堅持改革開放 發展對外經濟

陳慕華

一九八八年八月二十二日

全国人民代表大会常务委员会副委员长陈慕华同志
为光明日报出版社编辑出版的《中国外向型企业年
鉴》的题词。

序 言

《中国外向型企业年鉴》(上海卷)在大家的努力下终于面世了,这是一件值得庆贺的事。

近年来,上海为贯彻沿海地区经济发展战略,加快外向型经济发展,作了很多努力。一大批企业开始走向对外经济贸易的第一线。随着外贸体制改革的深化,上海已形成以外贸专业公司为主体的,工贸公司、自营出口企业和“三资”企业等多元经营的新格局。到目前为止,上海除有各类具有进出口经营权的企业 110 家外,还有数量众多为发展外向型经济作出贡献的生产企业,它们在扩大上海出口、增创外汇中起着重要的作用。

为了进一步深化改革和对外开放,上海正积极稳妥地推行出口代理制,有更多的生产企业将面向国际市场。

《中国外向型企业年鉴》(上海卷)的出版,对于海外企业家了解上海出口生产经营企业及其产品,提高我出口产品的透明度和生产企业的知名度,扩大出口创汇以及增强外商对上海的投资意向,将产生积极的作用和影响。

因此,我相信,本《年鉴》的出版,将会进一步推动上海外向型经济的发展。

上海市对外经济贸易委员会主任 沈被章

PREFACE

Thanks to everybody's efforts, "The Almanac of Chinese Export-Oriented Enterprises", Volume Shanghai, has been published. This is a special event being worth congratulating.

In recent years, a great effort has been made by Shanghai Government in order to speed up the developing pace of export-oriented economy and carry out strategic principle of economic development in coastal areas. Large quantities of enterprises have begun joining on the way to the front of foreign trade economy. In pace with deepening reform of foreign trade system, the new pattern of a diversified economy consisted of industrial and commercial trade companies, exporting enterprises in autonomous management and enterprises of managing affairs on their own joint ventures as well as joint operation has been formed based on the main part of specialized foreign trade companies. Up to now, besides 110 enterprises who had the right of various managements in exp. & imp, there have been a great number of productive enterprises who had been making great contributions for developing export-oriented economy in Shanghai. These enterprises are playing an important part in expending Shanghai's exporting value and increasingly creating foreign exchange income.

The Government of Shanghai is carrying out an exporting agent system. In order to further deepen reform and open to the world, more and more productive enterprises are turning to the international markets. Increasing the diaphaneity and reputation of our export products, the publishing of "The Almanac of Chinese Export-Oriented Enterprises", Volume Shanghai, will have produced a good result and have had bearing on being understood and invested by overseas enterprises in the fields of export productions and managerial system of Shanghai enterprises.

I believe that the publishing of "The Almanac" will have improved the development of export-oriented enterprises in Shanghai.

Director Shen Beizhang
