桥的联想

武汉市外语学校初三(1)班 孙凡
(指导老师 王建军)

我登上了刚刚落成的武汉长江二桥。它北起汉口的黄浦路,南接武昌的徐家棚,横卧在1800多米宽的过江江面上。这是亚洲第一座现代化的斜索拉桥,也是世界罕见的斜拉桥之一。这桥是钢铁和混凝土合奏出的乐章,是意志与力量的凝聚。这桥像武汉长江大桥一样,将会为经济社会发展建立丰功伟绩。

站在二桥上,眺望仅距6.5公里的长江大桥,依然觉出它气势恢宏,让人想起88年前,她曾同毛泽东同志“一桥飞南北,天堑变通途”的磅礴诗句,庄严地载入新中国的建设史册。再东望,仿佛看见了比长江二桥更长的江面。

国家第一长桥的南京长江大桥,众所周知,万里长江之上,除武汉长江大桥为同前苏联共同建造外,其余十座大桥都是我国自行设计、自己建造的,全都凝结着我国知识分子和工人阶级的聪明才智和伟大力量。

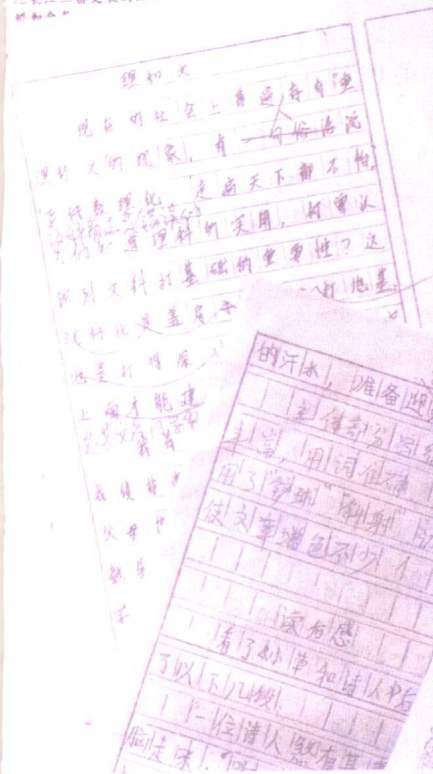

我们知

桥,做工精良,桥栏上几百头石狮大小、模样、神态各异,令人叫绝。1937年,“七·七事变”就发生在这里。在这里,中国人民打响了抗日的第一枪。她是中国人民抗击日本侵略者的英勇斗争的历史见证。

人类创造了交通桥、风景桥,同时也营造了精神领域中的各种类型看不见、摸不着的“桥”。其中,有人与人之间心灵相互沟通的“桥”,有国家与国家之间的“友谊之桥”,也有通向未来的“理想之桥”。这些都是触目可及而感觉得出的桥。去年九月一日联合国第四十次大会在我国首都召开,将我国与来自五大洲一百国家的友谊之桥,更是繁荣、发展、和平的桥梁。那习焉不察的“一国两制”即“海峡两岸人民友好往来之桥”,而规范、我国实施的政策,不正是从社会秩序而向更高阶段过渡之桥吗?

9.从素来是艰辛的,但我们团结起来,不屈不挠,就一定把人盘查桥、精神桥就建设得辉煌!

3.法的人先要经过磨练,对初写作文的不失为一种有效的作者明显借鉴了那约几篇课文,再加以联想,写成这有创新的文章,除了读的书,江二桥、长江上以及

写在前面的话

孙凡是我的独生子,生于1981年5月22日一个阳光明媚的早晨。出世时,他虽然哭声洪亮,响彻整幢医院产科楼房,但可怜的小家伙仅有2.7公斤重,5磅热水瓶样长,红彤彤的小脸上皱纹叠起,就像个“小老人”似的。欣慰的是他五官匀称,搭配得体,特别是小嘴巴长得很可爱。孙凡从小就是一个乖孩子,规规矩矩,从不打架闹事。我们全家人都很喜欢他,特别是他的爷爷奶奶和姥姥。在他离开我们到美国求学的800多个日日夜夜里,我们无时无刻不在想念着他。在他即将度过20岁生日的时候,我们送给他的生日礼物就是《成长的足迹》这本书。

我和他父亲早就有整理孩子中小学作文的想法,目的是鼓励孩子,增强孩子的自信心。几十年后,再回头看看,留下的是孩子成长历程的回忆。“人生可以是平平凡凡的,但绝不能平平庸庸。”这正是我们给孩子取名为“孙凡”的真正含义所在。孙凡正进入青春最美好的年龄,在这美好的青春时代里,他拥有自豪和骄傲,拥有执着和勇气,拥有努力和追求,拥有顽强的生命力。到美国求学近3年的时间里,他经历了人生最大的“冒险”与磨练。在中国从未出过家门的他,从未离开过父母的他,17岁就孤身一人勇敢地冲出了国门,到地球的另一边大洋彼岸去学习。在求学的过程中,在摸索的阶段里,在新环境的适应下,他经历了几多孤独,几多茫然,几多无奈,几多冲动,生活上要自己洗衣做饭,搭车上学;学习上,要攻克重重难关;社会上,受坏学生的欺负;假期里,航班延误到处流浪。面对生活,面对现实,面对所有所有的一切,没有人帮助,没有人参谋,他坚持一个人支撑着,坚持“自己的事自己做”。这一切对他的的确确是个很大的锻炼。我们相信,这段留学经历,对他以后的成长会有所帮助,对他今后的人生将会有一定的影响。

我们常常写信鼓励孙凡，一个真正能把握自己人生的人，必定是自强不息、富有真才实学的人。要相信自己，依靠自己。

我们同意孩子出国学习，更鼓励孩子回国工作。为了孩子的将来，我们注重培养他的自我生存能力、心理承受能力和思维创造能力。有人问：“为孩子出书，图的是经济效益还是社会效益？”我们的回答是：“两个效益都不图，图的是感情效益。”我们将对儿子的爱和思念都融入这本书里。在电脑上敲打着儿子的一篇篇习作，我们高兴地看到了孩子成长的足迹。在出这本书的同时，我们由衷地感谢孩子的小学班主任查雨真老师和中学辅导老师王建军同志，他们不仅教孩子学习知识，更重要的是教孩子学习做人。是他们的言传身教、精心培育使得孩子能幸福地茁壮成长。

“好男儿志在四方”。我们希望孙凡不辜负老师对他的期望：“获取知识的路漫漫，还须努力、勤奋、攀登。”“预祝他沿着昔日的作文成功之路，在学业上以及今后的事业上，取得更大的成功，早日为伟大祖国奉献才华！”

值此《成长的足迹》问世时，我们遥祝儿子乐观、坚强，平安地度过每一天。

2001年5月

May 2001 in Wuhan, China

Sun Fan is my only son. He was born in the sunny morning on May 22nd, 1981. At the time he was born, Fan's cry was so loud and clear that it resounded across the whole maternity ward, though Fan weighed only 2.7kg then. He looked red but the wrinkles on his face made him more like a tiny aged man. What comforted us was that he had regular features, especially a cute – looking mouth. Fan has always been a good boy. He has never been a troublemaker, always behaving himself. The family loved him very much. Especially, his grandparents and my mum. In these over 800 days and nights when Fan was away and studied abroad in America, our thoughts have been with him every second. Now he is going to have his 20th birthday and as a gift, we would like to present him with this book —— Trace of Growth.

To compile the compositions written by Fan, which Fan wrote in his primary and high school into a book like this, has been on the minds of Zhigang, his father and me for a long time. We hope this book can encourage Fan and enhance his self – confidence as well in the future. And meanwhile, we think this book is a gift for our own, to recollect the course of Fan's growth when we look back in last decades. Life can be common, but can never be mediocre. And “Fan” in Chinese means “common”, that is the very reason we named him Fan. Fan is now entering the prime of his life and we are so excited to see that Fan is persistent, earnest, and full of courage and vitality. In nearly three years when Fan studied in the United States, he has experienced the biggest adventure and hardship in his life. Fan had never been far away from home and his parents when in China. When he was only 17 years old, he stepped out of his homeland all by himself to study overseas. He has endured much

loneliness, much helplessness, many tangles, and much confusion there. He did what parents should have done for him while studying there, like laundry, cooking, driving to school. As a freshman, he had to face the challenges of the language and culture barriers in a new environment. It was hard to find someone for help or even for consultation. However he has tempered himself by overcoming all these difficulties.

As Fan's parents, we believe that Fan's experience of studying abroad will by all means pave the way for his future life.

We often write to Fan to encourage him by telling him that he who can practically control over his own destiny is certainly a man with perseverance and real ability and learning. Man must be self – confident and self – dependent. Say to yourself when you enjoy your own success: The sun is in the sky with the moonset. Say to yourself when you suffer from a failure: The moon is in the sky with the sunset. And if you believe in yourself, you will succeed eventually. Ahead of you is no success but a new round of challenge and what awaits you later is the happiness after suffering and a sense of fulfillment.

We allow Fan's decision to study abroad, yet we encourage Fan to work back in China after graduation. For the sake of his future to be the backbone of China in the next generation, we pay great attention to the training of Fan's ability to be independent, persistent, innovative and psychologically strong. We have on many occasions been asked why to publish such a book for Fan and some of them even asked me whether we can consider it a means to make money or name, my reply is neither. I replied to them the book is for neither of them. And if there is a reason I would say to publish the book is for the reason of love. Our love for Fan, and our yearning for Fan have instilled into this book. While keying every single word Fan wrote on my computer, I seemed to have the opportunity

to review the course of growing - up of Fan again and everything is so clear in my mind's eye it all happened just like yesterday.

Special thanks should go to Mr. Zha Yuzhen, teacher in charge of the Fan's class in primary school and Mr. Wang Jianjun, teacher of Fan in high school. Both of them are not only teachers at class, masters to instruct many kids like Fan to be an honest and upright person. But also Fan owes a great deal to Mr. Zha's and Mr. Wang's conscientious work and moreover, they have taught Fan not only by verbal instructions but also by personal experiences.

To be a man is to be ambitious. We wish Fan would follow what his teachers have instructed him: " The road to learning is twisted and painstaking. We must keep on walking up and never stop. (Mr. Zha's remarks) and along with the road to success in writing, I wish him greater success in his future study and career. And I wish he could make contribution to our great motherland at an early date."

While Fan reads this book, we wish him to be optimistic, strong, and safe every day there.
