前言 PREFACE

每一座山都有它的品格，或巍峨，或灵秀，或险峻，或安详；每一座山也都有着灵性，它总是用它的雾霭云霓，它的林石泉流呈献出它别致的美丽。走进一座大山，就是走进一个清新的世界，就是走进纯纯粹粹的自然，山承接你的目光，山给予你心灵的荡涤。当一道道风景在你的记忆中成为印象，山也就成为了你与自然融通的一个契机，一种机缘。

大茅山风景名胜区坐落在赣浙皖三省交汇处的江西省德兴市境内。地处三清山、龙虎山、景德镇围合的地理中心，与三清山东西并峙，是怀玉山脉又一高峰，自古就有“玉峰倚空碧，万嶂碍于云”之赞誉。风景区由大茅山景区、笔架山景区、四角坪景区、双溪湖景区组成，规划总面积 143 平方公里。这里不仅有高山的巍峨，也有高峡出平湖的秀丽，这里不仅有茂密的森林，也有森林的怀抱中自由生活着的野生动物。黛山幽谷、碧湖秀水、奇岩线天，史迹胜境共同成就了大茅山独特的风景。

Every mountain has a character, which may be lofty or elegant or precipitous or calm. Every mountain also has its intelligence by means of mist cloud to present its chic beauty. If you enter a great mountain, you also enter the fresh world and the pure nature. And the mountain accepts your sights and provides your soul with impact. When such scenery becomes impression in your memory, the mountain which contact you with nature becomes a chance and opportunity.

Scenic spots and historic sites of Damao Mountain sites on the part of Dexing City Jiangxi Province--a junction where three neighboring provinces of Jiangsu, Zhejiang and Anhui meet or cross. It is on three sides by Sanqing Mountain, Ronghu Mountain and Jingdezhen. And we know that Damao Mountain's wide is the same as Sanqing Mountain and is more higher than Huanyu Mountain which is reputed to be "soaring pinnacles set against blue sky, high mountains surround clouds and mist" down the ages. The scenic spot consists of the scenic area Damao Mountain, Wufeng Hole and Shangxi Lake. In addition, the total area is 143 square meters. There is not only lofty high mountains but the elegant lake rising in the narrow gorges. And you can not only see the dense forest but the wild animal living freely in the arms of forest. So the unique scenery of Damao Mountain is made up of green mountains with secluded valleys, blue lake with clear water, rare rocks and narrow sky and the historical resort.

山得水而活，水得山而媚。大茅山的山与水总是这样密不可分。无论是安详流淌着的溪流，还是飞奔而下的瀑布，因为有了山的映衬而显得充满着灵气。而大茅山的一座座挺拔突兀的山峰，以及那些幽深的山谷，也因为有了那些或奔涌，或宁静，或跳跃，或灵动的水而少了一些冷峻，多了一些温柔。

大茅山峰峦叠嶂，高耸巍峨，其中以五峰一尖最为著名，五峰连绵，酷似笔架，尽显造物之神来巨笔，其主峰以 1391.4 米的高度与三清山遥相呼应，从清代诗人程光壁“巍然高峙势旋空，独表银阳岳镇雄”的诗句中人们不难看出它雄伟的气势。

一条马溪穿越梧风洞景区的幽深峡谷，丰富的水量孕育出了众多的深潭飞瀑，黄家瀑布、仙女潭、三叠瀑、茅山岗瀑布、天鹅潭等等，让这里的高山幽谷充满了灵动。马溪水还成就了下游的双河口、茅山岗、双溪等五个梯级水力发电站，大茅山的水不仅给人们带来了电力，还让人们可以欣赏到高峡出平湖的壮美景色。山是水之心，水是山之韵，登上双溪湖的小船，当青山绿水、天光云影向你扑面而来的时候，山水相依的含义也得到最好的诠释。

DaMao Mountain became a hinterland of the revolutionary base in Northeast Jiangxi Province during the war where proletarian revolutionaries of the older generation (FangZhiMing, LiYu, etc.) put up a tenacious fight. These scenic spots (The HongJun Hole, The tomb of revolutionary martyrs, The monument, etc) become a place that people honor these revolutionary martyrs and give unique personality with cultural connotation to the landscape of DaMao Mountain.

If Damao Mountain was once presented to people as a rich mineral base, its natural, historical and human resources are attracting more and more attention and flavor of people of all walks of life. In order to protect and make good use of the rare and precious "ivory tower". Scenic Spots and Historic Sites of Damao Mountain was appraised as the scenic spot of the province by provincial government in October, 2006 under the care of Dexing City Committee and Government, and they formed "The managing committee of Scenic Spots and Historic Sites of Damao Mountain" and "The Limited liability company of Tourism Development of Damao Mountain". The managing committee of Scenic Spots and Historic Sites firmly centered on some basic theories of scientific planning, strictly protection, order construction, standardized administration, trade and investment promotion and regional cooperation, and completely improved management with service and hard promoted all aspects of their work. They have been implemented plan and design of in order including «An investigation report on the resources of Scenic Spots and Historic Sites of Damao Mountain»、«Project design of Scenic Spots and Historic Sites of Damao Mountain»、«The regulatory planning of the reception center of scenic spot of Wufeng Hole»、«The planner of tourism product of scenic spot of Wufeng Hole of Scenic Spots and Historic Sites of Damao Mountain»、«The programme design of the Yue cultural square and the business street of scenic spot of Wufeng Hole»、«The programme design of travel walkways of Blijia Mountain»、«The programme design of relocation area of Wufeng Hole»。As the saying goes, "Borrows East Wind", and we believe that Damao Mountain will be more and more beautiful which is presented to the whole nation and the people of the world in the near future.
