みなさまのおかげでピエ・ブックスも第2作目のポストカード・グラフィックスを作りあげることができました。この場をお借りしてお礼申し上げます。

これも第1作目で多くの読者のみなさまからの賞賛や叱咤激励があったからこそと感謝しております。今回も第2作目を編集するにあたり、前作以上に充実したコレクションにするため数多くの応募作品及びトップクリエイターの方々からの作品提供をいただきました。誠にありがとうございました。しかしながらページ数及び紙面の構成上、多くの秀れた作品が掲載できなかったことをここに深くお詫びいたします。

次回は国内にとどまらず海外の秀れたアーティストの方々の作品も掲載したいと考えております。発刊予定は1991年6月(ダ切は1991年1月)世界各国のアーティストの方々から応募をお待ちしております。

尚、読者から届いたいくつかのアンケートを紹介させていただきます。

数多くの出版社の足元にも及ばぬ駆出しの出版社ではありますが、常 に質的向上を図り積極的に進めていきたいと思っております。

ピエ・ブックス編集部

Preface:

Thanks to the warm support for the first edition of "Postcard Graphics" the editors of P·I·E Books are very pleased to bring you this second edition.

In compiling this new edition, the editors benefited from the praise, criticism and materials submitted to us by readers, both professional and otherwise. Here are some of their reactions:

- Although the pictures were rather small, one could still sense the force of the original work.
- There's so much variety in the book ... it always triggers a thought when I've run out of ideas.
- The next edition should carry a wider range of work.
- Please select a more balanced range of materials
- These small photos convey their creators' "essence" ... very instructive.
- I like postcards, so I loved the book. I plan to keep it forever.
- I wish you'd organized the categories more intelligently.
- It's as if precious stones were scattered across these rather small pages.
- This is exactly the kind of book I wanted.
- I love the variety of these unique postcards.
- The number of postcards surprised me, and their ideas were inspirational. It seems there are no limits in the world of these small cards.

Trying to keep all this in mind, we have attempted to compile a more satisfactory book. We thank everyone for their contributions, and apologize to those whose materials could not be included for reasons of limited space.

We are planning a third edition of this book, to be published in June 1991. We would very much like to expand the scope of that book to include works from countries other than Japan, and invite you to send us your ideas. (The deadline for contributions is January 1991).

P•I•E Books is a relatively young publisher, but we are making every effort to produce the highest quality books we can. We thank you for your support.
