*To all the residents with whom I have worked over many years,
as we learned together.*

*With a special acknowledgment to an outstanding, achieving group of
young men and women who served as Chief Residents.*

Section Editors

Preventive Pediatrics

Laurence Finberg, M.D.

*Clinical Professor of Pediatrics
Departments of Pediatrics
University of California, San Francisco;
Stanford University,
Stanford, California*

Ethical Issues in Pediatrics

Alan R. Fleischman, M.D.

*Senior Vice President, The New York Academy of Medicine;
Clinical Professor of Pediatrics and Clinical Professor of
Epidemiology and Social Medicine
Albert Einstein College of Medicine
The Bronx, New York*

Nutrition

Laurence Finberg, M.D.

*Clinical Professor of Pediatrics
University of California, San Francisco,
School of Medicine
San Francisco, California*

Neonatology

Leonard Glass, M.D.

*Professor and Interim Chairman; Director, Division of
Neonatology, State University of New York
Health Science Center at Brooklyn
Brooklyn, New York*

Adolescent Medicine

S. Kenneth Schonberg, M.D.

*Professor of Pediatrics, Albert Einstein College of
Medicine; Director, Division of Adolescent Medicine
Montefiore Medical Center
The Bronx, New York*

Behavior/Psychology

Michael S. Jellinek, M.D.

*Professor of Psychiatry and of Pediatrics, Harvard Medical
School; Chief, Child Psychiatry Service
Massachusetts General Hospital
Boston, Massachusetts*

Genetics/Metabolism

Marc Yudkoff, M.D.

*Professor of Pediatrics, University of Pennsylvania School
of Medicine; Associate Chief, Division of Child
Development
Children's Hospital of Philadelphia and Children's Seashore
House
Philadelphia, Pennsylvania*

Immunology/Allergy and Rheumatic Disease

Mark Ballow, M.D.

*Professor, Department of Pediatrics, State University of
New York at Buffalo, School of Medicine and Biomedical
Sciences, Buffalo, New York; Chief, Division of Allergy/
Immunology and Pediatric Rheumatology
The Children's Hospital of Buffalo
Buffalo, New York*

Infectious Disease

Robert Finberg, M.D.

*Professor of Medicine, Harvard School of Medicine;
Head of Infectious Disease Services
Dana-Farber Cancer Hospital
Boston, Massachusetts*

Hematology/Oncology

Sreedhar P. Rao, M.D.

*Professor of Clinical Pediatrics; Director, Pediatric
Hematology/Oncology, State University of New York
Health Science Center at Brooklyn,
Brooklyn, New York*

Paul A. Meyers, M.D.

*Associate Professor of Clinical Pediatrics, Cornell
University Medical College; Associate Attending
Pediatrician
Memorial Sloan-Kettering Cancer Center
New York, New York*

Gastroenterology

Ronald Kleinman, M.D.

*Associate Professor of Pediatrics, Harvard Medical School;
Chief, Pediatric Gastroenterology and Nutrition;
Associate Chief of Pediatrics
Massachusetts General Hospital
Boston, Massachusetts*

Cardiology

Ronald M. Lauer, M.D.

*Professor of Pediatrics and Preventive Medicine,
Division of Pediatric Cardiology
University of Iowa School of Medicine
Iowa City, Iowa*

Respiratory Disorders

Howard Eigen, M.D.

*Professor of Pediatrics; Associate Chairman for Clinical
Affairs; Director, Section of Pulmonology and Critical Care
Indiana University School of Medicine
Indianapolis, Indiana*

Nephrology/Urology

Stanley Hellerstein, M.D.

*Professor of Pediatrics, University of Missouri School of
Medicine; Pediatric Nephrologist
The Children's Mercy Hospital
Kansas City, Missouri*

Endocrinology

Paul H. Saenger, M.D.

*Professor of Pediatrics; Head, Division of Pediatric
Endocrinology
Albert Einstein College of Medicine and
Montefiore Medical Center
The Bronx, New York*

Neurology

Gerald S. Golden, M.D.

*Adjunct Professor of Neurology
University of Pennsylvania School of Medicine
Philadelphia, Pennsylvania*

Dermatology

Lawrence A. Schachner, M.D.

*Professor, Department of Dermatology; Professor,
Department of Pediatrics
University of Miami School of Medicine
Miami, Florida*

Medical Ophthalmology

Constance E. West, M.D.

*Pediatric Ophthalmologist, Children's Hospital Medical
Center and Cincinnati Eye Institute
Cincinnati, Ohio*

Medical Ear/Nose/Throat

Robert J. Ruben

*Professor of Pediatrics
Albert Einstein College of Medicine; Professor and
Chairman, Department of Otolaryngology
Montefiore Medical Center, The Bronx, New York*

Medical Orthopedics

Paul G. Dymont, M.D.

*Professor of Pediatrics, Vice Chancellor for
Academic Affairs
Tulane University School of Medicine
New Orleans, Louisiana*

Emergency Pediatrics

Binita R. Shah, M.D.

*Professor of Clinical Pediatrics, Children's Medical Center
of Brooklyn, State University of New York Health Science
Center at Brooklyn; Director, Pediatric Emergency
Medicine
Kings County Hospital Center
Brooklyn, New York*

Poisonings and Environmental Hazards

Laurence Finberg, M.D.

*Clinical Professor of Pediatrics
University of California, San Francisco,
School of Medicine
San Francisco, California*

Contributors

David Abramson, M.D., F.A.C.S.

Clinical Professor of Ophthalmology, Cornell University Medical College, New York Hospital, New York, New York
Retinoblastoma

Stephen Ajl, M.D.

Clinical Associate Professor of Pediatrics, State University of New York Health Science Center at Brooklyn, College of Medicine, Brooklyn, New York
The Normal Newborn Infant

Assunta Albanese, M.Phil., M.D., M.R.C.P.

Honorary Research Fellow, The Institute of Child Health and Great Ormond Street Hospital for Children; Specialist Registrar in Paediatrics, Hammersmith Hospital, London, England
Constitutional Delay of Growth and Puberty

Elizabeth M. Alderman, M.D.

Assistant Professor of Pediatrics, Albert Einstein College of Medicine; Assistant Attending, Director of Adolescent Ambulatory Services, Montefiore Hospital, The Bronx, New York
Contraception

Uri S. Alon, M.D.

Professor of Pediatrics, University of Missouri at Kansas City School of Medicine; Pediatric Nephrologist, The Children's Mercy Hospital, Kansas City, Missouri
Renal Tubular Acidosis; Fanconi Syndrome; Bartter Syndrome; Hypercalciuria and Urinary Tract Stone Disease; Acute Renal Failure; Hypertensive Crisis; Urinalysis

Jack Andrish, M.D.

Staff Surgeon, Department of Orthopaedic Surgery; Member, Section of Pediatric Orthopaedics; Section of Sports Medicine, Cleveland Clinic Foundation, Cleveland, Ohio
Limp; Painful Knee

Richard Antaya, M.D.

Chief Resident of Dermatology, Duke University Medical Center, Durham, North Carolina
Alopecias; Acne; Damaging Effects of Solar Radiation

Roberta T. Arceci, M.D., Ph.D.

Jacob G. Schmidlapp Professor of Pediatrics, University of Cincinnati College of Medicine; Director, Hematology/Oncology, Children's Hospital Medical Center, Cincinnati, Ohio
Acute Myeloid Leukemia

Dianne L. Atkins, M.D.

Associate Professor, Department of Pediatrics, University of Iowa College of Medicine, Iowa City, Iowa
Tachyarrhythmia; Bradyarrhythmia; Defibrillation

Mark Ballow, M.D.

Professor, Department of Pediatrics, State University of New York at Buffalo, School of Medicine and Biomedical Sciences; Chief, Division of Allergy/Immunology and Pediatric Rheumatology, The Children's Hospital of Buffalo, Buffalo, New York
Host Defense Systems; Disorders of the Complement System; Disorders of the Phagocytic System; Disorders of the B-Cell Immune System; Disorders of the T-Cell Immune System

Phillipe Bareille, M.D.

Research Fellow in Endocrinology, Institute of Child Health, Research Fellow in Endocrinology, The Middlesex Hospital, London, England
Constitutional Short Stature; Familial Short Stature

Tamar Barlam, M.D.

Instructor in Medicine, Harvard Medical School; Senior Associate in Medicine, Department of Infectious Diseases; Beth Israel Deaconess Medical Center, Boston, Massachusetts
Sexually Transmitted Diseases

Lewis A. Barness, M.D.

Professor of Pediatrics, University of South Florida College of Medicine, Tampa, Florida
Sudden Infant Death

Sharon R. Beier, M.D.

Postdoctoral Fellow in Adolescent Medicine, Albert Einstein School of Medicine; Montefiore Medical Center, The Bronx, New York
Eating Disorders

Jennifer Bell, M.D.

Associate Professor of Clinical Pediatrics, Columbia University College of Physicians and Surgeons; Associate Attending Pediatrician, Presbyterian Hospital, New York, New York
Tall Stature

Jacques Benaim, M.D.

Division of Adolescent Medicine, Montefiore Medical Center, The Bronx, New York
Suicide

Aurora J. Bennett, M.D.

Assistant Professor of Psychiatry, University of Cincinnati College of Medicine; Director of Child Psychiatry, Consultation Liaison Service, Children's Hospital Medical Center, Cincinnati, Ohio
A Developmental Understanding of Chronic Illness

James T. Bennett, M.D.

Professor and Chief of Pediatric Orthopaedics, Tulane University School of Medicine, New Orleans, Louisiana
Dysplasia of the Hip; Scoliosis and Kyphosis

D. Woodrow Benson, Jr., M.D., Ph.D.

Professor of Pediatrics, Northwestern University Medical School, Chicago, Illinois
The Electrocardiogram: Preliminary Interpretation

Eugene V. Beresin, M.A., M.D.

Assistant Professor of Psychiatry, Harvard Medical School; Director of Child and Adolescent Psychiatry Residency Training, Massachusetts General Hospital, Boston; McLean Hospital, Belmont, Massachusetts
Difficult Families

Jeffrey Bergelson, M.D.

Assistant Professor of Pediatrics, University of Pennsylvania School of Medicine; Division of Infectious Diseases, The Children's Hospital of Philadelphia, Philadelphia, Pennsylvania
Meningitis; Encephalitis; Brain Abscess; Endocarditis; Myocarditis; Pericarditis; Upper Respiratory Infections; Lower Respiratory Infections

Joseph Biederman, M.D.

Professor, Harvard Medical School; Chief of the Joint Program in Pediatric Psychopharmacology, Massachusetts General Hospital, Boston, Massachusetts
Upper Respiratory Infections; Lower Respiratory Infections
Attention-Deficit/Hyperactivity Disorder

Harvey P. Bieler, M.D.

Lecturer in Pediatrics, Section of Pulmonology and Critical Care Medicine, Indiana University School of Medicine; Attending Pediatric Pulmonologist and ICU Staff Physician, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana
Hemoptysis; Pleural Effusions; Congenital Malformations

Douglas L. Blowey, M.D.

Assistant Professor of Pediatrics and Pharmacology, University of Missouri—Kansas City; The Children's Mercy Hospital, Kansas City, Missouri
Isolated Hematuria; Acute Glomerulonephritis; Polycystic Kidney Disease; End-Stage Renal Disease

Farid Boulad, M.D.

Assistant Professor, Cornell University Medical College; Clinical Assistant Attending, Bone Marrow Transplant Service, Department of Pediatrics, Memorial Sloan-Kettering Cancer Center, New York, New York
Chronic Myelogenous Leukemia

Rosalind Brown, M.D., C.M.

Associate Professor of Pediatrics, University of Massachusetts Medical School; Director, Division of Pediatric Endocrinology/Diabetes, University of Massachusetts Medical Center, Worcester, Massachusetts
Maternal Antibody-Induced Neonatal Thyroid Dysfunction

John C. Bucuvalas, M.D.

Associate Professor, Pediatric Gastroenterology and Nutrition, University of Cincinnati College of Medicine; Attending Physician, Associate Medical Director of Liver Transplantation, Children's Hospital Medical Center, Cincinnati, Ohio
Biliary Atresia; Viral Hepatitis; End-Stage Liver Disease and Cirrhosis

Sandra K. Burchett, M.D.

Assistant Professor of Pediatrics, Harvard Medical School; Division of Infectious Diseases, Children's Hospital, Boston, Massachusetts
Congenital Infections

Miles J. Burke, M.D.

Associate Professor of Ophthalmology, University of Cincinnati College of Medicine; Director, Department of Pediatric Ophthalmology, Children's Hospital Medical Center, Cincinnati, Ohio
Strabismus

Penina Burnstein, M.D.

Clinical Assistant Professor of Dermatology, State University of New York Health Science Center at Brooklyn College of Medicine; Attending, Pediatric Dermatology Clinic, Kings County Hospital Center, Brooklyn, New York
Genodermatoses

James Bussel, M.D.

Associate Professor of Pediatrics and Pediatric Hematology/Oncology, New York Hospital—Cornell University Medical Center, New York, New York
The Child with a Bleeding Tendency; Hemophilia; Platelet Disorders (Thrombocytopenia); Thrombophilia

Cecilia C. Capriles, M.D.

Fellow in Pediatric Endocrinology, Harvard Medical School; Massachusetts General Hospital, Boston, Massachusetts
Insulin-Dependent Diabetes Mellitus

Marc S. C. Cheah, M.D.*

Associate Professor, Children's Medical Center of Brooklyn, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Neutrophilic Leukocytosis (Neutrophilia); Polycythemia; Childhood Neutropenia

Nai-Kong V. Cheung, M.D., Ph.D.

Associate Professor, Cornell Medical College; Associate Member and Attending, Memorial Sloan-Kettering Cancer Center; New York, New York
Neuroblastoma

*Deceased.

George P. Chrousos, M.D.

Clinical Professor of Pediatrics and Physiology, Georgetown University Medical Center, Washington, D.C.; Chief, Section on Pediatric Endocrinology; Director, Pediatric Endocrinology Training Program, National Institute of Child Health and Human Development, National Institutes of Health, Bethesda, Maryland
Cushing Syndrome and Cushing Disease

Andrew Clark, M.D.

Instructor in Psychiatry, Harvard Medical School; Clinical Associate in Psychiatry, Massachusetts General Hospital, Boston, Massachusetts
Posttraumatic Stress Disorder

Michael E. Cohen, M.D.

Professor of Neurology and Pediatrics; Chairman, Department of Neurology, State University of New York at Buffalo, Buffalo, New York
Brain Tumors

Meryl S. Cohen, M.D.

Clinical Assistant in Pediatrics, The Children's Hospital of Philadelphia; University of Pennsylvania School of Medicine; Assistant Cardiologist, The Children's Hospital of Philadelphia, Philadelphia, Pennsylvania
Hypoplastic Left Heart Syndrome

David L. Coulter, M.D.

Associate Professor of Pediatrics and Neurology, Director of Pediatric Neurology, Boston University School of Medicine; Director of Pediatric Neurology, Boston Medical Center, Boston, Massachusetts
Cerebrovascular Disorders; Head Trauma; Coma; Increased Intracranial Pressure

Susan M. Coupey, M.D.

Professor of Pediatrics, Albert Einstein College of Medicine; Associate Director, Division of Adolescent Medicine, Department of Pediatrics, Montefiore Medical Center, The Bronx, New York
Eating Disorders

Finella Craig, M.B., M.R.C.P.

Research Fellow in Endocrinology/Oncology, Great Ormond Street Hospital for Children, London, England
Familial Short Stature

Susan Davis, M.D., Ph.D.

Senior Lecturer, Monash University; Director of Research, The Jean Hailes Foundation, Melbourne, Victoria, Australia
Menstrual Disorders; Premature Ovarian Failure

Joan DiMartino-Nardi, M.D.

Associate Professor, Albert Einstein College of Medicine; Associate Director, Division of Pediatric Endocrinology, Montefiore Medical Center, The Bronx, New York
Onset of Puberty

Theresa L. Dise, M.D.

Assistant Professor of Pediatrics, Tulane University School of Medicine, New Orleans, Louisiana
Flatfeet and Tibial Torsion

Sean P. Donahue, M.D., Ph.D.

Assistant Professor of Ophthalmology, Neurology, and Pediatrics, Vanderbilt University Medical Center, Nashville, Tennessee
Conjunctivitis; Orbital and Preseptal Cellulitis

David J. Driscoll, M.D.

Professor of Pediatrics; Head, Section of Pediatric Cardiology, Mayo Medical School and Mayo Clinic, Rochester, Minnesota
Tetralogy of Fallot

Patricia K. Duffner, M.D.

Professor of Neurology and Pediatrics, State University of New York at Buffalo School of Medicine; Attending, Children's Hospital of Buffalo; Associate Director, Child Neurology, Children's Hospital of Buffalo, Buffalo, New York
Brain Tumors

Ira J. Dunkel, M.D.

Instructor, Department of Pediatrics, Cornell University Medical College; Assistant Attending, New York Hospital, Memorial Sloan-Kettering Cancer Center, New York, New York
Brain Tumors

Paul G. Dyment, M.D.

Professor of Pediatrics and Vice Chancellor for Academic Affairs, Tulane University School of Medicine, New Orleans, Louisiana
Osgood-Schlatter Disease and Other Apophysitis

Robert M. Ehrlich, M.D., F.R.C.P.(C.)

Professor Emeritus, Department of Pediatrics, University of Toronto, Faculty of Medicine; Senior Staff Physician, Division of Endocrinology, Hospital for Sick Children, Toronto, Canada
Congenital Hypothyroidism; Acquired Hypothyroidism; Hyperthyroidism

Howard Eigen, M.D.

Professor of Pediatrics; Associate Chairman for Clinical Affairs; Director, Section of Pulmonology and Critical Care, Indiana University School of Medicine; Indianapolis, Indiana
Stridor; Bronchiolitis; Pulmonary Hemosiderosis; Respiratory Failure; Blood Gas Analysis; Thoracentesis

Leon Eisenberg, M.D.

Maude and Lillian Presley Professor of Social Medicine and Professor of Psychiatry Emeritus, Harvard Medical School; Honorary Psychiatrist, Massachusetts General Hospital, Boston, Massachusetts
Cognitive Development

Gerald Erenberg, M.D.

Director, Learning Assessment Clinic, Cleveland Clinic Foundation, Cleveland, Ohio
Movement Disorders; Migraine Syndromes; Sleep Disorders

Robert H. Feldt, M.D., M.S.

Professor of Pediatrics, Mayo Medical School, Rochester, Minnesota
Arrhythmogenic Right Ventricular Dysplasia

Laurence Finberg, M.D.

Clinical Professor of Pediatrics, University of California, San Francisco, School of Medicine, San Francisco, California
Feeding Guidelines; Growth and Development; Anticipatory Guidance; Concepts and Diet Analysis; Deficiencies and Excesses of Food Components; Nutritional Rickets; Fluid and Electrolytes; Treatment and Prevention of Dehydration; Acute Severe Dehydration; Hypernatremic Dehydration; Measurement of Body Fat—Triceps Skinfold; Total Parenteral Nutrition (TPN); Clinically Important Trisomies; Metabolic Bone Disorders; Congenital Syphilis; Poliomyelitis; Poisonings and Environmental Hazards

Robert Finberg, M.D.

Professor of Medicine, Harvard Medical School; Chief of Infectious Diseases, Dana-Farber Cancer Institute, Boston, Massachusetts
Earache; Sore Throat, Cervical Adenitis, and Mumps; Approach to the Child with Fever and Rash; Upper Respiratory Infections; Lower Respiratory Infections; Herpes Virus Infections; Cellulitis; Enteritis; Osteomyelitis and Septic Arthritis; Hepatitis; Fungal Infections; Infection in the Immunocompromised Host; Animal Exposures

Jonathan L. Finlay, M.B., Ch.B.

Associate Professor of Pediatrics, Cornell University Medical College; Vice-Chairman, Department of Pediatrics; Associate Attending, Department of Pediatrics, Memorial Sloan-Kettering Cancer Center; New York, New York
Hodgkin Disease; Non-Hodgkin Lymphoma; Brain Tumors

Irma Fiordalisi, M.D.

Associate Professor of Pediatrics, Pediatric Critical Care, East Carolina University School of Medicine; Director, Pediatric Intensive Care Unit, Children's Hospital of Eastern North Carolina, Pitt County Memorial Hospital, Greenville, North Carolina
Diabetic Ketoacidemia

Alan R. Fleischman, M.D.

Senior Vice President, The New York Academy of Medicine; Clinical Professor of Pediatrics and Clinical Professor of Epidemiology and Social Medicine, Albert Einstein College of Medicine, The Bronx, New York
Ethical Issues in Pediatrics

Linda Forsythe, M.D.

Instructor in Psychiatry, Harvard Medical School; Clinical Assistant in Psychiatry, Massachusetts General Hospital, Boston, Massachusetts
The Adopted Child; The Depressed Child

Jean A. Frazier, M.D.

Instructor in Psychiatry, Harvard Medical School and Massachusetts General Hospital; Director of Psychiatric Disorders Program through the Joint Program of Pediatric Psychopharmacology at Massachusetts General Hospital and McLean Hospital, Belmont, Massachusetts
Mental Retardation; Autism, Asperger Syndrome, and Schizophrenia

Donna Futterman, M.D.

Associate Professor of Pediatrics, Albert Einstein College of Medicine; Director, Adolescent AIDS Program, Montefiore Medical Center, The Bronx, New York
Human Immunodeficiency Virus Infection

John Gaebler, M.D.

Associate Professor of Pediatrics, Indiana University School of Medicine; Member, Infectious Disease Section, James Whitcomb Riley Hospital, Indianapolis, Indiana
Pharyngitis and Tonsillitis

Sharon Gardner, M.D.

Instructor in Pediatrics, Cornell University Medical Center and Memorial Sloan-Kettering Cancer Center, New York, New York
Hodgkin Disease

Joseph M. Gertner, M.B., M.R.C.P.

Professor of Pediatrics, Cornell University Medical College, New York, New York
Hypopituitarism

Tal Geva, M.D.

Assistant Professor, Pediatrics and Pathology, Harvard Medical School; Associate in Cardiology, Children's Hospital, Boston, Massachusetts
Single Ventricle

Anita Gewurz, M.D.

Division of Pediatrics and Immunology, Rush Presbyterian-St. Luke's Medical Center, Chicago, Illinois
Anaphylaxis and Serum Sickness Reactions; Adverse Drug Reactions; Insect Allergies

Fereshteh Ghavimi, M.D.

Associate Professor, Clinical Pediatrics, Cornell University Medical Center; Assistant Member and Associate Attending Pediatrician, Memorial Sloan-Kettering Cancer Center, New York, New York
Rhabdomyosarcoma

James B. Gibson, M.D., Ph.D.

Assistant Professor of Pediatrics, University of Arkansas College of Medicine; Arkansas Children's Hospital, Little Rock, Arkansas
Disorders of Carbohydrate Metabolism

Enid Gilbert-Barness, M.B.B.S., M.D.

Professor of Pathology and Laboratory Medicine, Pediatrics and Obstetrics and Gynecology, University of South Florida College of Medicine; Director, Pediatric Pathology, Tampa General Hospital, Tampa, Florida
Sudden Infant Death

Leonard Glass, M.D.

Professor and Interim Chairman; Director, Division of Neonatology, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Symptoms of the Newborn; Infants of Diabetic Mothers; Neonatal Pneumonia

Elizabeth Gloster, M.D.

Associate Professor of Clinical Pathology, State University of New York Health Science Center at Brooklyn; Blood Bank Director and Attending Pathologist, University and Kings County Hospitals, Brooklyn, New York
Blood Transfusion

David Gold, M.D.

Assistant Professor of Pediatrics, Albert Einstein College of Medicine, The Bronx, New York; Pediatric Gastroenterologist, Schneider Children's Hospital, New Hyde Park, New York
Gastroesophageal Reflux

Gerald S. Golden, M.D.

Adjunct Professor of Neurology, University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania
Neurologic Symptoms; The Floppy Infant; Neonatal Seizures; Learning Disabilities; Attention-Deficit/Hyperactivity Disorder; Microcephaly; Hydrocephalus; Craniosynostosis; Neural Tube Defects; Agenesis of the Corpus Callosum; Spinal Cord Disorders with Late Onset; Neurofibromatosis; Tuberous Sclerosis; Sturge-Weber Syndrome; von Hippel-Lindau Disease; Neurologic Examination; Neurologic Examination of the Neonate; Lumbar Puncture

Karl C. Golnik, M.D.

Department of Ophthalmology, University of Cincinnati College of Medicine; Cincinnati Eye Institute, Cincinnati, Ohio
Nystagmus

Carol Greene, M.D.

Associate Professor of Pediatrics, University of Colorado Health Sciences Center; Director, Inherited Metabolic Diseases Clinic, The Children's Hospital, Denver, Colorado
Lysosomal Storage Disorders

Fenella Greig, M.D., D.PHIL.

Clinical Associate Professor of Pediatrics and Director of Pediatric Diabetes and Endocrinology, Mount Sinai School of Medicine; New York, New York
Dietary Management of Childhood Diabetes Mellitus

Moses Grossman, M.D.

Emeritus Professor of Pediatrics, University of California, San Francisco School of Medicine, San Francisco, California
Immunizations

Andrea Hagani, M.D.

Fellow, Pediatric Hematology/Oncology, Memorial Sloan-Kettering Cancer Center and The New York Hospital; New York, New York
The Child with a Bleeding Tendency; Hemophilia; Platelet Disorders (Thrombocytopenia); Thrombophilia

Paul Hartz, M.D.

Associate in Gastroenterology and Nutrition, Children's Hospital Oakland, Oakland, California
Constipation, Encopresis, and Hirschsprung Disease; Allergic Gastroenteropathy Including Celiac Disease; Acute Appendicitis

Glenn D. Harris, M.D.

Associate Professor of Pediatrics, Pediatric Critical Care and Diabetes, East Carolina University School of Medicine; Children's Hospital of Eastern North Carolina, Pitt County Memorial Hospital, Greenville, North Carolina
Diabetic Ketoacidemia

Stanley Hellerstein, M.D.

Professor of Pediatrics, University of Missouri School of Medicine at Kansas City; Pediatric Nephrologist, The Children's Mercy Hospital, Kansas City, Missouri
Symptoms of Renal Disorders; The Urinary Tract; Urinary Tract Infection and Vesicoureteric Reflux; Voiding Disorders; Tests of Kidney Function

David B. Herzog, M.D.

Professor of Psychiatry, Harvard Medical School; Director, Eating Disorders Unit, Massachusetts General Hospital, Boston, Massachusetts
Eating Disorders

Peter W. Hiatt, M.D.

Assistant Professor and Director, Cystic Fibrosis Center, Department of Pediatrics, Baylor College of Medicine; Texas Children's Hospital, Houston, Texas
Wheezing; Adult Respiratory Distress Syndrome

Raymond L. Hintz, M.D.

Professor of Pediatrics, Stanford University School of Medicine; Head, Division of Pediatric Endocrinology, Stanford University Medical Center, Stanford, California
Idiopathic Short Stature

Jay A. Hochman, M.D.

Fellow, Pediatric Gastroenterology and Nutrition, University of Cincinnati College of Medicine; Children's Hospital Medical Center, Cincinnati, Ohio
Biliary Atresia

Neal Hoffman, M.D.

Assistant Professor of Pediatrics, Albert Einstein College of Medicine; Attending Physician, Division of Adolescent Medicine, Montefiore Medical Center, The Bronx, New York
Sexually Transmitted Diseases

Paul L. Hofman, M.B.Ch.B., F.R.A.C.P.

Fellow, Pediatric Endocrinology, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana
Premature Thelarche

Arno R. Hohn, M.D.

Professor of Pediatrics, University of Southern California School of Medicine; Head, Division of Pediatric Cardiology, Children's Hospital of Los Angeles and Los Angeles County/USC Hospital, Los Angeles, California
Hypertension

Michelle S. Howenstine, M.D.

Associate Clinical Professor, Department of Pediatrics, University of South Florida College of Medicine, Tampa; Medical Director, Section of Pediatric Pulmonology, All Children's Hospital, St. Petersburg, Florida
Croup; Pneumonia; Foreign Body Aspiration; Epiglottitis

Robert N. Husson, M.D.

Assistant Professor of Pediatrics, Harvard Medical School; Associate in Medicine, Children's Hospital, Boston, Massachusetts
Tuberculosis and Atypical Mycobacteria

Laura S. Inselman, M.D.

Associate Professor of Pediatrics, Jefferson Medical College of Thomas Jefferson University, Philadelphia, Pennsylvania; Active Attending Pulmonologist and Medical Director, Respiratory Care Department and Pulmonary Function Laboratory, Du Pont Hospital for Children, Alfred I. Du Pont Institute of the Nemours Foundation, Wilmington, Delaware
Tuberculosis; Sarcoidosis

Michael S. Jellinek, M.D.

Professor of Psychiatry and of Pediatrics, Harvard Medical School; Chief, Child Psychiatry Service, Massachusetts General Hospital, Boston, Massachusetts
The Adopted Child; The Depressed Child; Anxiety Disorders; Divorce; Posttraumatic Stress Disorder; Questionnaire Approaches to the Recognition and Assessment of Psychosocial Problems

Rima Jibaly, M.D.

Instructor in Pediatrics, Pediatric Gastroenterology and Nutrition Fellow, Children's Medical Center of Brooklyn, Brooklyn, New York
Toxic Megacolon

Robert H. Johr, M.D.

Associate Clinical Professor of Dermatology and Pediatrics; Director, Pigmented Lesion Clinic, University of Miami School of Medicine, Miami, Florida
Normal Neonatal Skin; Neonatal Skin Abnormalities; Seborrheic Dermatitis; Vesiculopustular Rashes; Sarcoidosis; Mastocytosis; Granuloma Annulare; Melanoma; Nevocellular (Melanocytic) Nevus; Miscellaneous Pigmented Lesions; Potassium Hydroxide (KOH) Preparation; Patch Testing; Scabies Preparation; Tzanck Preparation; Wood Lamp Examination

Edward L. Kaplan, M.D.

Professor of Pediatrics, University of Minnesota, Minneapolis, Minnesota
Rheumatic Fever

Richard A. Kaplan, M.D., Ph.D.

Director, Pediatric Nephrology and Hypertension, Lutheran General Children's Hospital, Park Ridge, Illinois
Hemolytic Uremic Syndrome; Chronic Renal Failure

Mary Kaufman, M.D.

Clinical Professor of Pediatrics, State University of New York Health Science Center at Brooklyn College of Medicine; Retired Chairman of Pediatrics; Director, Pediatric Hematology/Oncology, Long Island College Hospital, Brooklyn, New York
Hemorrhagic Disease of the Newborn; Hemophilia; von Willebrand Disease; Disseminated Intravascular Coagulation

Richard I. Kelley, M.D., Ph.D.

Associate Professor of Pediatrics, Johns Hopkins University School of Medicine; Director of Metabolism, The Kennedy Krieger Institute, Baltimore, Maryland
Disorders of Lipid Metabolism

Bradley Kessler, M.D.

Assistant Professor of Pediatrics, Albert Einstein College of Medicine, New York; Attending, Pediatric Gastroenterology, Schneider Children's Hospital; Long Island Jewish Medical Center, New York Hyde Park, New York
Pyloric Stenosis

Michael H. Kohrman, M.D., M.S.

Associate Professor of Neurology and Pediatrics, State University of New York School of Medicine and Biomedical Sciences, Buffalo, New York
Seizures; Status Epilepticus

Stanley J. Kogan, M.D.

Clinical Professor of Urology, Cornell University School of Medicine, New York; New York Medical College, Valhalla; Attending Pediatric Urologist, New York Hospital; Westchester Medical Center, Valhalla; Montefiore/Einstein Medical Center, The Bronx, New York
Hypospadias

Bernice R. Krafchik, M.B., Ch.B., F.R.C.P.C.

Professor, Department of Paediatrics, University of Toronto Faculty of Medicine; Head, Division of Dermatology, Hospital for Sick Children, Toronto, Canada
Diaper Dermatitis; Atopic Dermatitis (Eczema); Urticaria; Erythema Multiforme and Stevens-Johnson Syndrome; Hemangioma and Vascular Malformation; Psoriasis; Pityriasis Rosea

Brian H. Kushner, M.D.

Attending Physician, Memorial Sloan-Kettering Cancer Center, New York, New York
Neuroblastoma

Stephan Ladisch, M.D.

Professor of Pediatrics and Biochemistry/Molecular Biology, George Washington University School of Medicine; Director, Center for Cancer and Transplantation Biology, Children's Research Institute, Children's National Medical Center, Washington, D.C.
Langerhans Cell Histiocytosis

Fred S. Lamb, M.D., Ph.D.

Assistant Professor of Pediatric Cardiology and Pediatric Critical Care, University of Iowa Hospitals and Clinics, Iowa City, Iowa
Heart Failure

Michael P. LaQuaglia, M.D., F.A.C.S., F.A.A.P.

Chief, Pediatric Surgery, Memorial Sloan-Kettering Cancer Center, New York, New York
Soft Tissue Sarcomas; Liver Tumors

Teresita A. Laude, M.D.

Associate Professor of Pediatrics and Associate Professor of Dermatology; Director, Division of Pediatric Dermatology, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Skin Infections; Genodermatoses

Ronald M. Lauer, M.D.

Professor of Pediatrics and Preventive Medicine, Division of Pediatric Cardiology, University of Iowa College of Medicine and University of Iowa Hospitals and Clinics, Iowa City, Iowa
Symptoms of Cardiovascular Disorders; Ventricular Septal Defects

Gobind Laungani, M.D.

Clinical Associate Professor, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Genitourinary Disorders

Sheela G. Laungani, M.D.

Clinical Associate Professor, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Genitourinary Disorders; Resuscitation of the Newborn

Peter Lee, M.D., Ph.D.

Professor of Pediatrics, University of Pittsburgh School of Medicine; Program Director, General Clinical Research Center, Children's Hospital of Pittsburgh, Pittsburgh, Pennsylvania
Hypogonadotropic Hypogonadism; Micropenis (Hypogonitalism)

Fred Leickly, M.D.

Clinical Associate Professor of Pediatrics, Indiana University School of Medicine; James Whitcomb Riley Hospital for Children, Indianapolis, Indiana
Bronchitis; Status Asthmaticus

Jeremiah Levine, M.D.

Associate Professor, Albert Einstein College of Medicine, The Bronx; Co-Chief, Department of Gastroenterology and Nutrition, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, New York
Achalasia; Pyloric Stenosis; Helicobacter pylori-Associated Peptic Ulcer Disease

Lynne L. Lentsky, M.D.

Associate Professor of Pediatrics, Harvard Medical School; Chief, Pediatric Endocrine Unit, Massachusetts General Hospital, Boston, Massachusetts
Insulin-Dependent Diabetes Mellitus

L. Glen Lewis, M.D.

Assistant Professor of Pediatrics, University of Cincinnati School of Medicine; Division of Pediatric Gastroenterology and Nutrition, Children's Hospital Medical Center, Cincinnati, Ohio
End-Stage Liver Disease and Cirrhosis

Barbara Linder, M.D., Ph.D.

Assistant Professor of Pediatrics, Albert Einstein College of Medicine; Montefiore Medical Center, The Bronx, New York
Hypoglycemia; Steroid Withdrawal

Barbara Lippe, M.D.

Professor Emeritus of Pediatrics, University of California, Los Angeles, School of Medicine, Los Angeles, California; Senior Medical Director, Peptide Hormones/Metabolic Diseases, Pharmacia & Upjohn, Kalamazoo, Michigan
Turner Syndrome

Thomas R. Lloyd, M.D.

Associate Professor, Division of Pediatric Cardiology, University of Michigan Medical School; Director, Cardiac Catheterization Laboratories, C.S. Mott Children's Hospital, Ann Arbor, Michigan
Pulmonary Stenosis

Janet Loch-Donahue, M.D.

Emergency Physician, St. Thomas Hospital, Nashville, Tennessee
Orbital and Preseptal Cellulitis

Larry T. Mahoney, M.D.

Professor of Pediatrics, University of Iowa College of Medicine; Director, Pediatric Cardiology, University of Iowa Hospitals and Clinics, Iowa City, Iowa
Coarctation of the Aorta

Joseph A. Majzoub, M.D.

Associate Professor in Pediatrics, Harvard Medical School; Chief, Division of Endocrinology, Children's Hospital, Boston, Massachusetts
Diabetes Insipidus

Michael J. Maloney, M.D.

Associate Professor of Psychiatry and Pediatrics, University of Cincinnati School of Medicine; Director, Division of Child and Adolescent Psychiatry, Children's Hospital Medical Center, Cincinnati, Ohio
A Developmental Understanding of Chronic Illness

Michael Marble, M.D.

Assistant Professor of Pediatrics, Human Genetics Program, Hayward Genetics Center, Tulane University School of Medicine, New Orleans, Louisiana
Skeletal Dysplasias

Morri E. Markowitz, M.D.

Professor of Pediatrics, Albert Einstein College of Medicine; Attending Physician, Montefiore Medical Center, The Bronx, New York
Parathyroid Disorders; Pseudohypoparathyroidism; Hyperparathyroidism; Neonatal Hypocalcemia

William L. Marshall, M.D.

Instructor in Medicine, Harvard Medical School; Attending Physician in Infectious Disease, Brigham and Women's Hospital/Dana-Farber Cancer Institute, Boston, Massachusetts
Human Immunodeficiency Virus

Bruce J. Masek, Ph.D.

Assistant Professor of Psychology (Psychiatry), Harvard Medical School; Director, Behavioral Medicine Program, Department of Child Psychiatry, Children's Hospital; Massachusetts General Hospital, Boston, Massachusetts
Behavioral Symptoms and Management Strategies for Common Problems

Paul A. Meyers, M.D.

Associate Professor of Clinical Pediatrics, Cornell University Medical College; Associate Attending Pediatrician, Memorial Sloan-Kettering Cancer Center, New York, New York
Osteosarcoma; Ewing Sarcoma

Scott T. Miller, M.D.

Associate Professor of Clinical Pediatrics, State University of New York Health Science Center at Brooklyn; Attending Physician, University Hospital of Brooklyn, Kings County Hospital, Brooklyn, New York
Sickle Cell Disease; Thalassemias

Walter L. Miller, M.D.

Professor of Pediatrics and Director, Child Health Research Center, University of California, San Francisco, School of Medicine, San Francisco, California
21-Hydroxylase Deficiency; Other Congenital Adrenal Hyperplasias; Addison Disease

Jill H. Morriss, M.D.

Associate Professor, University of Iowa College of Medicine, Iowa City, Iowa
Patent Ductus Arteriosus; Aortic Stenosis

James N. Moy, M.D.

Assistant Professor, Department of Immunology/Microbiology, Rush Medical College; Director, Division of Allergy and Immunology, Cook County Children's Hospital, Chicago, Illinois
Asthma; Angioedema/Urticaria; Allergic Rhinitis; Food Allergies

Gary A. Mueller, M.D.

Assistant Professor of Pediatrics; Associate Director, Division of Pediatric Pulmonary Medicine, Wright State University School of Medicine; Medical Director, Department of Respiratory Therapy; Medical Director, Pulmonary Function Laboratory, Children's Medical Center, Dayton, Ohio
Pulmonary Function Testing

Kevin Mulhern, M.D.

Assistant Professor of Medicine, University of Iowa College of Medicine, Iowa City, Iowa
Mitral Valve Prolapse; Marfan Syndrome

J. Michael Murphy, Ed.D.

Assistant Professor of Psychology, Harvard Medical School; Staff Psychologist, Massachusetts General Hospital, Boston, Massachusetts
Questionnaire Approaches to the Recognition and Assessment of Psychosocial Problems

J. Patrick Murphy, M.D.

Associate Professor of Surgery, University of Missouri—Kansas City School of Medicine, Kansas City, Missouri; Associate Clinical Professor of Surgery, University of Kansas School of Medicine, Kansas City, Kansas; Chief of Pediatric Urology, Children's Mercy Hospital, Kansas City, Missouri
Neonatal Urinary Tract Dilation; Cryptorchidism; Trauma to the Urinary Tract

Sakkubai Naidu, M.D.

Associate Professor, Departments of Pediatrics and Neurology, Johns Hopkins University School of Medicine; Pediatric Neurologist, The Kennedy Krieger Institute, Baltimore, Maryland
Neurodegenerative Disorders; Subacute Sclerosing Panencephalitis; Rett Syndrome

Wendy Neal, M.D.

Post-doctorate Fellow in Adolescent Medicine, Albert Einstein College of Medicine/Montefiore Medical Center, The Bronx, New York
Substance Abuse

Robert P. Nelson, M.D.

Associate Professor of Medicine and Pediatrics, Division of Allergy and Clinical Immunology, University of South Florida College of Medicine, Tampa; All Children's Hospital, St. Petersburg, Florida
Pneumonia

Karin M. Nussbaum, B.A.

Research Coordinator, Eating Disorders Unit, Massachusetts General Hospital, Boston, Massachusetts
Eating Disorders

K. M. O'Neil, M.D.

Assistant Clinical Professor of Pediatrics, State University of New York at Buffalo School of Medicine and Biomedical Sciences; Director, Pediatric Rheumatology Service, The Children's Hospital of Buffalo, Buffalo, New York
Juvenile Arthritis; Systemic Lupus Erythematosus; Juvenile Dermatomyositis and Polymyositis; Scleroderma; Vasculitis Syndromes of Childhood; Infection-Associated Rheumatic Syndromes

Robert H. Pantell, M.D.

Professor of Pediatrics, University of California, San Francisco, School of Medicine, San Francisco, California
Fever in Infants Less than 3 Months of Age

Ora Hirsch Pescovitz, M.D.

Professor of Pediatrics, Physiology/Biophysics, Indiana University School of Medicine; Director, Pediatric Endocrinology/Diabetology, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana
Premature Thelarche

Michael Pettei, M.D.

Associate Professor of Pediatrics, Albert Einstein School of Medicine, The Bronx; Co-Chief, Division of Gastroenterology and Nutrition, Schneider Children's Hospital, Long Island Jewish Medical Center, New Hyde Park, New York
Gastroesophageal Reflux

Steve Piecuch, M.D.

Clinical Assistant Professor of Pediatrics, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Birth Injuries; Neonatal Infections; Gastrointestinal Disorders

Neil S. Prose, M.D.

Associate Professor of Medicine (Dermatology) and Pediatrics, Duke University Medical Center, Durham, North Carolina
Alopecias; Acne; Damaging Effects of Solar Radiation

Marlene Rabinovitch, M.D.

Professor of Pediatrics, Pathology, and Medicine, University of Toronto Faculty of Medicine; Director, Division of Cardiovascular Research, The Hospital for Sick Children, Toronto, Canada
Eisenmenger Syndrome

Simon Rabinowitz, Ph.D., M.D.

Clinical Associate Professor of Pediatrics; Chief, Pediatric Gastroenterology and Nutrition, Children's Medical Center of Brooklyn, Brooklyn, New York
Gastrointestinal Hemorrhage; Liver Failure; Toxic Megacolon; Gastrointestinal Endoscopy

Sreedhar P. Rao, M.D.

Professor of Clinical Pediatrics; Director, Pediatric Hematology/Oncology; State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Pallor; Jaundice; Anemia; Lymphadenopathy; Neck Mass; Abdominal Mass; Hepatosplenomegaly; Iron Deficiency Anemia and Other Microcytic Anemias; Aplastic Anemia; Hypoplastic Anemia; Glucose 6-Phosphate Dehydrogenase Deficiency; Pyruvate Kinase Deficiency; Microangiopathic Hemolytic Anemia; Autoimmune Hemolytic Anemia; Examination of Peripheral Blood; Examination of Bone Marrow

Paula K. Rauch, M.D.

Assistant Professor, Harvard Medical School; Co-Director, Child Psychiatry Consultation Service, Massachusetts General Hospital, Boston, Massachusetts
Death in the Family

Edward O. Reiter, M.D.

Professor of Pediatrics, Tufts University School of Medicine, Boston; Chairman, Department of Pediatrics, Baystate Medical Center Children's Hospital, Springfield, Massachusetts
Undescended Testes

Frederick J. Rescorla, M.D.

Associate Professor of Surgery, Indiana University School of Medicine; Staff Surgeon, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana
Pectus Excavatum; Pneumothorax

Michael Rosenbaum, M.D.

Associate Professor of Pediatrics, Columbia University College of Physicians and Surgeons, New York, New York
Obesity

Ron G. Rosenfeld, M.D.

Professor and Chairman, Department of Pediatrics; Professor, Department of Cell and Developmental Biology, Oregon Health Sciences University; Physician-in-Chief, Doernbecher Children's Hospital, Portland, Oregon
Growth Hormone Resistance Syndromes

Warren Rosenfeld, M.D.

Professor of Pediatrics, State University of New York at Stony Brook Health Sciences Center; Chairman of Pediatrics, Winthrop University Hospital, Mineola, New York
Respiratory Distress Syndrome; Bronchopulmonary Dysplasia; Transient Tachypnea of the Newborn; Meconium Aspiration; Air Leaks

Robert L. Rosenfield, M.D.

Professor of Pediatrics and Medicine, The University of Chicago Pritzker School of Medicine; Head, Section of Pediatric Endocrinology, The University of Chicago Children's Hospital, Chicago, Illinois
Hirsutism and Hyperandrogenism in Adolescent Girls

Sheldon P. Rothenberg, M.D.

Professor of Medicine; Chief, Division of Hematology/Oncology, State University of New York Health Science Center at Brooklyn, Brooklyn, New York
Megaloblastic Anemia

James A. Royall, M.D.

C.R. Anthony Professor of Pediatrics, University of Oklahoma College of Medicine; Chief, Section of Pediatric Pulmonology; Faculty, Section of Pediatric Critical Care, Children's Hospital at Oklahoma, Oklahoma City, Oklahoma
Cardiogenic Shock/Hypertensive Crisis

Robert J. Ruben, M.D.

Professor and Chairman, Department of Otolaryngology; Professor of Pediatrics, Albert Einstein College of Medicine and Montefiore Medical Center, The Bronx, New York
Symptoms of ENT Disorders; Otitis Media; Serous Otitis Media; Chronic Otitis Media and Mastoiditis; Otitis Externa (Swimmer's Ear); Hearing Tests; Tympanocentesis; Removing Cerumen

Nathan Rudolph, M.B.B.Ch.

Professor of Pediatrics, State University of New York Health Science Center at Brooklyn; Associate Director of Neonatology, Children's Medical Center of Brooklyn, Brooklyn, New York
Low Birth Weight; Parenteral Nutrition of the Neonate; Screening

Barry Russman, M.D.

Professor of Pediatrics and Neurology, University of Connecticut School of Medicine, Farmington; Director, Rehabilitation Medicine; Staff Neurologist, Connecticut Children's Medical Center, Hartford, Connecticut
Cerebral Palsy; Muscular Dystrophies; Spinal Muscular Atrophy

Paul H. Saenger, M.D.

Professor of Pediatrics; Head, Division of Pediatric Endocrinology, Montefiore Medical Center/Albert Einstein College of Medicine; The Bronx, New York
Gynecomastia; Premature Adrenarche; Brief Guide to Work-up of the Child with Short Stature; Ambiguous Genitalia; Undescended Testes

Stephen P. Sanders, M.D.

Professor of Pediatrics; Chief, Division of Pediatric Cardiology, Duke University Medical Center, Durham, North Carolina
Transposition of the Great Vessels

Lawrence A. Schachner, M.D.

Professor, Department of Dermatology, Department of Pediatrics; Director, Division of Pediatric Dermatology, University of Miami School of Medicine, Miami, Florida
Normal Neonatal Skin; Neonatal Skin Abnormalities; Seborrheic Dermatitis; Vesicopustular Rashes; Sarcoidosis; Mastocytosis; Granuloma Annulare; Melanoma; Nevocellular (Melanocytic) Nevus; Miscellaneous Pigmented Lesions; Potassium Hydroxide (KOH) Preparation; Patch Testing; Scabies Preparation; Tzanck Preparation; Wood Lamp Examination

David Schleifer, B.A.

Pediatric Pharmacology Clinic, Massachusetts General Hospital, Boston, Massachusetts
Attention Deficit/Hyperactivity Disorder

Thomas D. Scholz, M.D.

Assistant Professor of Pediatrics, University of Iowa College of Medicine, Iowa City, Iowa
Atrial Septal Defects

Joel M. Schwartz, M.D.

Professor of Clinical Medicine, State University of New York Health Science Center at Brooklyn; Director of Hematology and Oncology, Coney Island Hospital, Brooklyn, New York
Hereditary Spherocytosis and Hereditary Elliptocytosis

Binita R. Shah, M.D.

Professor of Clinical Pediatrics, State University of New York at Brooklyn Health Science Center; Children's Medical Center of Brooklyn; Director, Pediatric Emergency Medicine, Kings County Hospital Center, Brooklyn, New York
Comatose Child; Child with Multisystem Trauma; Child Poisoned by Unknown Substance

Joseph Shrand, M.D.

Instructor of Psychiatry, Harvard Medical School, Boston; Director, Child and Adolescent Ambulatory Services, McLean Hospital, Belmont, Massachusetts
Triage of Psychiatrically Ill Children

Ari M. Simckes, M.D.

Assistant Professor of Pediatrics, University of Missouri—Kansas City School of Medicine; Section of Pediatric Nephrology, The Children's Mercy Hospital, Kansas City, Missouri
Isolated Asymptomatic Proteinuria; Nephrotic Syndrome; Bladder Catheterization; Suprapubic Aspiration (Bladder Tap)

John D. Snyder, M.D.

Professor of Clinical Pediatrics, Division of Hepatology, University of California, San Francisco, School of Medicine, San Francisco, California
Acute Diarrhea; Persistent Diarrhea; Inflammatory Bowel Disease; Ulcerative Colitis and Crohn Disease

Thomas J. Spencer, M.D.

Assistant Professor, Harvard Medical School; Staff Psychiatrist, Massachusetts General Hospital, Boston, Massachusetts
Attention Deficit/Hyperactivity Disorder

Paul Stanger, M.D.

Professor of Pediatrics (Cardiology), University of California, San Francisco, School of Medicine, San Francisco, California
Truncus Arteriosus

Richard Stanhope, M.D., D.C.H., F.R.C.P.

Senior Lecturer in Paediatric Endocrinology, Institute of Child Health; Consultant Paediatric Endocrinologist, Great Ormond Street Hospital for Children, London, England
Constitutional Short Stature; Familial Short Stature; Constitutional Delay of Growth and Puberty

Peter G. Steinherz, M.D.

Professor of Pediatrics, Cornell University Medical College; Member and Attending Pediatrician, Memorial Sloan-Kettering Cancer Center, New York, New York
Acute Lymphoblastic Leukemia; Wilms Tumor

John C. Stevens, M.D.

Clinical Associate Professor of Pediatrics, Section of Pulmonology, Indiana University School of Medicine; Attending Pediatric Pulmonologist, James Whitcomb Riley Hospital for Children, Indianapolis, Indiana
Chronic Cough; Cystic Fibrosis

Julia L. Stevens, M.D.

Assistant Professor, Department of Ophthalmology, University of Kentucky College of Medicine; A.B. Chandler Medical Center, Lexington, Kentucky
Amblyopia; Retinopathy of Prematurity

Constantine A. Stratakis, M.D., D.Sc.

Assistant Professor of Pediatrics, Pediatric Endocrinology, and Genetics, Georgetown University, Washington, D.C.; Senior Staff Scientist, National Institute of Child Health and Human Development, National Institutes of Health, Bethesda, Maryland
Cushing Syndrome and Cushing Disease

Muriel Sugarman, M.D.

Clinical Instructor in Psychiatry, Harvard Medical School; Assistant in Psychiatry, Massachusetts General Hospital, Boston, Massachusetts
Physical Abuse and Neglect; Sexual Abuse

Masato Takahashi, M.D.

Professor of Pediatrics, University of Southern California School of Medicine; Attending Cardiologist, Children's Hospital, Los Angeles, California
Kawasaki Syndrome

Shanti Thirumalai, M.D., M.R.C.P.(U.K.)

Assistant Professor, Division of Pediatric Neurology, University of South Carolina School of Medicine; Attending Physician, Richland Memorial Hospital, Columbia, South Carolina
Neurodegenerative Disorders; Subacute Sclerosing Panencephalitis; Rett Syndrome

Jeffrey A. Towbin, M.D.

Associate Professor of Pediatrics (Cardiology) and Molecular and Human Genetics, Baylor College of Medicine, Texas Children's Hospital, Houston, Texas
Myocarditis; Pericarditis

Guochuan E. Tsai, M.D., Ph.D.

Assistant Professor, Harvard Medical School; Assistant in Psychiatry, Massachusetts General Hospital, Boston, Massachusetts
Anxiety Disorders

Gloria B. Valencia, M.D.

Clinical Associate Professor, State University of New York Health Science Center at Brooklyn; Attending Neonatologist; Kings County Hospital Center, Brooklyn, New York
Neonatal Jaundice; Infant Transport

Cornelis Van Dop, M.D., Ph.D.

Associate Professor of Pediatrics, University of California, Los Angeles, School of Medicine, Los Angeles, California
McCune-Albright Syndrome

Stella Van Praagh, M.D.

Associate in Cardiology, Emeritus, Department of Cardiology,
Children's Hospital, Boston, Massachusetts
Single Ventricle

L. George Veasy, M.D.

Professor of Pediatrics, University of Utah School of Medicine;
Physician-in-Chief (Retired), Primary Children's Medical Center,
Salt Lake City, Utah
Cardiac Auscultation

Fredric H. Warren, M.D.

Associate Professor of Orthopaedics, Tulane University, New Orleans,
Louisiana
*Slipped Capital Femoral Epiphysis; Genu Varum and Genu Val-
gum; Legg-Calvé-Perthes Disease*

Paul M. Weinberg, M.D.

Associate Professor of Pediatrics and Radiology, University of
Pennsylvania School of Medicine; Senior Cardiologist; Consultant
in Radiology (MRI) and Pathology; Director, Cardiac Registry, The
Children's Hospital of Philadelphia, Philadelphia, Pennsylvania
Hypoplastic Left Heart Syndrome

Toba Weinstein, M.D.

Assistant Professor, Albert Einstein College of Medicine, The
Bronx; Pediatric Gastroenterologist, Schneider Children's Hospital,
Long Island Jewish Medical Center, New Hyde Park, New York
Achalasia; Helicobacter Pylori-Associated Peptic Ulcer Disease

Peter F. Weller, M.D., F.A.C.P.

Professor of Medicine, Harvard Medical School; Co-Chief, Infec-
tious Diseases, Beth Israel Deaconess Medical Center, Boston,
Massachusetts
Selected Parasitic Infections

Robert J. Wells, M.D.

Professor of Clinical Pediatrics, University of Cincinnati College
of Medicine; Children's Hospital Medical Center, Cincinnati, Ohio
Acute Myeloid Leukemia

Constance E. West, M.D.

Pediatric Ophthalmologist, Children's Hospital Medical Center and
Cincinnati Eye Institute, Cincinnati, Ohio
Nasolacrimal Duct Obstruction; Retinoblastoma; Ocular Trauma

Timothy E. Wilens, M.D.

Associate Professor, Harvard Medical School; Staff Psychiatrist,
Massachusetts General Hospital, Boston, Massachusetts
Attention Deficit/Hyperactivity Disorder

Steven M. Willi, M.D.

Assistant Professor of Pediatrics, Medical University of South
Carolina College of Medicine, Charleston, South Carolina
Hypoglycemia

Robert R. Wolfe, B.S.Ch.E., M.D.

Professor of Pediatric Cardiology, University of Colorado School
of Medicine, Director of Pediatric Exercise Laboratory; Director of
Pediatric Cardiology Outreach, Denver Children's Hospital, Den-
ver, Colorado
Pulmonary Atresia

Norma Wollner, M.D.

Professor of Pediatrics, Cornell University Medical College; At-
tending Pediatrician; Director, Pediatric Day Hospital, Memorial
Sloan-Kettering Cancer Center, New York, New York
Non-Hodgkin Lymphoma

Alice C. Yao, M.D.

Professor of Pediatrics, Pediatric Cardiology, and Neonatology,
State University of New York at Brooklyn Health Science Center;
Attending Pediatrician, Attending Neonatologist and Cardiologist,
Children's Medical Center of Brooklyn at University Hospital of
Brooklyn, Brooklyn, New York
Cardiovascular Disorders

Nada Yazigi, M.D.

Mt. Sinai Hospital Medical Center, Chicago, Illinois
Viral Hepatitis

Marc Yudkoff, M.D.

Professor of Pediatrics, University of Pennsylvania School of Medi-
cine; Associate Chief, Division of Child Development, Children's
Hospital of Philadelphia and Children's Seashore House, Philadel-
phia, Pennsylvania
Disorders of Amino Acid Metabolism

Jean Homrighausen Zander, R.N., M.S.N.

Formerly Clinical Instructor and Lecturer (Adjunct), Indiana Uni-
versity School of Nursing; Staff Nurse, Pediatric ICU, James Whit-
comb Riley Hospital for Children, Indianapolis, Indiana
Pulmonary Home Care

Donald Zimmerman, M.D.

Associate Professor of Pediatrics, Mayo Medical School; Section
Head, Pediatric Endocrinology; Consultant in Pediatric Endocrinol-
ogy and Metabolism, Mayo Clinic, Rochester, Minnesota
Thyroid Cancer
