KINS ■ COUPLED WITH PIG AND COWHIDE ■ WE HAVE EVERY LEATHER FOR YOUR MARKET

ALL ARE MADE UNDER OUR COST-EFFECTIVE CONCEPT

- ① We buy raw leathers in bulk, in good prices. We professionally categorize, process, dye, spray and finish them for our own consumption.
- ② We then turn "our leathers" into small leather goods and handbags with exclusive styling for individual customers.
- ③ For convenience, we make our cartons for punctual shipments.

This Three-In-One concept is cost-effective to keep you most competitive in your market. Our work force is strong and skillful; our merchandising teams are friendly and cooperative to work along with your objectives.

Please visit us on your next trip to Hong Kong. It is worthwhile to see a cost-effective factory for your business.
