Introduction

Welcome to the land where interior designers play and leagues of volunteers toil – the Decorator Showhouse. These events are held around the nation, hosted by loyal volunteers dedicated to helping expand hospitals, fund public art organizations, sustain symphony orchestras, and raise funds for other noble causes.

A showhouse event is a monumental undertaking, requiring hundreds of volunteer man hours and buoyed upon boundless enthusiasm. The result is usually a historic home, repurposed for the cause, worked over by decorators and craftsmen, then trampled through by hordes for a few brief weeks before being disassembled and locked away from public view.

The purpose of this book is to preserve those noble efforts and, more than anything, to bring the creative genius and the endless ideas to the eyes of even more individuals. So if you haven't made it to one of Long Island's wonderful Mansions & Millionaire's showcase events, or traveled to the tip of the Jersey Shore for a Cape May classic, here's your opportunity for a glimpse. Showhouses from New England to California are featured, and the variety in between is astounding. Enjoy!

Foyers & Hallways

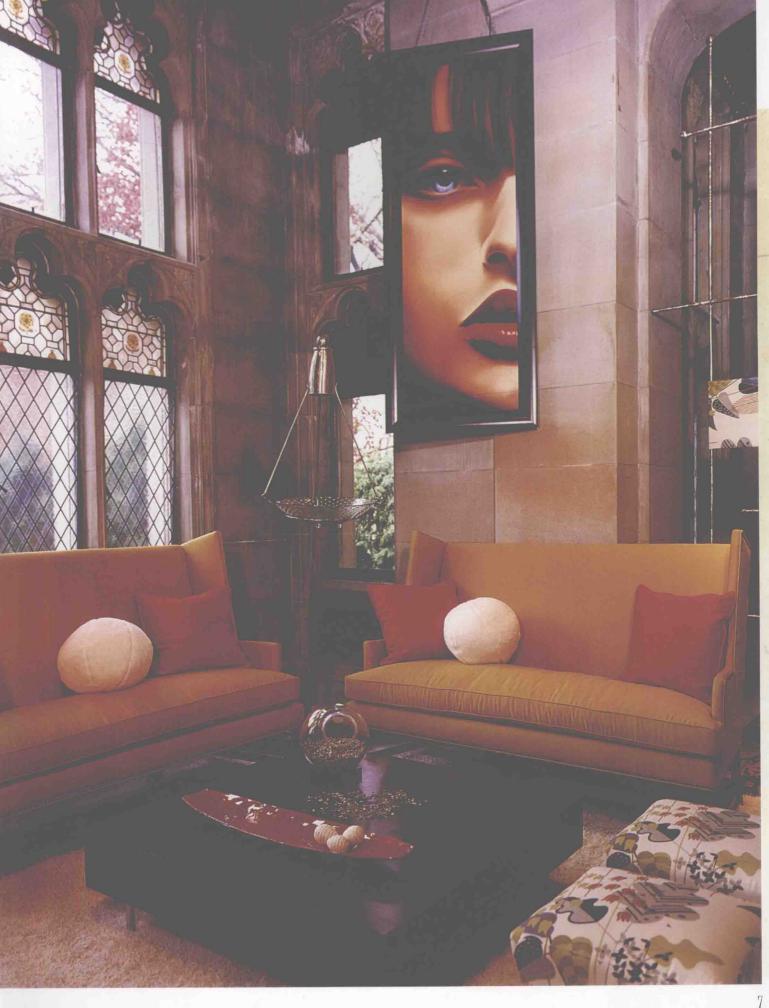

Great Hall

Mansions & Millionaires Designers Showcase™ Baltimore Design Group Ivy D Photography

A castle keep gets a dramatic update, with contemporary furnishings and splashes of bold color. Stone walls are summer-ized by garden colors.

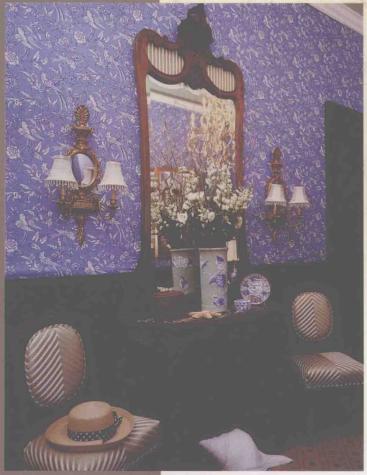

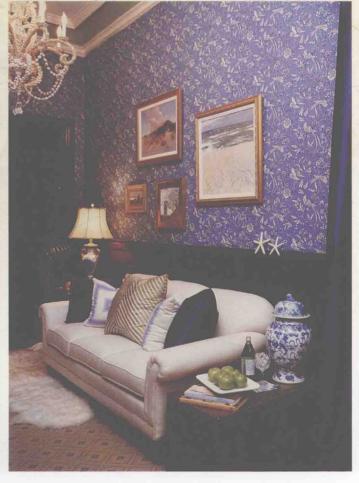

A Seaside Corridor

Mansions & Millionaires Designers Showcase™ Catherine Deshler Interior Design Ivy D Photography

Shimmering silk taffeta drapes and gilded frames add a Hollywood luster to this living space.
Seashells encrust the chandelier and starfish add punctuation, and a reminder that this is a seaside escape.

Art Excursion

Cape May's Designer Showhouse Pedro Rodriquez Interiors Photography by John Armich

A sun porch gets an artful uplift with a geometric floor mural and funky black furnishings.

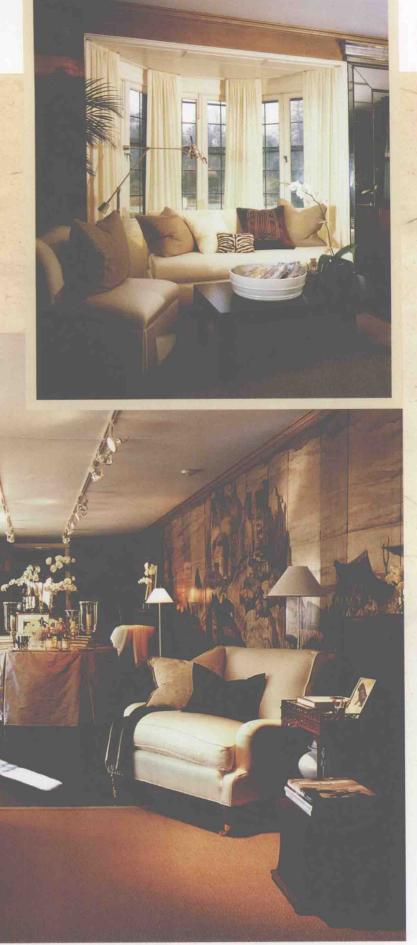

Parlor Room

Mansions & Millionaires Designers Showcase™ Billy Ceglia Designs, LLC Ivy D Photography

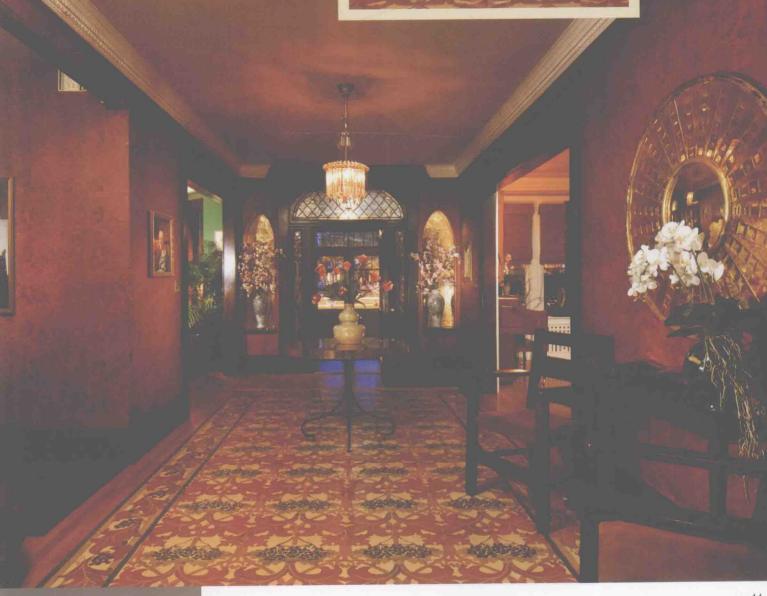

A folding screen insulates an inside wall, adding castle motif to a space that would have been fitting for grand receptions in days gone by. Here it is partitioned into conversation pits and comfortable places to escape with a book.

Patterned Passage
Vanguard Designer Showhouse
Arthur Fowler of Charlton Studios Randall Perry Photography

Reds and gold add warmth to a lengthy foyer, trimmed in rich woodwork. A repeating floor pattern is mirrored in wallpaper impressed with a foliage texture.

Cloistered Colonnade

Jacksonville Symphony Guild-Designer
Showhouse & Garden
Joanne Rumney of Design Loft Interiors
Photography by Bob Pearce of Chelsea Photographic

A passageway gives pause, with pillowed benches that beckon one to stop and admire the day, or perhaps the fine lighting. An outdoor kitchen area provides sustenance, while the fireplace adds warmth to an evening gathering.

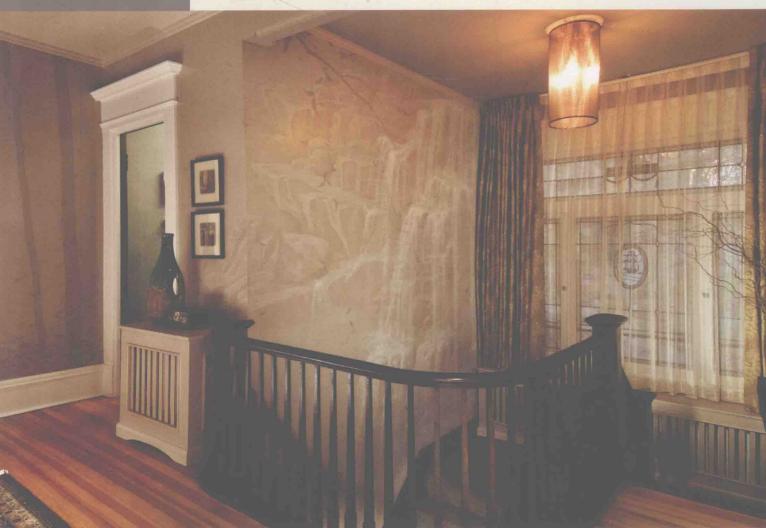

Forest Path

Vanguard Designer Showhouse Jae Y. Schalekamp of MIN Studio Photographer: Randall Perry

Wall murals imitate a waterfall and forest on this stair and landing, blending with muted colors on wall and window for a double-take effect. The cascading waterfall exudes the energy of motion, while falling leaves create an intimate and meditative mood.

Garden Entry Lane Estate Showhouse

Lane Estate Showhouse Eva & You Interior Design Ivy D Photography

Latticework makes an entry foyer feel exterior, along with wicker furnishings.
