编者的话

当你打开这本书的时候,你就走进了一个动物的王国。在这里,你会听到主人公们,也就是各种动物,诉说着它们一天(或数天)内的经历。多么有趣又奇特的经历啊!有觅食的紧张,有玩耍的快乐,有遭遇天敌的惊险,更有与人交往的真情……书中真实地反应了动物们的生活状况和自然习性,图画也逼真地再现了它们的风采。

听着动物们自己讲的故事,你一定会感到,正是有了这些各 具特点的动物,我们这个世界才有了生机。它们是人类的朋友。我 们应该和它们友好相处。

Our pack is very much close -knit. We often do things together. Today, we went out together to find food for ourselves.

在一条路上,我看到一个两条腿的。啊! 他那里有好吃的。我盯上他,跟着他走。

On the road, I saw a fellow with two legs, carrying nice food with him. Idecided to follow him.

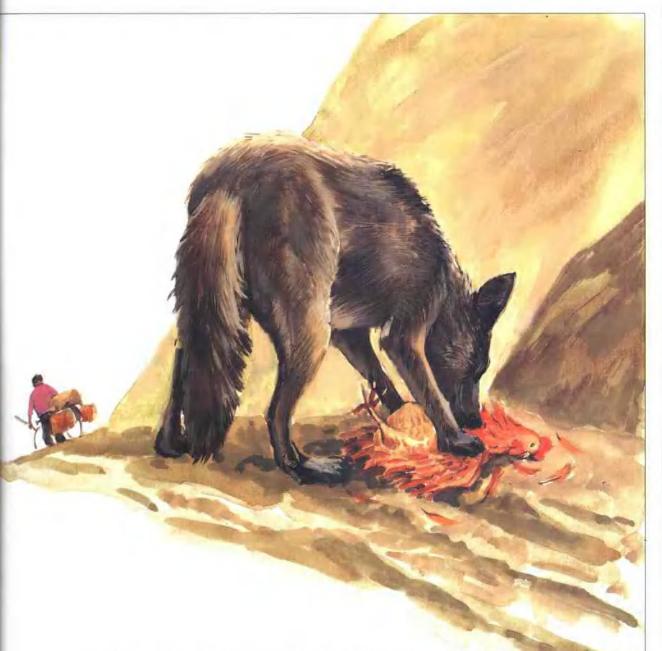

他发现了我,从地上抄起了一根长东西。我也有些 怕,连忙站住了。他又往前走,我还是跟着他。

He realized that I was after him and picked up a long stick. I was afraid and stopped walking. Then he started to walk again. And I followed him again.

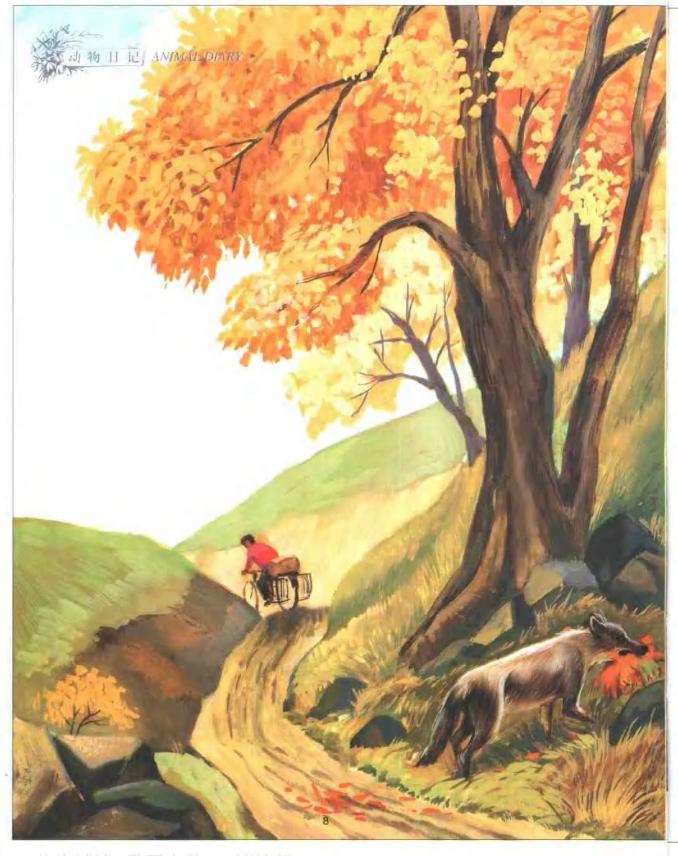

他扔过一只活物,我猛地扑上去,真好吃! 可肚子没饱, 还得跟着他。

He threw something alive to me and I rushed at it. Delicious! But I had not had enough. So I had to follow him again.

他又扔过来几只。我吃了一只。剩下的留给我的宝 宝,就叼着跑回了家。

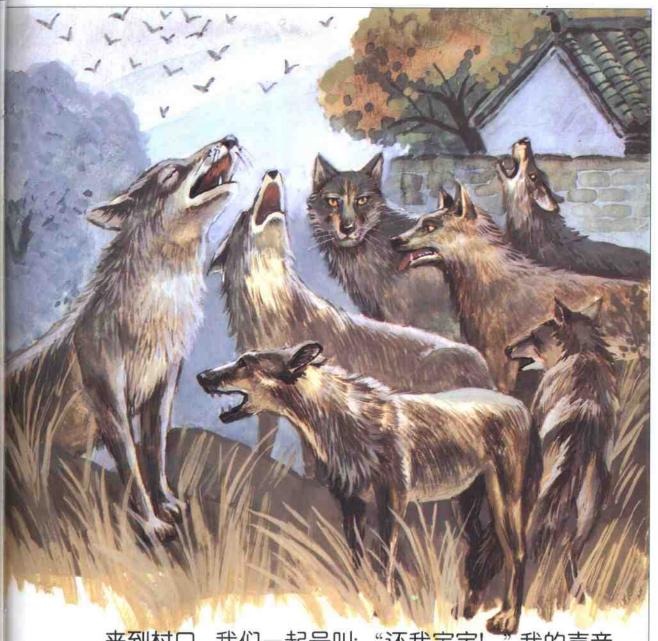

He threw me some more. I took one and kept the rest for my babies. I took them in my mouth and headed for home.

哎呀,两个宝宝不见了! 我急得到处找。凭嗅觉,我知道宝宝被村里的人抱走了。

God, the two babies had disappeared! I searched for them everywhere. From the smell, I knew, the babies had been taken by the villagers.

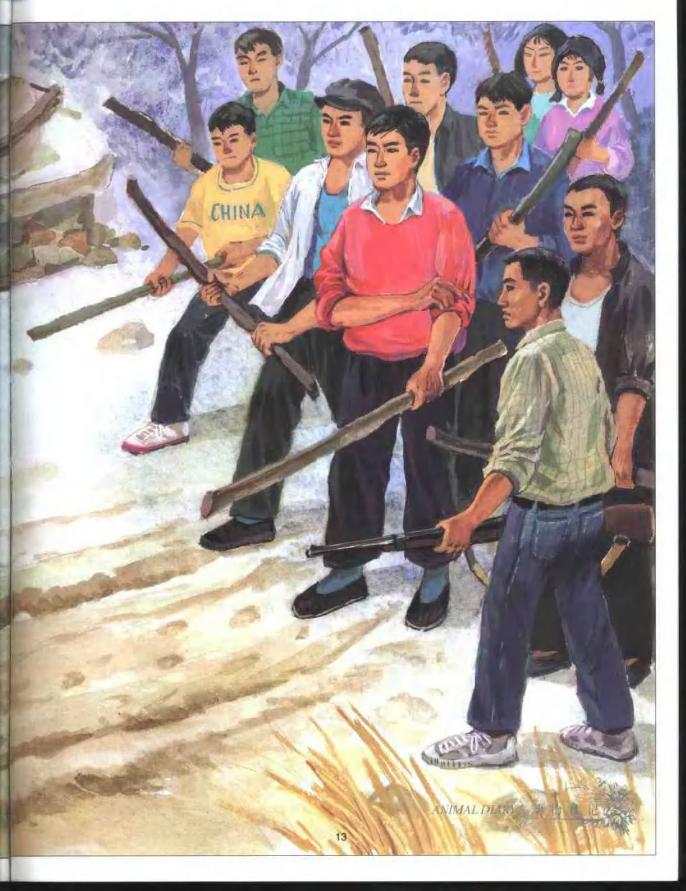

来到村口,我们一起号叫:"还我宝宝!"我的声音最大,谁听了都害怕。

At the village edge, we cried together:" Return my babies to me!" My howl was the loudest, very frightening.

他好像不懂我的意思。我生气了,向伙伴们发出信 号。两个伙伴悄悄地走了。

They seemed not to understand me. I was so angry that I signaled to my companions. Two of them understood me and left quietly.
