# Urban Macroeconomics

## Content

### Chapter 1 Introduction

---

#### 1 Research background

- 1. 1 Urban economic development—the important fact of economic development in China during the last semi-century
- 1. 2 Adjustment and control of urban macroeconomy—an important administrative level in macro adjustment and control of the operation of socialist market economy
- 1. 3 Establishment of urban macroeconomics

#### 2 Research connotation

- 2. 1 Definition of the research connotation of urban macroeconomics
- 2. 2 Characters of the operation of urban macroeconomy

#### 3 Research methods

3.1 Research presuppositions and methods

3.2 The theoretical frame of this book

## **Chapter 2 Urban economic quantum and indicator systems of urban economy**

---

### **1 Urban economic quantum**

1.1 Economic quantum and urban economic quantum

1.2 Definition of urban economic quantum

1.3 Operation of urban macroeconomy

### **2 Establishment of indicator systems of urban economy**

2.1 Indicator, indicator system and indicator systems of urban economy

2.2 Necessity of establishing indicator systems of urban economy

2.3 Basis and train of thought for designing indicator systems of urban economy

### **3 Indicator systems of urban economy**

3.1 Indicator system of urban economic quantum

3.2 Indicator system of urban economic growth and development

3.3 Indicator system of the functions of urban economic radiation and concentration

3.4 Indicator system of urban macroeconomic results

## **Chapter 3 Equilibrium and non-equilibrium of the operation of urban macroeconomy**

---

### **1 Theory and fact about economic equilibrium and non-equilibrium**

2

---

rium

1. 1 Evolution of the theory about economic equilibrium and non-equilibrium

1. 2 The fact about economic non-equilibrium in China

2 Urban economic equilibrium and non-equilibrium

2. 1 Research background

2. 2 Functions of aggregate urban supply and demand

2. 3 Urban economic equilibrium and non-equilibrium

3 Alleviation and deterioration of urban economic non-equilibrium

3. 1 Alleviation of urban economic non-equilibrium; relative equilibrium

3. 2 Deterioration of urban economic non-equilibrium; inequilibrium

#### **Chapter 4 Formation of aggregate urban supply and advancement of urban industrial structure**

---

1 Formation of urban supply

1. 1 Aggregate urban supply and urban supply

1. 2 Decision of resource allocation in the process of the formation of urban supply

1. 3 Measurement on structural rationalization of urban supply

1. 4 Change of resource allocation and adjustment of the structure of urban supply

2 Advancement of urban industrial structure

2. 1 Industrial structure and structure of urban supply

## 2.2 Advancement of urban industrial structure

### 3 Policy of urban industrial

#### 3.1 Policy of urban industrial and advancement of urban industrial structure

#### 3.2 Policy of urban industry, national industry and regional industry

#### 3.3 Policy of urban industrial structure

#### 3.4 Policy of urban industrial organization

## **Chapter 5 Formation of urban investment demand**

---

### 1 Urban investment and investment demand

#### 1.1 Urban investment and investment structure

#### 1.2 Definition of urban investment demand

### 2 Decision and formation of urban investment demand

#### 2.1 Decision of urban investment demand

#### 2.2 Formation of urban investment demand

### 3 Decision and formation of urban investment in capital construction

#### 3.1 Implication of urban investment in capital construction

#### 3.2 System of investor and the structure of urban investment in capital construction

#### 3.3 Decision and formation of urban investment in capital construction

### 4 Decision and formation of urban investment in alteration

#### 4.1 Collection of depreciation fund is the source of urban investment in alteration

#### 4.2 Decision of depreciation rate

- 4.3 Decision of urban investment in alteration
- 5 Urban investment in infrastructure
  - 5.1 Definition of urban investment in infrastructure
  - 5.2 Decision of urban investment in infrastructure

## **Chapter 6 Formation of urban consumption demand**

---

- 1 Decision of urban consumption demand
  - 1.1 Connotation of urban consumption demand
  - 1.2 Decision of necessary urban consumption level
- 2 The structure of urban consumption demand
  - 2.1 Definition of urban consumption demand and factors restricted with it
  - 2.2 Trend of structural changes of urban consumption demand
  - 2.3 The relationship between urban private consumption and urban social consumption and trend of its development
- 3 Formation of urban consumption demand
  - 3.1 Formation of urban private consumption demand
  - 3.2 Formation of urban social consumption demand
- 4 Formation of aggregate urban demand
  - 4.1 Definition of aggregate urban demand
  - 4.2 Formation of aggregate urban demand

## **Chapter 7 Income distribution in the process of formation of aggregate urban supply and demand**

---

- 1 Basic content of urban income distribution

- 1.1 Distribution of aggregate social product
- 1.2 Distribution of gross national product
- 2 Effects of urban income distribution
  - 2.1 Decisive factors in the process of urban income distribution
  - 2.2 Effects of urban income distribution in the near future
  - 2.3 Effects of urban income distribution in the far future
- 3 Policy of urban finance
  - 3.1 Macro environment of urban finance
  - 3.2 Urban financial target and financial policy
  - 3.3 Operation of urban finance

## **Chapter 8 Monetary movement in the process of formation of aggregate urban supply and demand**

---

- 1 Monetary movement in urban area
  - 1.1 Monetary circulation and flowage in urban area
  - 1.2 Five kinds of monetary movement in urban area
  - 1.3 Identification and stratification of money
- 2 Monetary supply in urban area
  - 2.1 Definition of monetary supply in urban area
  - 2.2 Mechanism of monetary supply in urban area
  - 2.3 Influential factors of monetary supply in urban area
- 3 Monetary demand in urban area
  - 3.1 Definition of monetary demand in urban area
  - 3.2 Decision of monetary demand in urban area
- 4 Effects of monetary supply and demand in urban area

- 4. 1 Equilibrium analysis on monetary supply and demand in urban area
- 4. 2 Measurement on the market quantities of monetary supply and demand in urban area
- 4. 3 Influence of monetary supply and demand in urban area on aggregate urban supply and demand
- 5 Adjustment and control of urban finance
  - 5. 1 System of adjustment and control of urban finance
  - 5. 2 Characters of adjustment and control of urban finance
  - 5. 3 Operations of adjustment and control of urban finance

## **Chapter 9 Price movement in the process of formation of aggregate urban supply and demand**

---

- 1 Formation of aggregate urban supply and demand and monetary supply in urban area
  - 1. 1 Money is basis of the operation of urban economy
  - 1. 2 The relationship between urban market supply and demand and monetary supply and demand
  - 1. 3 The quantity of monetary supply in urban area is the key of the equilibrium of aggregate urban supply and demand
- 2 Effects of monetary supply in urban area on price
  - 2. 1 Theoretical basis of the analysis on the effects of monetary supply in urban area on price
  - 2. 2 Judgement of the state of monetary supply
  - 2. 3 Effects of insufficient monetary supply on price
  - 2. 4 Effects of excessive monetary supply on price

### 3 Policy of price in urban area

#### 3.1 Key content of policy of price in urban area

#### 3.2 Control target of general price level in urban area

#### 3.3 Co-ordination between control target of general price level in urban area and other targets of urban macro adjustment and control

### 4 Macro adjustment and control of general price level in urban area

#### 4.1 Administrative methods of control of general price level in urban area

#### 4.2 Economic methods of control of general price level in urban area

## **Chapter 10 Operation of urban economy in the condition of open economy**

---

### 1 Decision of volume of urban imports and exports

#### 1.1 Leading import and export into

#### 1.2 Decision of volume of urban imports

#### 1.3 Decision of volume of urban exports

### 2 International payment and aggregate urban supply and demand

#### 2.1 International trade and aggregate urban supply and demand

#### 2.2 International capital movement and aggregate urban supply and demand

#### 2.3 Influence of international trade and international capital movement

### 3 International market and structural change of urban economy

3.1 International market and resource allocation advancement of urban economy

3.2 Locus of structural change of urban economy derived from import and export in the condition of open economy

## **Chapter 11 Urban economic growth**

---

### 1 Factors having effect on urban economic growth

1.1 Potential factor of urban economic growth

1.2 Factors restricting with urban economic growth

1.3 Factors deciding urban economic growth and an model of urban economic

### 2 Investment rate in the process of urban economic growth

2.1 Dual effects of urban investment

2.2 The relationship between investment and urban economic growth

2.3 Restriction of supply on change of investment

2.4 Rational size of urban investment

### 3 The motive force of urban economic growth—technical progress

3.1 Technical progress and urban economic growth

3.2 Human capital—the source of technical progress

### 4 The structure of urban economic growth

4.1 Urban spatial structure and urban economic growth

4.2 Urban industrial structure and urban economic growth

### 5 Mechanism of urban economic growth

- 5.1 Basic prerequisite of urban economic growth
- 5.2 Internal mechanism of urban economic growth
- 5.3 Theoretical basis of mechanism of urban economic growth

## **Chapter 12 Periodical urban economic wavement**

---

- 1 Periodicity of urban economic wavement
  - 1.1 Theory and fact about economic wavement
  - 1.2 Positive analysis on periodical urban economic wavement
  - 1.3 Factor analysis on periodical urban economic wavement
  - 1.4 Stages and process of urban economic wavement
- 2 System of forecast and warning of urban business
  - 2.1 Indicator system of urban business
  - 2.2 System of forecast and warning of urban business
  - 2.3 Analysis on the warning source of system of forecast and warning of urban business

# 目 录

## 第一章 导 论

第一节 研究的背景.....	( 2 )
一、城市经济的发展——中国近半个世纪经济发展的 重大现实 .....	( 2 )
二、城市宏观经济调控——社会主义市场经济运行中 宏观调控的一个重要层次 .....	( 5 )
三、城市宏观经济学的建立 .....	( 8 )
第二节 研究的内涵 .....	( 10 )
一、城市宏观经济学研究内涵的界定 .....	( 10 )
二、城市宏观经济运行的特征 .....	( 12 )
第三节 研究的方法 .....	( 15 )
一、研究的前提与方法 .....	( 15 )
二、全书的理论框架 .....	( 20 )

## 第二章 城市经济总量与城市经济指标体系

第一节 城市经济总量 .....	( 25 )
------------------	--------

一、经济总量与城市经济总量 .....	( 26 )
二、城市经济总量的界定 .....	( 31 )
三、城市宏观经济的运行 .....	( 35 )
第二节 城市经济指标体系的建立 .....	( 41 )
一、指标、指标体系和城市经济指标体系 .....	( 41 )
二、建立城市经济指标体系的必要性 .....	( 42 )
三、城市经济指标体系设计的依据和思路 .....	( 43 )
第三节 城市经济指标体系 .....	( 45 )
一、城市经济总量指标体系 .....	( 45 )
二、城市经济增长与发展指标体系 .....	( 50 )
三、城市经济辐射与聚集功能指标体系 .....	( 56 )
四、城市宏观经济效益指标体系 .....	( 58 )

---

### 第三章 城市宏观经济运行的均衡与非均衡

---

第一节 经济均衡与非均衡的理论与现实 .....	( 62 )
一、经济均衡与非均衡理论的历史沿革 .....	( 62 )
二、中国经济的非均衡现实 .....	( 70 )
第二节 城市经济的均衡与非均衡 .....	( 73 )
一、研究的背景 .....	( 73 )
二、城市总供求函数 .....	( 75 )
三、城市经济的均衡与非均衡 .....	( 85 )
第三节 城市经济非均衡的缓解与恶化 .....	( 87 )
一、城市经济非均衡的缓解:相对均衡 .....	( 87 )
二、城市经济非均衡的恶化:失衡 .....	( 91 )

---

## 第四章 城市总供给的形成与产业结构的高度化

---

第一节 城市供给的形成 .....	( 94 )
一、城市总供给与城市供给 .....	( 94 )
二、城市供给形成的资源配置决定 .....	( 95 )
三、城市供给结构的合理化度量 .....	(100)
四、资源配置的变化与城市供给结构的调整 .....	(102)
第二节 城市产业结构的高度化 .....	(106)
一、产业结构与城市供给结构 .....	(106)
二、城市产业结构的高度化 .....	(107)
第三节 城市产业政策 .....	(114)
一、城市产业政策与城市产业结构的高度化 .....	(114)
二、城市产业政策与国家、地区产业政策 .....	(117)
三、城市产业结构政策 .....	(119)
四、城市产业组织政策 .....	(123)

---

## 第五章 城市投资需求的形成

---

第一节 城市投资与投资需求 .....	(129)
一、城市投资与投资结构 .....	(129)
二、城市投资需求的界定 .....	(131)
第二节 城市投资需求的决定与形成 .....	(132)
一、城市投资需求的决定 .....	(132)
二、城市投资需求的形成 .....	(135)
第三节 城市基本建设投资的决定与形成 .....	(138)
一、城市基本建设投资的涵义 .....	(138)
二、投资主体体制与城市基本建设投资结构 .....	(138)

三、城市基本建设投资的决定与形成 .....	(142)
第四节 城市更新改造投资的决定与形成 .....	(144)
一、折旧基金的提取是形成更新改造投资的重要来源 .....	(145)
二、折旧率的决定 .....	(145)
三、更新改造投资的决定 .....	(146)
第五节 城市基础设施投资 .....	(148)
一、城市基础设施投资的界定 .....	(148)
二、城市基础设施投资的决定 .....	(151)

---

## 第六章 城市消费需求的形成

---

第一节 城市消费需求的决定 .....	(156)
一、城市消费需求的内涵 .....	(156)
二、城市必要消费水平的决定 .....	(159)
第二节 城市消费需求结构 .....	(162)
一、城市消费需求结构的界定和制约因素 .....	(162)
二、城市消费需求结构的变动趋势 .....	(165)
三、城市居民消费与城市社会消费的关系及其发展 趋势 .....	(170)
第三节 城市消费需求的形成 .....	(172)
一、城市居民消费需求的形成 .....	(172)
二、城市社会消费需求的形成 .....	(178)
第四节 城市总需求的形成 .....	(179)
一、城市总需求的界定 .....	(179)
二、城市总需求的形成 .....	(181)

---

## 第七章 城市总供求形成过程中的收入分配

---

第一节 城市收入分配的基本内容·····	(186)
一、社会总产值的分配·····	(186)
二、国民生产总值的分配·····	(191)
第二节 城市收入分配效应·····	(194)
一、城市收入分配的决定因素·····	(195)
二、城市收入分配的近期效应·····	(196)
三、城市收入分配的远期效应·····	(198)
第三节 城市财政政策·····	(200)
一、城市财政的宏观环境·····	(200)
二、城市财政目标与财政政策·····	(204)
三、城市财政操作·····	(210)

---

## 第八章 城市总供求形成过程中的货币运动

---

第一节 城市货币运动·····	(217)
一、城市货币的流通与流动·····	(217)
二、城市货币运动的五种类型·····	(219)
三、货币的定义及其层次性·····	(220)
第二节 城市货币供给·····	(221)
一、城市货币供给的界定·····	(221)
二、城市货币供给机制·····	(222)
三、影响城市货币供给的因素·····	(224)
第三节 城市货币需求·····	(229)
一、城市货币需求的界定·····	(229)
二、城市货币需求的决定·····	(232)
