### Cherishing the time

Time passes quickly and waits for no man.

Time passed can never return.

It is hard to reach time and keep day.

Time flows like a stream which will not stop, neither will time.

What is time? It is projection of sundial, strike of bell, leak of sands. It is day and night, spring, summer, autumn and winter. It is month, year and century. Such is the mark and measure of time but not time itself. Time is life of man.

The bird of time is soaring only to one place—look, the big bird has flapped the wings and flied away.

时不可及,日不可留。

[中国] 墨程:《墨子·逸文》

时间像小溪一样畅流不息,小溪不会驻流, 时间不会停止。

[古罗马] 奥维德:《变形记》

时间是什么?是日晷上的投影,是钟鸣,是沙漏;是日日夜夜,是春夏秋冬;是月,是年,是世纪——这些都只是时间公断而可见的标志和尺度,不是时间本身。时间是人的生命。

[美国] 朗费罗:《海帕里昂》

时间之鸟只向一个方向拍翅展翼——看,这只大鸟闩振翮而去。

[英国] 菲茨杰拉德:《鲁拜集》

Year after year, time takes away something from us every day, and at last it will take away us from ourselves.

One wants to be slow but time does not await him.

Youth keeps flying time in your wueet and young flowers with strong fragrance.

Great motivity evolving from time (or eternity) moves endlessly. Whether it brings fortune or misfortune is completely accidental.

Time is the rider which ravages youth.

To life, time is a stopless alignment and unimportant recollection, enjoyment for future and chain of individual's end of life.

Everything in the world deos not belong to us except time.

时间年复一年地每天都要盗走我们一些东西,它们最终将连我们从我们自己身上也一起盗走。

人欲缓而时不待。

年轻的岁月,就在你甜美青春的馥郁花卉上留住飞过的时光。

在时间(或者说永恒)中演化成的伟大原动力永不休止地运动着:它究竟是造福还是致祸,则完全是偶然的事情。

「德国」歌德:《格言和感想集》

时间是蹂躏青春的骑手。

[英国] 乔·赫伯特:《外国谚语名句选》

对于生命来说,时间只是一个永不停息的序列和无关紧要的回忆,对未来开放的此时存在的享受以及个体生命中止的链条。

时间只是我垂钓的溪流。我喝着它,喝水时 我看到,那河的底层多么浅啊。它的汩汩流水逝 去了,可是永恒留了下来。

[英国]勃朗宁:《一个语法学家的葬礼》

记住,时间就是金钱。

[美国] 富兰克林:《给青年商人的忠告》

One who has time has everything.

Speaking of the value of time, everyone knows it but only few experience it in practice.

Nothing in the world is more precious than time.

Time passes in the twinkling of an eye and never returns, so it is the most precious wealth in the world. Misusing time is the most meaningless way of killing time.

Friends, time is money! Lost time can not be bought by money.

Only one who occupies time is rich. Kings, rich men, demons and ghosts have no such abilities.

To one who is wise but has no other property, time is his only capital.

Wasting others' time for no reason equals murder for money.

Take away the silver coins in my left pocket but leave the right one which holds my gold— time.

Time is loan, even the most reliable borrower can not afford it.

Time can not be wasted. Without time, we must grasp opportunity. We are too poor and miserable and must not be late.

Wasting time is a serious crime.

Making time full is happiness.

Nobody does not love his life, but few cherish time. If one wants to do something and learn something to enrich himself in his limited life, help others and make life meaningful, and not waste life, one mustn't waste time.

One wastes his whole life, which equals that he uses gold buying nothing.

Today is life, motive power, action and creation.
