Association.

Kathleen Cairns spent 13 years as a newspaper reporter and editor with Knight-Ridder Newspapers in Los Angeles before abandoning the newsbusiness for graduate school in history. She earned an M.A. in history from California State University, Long Beach and a Ph.D. in history from the University of California, Davis, specializing in cultural and media history. She teaches at Sierra College in Rocklin and at California State University, Sacramento. She has presented papers at numerous professional associations such as the American Historical Association and the Western History Association.
