91010799

臺灣地區中醫藥文獻摘要專輯(十一)

國立中國醫藥研究所1997-2001年論文摘要集

出版者：國立中國醫藥研究所

所址：台北市北投區立農街二段155之1號

電話：(02)28201999

網址：<http://www.nricm.edu.tw>

工本價：平裝 新台幣柒佰元整

郵政劃撥：000-1606-0

印刷者：涵亞企業有限公司

地址：台北市北投區石牌路二段 357巷 5-1號 3樓

電話：(02)28739843

中華民國九十一年六月初版

GPN 1009101742

ISBN 957-01-1354-5 (平裝)

# 凡例

- 一、本專輯收錄國立中國醫藥研究所(以下簡稱本所)研究人 1997 至 2001 年所發表論文摘要共 276 篇。
- 二、內容著錄項目：論文篇名(中英文篇名)、著者姓名及單位(加註中文姓名及中文單位名稱)、出處(即刊載期刊)、摘要。
- 三、內容先按年代編排，每一年代之論文再按英文篇名排序，無英文篇名則以中文篇名排序。
- 四、本專輯內容同時收錄於本所網頁資料庫中以供查閱。

# 目 錄

1997 年

|                                                                                                                                          |    |
|------------------------------------------------------------------------------------------------------------------------------------------|----|
| 1. 6-METHOXY-N-METHYL-1,2,3,4-TETRAHYDRO-B-CARBOLINE FROM EVODIAE FRUCTUS.....                                                           | 1  |
| 2. AFLATOXIN B <sub>1</sub> 8,9-EPOXIDE HYDROLYSIS IN THE PRESENCE OF RAT AND HUMAN EPOXIDE HYDROLASE.....                               | 2  |
| 3. AMPHETAMINE INDUCES HYDROXYL RADICAL FORMATION IN THE STRIATUM OF RATS.....                                                           | 3  |
| 4. ANALYSIS AND PHARMACOKINETICS OF APOMORPHINE IN RAT BRAIN BY MICRODIALYSIS COUPLED WITH MICROBORE HPLC ELECTROCHEMICAL DETECTION      | 4  |
| 5. 以高效液相層析儀及相關技術分析中草藥的藥效成分 .....                                                                                                         | 5  |
| 6. ANALYSIS OF ACTIVE INGREDIENTS IN MEDICINAL HERBS WITH HIGH-PERFORMANCE LIQUID CHROMATOGRAPHY AND RELATED TECHNOLOGIES:A REVIEW ..... | 5  |
| 7. ANTITUMOUR AND ANTI-AIDS TRITERPENES FROM <i>CELASTRUS HINDSII</i> .....                                                              | 7  |
| 8. 芳香療法.....                                                                                                                             | 8  |
| 9. AROMATHERAPY .....                                                                                                                    | 8  |
| 10. BIOACTIVE LIGNANS AND TAXOIDS FROM THE ROOTS OF FORMOSAN <i>TAXUS MAIREI</i> ..                                                      | 9  |
| 11. 利用 <i>PSTL</i> 片段探針的 RFLP 分析探討高粱基因組的特性.....                                                                                          | 10 |
| 12. CHARACTERIZATION OF <i>SORGHUM</i> ( <i>SORGHUM BICOLOR</i> L.) GENOME REVEALED BY RFLP ANALYSIS .....                               | 10 |
| 13. CHRONIC PORTAL HYPOTENSIVE EFFECTS OF TETRANDRINE AND VERAPAMIL ON PORTAL HYPERTENSIVE RATS.....                                     | 12 |

|                                                                                                                                                                                                                              |    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 14. CONJUGATION OF HIGHLY REACTIVE AFLATOXIN B <sub>1</sub> EXO-8,9-EPOXIDE CATALYZED BY RAT AND HUMAN GLUTATHIONE TRANSFERASES: ESTIMATION OF KINETIC PARAMETERS.....                                                       | 13 |
| 15. COOPERATIVITY IN OXIDATIONS CATALYZED BY CYTOCHROME P450 3A4.....                                                                                                                                                        | 14 |
| 16. CYTOTOXIC CONSTITUENTS FROM THE FRUIT OF <i>DIOSPYROS FERREA</i> .....                                                                                                                                                   | 15 |
| 17. CYTOTOXIC CONSTITUENTS FROM THE STEMS OF <i>DIOSPYROS MARITIMA</i> .....                                                                                                                                                 | 16 |
| 18. CYTOTOXIC PRINCIPLES FROM <i>SAUSSUREA LAPP</i> A AND <i>CORYDALIS TURTSHANINOVII</i> F. YANHUSUO.....                                                                                                                   | 17 |
| 19. DETERMINATION OF GLUTAMATE IN RAT BRAIN MICRODIALYSATES BY MICROBORE LIQUID CHROMATOGRAPHY WITH ELECTROCHEMICAL DETECTION.....                                                                                           | 18 |
| 20. 利用高效液相層析法測定粉防己鹼及其在大白鼠之藥物動力學研究 DETERMINATION OF TETRANDRINE WITH HIGH-PERFORMANCE LIQUID CHROMATOGRAPHY AND ITS APPLICATION TO PHARMACOKINETIC STUDY IN RATS.....                                                         | 19 |
| 21. DETERMINATIONS OF TRILINOLEIN AND 1,2-DILINOLEOYL-3-OLEOYL-GLYCEROL IN VARIOUS PANAX GINSENG BY HPLC.....                                                                                                                | 20 |
| 22. EFFECTS OF ACUTE AND CHRONIC MORPHINE ON DOPAC AND GLUTAMATE AT SUBCORTICAL DA TERMINALS IN AWAKE RATS.....                                                                                                              | 21 |
| 23. THE EFFECTS OF DORIDOSINE ANALOGUE ON IONIC CURRENTS IN GUINEA-PIG CARDIOMYOCYTES.....                                                                                                                                   | 22 |
| 24. 藜蘆鹼與芍藥對於豚鼠扭體反應之影響.....                                                                                                                                                                                                   | 23 |
| 25. EFFECTS OF VERATRINE AND PAEONIFLORIN IN MICE BY WRITHING RESPONSE TEST.....                                                                                                                                             | 23 |
| 26. EXPRESSION OF CYTOCHROME P450 3A7 IN <i>ESCHERICHIA COLI</i> : EFFECTS OF 5' MODIFICATION AND CATALYTIC CHARACTERIZATION OF RECOMBINANT ENZYME EXPRESSED IN BICISTRONIC FORMAT WITH NADPH-CYTOCHROME P450 REDUCTASE..... | 24 |

|                                                                                                                                                                         |    |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 27. FOUR NEW C19 HOMOLIGNANS, SCHIARISANRINS A, B, AND D AND CYTOTOXIC SCHIARISANRIN C, FROM <i>SCHIZANDRA ARISANENSIS</i> .....                                        | 25 |
| 28. GASTRODIN AND <i>P</i> -HYDROXYBENZYL ALCOHOL FACILITATE MEMORY CONSOLIDATION AND RETRIEVAL, BUT NOT ACQUISITION, ON THE PASSIVE AVOIDANCE TASK IN RATS.....        | 26 |
| 29. GLUTATHIONE S-TRANSFERASE-RHODOSTOMIN FUSION PROTEIN INHIBITS PLATELET AGGREGATION AND INDUCES PLATELET SHAPE CHANGE.....                                           | 27 |
| 30. HEMODYNAMIC EFFECTS OF ACUTE TETRANDRINE AND TERLIPRESSIN ADMINISTRATION ON PORTAL HYPERTENSIVE RATS .....                                                          | 28 |
| 31. HAEMODYNAMIC EFFECTS OF CHRONIC TETRANDRINE TREATMENT IN PORTAL HYPERTENSIVE RATS.....                                                                              | 30 |
| 32. HEMODYNAMIC EFFECTS OF CHRONIC TETRANDRINE TREATMENT IN SPRAGUE-DAWLEY RATS .....                                                                                   | 31 |
| 33. HPLC ASSESSMENT OF ESCULETIN GLUCURONIDATION.....                                                                                                                   | 32 |
| 34. 洋玉蘭和夜合花之枝幹及葉所含厚朴酚及和厚朴酚之高效液相層析分析.....                                                                                                                                | 33 |
| 35. IDENTIFICATION OF MAGNOLOL AND HONOKIOL IN THE STEM AND LEAVE OF <i>MAGNOLIA GRANDIFLORA</i> L. AND <i>MAGNOLIA COCO</i> (LOUR.) DC. BY LIQUID CHROMATOGRAPHY ..... | 33 |
| 36. INHIBITORY EFFECT OF DEHYDROEVODIAMINE AND EVODIAMINE ON NITRIC OXIDE PRODUCTION IN CULTURED MURINE MACROPHAGES.....                                                | 35 |
| 37. THE INTERACTIONS OF PAEONIFLORIN AND VERATRINE ON ISOLATED RAT ATRIA.....                                                                                           | 36 |
| 38. LAURODIONINE, A NEW OXALY-FUSED APORPHINE ALKALOID FROM <i>PHOEBE FORMOSANA</i> .....                                                                               | 37 |
| 39. A LIGNAN FROM ROOTS OF <i>TAXUS MAIREI</i> .....                                                                                                                    | 38 |
| 40. LIGNANS AND FLAVONOIDS OF <i>IPOMOEA CAIRICA</i> .....                                                                                                              | 39 |

|                                                                                                                                                      |    |
|------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 41. LOW CONCENTRATIONS OF MUSCARINE POTENTIATE M-CURRENT IN BULLFROG SYMPATHETIC B-NEURONES .....                                                    | 40 |
| 42. MEASUREMENT AND PHARMACOKINETIC ANALYSIS OF BUSPIRONE BRAIN MICRODIALYSIS COUPLED WITH ELECTROCHEMICAL DETECTION.....                            | 41 |
| 43. MONITORING OF BLOOD CATECHOLAMINES BY MICRODIALYSIS AND MICROBORE LIQUID CHROMATOGRAPHY.....                                                     | 42 |
| 44. NICOTINAMIDE ATTENUATES METHAMPHETAMINE-INDUCED STRIATAL DOPAMINE DEPLETION IN RATS.....                                                         | 43 |
| 45. A NOVEL TRINORLUPANE , DIOSPYROLIDE, FROM <i>DIOSPYROS MARITIMA</i> .....                                                                        | 44 |
| 46. PHENYL B-D-OLUCOPYRANOSIDE DERIVATIVES FROM THE FRUITS OF <i>IDESIA POLYCARPA</i> .....                                                          | 45 |
| 47. PROPOFOL ANESTHESIA INCREASES DOPAMINE AND SEROTONIN ACTIVES AT THE SOMATOSENSORY CORTEX IN RATS: A MICRODIALYSIS .....                          | 46 |
| 48. 生藥「何首烏」中 2,3,5,4-TETRAHYDROXYSTIBENE-2-O-GLUCOSIDE、EMODIN 及 PHYSCION 的含量分析 .....                                                                 | 47 |
| 49. QUANTITATIVE ANALYSIS OF 2,3,5,4'-TETRAHYDROXYSTILBENE-2-O-GLUCOSIDE, EMODIN, AND PHYSCION IN <i>POLYGONI MULTIFLORI RADIX</i> .....             | 47 |
| 50. REVISED STRUCTURE FOR FOUR ACETOPHENONES OF <i>CYNANCHUM TAIWANIANUM</i> ...                                                                     | 49 |
| 51. SELECTIVE CYTOTOXICITY OF GINKGETIN FROM <i>SELAGINELLA MOELLENDORFFII</i> ....                                                                  | 50 |
| 52. SPASMOLYTIC EFFECT OF WATER EXTRACT OF <i>STEMONAE RADIX</i> ON THE GUINEA-PIG TRACHEAL SMOOTH MUSCLE IN VITRO .....                             | 51 |
| 53. STUDIES OF THE CELLULAR MECHANISMS UNDERLYING THE VASORELAXANT EFFECTS OF RUTAECARPINE, A BIOACTIVE COMPONENT EXTRACTED FROM AN HERBAL DRUG..... | 52 |
| 54. 組織培養於誘導白英抗癌成份之研究(I)--癒合組織誘導及懸浮細胞培養.....                                                                                                          | 53 |

|                                                                                                                                                                             |    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| 55. STUDIES ON <i>IN VITRO</i> PRODUCTION OF ANTIMUTAGENIC ACTIVITY BY TISSUE CULTURE OF <i>SOLANUM LYRATUM</i> .....                                                       | 53 |
| 56. 芍藥不同炮炙品及芍藥甘草湯鎮痛、鎮靜、解熱作用與活性成分含量變化之研究.....                                                                                                                                | 55 |
| 57. A STUDY IN THE ANALGESIC, SEDATIVE AND ANTIPHYRETIC EFFECTS OF VARIOUS PREPARATIONS OF <i>PAFONIAE ALBA RADIX</i> AND <i>SHAO-YAO-KAN-KSAO-TANG</i> .....               | 55 |
