emblem at the Eighth Session of the  
Central People's  
Government committee,  
1950

## 前言

一九九三年十二月二十六日，是伟大的马克思主义者，伟大的无产阶级革命家、思想家、政治家和军事家，中国人民的伟大领袖毛泽东同志诞辰一百周年的纪念日。

一百年前一个寒冷的冬夜，毛泽东同志诞生于湖南韶山一个农民家庭。在走上革命道路以后的几十年风风雨雨里，毛泽东同许多卓越的共产党人领导着全中国各族人民，经过苦苦的探索、艰难的奋斗、不懈的进取，终于掌握了中国革命的真谛，战胜了国内外的敌人，创建了伟大的中华人民共和国。建国后，面对国际上的重重压力和国内的艰苦环境，毛泽东以其伟大的胸怀、卓越的见识和超人的胆魄，稳固了人民民主政权，并使社会主义革命和建设获得了丰硕的成果。

尽管毛泽东已仙逝十年有余，但一曲嘹亮的《东方红》乐曲就足以唤起人们的记忆。无论是回首往事的心理体验，还是作为价值寻求的象征，抑或是其他复杂的精神信念，毛泽东的人格魅力、巨大成功和深远影响，无不对当代人有着极大的启迪。

毛泽东一生无私地为中华民族的命运而奋斗，贡献了自己的才智、胆识和卓越的思想，还有六位亲属的生命。他每时每刻都在全心全意地思考着我们民族的过去、现在和未来，并为实现其理想而不遗余力地奋斗。他充满自信和真诚，即使在走向迷误的晚年，他的种种担忧、悲怆，也都体现出舍我其谁的真诚和超越自我的崇高意识、忧患意识和奋斗意识。毛泽东是旧世界的挑战者，更是新世界的构想者。对未来的向往，加剧着他对不合理现实的批判和改造；打碎旧世界的实践和成功，又不断地升华为对未来更加执着热情的追求。在共产党取得政权的十几年中，毛泽东同志在轰轰烈烈的社会主义革命和建设时期，在变幻莫测的外交场合，在工作中，在生活中，都给人们树立了流芳千古、传诵万世的崇高形象。认识一个有血有肉的毛泽东，是人民的渴望、历史的要求。

党的十一届三中全会通过的《关于建国以来党的若干历史问题的决议》，对毛泽东和毛泽东思想作出的正确评价，极大地推动着人们对毛泽东的认识和研究。特别是在毛泽东诞辰一百周年之际，人们会怀着更真挚的感情和浓厚的兴趣了解毛泽东、认识毛泽东、敬仰毛泽东。毛泽东的光辉思想和人格力量已永远地融铸于中华民族的精神和生活之中。

大型画册《毛泽东》截取的是毛泽东同志在一九五〇年至一九六四年这一历史时期工作和生活的片段。本画册的全部照片由曾在毛泽东身边担任过摄影工作的吕厚民先生提供。它极其真实地记述了毛泽东工作和生活的各个侧面，情真意切，感人至深。通过这些历史瞬间的记载，人们可以生动地看到毛泽东在此景此情中的举止、仪态和个性，也可以了解到他的工作作风、生活习惯、兴趣爱好，以及交际风度和骨肉亲情，体会到其超凡脱俗的人格力量、有口皆碑的道德风范、炉火纯青的交际艺术等等。

毛泽东属于人民、毛泽东属于中国、毛泽东属于全世界。愿我们的画册——《毛泽东》给您以思想与情感的启迪。

## PREFACE

26 Dec, 1993 will be the commemoration day of the 100th anniversary of the birthday of Comrade Mao Zedong, the great Marxist, proletarian revolutionary, thinker, politician, strategist and great leader of the Chinese people.

One hundred years ago, in a cold wintry night, Comrade Mao Zedong was born to a peasant family in Shaosan, Hunan province. In decades of difficulties since he, together with many other brilliant communists, committed himself to the cause of revolution, he had grasped the characteristics of the Chinese revolution, defeated enemies at home and abroad, ultimately led all nationalities in China to victory after strenuous probing, struggling and advancing. After the founding of the great People's Republic of China, in defiance of pressures from foreign countries and difficult circumstances in China, he consolidated the people's democratic dictatorship and made great achievements in the socialist revolution and construction with broad vision, profound knowledge and true bravery.

Now, Comrade Mao Zedong has passed away for more than ten years, but the song of "The east is red" is enough to evoke the memory of Comrade Mao Zedong to everyone's mind. The charisma of his personality, his great successes and far-reaching influences, either as a symbol of value-pursuing, or as other sophisticated ideas, contribute to inspire his contemporaries.

All his life, Mao Zedong devoted his wisdom, bravery and outstanding thoughts to changing the fate of the Chinese nation while six of his relatives gave their lives for the noble cause. He persistently reflected on the past, present and future of the Chinese nation and unswervingly strove for the realization of his ideal. He was confident and sincere. Even in his later years when he made some serious mistakes, his anxieties and sorrows are the expressions of his sincerity, noble sense of self-transcendence and hardship. He is a challenger to the old world and an engineer of a new world. His yearning for a good future serves to sharpen his criticism of the irrational reality and determine to reform it, and his practices and successes in breaking the old world promote him to enthusiastic pursuit of the future. In the ten odd years after the seizure of political power by communist party, Comrade Mao Zedong had set up an exemplary image in the eyes of Chinese people, either in the exciting years of socialist revolution and construction, or in the ever-changing diplomatic intercourse, or in his work and private life.

To know Mao Zedong as he was is not only the wishes of the people but also the demand of history. The resolution on some historical problems of the party after the founding of the Republic, passed by the 3rd plenary of the 11th party congress, correctly appraises Mao Zedong and his thought and promotes the understanding of and research on him. On the occasion of the 100th anniversary of the birthday of Comrade Mao Zedong, people will be all the more interested, with cordial feeling and respect, in understanding Mao Zedong.

The brilliant thought and personality of Mao Zedong have blended themselves into the spirits and lives of the Chinese nation.

The picture album "Mao Zedong" comprises pictures of Mao Zedong from 1950 to 1964, all of which are provided by Lu Houmin, a veteran photographer working at the side of Mao Zedong. The pictures are authentic records of various aspects of Mao Zedong's life. By these pictures, one can have a glimpse of Mao Zedong's behaviour, manner and characteristics. We can also know his style of work, daily habits, personal interests, way of communication and kindred feeling towards his family and relatives, comprehend his supreme personality, universally acclaimed morality and skilful art of communication.

Mao Zedong belongs not only to Chinese people, to China, but also to the world.

May the picture album "Mao Zedong" inspire you to new thoughts and feelings.

All the pictures in the album are provided by Comrade Lu Houmin, vice-president of Association of Photographers and a veteran photographer working at the side of Mao Zedong. The more than 200 pictures are authentic and moving records of various aspects of Mao Zedong's life from 1950 to 1964. By these pictures, one can have a glimpse of Mao Zedong's behaviour, manner and characteristics. He can also know his style of work, daily habits, personal interests, way of communication and kindred feeling towards his family and relatives, comprehend his supreme personality, universally acclaimed morality and skilful art of communication. Most pictures are published for the first time and are extremely precious for collection.

The de luxe edition and super de luxe edition of this 220 pages picture album will appear in May, 1993 at 380 and 580 Yuans respectively.

May the picture album "Mao Zedong" inspire you to new thoughts and feelings!
