**Better Business Solutions.
Better Financial Solutions.
Better Read These Now.**

In a small business, the management and financial decisions are a headache in just a matter of minutes. If you're one of them, Smart Business Solutions, an informative and practical series from Microsoft Press, will save your business.

Smart Business Solutions is a Direct Marketing and Customer Management and Sales Planning Series. The Financial Management series might be program solutions that will help you take your business. And both provide valuable advice on how to get the best technology for your business.

If you're looking for ways to make your business better, better look no further. Made by Microsoft.

The Internet lets you
visit faraway cultures.

The Pentium® II
processor lets you see
all the local color.

Multi-processor systems that use
Intel's 6th Generation Pentium® II
processors deliver performance and
flexibility for a wide range of applications.
From 3D CAD to business applications,
Intel's Pentium II processors provide the
performance and flexibility you need to
get the job done.

Intel's Pentium II processors are available in a variety of
packages and pin counts. Visit www.intel.com for more
information on the Pentium II processor family.

For more information, visit www.intel.com
or call 1-800-541-Intel. Intel is the leader in
microprocessors.
