Foreword

Yellow River winds its way through deep valleys and surge ahead along vast Ningxia plain. Irrigation canals, which are cradled in Qingtong Gorge area and can find their origin back to Qing, Han and Tang dynasties, glow like golden ribbons under sun, channeling water for thousands of year from Yellow River to Ningxia, the pear in Northwest China. Thanks to the nourishment of Yellow River, the steep and towering Qingtong Gore also exudes delicate beauty normally reserved for regions south of the Yangtze River. People today are attempting to seek out the essence in the cradleland of Ningxia, a region highly acclaimed for its harmoniously mixed multiple cultures. At last, the immortal history is crystallized into pieces of gorgeous photos, through which, the unusual beauty of the land is unrolled in front of us. Everything in the land, from grand mountains, to glittering water, singing birds and swinging reeds all have been brought to life by these vivid photos.

The photo album of *The Incredible Beauty of Qingtongxia* is a rich collection out of Mr. Li Peng's decade of efforts in conveying the charm of the inviting area. Consisted of four parts, namely "Qingtongxia - Ancient Copper Gorge", "Rosy Glows above Niushou Mountain", "Golden Bank of the Yellow River" and "Helan Mountain Pass", the photo album presents viewers with more than hundred of photo works which can best convey the beauty of Qingtongxia scenery in an artistic way. As fruits of Mr. Li's time-honored dedications in observing, spotting, catching and rendering the beauty of Qingtongxia area, these photos also embody Mr. Li Peng's great diligence, sincerity, persistence and unique ideas. It is true that photography is an art of choice. Mr. Li is particularly choosy in employing the art to bring out the unique beauty of Qingtongxia area through his lens and vision. With a bold yet well-balanced manner in choosing scenery and deploying lights, Mr. Li presents viewers a highly distinctive and unaffected Qingtongxia, the hometown deeply beloved by the photography himself. Viewers will feel the intense aesthetic and spiritual impact immediately whenever they thumb through the photo album.

As a member of China Photographers Association, Director of Ningxia Photographers Association, and Chairman of Qingtongxia City Photograph Association, Mr. Li Peng has served in cultural sector in Qingtongxia City for more than one decade, with honors like the Best Ten Members of Ningxia Photographers Association, Artist Distinguished in Both Morality and Craft, etc. awarded. I do feel happy about what Mr. Li has achieved in his career and art journey. As a highly devoted photographer with camera locked on Qingtongxia area for more than one decade, Mr. Li's great love towards hometown is especially commendable. These splendid photos as rendered by Mr. Li have played a great role in promoting the image and tourism of both Ningxia and Qingtongxia area. Besides, the various photography activities as initiated and organized by him have infused many momentums to the photography circle in Qingtongxia Area. In return, Mr. Li himself is also highly esteemed by his peers in the circle. We can learn from these photos of Mr. Li's insight into life and great artistic aspiration as a photographer. Mr. Li has dedicated his art life to Qingtongxia, which in return also has become part of his life. Therefore, Mr. Li lead a unique life with great achievement and incredible beauty.

序

九曲黄河穿峡越谷，在广袤的宁夏平原上奔流不息。发源于青铜峡的秦渠、汉渠、唐徕渠似一条条金色的丝带，穿缀起了塞上江南引黄灌溉的编年史。黄河水的孕育，使青铜峡雄浑中透露出江南的秀丽，粗犷中不乏几分妩媚。今天的人们都在试图探寻着塞上江南发源地的精髓，体味宁夏多元文化的真谛。终于，这段流淌的历史从梦境中走出来，幻化成一张张精美的摄影作品，灵动而真切地展现在我眼前。那山从照片上站起来，那水从照片上涌出来，婉转的鸟鸣、飘荡的芦苇从纸面上透出来……

呈现在人们面前的《峡光魅影》，是李鹏对自己十多年来青铜峡题材摄影创作的回顾与总结。该作品集共分为“青铜古峡”、“牛首飞霞”、“黄河金岸”和“贺兰山缺”四部分，收集了作者百余幅最具代表性、艺术性、观赏性的青铜峡风光摄影作品。它浓缩了李鹏长期对青铜峡的观察、体验、发现、捕捉，真实地再现了他辛劳、情感、思想、真挚和执著的创作追求。摄影是选择的艺术，面对青铜峡山山水水，李鹏的镜头选择得精致甚至苛刻，构图、用光大胆而不失法度，他展示给人们的古峡风光是他心底独有的景致，也透射出来他对这片土地的热爱和对家乡依恋。欣赏这些摄影作品，会令人感受到迎面而来的强烈美感冲击和精神上的震撼。因而，这便是李鹏奉献给广大读者的家乡、属于他自己的家乡——那极富个性而又真实自然的青铜峡。

李鹏系中国摄影家协会会员、宁夏摄影家协会理事、青铜峡市摄影协会主席。在青铜峡市文化部门工作十多年，先后获得自治区摄影家协会十佳会员、自治区文联德艺双馨文艺工作者荣誉称号。他的工作业绩和摄影事业上的成就，都让我由衷为之高兴。难能可贵的是，他始终把镜头对准家乡题材摄影创作，拍摄了大量的青铜峡风光摄影作品，这些作品为宣传宁夏、推动青铜峡的旅游发展产生广泛、良好的社会影响。他热心策划组织各类摄影创作活动，带动活跃了青铜峡摄影群体创作。他本人则成为区内知名的优秀摄影家。

李鹏用摄影诠释着对生活的感悟和一名摄影人的执著追求。他将自己的全部艺术生命融入青铜峡，青铜峡也融入了他的生命，因此，他方才有了属于他的人生，属于他的天地，属于他的情怀。

Preface

The Yellow River winds through deep valleys before flows along ancient irrigation canals to nourish the frontier land in Northwest China. Through the ridges and peaks of Helan Mountain, the Great Wall runs across the vast border area and extends far into the distance.

Located along the upper reach of the Yellow River in the middle of Ningxia Plain, Qingtongxia once was a significant pass on the Silk Road and now is an oasis city in the Northwest China. It has long been famous around the world with the saying of “Ningxia is enriched by the Yellow River and Qingtongxia is the pearl in the remote frontier area” spread far and wide.

Qingtongxia City has enjoyed a history of over 2200 years, with its earliest county administrative system established in Qing Dynasty. The Yellow River runs through the city to reach to places far away. In addition to ancient irrigation canals, the city also boasts many historic legacies, such as mysterious pagoda complex left by ancestors in Western Xia Dynasty, imposing Yellow River Altar, and Qingtongxia area which is mixed with both grand and delicate beauty. Here, you will be surprised by the harmonious coexistence of solitary desert and idyllic oasis.

Qingtongxia City is a charming combination of brilliant culture, splendid natural wonder, rich historic relics and unique local custom. It is home to many time-honored relics like Guangwu Rock Painting; ancient temple complex in Niushou Mountain; ancient irrigation canals like Qingqu, Hanqu, Tailaiqu; Beicakou Great Wall and Yellow River Iron Bridge. Besides, Qingtongxia Grand Canyon, Bird Island Wetland, and Helan Mountain Wind Farm are also acclaimed for their grandeur. Newly developed projects in the city like Qingtongxia Water Conservancy Hub Project, Yellow River Bund, Riverside Avenue, and garden-like urban virescence have brought more vigor and prosperity to the rising city. As economy grows at a brisk pace, Qingtongxia City has taken on a new look with rich cultural activities available for the public. It has paved its way into the Top 100 Counties (Cities) in West China and the Top 200 Enchanting Cities in China. Qingtongxia City will continually contribute itself to the prosperity and development of Ningxia Plain.

Through the 148 photos collected into the album, readers can learn more about the ancient yet modern city, find out its cultural essence from its time-honored history, marvel at the irradiative beauty of Golden Bank along Yellow River, and are attracted by the peaceful and cheerful life of local people here. We believe, everyone with interests in the marvelous city will go through the album with great pleasure and close it with burning excitements.
